

STATE OF THE CITY
By Mark McGrath

City Ordinances and Deed Restrictions

Now that spring has arrived, many homeowners are improving the appearance of their properties. I applaud those who choose to maintain their homes on a regular basis. For those who are not quite as prompt in the regular upkeep of their properties, there are two groups that function as enforcers: the City and Meadows Community Improvement Association (MCIA).

Although their rules often overlap, the City and MCIA share responsibility in enforcing standards for the proper maintenance of properties. The MCIA operates in accordance with, and enforces, deed restrictions. The MCIA was reconstituted several years ago and the organization was confirmed by City ordinance. The City supports their endeavors. The MCIA's primary areas of interest are:

House colors • Roof colors and composition • Architectural control over additions and improvements to property

Approval from the MCIA is required prior to repainting your house, putting on a new roof or adding to or radically changing the appearance of your property. Failure to obtain these approvals could result in repainting, re-roofing or tearing down improvements. Obviously, this would cost the homeowner a lot of money. When in doubt, contact an MCIA board member either via e-mail (see the City's website) or phone call. The phone numbers are listed each month in the news letter.

The City's code enforcement officer enforces city ordinances related to property maintenance. A significant amount of the code enforcement officer's time is spent enforcing the International Property Maintenance Code, which City Council has adopted. A sample of violations routinely dealt with by the code enforcement officer include:

- Properties with high grass and weeds
- Structures with peeling paint and rotting wood
- Junked vehicles
- Window air conditioning units visible from the street
- Illegal signs, including contractor signs in the front yard of homes
- Illegal trailers, campers and RVs parked on residential property

The code officer will write citations for violations. The citations provide for fines up to \$500. For those that refuse to comply, the City has filed suit to obtain an injunction to force compliance.

Both the MCIA and the City are interested in compliance, not legal paperwork. They will work with those who make an earnest attempt to bring their properties up to standard in a reasonable amount of time. For those that don't want to work with these groups, all legal remedies for the enforcement of compliance will be pursued.

The City and the MCIA, although separate entities, are interested in the same thing: the promotion of property values within our City. Your input into how better to obtain this goal would be appreciated. In the meantime, let's continue our spring cleaning and improve the appearance of our properties.

ANNUAL HEAVY TRASH COLLECTION

It's that time of year again for our Annual Heavy Trash Collection and our collection company, Republic Waste, is ready to assist us in this effort on Saturday, May 14th. Please see the guidelines listed below:

The following items **WILL NOT** be collected:

- No tires, batteries, or automotive parts.
- No hazardous chemicals. If you have old paint cans they will need to be boxed and labeled "PAINT" so they are not mixed with the regular trash. The problem with paints lies in the liquid solvents within. Paint that has dried is no problem and can be taken with the trash. You may accomplish this by leaving the lid off until solidification, or by using cat litter or oil absorbent.
- No concrete or bricks.
- No tree stumps or tree trunks bigger than 6" in diameter.

DID YOU KNOW??????

Did You Know that if you need to replace your red Meadows Place recycling bin all you have to do is take the broken one – and \$ 7.50 to City Hall for a replacement. Yes, if you lost it, the same thing applies.

Did You Know most of our Corporate neighbors are doing very well and appreciate all the support they get from the folks here in Meadows Place – and remember – every Meadows Place business you buy from pays taxes here so Support Your Local Business and Buy Meadows Place whenever possible.

Did You KnowWe have had so many projects going on that a lot of us have forgotten that we had a major renovation on the Community Center recently. Fortunately not everyone has. The new layout and amenities make it a nice place for many types of gatherings – including the upcoming Dulles HS Junior/Senior Band Dinner and Social later this month. Thanks to the Dulles Band for thinking of us. We are proud to have you here. Contact the Parks Department to book your party / activity.

Speaking of activities at Dulles HS and things to be proud of, **Did You Know** that 4 out of the 5 Dulles HS Dance/Drill Team Officers elected for next year are from Meadows Place? They are Christine Deci, Katie Blatzer, Katie Madsen and Haley Dippon. Congratulations ladies!!!

Another Meadows Place neighbor who is learning to be a leader is Troop 301's newest Eagle Scout, Reid Grobe. Reid earned 27 Merit Badges on his way to Eagle and plans to stay on as a Junior Assistant Scoutmaster. His Eagle project was the planting of Oleanders in front of the water tower on Dorrance and Dairy Ashford. A real bonus for us here in Meadows Place.

On the girls side – Courtney Kitchen received her Ten-Year pin with the Girl Scouts! Way to go Courtney! That's real staying power. If anyone else from Meadows Place has received their 10 yr. pin, please let us know.

Did You Know Allyn & Mim Pratt e-mailed a list of questions and comments to Did You Know? Well, they did, and in one of those comments they mentioned they would like to see even more about residents, their children and interesting activities they are participating in. The only way that can happen is if you- YOU – contact Did You Know and let them know any interesting tidbits in your life. Please do – that's how we get the info for these little articles.

An example of this would be that we learned that the 7th grade Dulles Middle School Girls Basketball B Team had an undefeated season and ended up District Champs!! Meadows Place resident Samantha Ferriera was on this hard working team! Congratulations to all the girls and coaches that made this year so memorable.

Did You Knowthat if you have a lawn service it would be nice if you could ask them to bag the leaves and clippings rather than let them blow them in the street or down our storm drains. It will help keep them open for when we need them and hold down maintenance costs. Besides that, it is illegal. Thanks.

Did You Know Mayor McGrath along with Councilmen Piwonka and Henley have been meeting with their counterparts from Stafford to devise a plan for a new Fire Station for Meadows Place? Last week they met with the architect and the rest of Council to review those plans. The basic design was approved and will be going out for bid. This will be great for all Meadows Place residents as it will have space for both a Fire Truck and a Rescue Truck. It'll be a while, but watch for the grand opening.

Did You Know Did You Know depends on you for input? Let us hear from YOU either by e-mail at alderman1@cityofmeadowsplace.org or drop a note at City Hall. Thanks.

MEADOWS COMMUNITY IMPROVEMENT ASSOCIATION

Reminder: A MCIA BOARD MEMBER MUST APPROVE ALL EXTERIOR PAINTING. Copies of the paint approval book, as well as approval forms, are available at City Hall. Please attach a swatch of the requested paint with your request and allow a week for your request to be processed.
PAINTING PRIOR TO APPROVAL MAY RESULT IN YOUR HAVING TO REPAINT.

SPRING IS HERE! Time to clean up around your home, de-weed the flower beds, prune trees and shrubs, power wash siding, driveways & sidewalks. Let's show pride in our homes by putting away old empty pots (or plant with new spring flowers) and move trash cans, barbeque pits, etc. out of our neighbor's site. Mike Schofield, MCIA President, submitted his resignation from the Board. The Board wants to express their appreciation for all Mike did to lead our Board and improve our City. Mike contributed countless hours towards the betterment of Meadows Place and his leadership will be sorely missed.

MCIA BOARD MEETINGS: First Thursday of every month, 7:30 p.m. at City Hall. (Call a board member if you wish to be placed on the agenda.)

CITY ORDINANCE/CODE ENFORCEMENT

Spring is here and everything is growing! Remember when trimming trees and shrubs they must be cut and tied in 4 foot bundles, no more than 40 pounds in order to be picked up. The height limitation on grass and weeds is 9 inches; this includes edging and don't forget to weed the flower beds..

VEHICLE STICKERS

Meadows Place vehicle stickers are available at City Hall for your vehicles at the cost of \$1.00 each. While the stickers are optional, they do identify your vehicle as belonging in Meadows Place and are an aid to the Police Department. Be sure to bring your vehicle identification number and license plate number when applying for a sticker.

HOME AND GARDEN CLUB

Spring is here and it is time again to think about "Yard of the Month." This year, yards will be chosen for the months of May, June, July and August. As a reminder to residents, each section is judged by Garden Club Members on the last weekend of the month prior to those months. Each month teams rotate the sections they are to judge and they may not judge the section they reside in. This helps create a larger variety of landscaping effects.

The guidelines for selecting a yard:

Overall landscaping as seen from the street: variety and symmetry

Lawns: condition and manicure

Shrubs: condition/quality and consistence/suitability

Trees: condition/quality/trim

Annuals and accessory: seasonal/color/harmony

Each of the above categories receives up to a 20 percent rating together with the general eye appeal of the yard. From that, each team decides which yard receives the award for the month and the decision is at their discretion. This is a voluntary project worked on by our club members whose object is the same as all garden clubs – "City Beautification."

At the April 12th meeting, Dr. Asri Ali, Assistant Professor of Dermatology will speak on "The newest trends in Cosmetic Dermatology." All residents are welcome to join us at the Community Center at 7:30. Election of officers for the following year will take place during the regular business meeting that evening.

Garden tip: Prune azaleas after flowering. Plant container gardens for patios.
