

COMMENTS FROM THE MAYOR

By Mark McGrath

9-1-1 Service

I recently received some correspondence from the Greater Harris County 9-1-1 Emergency Network. The correspondence focused on a recent innovation in telephone communication and related impacts on the 9-1-1 system.

Many of you may have seen ads for voice over internet protocol (VoIP) telephone service. VoIP service, for those homes with broad band internet access, offers an alternative to traditional telephone service. With VoIP, calls are transmitted over the internet. Although the City has no opinion regarding VoIP, residents need to be aware that 9-1-1 service may not be available from your VoIP provider.

According to the Greater Harris County 9-1-1 Emergency Network:

- 9-1-1 service may not be offered at all or may need to be activated if available.
- Even when activated, emergency calls will not go directly into the 9-1-1 system, but to non-priority administrative lines in the dispatch call center.
- 9-1-1 call takers may not know the caller's location or call back number.
- If power is out, VoIP telephone service may also be out.
- If a VoIP adapter is used in a location outside of the home, 9-1-1 may not work.

In summary, if residents are interested in retaining 9-1-1 service and wish to switch to VoIP, they would be advised to get with the VoIP provider and obtain a clear understanding of the availability of 9-1-1. Obviously, the time to do this is before an emergency.

DID YOU KNOW??????

Did You Know..... that the Meadows Place 5K Fun Run was such a huge success that our Parks Dept. has already decided to make it an annual event? While the Mayor was participating, yours truly was talking to the runners, the walkers, the volunteers, the PD and all the reserves they got for traffic control as well as several people who brought out their lawn chairs and watched the event. Everyone agreed the event was fun and we need to do it again next year. Plus, Dan Dippon said the new track surface is much better to run. See YOU next year!!

Speaking of new things in Meadows Place – How 'bout that new fence along W. Airport. Anne & Mike Jones couldn't wait to tell me how good it looked. I can't take much credit though, both the design and construction were the handiwork of Alderman Joe McCann. Looks great Joe! Larry Ewing, construction expert and MP resident, said he checked out the new parking lot by the pool and said Meadows Place should be proud of the quality of our new parking lot. I know I am. Looks great too!

Did You Know..... That Dulles H.S. has three bands and that there are quite a few Meadows Place kids in those bands? In a recent competition in Dallas, the three Dulles Bands each won several awards- including the best overall. Music to their parents ears....

More kids in the news... **Did You Know.....** Girl Scout Troop 133 has two girls - Jennifer Ball and Lizzie Hammons – who earned their Silver Awards. Jennifer Ball, Taylor Garcia and Katrina Hiestand also received their Ten Year Pins. Wow, pretty impressive ladies. Also of note is that Boy Scout Troop 301 has two new Eagle Scouts. They are Tremon McGrath and Austin Shaffer. Join us in a congratulations to all these outstanding young leaders. A special congratulations for Troop 301 – they have produced 6 Eagle Scouts this year and only 4% of scouts ever reach Eagle.

Did You Know..... that you can't put your trash, grass clippings or garbage out on the curb too early or you can get a citation, plus it helps keep our city looking good. Let's all do our part to help.

A little more kid news Congratulations to James Jessup – voted Dulles Most Valuable Swimmer for 2005 and to Eric Jones who was named Captain for 2006. His parents, Steve and Nancy, are very proud of him. These guys both started –and continue to swim – on the Meadows Marlins swim team. Should be a fun year. Go Marlins!

Did You Know..... that everyone attending our City Council meeting found out that Meadows Place is entering into an agreement for a Geographic Information System – or GIS. It will take a while to implement but will help all departments do their jobs even better. There were also several actions taken which affect the way we collect our taxes and a resolution with which Meadows Place will support the creation of a rural transit district in Fort Bend County. You are invited to come sit in at City Hall and be a part of what goes on – lots of your neighbors do.

Our Newsletter went to press before the Meadows Elementary Spring Carnival took place last month. It was great. They had a huge turnout and the confetti eggs and dunking booth were still the favorites. Our PD was well represented and spent a lot of time mixing with the folks and answering questions. They even had our motorcycle there for the kids to sit on. They got to turn on the lights and flip the siren on. Lots of smiles...check it out...Recognize anyone????

Did You Know depends on you for input? Let us hear from YOU either by e-mail at alderman1@cityofmeadowsplace.org or drop a note at City Hall. Thanks.

HOME AND GARDEN CLUB

At the April meeting of Meadows Home & Garden Club, Dr. Asri Ali, Assistant Professor Dermatology at UT Medical School, presented a very informative program on "The Effects of Chronic Exposure on the Skin," which included the use of sun blockers and other methods of protection to help avoid skin cancers. She also discussed the newest trends in Cosmetic Dermatology.

The nominating committee presented a slate of officers for the coming year, which was unanimously approved. Serving for the 2005-2006 year will be: Margaret Sandlin, President; Teresa Bryant, 1st Vice-President (programs); Myra McMillan, 2nd Vice-President (yearbook); Zella Little and Lillian Abbott, Joint 3rd Vice-Presidents (ways and means); Pat Byers, 4th Vice-President (membership); Priscilla Schaeffer, Secretary; and Zella Little, Treasurer. Installation of officers was held at the May dinner meeting at Vittoris Restaurant in Sugar Land.

Yard of The Month selection begins the last weekend in April. The judges for each section received their signs and the winners for April will be announced in the next newsletter. Judging will continue through the last weekend of July.

Gardening tip for May – Apply granular fertilizer to crepe myrtles. Spray with insecticidal soap to control white flies and black sooty mold.

Reminder: A MCIA BOARD MEMBER MUST APPROVE ALL EXTERIOR PAINTING. Copies of the paint approval book, as well as approval forms, are available at City Hall. Please attach a swatch of the requested paint with your request and allow a week for your request to be processed. **PAINTING PRIOR TO APPROVAL MAY RESULT IN YOUR HAVING TO REPAINT.**

SPRING IS HERE! Time to clean up around your home, de-weed the flower beds, prune trees and shrubs, power wash siding, driveways & sidewalks. Let's show pride in our homes by putting away old empty pots (or plant with new spring flowers) and move trash cans, barbeque pits, etc. out of our neighbor's site.

This also includes not covering house windows OR garage door windows with aluminum foil. Take pride in your investment!

MCIA BOARD MEETINGS: First Thursday of every month, 7:45 p.m. (new time) at City Hall. (Call a board member if you wish to be placed on the agenda.) There is a vacancy on the board, so if you think you might be interested in serving your neighborhood, please contact one of the board members.

2005 FUN RUN/WALK

Meadows Place held its first annual 5K Fun Run on Friday night April 22nd at 6:45 pm. West Orem YMCA joined with the City to host the run. 118 participants signed up for the event. The runners and walkers were greeted in large numbers by residents all along the race route cheering them on and showering them with drinking water or a refreshing spray to cool them off. The night run was refreshing. Presentations from local Karate and Taekwondo groups along with demonstrations from personal trainer, Joni Knapps were fascinating as the runners/walkers awaited the start of the race as well as during the post race activities. Sweet Tomatoes Restaurant had a booth providing nourishment for the runners and walkers. Meadows Place resident Kevin O'Loughlin provided all the drinking water for the runners/walkers. Coke provided the cups. The Oliver Foundation Booth handed out shirts, wrist bands and water bottles. Sponsors for the run included, Court Hardware, Colony One Auto, and Lopez Restaurant. Also thanks to our sponsor Instar Services who also provided cozies to all the runners along the last leg of the trail.

AND THE WINNERS: 1st @ 19:36 Jeff Nash #3364, 2nd @ 20:32 Andrew Meddaugh #3341, 3rd @ 20:35 Chow Ng # 3303, 1st female @ 22:49 Jody Rice #3366

This 5K Fun Run was a kick off to celebrate the grand opening of the new trail recently installed in the City Park. The new crushed granite trail was phase one of a grant that was awarded to the Parks and Recreation Department from Texas Parks and Wildlife. This was part of a \$100,000.00 project which was 50% funded by Texas Parks and Wildlife. This grant is one of two which have been awarded to Meadows Place in the last two years. This is a "Small Communities Grant" in which communities with populations lower than 20,000 may apply for every January. Funded applications are announced in August of every year. Another park project recently completed and opened the night of the Fun Run was a new parking lot located in the heart of the city at the trail entrance on Dorrance Lane

The annual 5K Fun Run/Walk will take place in April every year. The proceeds will be used for park improvements in Meadows Place.
