

**COMMENTS FROM THE MAYOR**

By *Mark McGrath*

**OASIS ZONING**

The City has received an application from the Chaparral Group, owners of the Oasis project, for a planned development amendment for the 11.46-acre property it owns. This property extends from the area currently under construction on West Airport all the way to South Kirkwood.

The proposed planned development is consistent with the master plan submitted in 2004 to the City's Planning and Zoning Commission and City Council. The master plan called for office buildings and other facilities geared toward seniors on this property.

A joint public hearing of P & Z and City Council will be held on Tuesday July 25th at 7:00 PM at City Hall. You are encouraged to attend to find out more about this proposed development.

**RESIDENT SURVEY**

As discussed in the previous two months' newsletters, the City is soliciting your input through a resident survey. A copy of the survey is included in this newsletter. If you have not done so already, please complete a survey and drop it off or mail it to City Hall

This survey will be used in part to develop a marketing and public relations campaign to promote our community and quality of life.

The deadline for receiving surveys is August 15. We look forward to hearing from you. ☺

**HOME & GARDEN CLUB**

By Sandy Montross. Publicity

Several Garden Club members recently had a get-together to make decorations to embellish their float entered in the July 4th Parade. Then, after enjoying the parade, members gathered for a potluck BBQ to finish the Fourth of July holiday celebration.

## DID YOU KNOW??????

**DID YOU KNOW...** that in the face of an 80% rain and storm forecast, the Mayor, City Secretary, the PD, the Parks and Public Works departments all sat down to make a decision regarding the 4th of July festivities? The Mayor called the meeting to brainstorm and make some tough decisions regarding the parade and all the festivities that everyone loves so much. It was tough, but the decision was made that unless there was lightning or a blinding rain we would have the parade. Faced with possible cancellation charges, we also decided to cancel many of the extracurricular activities that go with the parade. These included a camel, a petting zoo, a team of bagpipers, patriotic characters, and a drum and fife corps. With the storm and blinding rain that struck just as the parade concluded, it proved to be a good decision. Our Parks Department worked so hard to make this a great parade and say they will work even harder to make next years parade the best ever. Thanks to everyone who participated and a great big Thank You to the Parks Department – especially since July is National Recreation and Parks Month.

**DID YOU KNOW...** that the City, with the PD leading the way, have stocked up on materials and equipment to meet the requirements for our Hurricane and Disaster Preparedness plan? To this end, they practiced what we preach on shopping locally and picked up as much of it as they could from businesses, which pay taxes to Meadows Place. The Fire Department did the same thing when equipping the new Fire Station. We hope you will too.

**DID YOU KNOW....** that Jeramy Kitchen graduated high school and 10 days later left for Fort Jackson, South Carolina to begin his basic training for the Texas Army National Guard? He will then travel to Fort Huachuca, Arizona to complete training in Military Intelligence and then go on to Texas Tech University in Lubbock in January. We know his family is proud of him. Thank you, Jeramy, for your commitment to our armed forces and to all of our soldiers currently serving our country.

Speaking of our young people on the move, –**DID YOU KNOW...** that Genevieve Lipp went down to Brazil to perform with an acapella touring group? What a wonderful opportunity! Another Meadows Place youngster on the move is Charles Jessup, who is over in Singapore for the summer studying nanotechnology with a group from Texas A&M.

To prove you do not have to leave town to be successful, Erin Blatzer, a 2000 Dulles High School graduate, was just named Young PR Professional of the Year by the Public Relations Society of America! Erin works as the PR manager for the Houston Museum of Natural Science and is in charge of everything that you see promoting exhibits, events, etc. Her mom, Cindy, said she was also acknowledged for her pro bono work and volunteer work with other groups. Special kids doing special things. Congrats to all.

**DID YOU KNOW...** that history shows many successful young folks will move back to Meadows Place to live and raise their families? I think this proves we have achieved that wonderful sense of community we all seek for families and ourselves. To help make sure this continues, please fill out a **Resident Survey** and hand it in – or send it in – to City Hall. Your input will help set the direction of the future of Meadows Place.

**DID YOU KNOW...** that Bakery Donut located on West Airport in under new ownership? Luiz Perez has 20 plus years in the bakery business. Make sure you stop by for a hot cup of coffee and a delicious donut. Welcome to the community Luiz!

**DID YOU KNOW...** the Meadows Marlins swim team got together and made two giant Get Well Soon cards for wounded MP Police Officer Larry Eissler thanking him for all he does to protect us? A very nice thing to do. He – and the whole police department – appreciated it.

**DID YOU KNOW...** the City has received a request and more drawings for the property along West Airport? If it goes as planned, we should be adding about two buildings a year for several years until the project is complete and ....

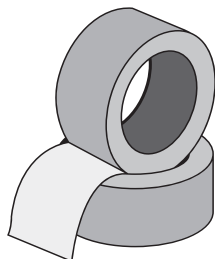

Just a reminder - **DID YOU KNOW...** that the Meadows Place Police Department has a Vacation / House Watch program available to us? So be sure and let them know if you are leaving town. ☺

If you have news for Did You Know please E-mail us at:  
alderman1@cityofmeadowsplace.org Thanks.

### CITY ORDINANCES / CODE ENFORCEMENT

By Tracey Spiller

As we enter yet another hurricane season, I am still seeing tape and tape residue on windows from last year. In a continued effort to keep a positive appearance The City of Meadows Place is requesting that all tape and tape residue be removed. ☺

### GARAGE SALE DATES

Garage sales are limited to the last weekend of odd numbered months (January, March, May, etc.) Weekends are defined as Friday and Saturday. Residents may have up to 2 garage sales per year on the designated weekends. A garage sale permit is required. Please refer to the dates shown below for garage sale dates for 2006. ☺

# July 4th Parade

Threatening weather did not keep the great residents of Meadows Place from celebrating our nation's big day. The rain held off to the very end of the parade, which took place on Tuesday, July 4th at 10:00 a.m. The Ft Bend County Sheriff's Department honored the parade with a spectacular color guard and led the parade through the city. Meadows Place Police Officer, Sgt Richard Simmons kicked off the parade this year singing the national anthem. Sgt. Larry Eissler, our hometown hero was Parade Marshal. These are a few of the special attractions which added to the small town charm that makes our annual 4th of July Parade truly special. Residents lined the streets to watch and cheer as a procession of cars, floats, bicycles, horses and walkers all decorated in patriotic colors made their way through the City. This all kicks off the day for resident block parties and family gatherings to celebrate such a great holiday.

The parade route ran along Dorrance from the Southwest Freeway down to Mulholland, over to Brighton and ended at the community park. Staged at the Community Park were some fun activities for all and new this year was a kiddie's car wash and a train. Train rides were popular throughout the event. Also on site was a rock climbing wall and water slide. Additionally, the Meadows Place All Play Baseball Club sold concessions, and Oasis Lifestyle gave away bottled water.

## Parade Awards

Special awards go out to many who helped make the parade such a success. A big thank you goes to Boy Scout Troop 301 and Cub Scout Pack 301 for all their hard work behind the scenes helping with the parade as well as participating in the event. City Hall employees also helped with the organization of the check in and a big pat on the back to the public works staff that always helps to make this a great day for all.

A very special Thank You goes to our judges this year. The non-motorized portion of the parade was judged by Brad Gibson. The entry divisions were judged by Candy Gibson, Henry Gonzales and Melissa Barton. Thanks to all of you for a job well done.

## NATIONAL NIGHT OUT IS YOUR EVENT FOR 2006

National Night Out is a community-based function that is intended to promote awareness within the neighborhood. This year's National Night Out is scheduled for Tuesday, August 1, 2006, from 6 p.m. to 9 p.m. Each year, people have block parties to meet and greet the local police and city officials while interacting with their neighbors.

These parties are a great way to get to know the people that live around you. Knowing who does belong in your neighborhood will make it easier to detect when someone does not. When you observe someone that does not belong in the neighborhood, you can call the police and help prevent crime.

If you are going to have a block party this year, please notify Sgt. K. Lang at the police department, so that you can be added to the list of parties to be visited. Her e-mail address is [cs@cityofmeadowsplace.org](mailto:cs@cityofmeadowsplace.org). You can also fax the information to her attention at 281-983-2915.

If you want to close down the street for your block party, all requests will be considered on an individual basis. Requests should be submitted in writing to the police department no later than Friday, July 28, 2006. Some of the things that must be considered when evaluating these requests are whether or not it is a major thoroughfare for our city, and how the closure may affect emergency vehicles responding to a call [should their services be needed.]

When notifying the police department of your block party, have all the details about it available. These details may include whether or not you would like the police to visit your party, what time the party is beginning and ending, what type of food [if any] is being served, the person or persons hosting the party, the anticipated number of people in attendance and the exact location of the party.

If you have any questions about National Night Out, please, contact Sgt. K. Lang of the Meadow Place Police Department. We want this to be the best National Night Out this city has ever had!

## Splash Night 2006

Activities included treasure hunts, aqua roller relays, Oreo cookie stacking contest, rubber duck fun, giant slip and slide, and swimming, of course. While everyone was enjoying the fun, a DJ added to the entertainment with good music.

The great food is always a big draw, and this year's BBQ brisket was the best it has ever been. Our public works department did a supper job cooking, and with the help of the Scouts, several members of City Council and City Hall served up these great eats.

Thanks to the lifeguards, Public Works Department, Parks Department, Police Department, and the scouts from Troop 301 as well as everyone else who helped make Splash Night 2006 one of the best ever!

Good friends and good fun Meadows Place Splash Night.

Council member Kulhanek along with Mayor McGrath helped serve hungry residents.

## MEADOWS COMMUNITY IMPROVEMENT ASSOCIATION

By Diann Hamilton

The MCIA Board serves as the architectural committee for the City of Meadows Place, but also works diligently to help improve the appearance of our City.

Areas in which the Meadows Community Improvement Association works with your City leaders:

- Approval of all exterior painting; even if repainting the same color
- Approval of roof colors at City Hall
- Approval of all exterior siding
- Trash cans not visible from the streets
- Stumps level with the ground so grass can grow over the area
- Rotten wood and peeling paint
- Tape on windows (left over from hurricane)
- AC units in windows visible from the street
- Approval of all exterior changes to a home
- Other areas that could be deemed a "nuisance" to the neighborhood
