

COMMENTS FROM THE MAYOR
By *Mark McGrath*

FORT BEND COUNTY MOBILITY BOND ISSUE

Fort Bend County has called a mobility bond election for May 12. The purpose of the election is to solicit voter approval for approximately \$153,000,000 in needed road improvement projects throughout the county.

The bond election is the culmination of many months of effort by a committee formed by the county to identify future road projects. Committee members consisted of Fort Bend County Commissioners Court as well as representatives from area cities, school districts and the real estate development community. Council member Rick Staigle, Public Works Director Dan McGraw and I attended many of these meetings.

Because of our interest, Meadows Place has two projects on the list to be considered for voter approval: the reconstruction of West Airport from the intersection at South Kirkwood to US 59 as well as the reconstruction of South Kirkwood from West Airport to our northern city limits.

The total estimated cost of these projects is \$4,815,000. County bond money will cover \$3,885,000 or roughly 80% of the total cost. In addition, \$320,000 of federal funds were earmarked in the last federal transportation bill for the West Airport project. The federal funds were made available in part through Mayor Pro-Tem Terry Henley's efforts in working with former Congressman Tom Delay. We are working with our new Congressman, Nick Lampson, to ensure the federal commitment comes to fruition.

Assuming both county and federal funds become available, our share of the road improvements would be about \$610,000 or about 12.6% of the total projects costs.

I urge you to learn more about the Fort Bend County mobility bond issue and vote in this election, which is very important for the future of Meadows Place.

DID YOU KNOW??????

Did you know...that Meadows Place hosted the Fort Bend Mayor & Council Meeting in February? Officials from the county and 17 cities in Ft Bend County got together and discussed common issues. Meadows Place has benefited, and will continue to benefit, from the increased and open communication between Meadows Place and our neighbors. Our City Secretary, Elaine Herff, did a great job of putting this together and doing Meadows Place proud.

Did you know...Meadows Place has initiated a program that is designed to benefit Meadows Place homeowners, enhance our quality of life and help move us into the future as a City? To help us know where we are going, we need to look at our past. To do that, we are going to need your help – and your old photographs. Do not worry, we will not keep them but please watch the Newsletter for more information. In the meantime, dig out that old box of pictures and pick some good ones.

Did you know...Captain Jack Ashton has come up with a set of ‘Safety Tips for Travelers’? These are basic but practical tips to help guard our possessions and ourselves while we travel. There are tips for Women, Room Rules, Street Smarts and Transportation Savvy. They are easy, simple and make good sense. To get a copy of ‘Safety Tips for Travelers’ go to the website at: www.cityofmeadowsplace.org

Did you know...that one call can make a big difference? One example happened last year at a city-sponsored event. One of our neighbors expressed concern about a situation near his home. He talked to the Mayor about it, who talked to the Police Department about it, which checked into it and decided it was indeed worthy of an investigation. This led the PD to do a background check and then plan and run an in-depth investigation and bingo – problem solved! The message here is twofold – One, we all need to pitch in and Two- City leadership listens and responds. We all count on each other to make this City what it is so if you see something call – NOW. Together we can keep Meadows Place the great place it is to live and raise our families.

Did you know...that the City is doing its part to help parents by participating in ‘radKIDS’? **radKIDS is the national leader in children's safety** and is being brought to MP children and parents by the training and development of nationally certified instructors. radKIDS Personal Empowerment Safety Education package “is not just a program but a true gift to the community”. Officers Kelly Davis and Lynn Dottei have now successfully completed the radKIDS training & certification program. We will be moving forward with this so keep on the lookout for future **radKIDS** notices.

Did you know...that Meadows Place resident Steve Bezner was an Award Winner in the Conoco-Phillips Rodeo Run? No, he did not have the best time, but out of the 7,000 contestants, Steve was the winner of the “Most Spirited” Award. Congratulations Steve! Yee-Haw!

Pool News!!!! Parks & Rec. has a great new program called “**Dive In**” where you watch a movie at (*or IN*) the pool on a 12x15’ screen! This is a new program just for teens 15 -17. It is BYOT (bring your own tube) on Friday nights from 8:30 until the movie is over. This will start May 25. Should be great fun. Wonder what the 1st movie will be? Watch for more info! In other pool news – the first Swim Team registration is March 25th at the Rec. Center. They will be having a Garage Sale Fund raiser at the school on Mar. 31st. You can ‘donate’ your (nice) stuff and help the Swim Team. Just bring it up to the school before 10.

Did you know...that Alderman Terry Henley is going to Washington, DC to talk to Representative Nick Lampson on behalf of Meadows Place? Thanks Terry- but you will not be alone. Two Meadows Place 8th graders will be up there too. Kaylyn Court and Allison Plyant are part of a group that will be touring DC and meeting their representatives. Future leaders learning today.

If you have a question, comment or news we can use – please drop a note by City Hall or E-mail us at:alderman1@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

HOME & GARDEN CLUB

By Sandy Montross, Publicity

At the recent March meeting of the Meadows Home & Garden Club, Charles Griswell presented a very interesting and informative program "Getting Your Yard Ready For Spring".

We are looking forward to our outing to the Brookwood facility in Brookshire on March 17th. There should be a variety of plants to choose from for use in our patio containers or decorate the inside of our homes for a fresh springtime look. For those of our readers that have never been, it is well worth the trip to Brookshire to enjoy the beautiful plants, gift shop and have a delicious lunch. Reservations are necessary.

The Club will present a Scholarship Award again this year. 2007 graduating seniors, or current post-secondary education students planning to enroll in a course of study at an accredited U.S. college or university are eligible to apply. In addition, the applicant must be a resident of Meadows Place and have U.S. Citizenship or have permanent residency status. Applications may be picked up at either Dulles High School in the Counselor's office, or at Meadows Place City Hall. The deadline for returning the application is April 30, 2007. Full details are included in the application. The award will be presented at the May Meadows Place City Council Meeting.

Our next regular Club meeting will be on Tuesday, April 10th at 7:30 p.m. at the Community Center. There will be a program on "Herb Gardening" and any Meadows Place resident is invited to join us for the evening to learn about growing your own herbs and get acquainted with our members.

March gardening tips - Prune azaleas after flowering. Plant container gardens for patios. Fertilize roses once a month beginning now thru the end of September.

Let us help you with your lawn & maintenance needs!
