HOME & GARDEN CLUB

By Sandy Montross. Publicity

Home and Garden Club judges will be driving through Meadows Place on April 29th and 30th to make their selections for the May Yard Of The Month. There are already so many beautifully landscaped yards in our neighborhood that choosing a winner will not be an easy task.

At the recent meeting on March 14th Ann Nette Pearce of the Bouquets Garden Club of Houston displayed a wide variety of miniature flower arrangements. The sizes of the miniatures ranged from 2" to 5" and were made from either fresh or dried flowers and greenery, and beautifully arranged in tiny containers of glass, metal, ceramic and straw creating unique arrangements.

After enjoying a bountiful array of delicious desserts, including recipes, brought by members, there was a short business meeting. A nominating committee was appointed and election of officers for the coming year will be held at the next meeting on April 11. In addition, at that meeting, Paula Furtwangler of the Houston Area Plumeria Society will present a program all about growing plumerias. The meeting starts at 7:30 p.m. at the Community Center and the meeting is open to all residents.... so, come join us for the evening. ☺

ANNUAL HEAVY TRASH COLLECTION

It is that time of year again for our Annual Heavy Trash Collection and our collection company, Republic Waste, is ready to assist us in this effort on Saturday, May 20. Please see the guidelines listed below:

The following items **WILL NOT** be collected:

- No tires, batteries, or automotive parts.
- No hazardous chemicals. If you have old paint cans they will need to be boxed and labeled "PAINT" so they are not mixed with the regular trash. The problem with paint lies in the liquid solvents within. Paint that has dried is no problem and can be taken with the trash. You may accomplish this by leaving the lid off until solidification, or by using cat litter or oil absorbent.
- No concrete or bricks
- No tree stumps or tree trunks bigger than 6" in diameter. ☺

CRIME WATCH MEETINGS

DID YOU KNOW??????

Did you know....That Mike Pickett, Meadows Place Police Chief, who is also a Meadows Place resident, is recovering from major surgery? So far, he is doing fine, except it has been hard to keep him out of the office if something comes up. Take it easy Chief, and Get Well Soon. In other PD news, now that the City has passed the Teen Curfew ordinance, Captain Gary Stewart has been working to help the Mayor and City Council to compose an ordinance, which would prevent anyone convicted of Child Molestation from moving into Meadows Place. Check the Newsletter and the Website for info on public hearings and opportunities for you to make comments, give your input.

Did you know....Ellis & Associates (International Aquatic Safety & Risk Management Consultants) notified our Parks Dept. that our lifeguard staff has been awarded the prestigious “**Platinum National Aquatic Safety Award**”? This is the highest award you can receive and only those scoring in the top 9% of the test criteria can receive it. Few do, but we did! Congratulations to Scot Herff (our Aquatic Director) and his staff for their commitment and dedication to “professional excellence” and desire to “make a difference” for those who frequent our aquatic facilities. These are mostly Meadows Place kids who are learning to be leaders while looking after us. Way to go!

Also, Hats off to Public Works Director Dan McGraw who recently completed another irrigation seminar up at Texas A&M. He will continue to put this knowledge to good use as he and the Public Works Department are now doing all of our irrigation work here in the City. They not only respond quickly to problems, they are saving city taxpayers a lot of money by doing major projects “in house”. One example is the system they installed along W. Airport. This saved us tens of thousands of tax dollars on one project alone. Thanks to Dan and all the folks at Public Works.

Did you know....Meadows Place has the reputation of “a politically involved community”? That means we vote. We need to continue to be “involved”. This works well for us when the Mayor or Council goes to our elected representatives to discuss projects or initiatives. The next election that affects us in a big way is the FBISD School Board election. This affects our tax rates and property values as well as our kid’s education. Get informed. Get involved – and VOTE!

Did you know....Meadows Place Baseball League held their first Run, Hit and Throw contest this year? This

is a skills test contest and the winners have a chance to go on to regional and national events. “Overall” winners that will be moving on are:

7 & 8 yr. olds – Paul McCrae

9 & 10 yr. olds – Brad Crissman

11 & 12 yr. olds – Brian Harvey

13 & 14 yr. olds – Carlin Nguyen

Other category winners were Elliott Huddle; Freddy Shores, Dionysius Terrurus, Aaron Wagner and Xavier Saucedo, Congratulations to all! League President Michael Hallaway and all the volunteers are working hard to make this the best baseball league in the area. Besides the contest, and neat new patch, other changes include working with our Parks Department to move the T-ball field closer to the new parking lot. This means those little ones will not have to cross any streets

to get to the field. Good luck to the winners of the contest and to Meadows Place Baseball.

Did you know....Michael Puma received his Black Belt from the American Society of Karate. He started training at five and went all the way through the junior ranks as a child. At twelve (and one half) he moved into the adult class and continued to train. At 17, he received his Black Belt. He will continue to train and teach here at Meadows Place. His parents Steve and Cindy are very proud of him – and they should be.

Did you know....Is for YOU. If you have news to share in *Did You Know* please drop a note at City Hall or E-mail us at: alderman1@cityofmeadowsplace.org Thanks. ☺

MEADOWS COMMUNITY IMPROVEMENT ASSOCIATION

By Diann Hamilton

The MCIA Board serves as the architectural committee for the City of Meadows Place. If you are planning an exterior addition or modification to your home, you must complete a Plan Approval Form and submit it to the Board **prior** to any structural work being done.

ANY AND ALL EXTERIOR PAINTING OR SIDING INSTALLATION MUST HAVE PRIOR APPROVAL BY AN MCIA BOARD MEMBER. Copies of the paint approval book, as well as approval forms, are available at City Hall. Please attach a sample of the requested paint or siding with your request and allow a week for your request to be processed. **PAINTING OR SIDING INSTALLATION PRIOR TO APPROVAL MAY RESULT IN YOUR HAVING TO REPAINT OR REMOVE THE SIDING.**

Homes with window screens hanging off the frames, rotting wood and peeling paint, guttering full of debris, mildew on bricks and wood/siding, overgrown landscaping, etc. are keeping some of our homes from enhancing the appearance of our City. Spring is upon us and it is time to walk around to see how you can improve the appearance of your home. Take advantage of the milder weather to work outside (front and back) and clean up your neighborhood. We are getting many new neighbors; we want to be sure that we put on an exemplary appearance for them and for those looking at housing in the City of Meadows Place. We have a lot to offer our residents and new residents; do your part to keep it that way!

MCIA BOARD MEETINGS: First Thursday of each month, 7:45 pm, Meadows Place City Hall.

Boy Scout Troop 1115
Chartered by Sugar Grove Church of Christ
Stars & Stripes Over Meadows Place!

2006

As the sun rose on Memorial Day, Flag Day, Independence Day and Labor Day 2005, the streets of Meadows Place took on a bold new patriotic look. More than One Hundred and sixty two residents are subscribers to Troop 1115's Flag Service. Some of our streets woke up to see that more than half of the homes presented a prominent Red, White and Blue, high quality flag, proudly flying from a tall straight flag pole which was securely and uniformly placed just off the curb in front of each subscriber's home.

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Troop 1115 and for expressing the patriotic spirit on the holidays when we honor America.

To those who have not yet subscribed, we extend this invitation and ask for your support.

(NOTE: Flags approved by the City of Meadows Place)

Troop 1115 will proudly post an American Flag in front of your residence on each of the following national holidays: Memorial Day, Flag Day, Independence Day, and Labor Day. (On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day).

For subscribers, a flag holder (PVC pipe) will be placed underground in your front yard, approximately 18 inches back from the curb. On the morning of the four National holidays shown above Troop 1115 will post an American Flag approximately 3 by 5 feet in size on a metal flagpole approximately 10 feet high. Troop 1115 will then return in the evening to retire the flag and flagpole and store it until the next holiday.

Note: The flags and flagpoles are the property of Troop 1115. You are purchasing a subscription service and NOT the flag or flagpole itself.

If you have any questions, please call Mark Gray Asst Scoutmaster BSA Troop 1115 at (281)568-0286 or (281)732-2824.

The subscription cost is \$25.00 per calendar year, paid in advance. To subscribe, please complete the following information and return this form with your \$25.00 donation to :
