

COMMENTS FROM THE MAYOR

By *Mark McGrath*

Meadows Place Fire Station

In a joint meeting on August 23, the City's Planning and Zoning Commission and City Council approved two plats. The first was for the redevelopment of the 14 acre Oasis property. As reported previously, the first phase of this redevelopment will include the construction of a new assisted living/Alzheimer's care facility, an office building, and the demolition of the existing facility. The plat is the legal instrument recording the description of the property. It was approved as being consistent with the planned development ordinance passed by Council in June 2004. The plat approval was the last hurdle in moving the project forward. Construction will start as soon as possible according to the developer.

The second plat was the four acre tract on the Northwest corner of Kirkwood and West Airport owned by Ayrshire Corporation. This property was recently rezoned as a planned development. One of the many conditions for the approval of the planned development was the permanent exclusion of convenience stores and gas stations from this property. The developer is actively seeking at least two tenants prior to commencing construction on the property.

One More Time

For the third consecutive year, the City of Meadows Place was awarded a grant from the State of Texas in the amount of \$50,000 for park improvements. This grant award is a little different from the previous ones. It is the result of a collaborative effort between the City and Fort Bend Independent School District. As a result, new playground equipment will be going up near the school. Fort Bend Independent School District will be providing most of the matching funds. I would like to personally thank Terry Modeland and Monya Keenen, co-directors of our Parks and Recreation Department for all their hard work. They not only led the team in obtaining this grant, but also provide for vibrant parks and recreation activities year round.

NOTICE
Postal Box will be replaced January 2006. Water Bill Drop located at City Hall.

The drop box for water bills and the postal mail box located at the 11803 Kirkwood building have been removed due to the fire station construction. There is a drop box for water payments in the parking lot at the City Hall / Police Department building on Troyan Drive.

CITY ORDINANCES / CODE ENFORCEMENT

According to City Ordinance all "Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property." Not only is this a City Ordinance, but it is necessary for emergency vehicles trying to locate a property when responding to an emergency call.

DID YOU KNOW??????

Did You Know that Alderman/Mayor Pro Tem Terry Henley has personally worked hand in hand with Tom Delay to get some funding for Meadows Place included in the National Transportation bill? Well, he did, and it's quite a story. Mayor and Council had been trying to come up with a way to fund repairs on the corner of Airport & Kirkwood, so while on a trip to Washington D.C., Terry went by and explained that all those folks from Sugar Land and Houston were wearing out our roads and he (Terry) felt that Tom ought to return some of our tax money back to us in the form of road repair. After listening to Terry, Representative DeLay was receptive. Several communiqués and tons of data later, funding for most of the repairs (over \$300,000!!) was placed into the bill. Having Tom DeLay put it in helped keep it in but it wouldn't have happened without Terry working so hard for us. Thanks of course to Mr. DeLay but a great big Meadows Place thanks to Terry Henley for all his efforts.

Did You Know Dan McGraw and our Public Works Department have been working hand in hand for several weekends with volunteers from Meadows All Play to revitalize and refresh our baseball fields. Beside all the improvements, (like the shade covers and underground wiring for the pitching machines) they have been scraping and leveling the infields, replacing the dirt and building new mounds. Together they are devising a plan to have All Play volunteers maintain the fields on an approved schedule. Should make for a great Fall Ball year and be perfect by springtime. If you would like to have your boy or girl play Fall Ball, which is an instructional league, you can contact Meadows All Play off the City website. This is a great example of civic co-operation.....

Did You Know Charles Hallmark was proud to let us to know that Robbe Hallmark, a Meadows Place resident for 22 yrs., has been named the Outstanding Teacher for Houston Community College? She teaches the Clinical Laboratory Technician Program for HCC down in the Medical Center. Congratulations Robbe, your hard work and dedication has been recognized !
Speaking of proud – Sherrill Marshall is also beaming with pride because her son Daniel Marshall was part of the Ft. Bend Celtics basketball team that won the 8th Grade Division of the AAU Tournament up in Dallas. Daniel is going back to Dulles this year where he was also the 8th grade shotput champion. Congratulations Daniel.

Congratulations Daniel.

Did You Know Meadows PD has started a new and exciting program with our corporate neighbors? It is called – B.A.C.U.P.S. This is a neat little acronym for Business And Community Utilizing Police Services. Basically the Chief wanted to increase contact, communication and confidence between our Police Department and the local businesses. The PD wanted to develop a strong relationship with them and provide the same great quality of service to them as it does to the residents of Meadows Place. It works like this. The PD contacts businesses, does a walk thru, learns the ins and outs of the facilities, learns about the businesses and the personnel. They find out if there is anything they can do to specifically assist them and open lines of communication. All our officers take part in the program with Officer Kelly Davis acting as business liaison. She makes rounds, collects pertinent information for PD records and answers any questions the businesses may have. BACUPS is just one more effort of our Police Department to offer outstanding service to the City of Meadows Place. This enhanced relationship will benefit all of us as and increase the safety and security of both the businesses and the residents of Meadows Place.

Got something for Did You Know? Let us hear from YOU either by e-mail at alderman1@cityofmeadowsplace.org or drop a note at City Hall. Thanks.
