

COMMENTS FROM THE MAYOR
 By *Mark McGrath*

UPDATE ON FORMER GARDEN RIDGE/LOEWS SITE

Approximately one year ago, a gentleman by the name of Lloyd Moody out of Miami Florida purchased the property formerly occupied by Garden Ridge Pottery and Loews Theatre. He also purchased the vacant property directly across Dorrance. The property was purchased from a lender who had foreclosed on the former owner, Fidinam Corporation. Fidinam allowed the foreclosure after Garden Ridge failed to make payments on its lease to Fidinam after Garden Ridge declared Chapter 11 bankruptcy. Yes, Garden Ridge was required to make payments on its lease even after vacating the property. Perhaps that is one of the reasons they went bankrupt.

Subsequent to purchasing the property, Mr. Moody made some cosmetic exterior improvements and attempted to lease it to retail users with no success. After approximately eight months of this effort, Mr. Moody and I met. Since there was no apparent retail interest, I suggested that the property be demolished and converted into a town home and/or patio home development. I had also previously worked with the lender in foreclosure on this same idea. Mr. Moody expressed interest and the City began investigating options to assist a developer in converting the property to residential use.

But apparently, Mr. Moody has changed his mind. The reason I believe this is that he encouraged Morningstar Christian Church to apply for a specific use permit to convert about 20,000 square feet of the Garden Ridge site to a church.

Since this is not a retail use generating sales tax, the Church cannot unilaterally move in and convert the space. Instead, it must obtain the City's approval through review and recommendation by the City's Planning and Zoning Commission and approval by City Council. A public hearing regarding this proposed zoning change must be held during this process. The City is not obligated to approve this request for a specific use permit. Indeed, this process highlights one of the reasons we have zoning: to control the use of property in our city limits.

At this time, the Church is gathering necessary information prior to the scheduling of a meeting of P & Z. In the meantime, we will keep you informed of the progress of this specific use permit application through this newsletter and the City's website.

RESIDENT SURVEY UPDATE

At this writing, we have received approximately 300 responses. My thanks to those who have taken the time to complete the survey. Some of the narrative responses indicated a lot of time and thought went into the effort. I especially want to thank them.

In future issues of this newsletter, I will talk about the results and expand on some common themes in the responses. ☺

CITY ORDINANCES / CODE ENFORCEMENT

By **Tracey Spiller**

As the sweltering summer continues, I have a couple of maintenance issues to mention. The City of Meadows Place requires that trees and shrubs be maintained at a 10 ft clearance extending over the sidewalk. Our Public Works Department is in the process of trimming trees throughout the City so be sure and do your part when it comes to trimming the trees and shrubs on your property. With the recent rains, be sure to empty any items that hold water. Although we live in

Texas where everything is bigger, we all need to continue to try to control the present mosquito population. ☺

DID YOU KNOW??????

DID YOU KNOW...We had a good turnout at the last joint Public Hearing of the City Council and the Planning and Zoning Commission? We heard from engineers and project managers on the second phase of the Oasis Project. The developer brought in some impressive renderings showing what it will look like when it is finished. Very, very impressive! We learned that they are going to spend almost two million dollars to beautify a parks and green area inside the complex that comes complete with fountains and waterfalls. I think many Meadows Place residents will want to walk over and enjoy it.

Speaking of City improvements – didn't the new fencing and sign enhancements perk up the corner by the Community Center? Thanks again to Joe McCann for all the work he put in for us.

DID YOU KNOW...that the Mayor and Council are thrilled with the number of people that handed in the City Survey? Best estimates said a good response would have been between 125 to 150 turned in – we got over 300!! This shows the level of involvement by the folks living in Meadows Place. Thanks to everyone who handed one in. They will help shape the future of our city.

DID YOU KNOW...That future looks bright for Meadows Place? Property values are moving up and people are moving in. For instance, a young Doctor and his wife moved into Meadows Place saying they moved here because "It felt safe and looked like a nice place to raise a family". That is what Kenny & Tammy Smith thought when they decided to add on to their home rather than move away to a bigger house. They are not the only ones staying here. Alderman Charles Kulhanek, P & Z member Bob McDonald and Mayor Mark McGrath are all second-generation residents. Folks, THAT is community.

DID YOU KNOW...that Tracy Spiller, our Code Enforcement Officer, is having a very positive impact on our City? Alderman Charles Jessup had an owner of an inspection company comment on how well maintained the homes are in Meadows Place are and how impressed he was. Congratulations, and Thanks, to Tracy – and to all the homeowners who work so hard to make sure their homes and yards are in tiptop shape. We all benefit from their efforts.

DID YOU KNOW...that the Meadows Marlins swim team, had an undefeated season this year! The girls were very, very strong this year, the boys racked up points at a near record rate and everyone had a great time. With swimmers like Matthew and Kristopher Pham – who went to All-Stars as a 7-8 year old - the future looks bright for the Marlins for years to come.

DID YOU KNOW...Meadows Place has a better response to National Night Out than other areas do. It is a lot of fun, you get to meet your neighbors and visit with the Mayor, Council and many of the PD as they make rounds in the neighborhood. This year's turnout was great – YOUR participation will make next year's even better.

DID YOU KNOW...Chris Henry, of Boy Scout Troop 301, was working on his Citizenship in the Community Merit Badge and had to interview a City Councilman? His questions were very well thought out and thought provoking. It is nice to see this type of interest by our future leaders.

Another future leader is Nathan Sowell . **DID YOU KNOW...**that he was invited to participate in producing a film for the Sam Sung Film Competition as part of the team from Texas? What an honor. Could be the next Stephen Spielberg. Congratulations, Nathan! ☺

If you have news for *Did You Know* please E-mail us at:
alderman1@cityofmeadowsplace.org Thanks.

PUBLIC WORKS

By Dan McGraw

Daniel McGraw and the City of Meadows Place Public Works Department would like to thank the Fort Bend County Road and Bridge Department for their assistance with a large asphalt overlay to cover a big dip and some broken up roadway at the intersection of West Airport and South Kirkwood. The city was responsible for the asphalt materials and the county provided the manpower and all necessary equipment to perform the overlay and assisted with traffic control. Thanks a bunch for your help guys! ☺

GARAGE SALE DATES

Garage sales are limited to the last weekend of odd numbered months (January, March, May, etc.) Weekends are defined as Friday and Saturday. Residents may have up to 2 garage sales per year on the designated weekends. A garage sale permit is required. Please refer to the dates shown below for garage sale dates for 2006. ☺

MEADOWS COMMUNITY IMPROVEMENT ASSOCIATION By Diann Hamilton

The MCIA Board works diligently to help improve the appearance of our City and its aesthetic appeal to residents as well as those driving through.

The Board has noticed many homes still have tape and tape residue on windows. This is left over from Hurricane Rita last year. Letters will be sent to these residents requesting they remove any evidence of the tape. Non-compliance, at this point may result in ticketing.

Another area of nuisance for city residents is the number of trashcans visible from the street. City trash pick-up is Tuesdays and Fridays. As a reminder, trash should not be out for collection before 1:00pm on the day before regular collections. Additionally, empty trashcans should promptly be removed from curbside after pick up. These trashcans may not be visible from the street at any time; place them out of sight from passing motorists. If you are going to be out of town after a Friday pick-up, please consider asking a neighbor to move your trashcans to the rear of your home. **MCIA BOARD MEETINGS:** First Thursday of each month, 7:45 pm, Meadows Place City Hall. Please contact a board member if you would like to be placed on the agenda. ☺

HOME & GARDEN CLUB

By Sandy Montross. Publicity

Meadows Home and Garden Club invites you to join them at their annual “Get to know us Dinner” on Tuesday, September 12, a 7:30 pm at the Meadows Place Community Center.

Would you like to meet your neighbors, meet friendly people or see old friends, hear speakers on home decorating, crafts and gardening tips plus a lot more? Go to bunco and Christmas parties, potluck dinners? Go on tours? Eat with the Lunch Bunch and go to a movie? If so, plan on joining us at our first get-together of the season. Please call Margaret at 281-933-8034 for information and reservations.

Plans are well under way for the Club’s 31st Annual Craft Show on Saturday, November 11th. The show will be held again in the Aquinas Center of St. Thomas Aquinas Catholic Church, 12627 W. Bellfort Avenue, Sugar Land (between Dairy Ashford and Eldridge Roads). The show features all hand made items by local crafters. If you are interested in renting a booth or need information please call Lillian at 281-495-6039. ☺
