

COMMENTS FROM THE MAYOR By Charles Jessup

Budget Season

Well, it's Budget Season in Meadows Place. Council and Staff have been meeting reviewing requests, expected expenditures and then setting spending priorities based on revenue projections. This is a very important process made much simpler and more efficient thanks to the hard work of Finance Director Anna-Maria Weston and City Accountant

Oralia Naccarino. These ladies do so much to make sure the numbers are accurate and the expenditures are coded to proper accounts. This means that your City Council and Department Heads can move through the process with confidence.

Equipment costs, utility costs and insurance have gone up. That affects how much we can spend to maintain the level of services provided. It has long been Meadows Place practice to be financially responsible, budget conservatively and do our best to be good stewards of your money. We will again. Since there is never enough money to do it all, the budget reflects the priorities of your elected representatives - which hopefully mirror your desires for our great little city. The budget process is open to you so that at the end of Budget Season, we can meet your expectations and keep the city financially secure.

Recently our Finance Director Anna-Maria Weston, our City Secretary Courtney Rutherford and I attended a day long Budget and Setting the Tax Rate seminar. It was very informative and all three of us came away pleased that Meadows Place process was spot on and in line with all the regulations. I was honored to have been asked to speak at this event and hope I represented Meadows Place well.

Banking Changes

The City of Meadows Place has published a Request For Application (RFA), which in layman's terms means we want to change banks. This is not a simple process but I was surprised at how difficult it could be.

Did You Know?...

Did You Know... Meadows Place is hosting a Law Enforcement Training class in the Meadows Place Training Center next month. This is a big deal for Meadows Place as we will receive some Statewide recognition and, as a bonus, it brings good people to Meadows Place. Plusit doesn't cost us anything !

Speaking of Law Enforcement - **Did You Know...** Meadows Place Police Chief Gary Stewart is on a select panel of 15 Police Chiefs to discuss and create policy recommendations for Police Departments as they prepare to deal with the new Immigration policy that takes effect on Sept. 1, 2017. This is a very important panel so our congratulations go out to Chief Stewart for being chosen.

Did You Know... Bob Graf, President of our Meadows Place Economic Development Corporation, is meeting with prospective business developers and financiers to bring new businesses to Meadows Place. Good Luck, Bob, and Thank You! If you are interested in serving on the EDC, Planning & Zoning or Board of Adjustment, please contact the Mayor at mayor@cityofmeadowsplace.org.

Did You Know... Meadows Place YAC (Youth Action Council) has been very busy this summer. In addition to working hard at our new Nature Center, YAC members have volunteered at a number of events including the 4th of July parade. They put in a lot of hours and it certainly helps the city do more and offer more. YAC is a youth run organization which is helping keep Meadows Place, *Your Place for Life!* Thank You YAC.

Did You Know... the official City of Meadows Place Facebook page has a YouTube prompt that has the Meadows Place 4th of July video, the official Meadows Place video, along with the Crocs in the Classroom, Opus 4 and more. Check them out and let us know your favorite.

Did You Know... Parks Director Colene Cabezas has been very busy rehabbing the new Parks property next to the pool. She is also gathering critters of all kind for our new Nature Center. Colene has taken the Basic Wildlife Rehabilitation Course which provides hands-on training and is the prerequisite to becoming certified through TWRC. This course offers invaluable health, nutrition, and housing information, as well as education on a number of other topics. Kids of all ages will have a fun time and get a great educational experience. Be sure to come by once we open the center for visitors.

Did You Know... Brookside Equipment provides equipment for Meadows Place events like the 4th of July Parade and Christmas Memories. We want to Thank Brookside Equipment and all our vendors who support Meadows Place. They really help us a lot.

Did You Know... We may have a big Pumpkin Patch here in Meadows Place. More later....IF it happens.

Did You Know... Jayne Pride was full of pride (pun intended) when she saw the article in Voyage Houston about her husband Ken and Pride Custom Builders. She was also proud that they correctly identified Ken as being located in Meadows Place – right there in the title! . Thanks Jayne, and congratulations.

Did You Know... Simple Recycling is still an active part of Meadows Place. They make it very easy to recycle household items like clothing, small household items and appliances., Use the provided green "Simple Recycling" bags to recycle unwanted clothing and housewares in re-usable condition and place it by the curb on Friday. Simple. For more info, check out their website at simplerecycling.com.

Did You Know... To get something in Did You Know, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... Plans are underway to revitalize the 13 acres under the high lines by the park, to kill off the invasive plants and plant native plants to create a pollinator habitat for Monarchs, hummingbirds, quail and other wildlife. We should be starting in September. In October our new Nature Center will open to provide opportunities for the public to learn how to plant a pollinator garden themselves and learn the importance of native prairies, quail conservation and many other interesting activities. October 7th we will hold an event that will eventually coincide with the Monarch Madness Festival that will be held in Meadows Place. It includes a BBQ cook off, craft show, live band, and old school carnival games.

(Comments From The Mayor continued from page 1)

This is our second go round. Currently we use Bank of America and apparently due to federal regulations and collateralization requirements they do not consider municipal accounts worth the trouble. I can understand that so a few months ago Mrs. Weston and I attended a financial training session which helped us decide it was time to change and gave us a few tips to make Meadows Place more attractive to a potential new depository. That, plus in house meetings with some banking institutions helped us prepare a new RFA. For comparison sake, we hope to have at least two banks apply by the end of this month and feel confident that we will. Transferring all the funds, all the accounts, all the online and all the payroll functions will be a massive transition for our little city but I believe with the staff we have now we are more than ready to take on this task. Keep your fingers crossed.

4th of July Parade

I believe this was one of the best 4th of July Parades we have ever had. It seemed like half the town was in the parade and half the town was watching. The music, the food, the shaved ice and the splash pad made the end of the parade fun again. To see what I mean, check out the video posted on our website. I bet you will see someone you know. Events like this are a big reason why Meadows Place is...***Your Place for Life!***

Special Needs Registration

The City of Meadows Place and the Meadows Place Police Department take the safety and security of the community seriously and want to make sure you are prepared during the Hurricane Season and for any emergency that may arise. Emergencies can happen at a moment's notice; mobility, hearing, learning, or seeing disabilities can create specific needs that individuals need to address to be able to respond to an emergency. We urge everyone to make plans for their safety which may include the evacuation of those with special needs, their caregivers, family or service animals. There are several resources to assist with planning; registering with the Meadows Place Police Department is your first step.

Residents of the City of Meadows Place are encouraged to contact the Meadows Place Police Department to register. This may be done via email (police@cityofmeadowsplace.org), telephone (281) 983-2900, or in person at One Troyan Dr Meadows Place, Texas. We can also assist with your registration for the State of Texas as well. The registration will assist First Responders in emergency situations to ensure the safety and wellbeing of all members of the community.

Code Enforcement Update

Thank you all for a beautiful 4th of July Parade! It was hot, but FUN! Be sure to check out the City Facebook page for the pics and videos!

Please remember that Meadows Place has an ordinance in place that requires your pet to be on a leash when off your property. This means that if you wish to walk your dog by our beautiful Lake, the dog **MUST BE ON A LEASH**, and you **MUST** pick up after them! Texas Direct Auto has provided our city with a beautiful dog park and is the only legal area that you may let your dog run free.

Our Rental Registry is back in full effect. If you own a home that you rent out in Meadows Place, make sure that you have obtained your Rental License for this year. The deadline may have been July 31st, but you can still contact City Hall to register your property and schedule your inspection.

With the start of school fast approaching, I want to remind everyone to keep a keen eye out for students walking to school. And remember, no cell phones while you are driving in a school zone, so please do your best for our children and watch out for them.

Talk to your neighbors. If you have a concern about something on their property, please take a moment to speak to them. It's the neighborly thing to do. You never know, they may not have meant to leave something out, or

allowed it to get to a state of disrepair. Maybe they just needed a little help? That way you get to be their hero, AND a good neighbor.

Top Hits from July:

Violation:	Warn/Cit	Comply:
Grass/weeds	26/1	22
Trees / Shrubs	15	10
Trailer/Car/Boat	22/1	19
Trash Cans / Debris	43/2	38
Other	53/1	46
Totals	159/5	148

Please remember, I can't see everything. If you don't let me know what is happening and what is important to you, I can't make it a priority.

simplerecycling

Hello friends, just wanted to remind everyone about simple recycling. It's a great way to recycle unwanted items without leaving your home!

HOW IT WORKS

Simple Recycling provides each resident with custom printed recycling bags and free curbside pickup service. The items are collected on the resident's regular recycling day (every Friday) sorted, and graded for condition before being reused, repurposed, or recycled. Items such as

clothing, shoes, toys, irons, radios, hairdryers, toasters, coffee makers, silverware, pots/pans, and blankets. For a list of items please visit www.simplerecycling.com

The City would like to encourage our residents to consider the program as an alternative avenue for clothing and houseware recycling. This program is the highest impact environmental initiative a municipality can implement with ZERO cost or operational requirement. The program helps reduce municipal waste up to 10%, is FREE to the city and its residents, and is operated entirely by Simple Recycling. We are already seeing the benefits of our partnership and hope our residents can utilize the service provided by Simple Recycling.

Classified & Advertising

Anyone wishing to place an ad in the newsletter can contact City Hall for information. All ads are due by the second Friday of each month. The appearance of paid advertising is not an endorsement by the City.

Home & Garden Club

By Bob Dybala, Publicity

Hope everyone had a wonderful 4th of July celebration. The parade and festivities gave us more to think about than the heat. The Meadows Home and Garden Club was pleased to present our "Butterfly Celebration" float in the parade this year. Thanks to a lovely breeze, it was not too hot.

We are pleased to congratulate our Yard of the Month award winners for July. As always, we thank all of you for your efforts to beautify our City. We'll get around to your yard eventually. We make it a point not to award the same yard two years in a row. Judging for the month of August will have taken place during the last three days of July.
