

COMMENTS FROM THE MAYOR By Charles Jessup

Best Places to Raise a Family

Meadows Place was recently recognized as one of the best places in the greater Houston area to raise a family! This community has been working hard to make Meadows Place a great, safe place to raise a family. Well, it looks like we are succeeding because Meadows Place made a good news list – again!

Sometimes people outside our shining

little city don't even know we are here, much less think of us as one of the best areas in the Houston Area to Raise a Family!! We know that of course, but apparently the word is getting out to the rest of the world. Matt Levin's Report in the Houston Chronicle reported Meadows Place one of the best places in the Houston area to raise a family. Not bad for a one square mile city.

In fact, Meadows Place ranked in the top 100 Statewide. Statewide! (#100). We were graded on our Public Schools (grade A!); Cost of Living; Crime and Safety (yeah PD!) and were given an A on our Family Amenities. Meadows Place is proud to be recognized as one of the best places to raise a family, but, fact is, we already knew that.

Mosquitos

The City of Meadows Place is moving forward with plans to become self-sufficient when it comes to spraying for mosquitos. This is a long, arduous process that now requires training, testing, certifications and State approvals. Thanks to the ongoing efforts of Public Works Director Danny Segundo, we are about two-thirds of the way through the process. His next round of testing is later this month as he works toward state compliance. This does not mean we will not be able to continue to work with the county on things like vector (aerial) spraying and the like, and the county will continue to do our mosquito counts and testing for mosquito transmitted diseases like West Nile and now Zika, but it will mean that once we are accredited, Meadows Place will have the ability to occasionally do what is termed "Nuisance Spraying" as well as protective spraying due to a positive test result.

4th of July Parade

Join the fun during Meadows Place Annual 4th of July Parade @ 10am. There are several ways to participate in the fun. We are taking entries from those that would like to march, create a float, and decorate a golf cart, boat, or bike. We are also looking for anything unique such as unicycles, stilt walkers, musical instruments, etc. We have a spot for everyone!

Parade entry form can be found on the City website: cityofmeadowsplace.org. Please return your entry form to City Hall before Monday, June 27.

The Parade route travels from City Hall along Dorrance to Mullholland, left on Mullholland then left on Brighton concluding at McGrath Park.

Did You Know?...

Did You Know... Sonic has picked the Meadows Place Lake as the place for their regional company picnic?

This led to a great new partnership with Sonic as they have now teamed up with Meadows Place and will be out at several of our events handing out gift cards to a few lucky attendees along with a few other items. More and more people are beginning to realize Meadows Place is... *Your Place for Life!*

Did You Know... that Moe Wolfe is a very proud Grandfather? He wanted us to know that the Wolfe twins, Ashley and Samantha, recently achieved a milestone in Taekwondo by earning their black belt in Master Jenny's Taekwondo Program. This is after 6 1/2 years of concentrated effort and they are only 11 years old. More young Meadows Place leaders in the making. Congratulations Ashley. Congratulations Samantha.

Did You Know... Chief Stewart has equipped one of the (free) Meadows Place Hummers with a deep water snorkel? With all the recent flooding it is nice to know that we have that available. Speaking of Chief Stewart, he was very proud of the response by his officers during the flood. They were here, ready to do whatever they could to protect us. No wonder our PD achieved an A rating with overall crime stats 71.46% LOWER than the national average led by a Violent Crime stat 90.23% LOWER than the national average and lower than our surrounding cities. Congratulations, and Thank You, Meadows Place PD.

Did You Know... Kali Shaw went to Orlando to compete in the AAU National Volleyball Championships and guess what – They won it all and took home the trophy. Don't know who was smiling more, her, or her Mom Cyndi, who was down there cheering her on. Congratulations Kali!

Did You Know... the Sugar Land

Skeeters called upon the Lifeguard Corps from Meadows Place to stand guard over their pool this summer? It is working out very well. The Skeeters are pleased and the kids pick up a little extra money. Just shows all that hard work and training does pay off.

Did You Know... The City of Meadows Place has expanded its use of volunteers? This has proven to be a very effective way to maximize the city's ability to serve our residents. Current Volunteers include Jana Rodriguez, Norma Mitsakis and Experience Works participant Mary Watkins who are doing everything from changing the marquee sign to pulling research data to helping get ready for our famous 4th of July Parade. This program is proving to be even more effective than we hoped. If you have an interest in volunteering contact Parks Director Colene Cabezas who is coordinating the Meadows Place volunteer effort.

Did You Know... Janet Piwonka has been active in our community for years, and still is? To help promote the Boy Scout Flags for Meadows Place program, Janet, in her wheelchair, went door to door asking her neighbors to sign up for the program. It paid off as many signed up and helped the Scouts achieve record numbers for this fantastic program. Thanks to folks like Janet, the city looks great with flags flying all over town. If you are interested in participating, contact Alderman Rick Staigle. His email is :alderman3@cityofmeadowsplace.org.

Janet is the wife of former City Council Member David Piwonka. What a great example of citizens who serve. Thank You Janet and David!

Did You Know is for YOU. To get something in Did You Know, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... 10 yr. old Tanner Cabezas and 11 yr. old Wade Boatright were taking tennis lessons when the instructor smacked a "dead" ball over the fence - which went home with Tanner. Later, Tanner's dog 'Bear' had a ball with that ball. The next day, Wade and Tanner came up with the idea to collect dead tennis balls and give them to dogs – shelter dogs! Fort Bend Animal Shelter said they would LOVE to have tennis balls for their dogs. They put a collection bin at the courts and are now collecting balls for dogs. Thank You, Tanner. Thank You, Wade. You are making Meadows Place... *Your Place for Life!*

(Comments From The Mayor continued from page 1)

Due to EPA and TCEQ regulations, there are limitations and regulations, but in the next month or so we will have the certifications and the equipment to act as our own first line of protection against these irritating and sometimes dangerous pests. Meadows Place, in partnership with Fort Bend County, do a great job of testing and keeping track of potential breeding areas. That said, most of the potential breeding sites are in YOUR yard. It doesn't take but a tiny bit of standing water to serve as breeding place, so please, go make sure you check your yard for areas that harbor water, even a little. By doing this, we will help ourselves, our neighbors and make sure Meadow Place continues to beYour Place for Life!

Road Report

The base foundation repairs on the Dorrance entryway to our city are complete. We are now on a (long) County waiting list to have an overlay put on. This is a major undertaking and just one of the many road projects our Public Works Director has on the board. In other news, the city has begun negotiations with HDR Engineering for the engineering portion of the Kirkwood Beautification and Revitalization program. There has been much electronic back and forth fact finding and data exchange and one very intense meeting with city officials. At this time, the city is waiting for HDR to come back to us with a sharpened pencil price, which will determine if the project is awarded to them or if the city will choose to break off negotiations and move on to another qualified bidder. This is a very interesting process which is designed to help the city keep costs to a minimum while securing the services of the most qualified company. Keep an eye on the official City Facebook Page and website for updates.

Taking Care of Business \$\$

Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.

The Shell station at the corner of 59 and W. Airport is coming down. In its place will be a new Murphy USA station. Murphy is a national gas station and convenience store chain dedicated to helping customers buy smarter, drive farther and will bring a fresh new face to Meadows Place.

Welcome Murphy USA

Follow and support these and all Meadows Place businesses. They need, and deserve, our support.

Thank You

Hurricane Season

Hurricane season upon us and the Meadows Place Police Department wants to remind everyone about all of the services available to our community in times of pending disasters. We encourage our residents to be proactive in preparing for the hurricane season. The city does not provide emergency shelters and encourages everyone to make preparations for family and pets. Below is a list of resources available and we encourage everyone to take advantage of all.

CodeRed allows a user to sign-up for important notifications about the City of Meadows Place. This includes notifications about emergency services and evacuations prior to and during pending disasters. Signup for emergency notifications through CodeRed:

New Recycling Program Targets Unwanted Clothing and Small Housewares

By *Danny Segundo*

This month's news letter was written by Jacob Court, he is a resident of Meadows Place and an eagle scout.

Meadows Place Recycles – introducing the new and improved version! According to the EPA, the average American creates 4.40 pounds of waste per day. We only recycle and compost 1.51 pounds of this total, so each person throws away 2.89 pounds of trash each day! That's almost 3 pounds!

Recycling helps minimize this number and we are getting better! The EPA states that Americans recycled and composted 87.2 million tons of material in 2013, up from 15 million tons in 1980. Keeping this much material out of the landfills prevented approximately 186 million metric tons of carbon dioxide equivalent from polluting the air. That's like taking over 39 million cars off the road for one year! And this doesn't even touch how much ground pollution was prevented.

Meadows Place is going to provide a new, additional recycling service for the City. This service will be in place June 17, and is provided by Simple Recycling. They pick up clothing and small house hold objects, and will follow the regular recycling trucks on Fridays to make it easier for you. There are special green bags, and stickers for boxes, that will be delivered to you to use for recycling these items. You just place them at the curb on Fridays just like your regular recycling. Simple recycling says, "Clothing, appliances, durables and furniture account for approximately 15% of the residential waste stream." Thanks to your City, you can help lower that at no cost through this for-profit organization! Look for more information on the Meadows Place website, Facebook page and in the mail.

Stored Items

By *Jerry Parker*

Hurricane season started in June. With the El Nina this year, it is predicted that we may actually experience a storm or two. Taking care of the exterior of your home is made better and safer by not storing loose items outside. It not only makes it easier to maintain, but also makes it easier to see any new damage or other issues that occur.

Remember when you started building that new deck in the back yard and ended up with the old wood piled up next to the house? You have to ask yourself, "Do I really want a Citation for this?" Not only is it a code violation, but it is unsightly, attracts rodents and insects, and can become flying missiles during severe weather.

Between stored items and visible trash cans, if we help each other out and put them away each day, imagine just how much nicer our little City will look!

Reminder about Tree Trimming Time!

Some of you have already taken the initiative to begin trimming your trees to meet the current code limits of 16ft over the road and 10ft over sidewalks, without my giving you notice. Thank you!

For those that are receiving a Notice, if you have any questions or think you may need more time, please call me or send me an email so I can get answer any questions or get extensions approved.

Top Hits from June:

Violation:	Warn/Cit	Comply:
Grass/weeds	31/8	28
Trees / Shrubs	56	48
Trailer/Car/Boat	12/2	10
Trash Cans / Debris	28/20	20
General Nuisance	11	11
Totals	138	117

Please remember, I can't see everything. If you don't let me know what is happening and what is important to you, I can't make it a priority.

We will have already selected the July award winning yards since we do the judging the last three days of the month for the following month. The July winners will be listed in this column in the August "Newsletter."

As noted before, the Club does not offer educational programs during the summer months but look for announcements for our September meeting. Our program year runs from September through May.

During the summer we like to develop our membership roster in order to be able to publish our Yearbook in September. If you are interested in Home Improvement and/or Gardening and would like to join the Club, please contact Betty Landers (281-495-0080) or Betty Schofield (713-202-6663), the co-chairpersons of our Membership Committee. Dues for an individual membership are \$25.00; for a family membership it is \$35.00. Remember half of your membership dues go into our Scholarship Fund.

Speaking of Scholarships, you can see photos of the four students who each received \$500.00 scholarships from the Club this year. Go to our website and go to the "Scholarship" page. We are proud of our Meadows Place students and are happy to provide them these scholarships.

We are making plans for our annual Fall Craft Show. We are excited to announce that the show will be held in our Community Center. We haven't set the date yet but that will be forthcoming shortly. We are proud that our Craft Show features only home-made/hand-crafted items. The show is open to all such vendors but we hope that you crafty Meadows Place residents will be there to show your "stuff." It's not too early to contact Joe De Bruyn, the chairperson in charge of the Show.

If you or an active duty family member would like to participate in our parade, please contact the Parks & Recreation Department by Monday, June 27.

BIKE PARADE

Bike riders are a big part of the 4th of July Parade. No entry form required just show your patriotic spirit by decorating your bike and join the parade in the parking lot of Sugar Grove Church at 9am.

PRIZES WILL BE AWARDED

Best Youth Best Spirit Best Commercial Entry

Judging for non-motorized entries begins at 9am SHARP at Sugar Grove Church. Motorized judging will take place while in route in front of the Community Center. Sponsored by Sonic.

MORE FUN

Prizes will be awarded at the conclusion of the parade at McGrath Park. Stay for more July 4th fun and watch the Jeep Club entertain you with a Jeep Stacking display. Freeze Pops will be provided while supplies last, sponsored by Sugar Grove Church.

YARD DECORATING

Show your patriotic spirit by decorating your yard in a red, white and blue theme. If you do not live along the parade route you must enter your address by calling 281.983.2935 or email parks3@cityofmeadowsplace.org.

Judging will take place on July 3.

Winners will be announced at the end of the parade. Home Depot Gift Card will be awarded to 1st, 2nd, 3rd place.

FIREFORKS.COM PRESENTS THE
MEADOWS PLACE
FOOD
FESTIVAL
AUGUST 5TH FROM 5-9PM

McGrath Park, 2001 Brighton Ln

Coming soon, restaurants, breweries and food trucks will converge on Meadows Place McGrath Park to offer a taste of Fort Bend County.

You will have the opportunity to sample each vendor's food from 5-7pm. After 7pm, full fare will be available for purchase throughout the evening. There will be dry / wet activities for the kids to keep them cool and entertained. Covered seating and cooling areas will also be available to relax under while watching the Battle of the Bands competition.

Each entry ticket will provide access to the event and all activities.

5 – 7 pm \$10 Adults / \$6 Kids (Includes food sampling)

7 – 9 pm \$6 Adults / \$3 Kids (Full Fare Food Only)

BATTLE *of the* **BANDS**

Come and watch great talent as youth battle it out for 1st place. Your entry to the food festival will provide you with a ticket to vote on your favorite band. Bands will be performing throughout the evening so make sure to stick around to hear the winner announced at 9pm. Winning band will be chosen by audience votes and will receive a cash prize.

CASUAL AIR, INC.

"Fair Prices, Quality Work"

* Please have your furnace checked for proper operation by a licensed H.V.A.C. professional before turning them on! ** A very small price to pay for you and your loved ones safety.

PREVENTIVE MAINTENANCE TIP ~ FYI:

Have the duct work checked in your homes attic space for air leaks. If your home is 25-30 years old the typical "flex duct" originally installed by builders can deteriorate & literally "fall apart" due to constant heat & humidity of attic conditions in our area. This can hit you hard in the "pocketbook" (i.e. very comfortable attic space!). Not to mention your system has to work harder to comfortably heat & cool your home. Having your duct work checked can be easily scheduled during your annual fall furnace inspection. **Call Now** before you make the switch to heat.
