

COMMENTS FROM THE MAYOR
By **Mark McGrath**

Commercial Property Update

As you have seen, ground was recently broken on the first phase of the shopping center development on the northwest corner of the intersection of West Airport and South Kirkwood. This phase will cover just the western portion of the property. Construction under ideal conditions is expected to take about seven months. The northern portion of the property was previously zoned for the same sort of use and will be built in the future. The “hard corner” at the intersection remains un-zoned meaning the developer must obtain approval from the City’s Planning and Zoning Commission and City Council prior to construction.

At this writing, the first two buildings of the Oasis development are nearing completion. Completion is several months behind schedule. The developer intends to proceed with the demolition of the old Alzheimer’s/Assisted Living facility as soon as the new one is occupied.

We welcome D.E. Flooring to its new location on US 59 next to Helfman Ford. The owner of the building indicates that leases are imminent on the two remaining spaces on the frontage road.

There has been some recent interest in the former Garden Ridge/Lowes Theatre site, but nothing solid. As a reminder, the owner does not need the City’s approval to lease or sell the property in whole or in part. However, the owner does need the City’s approval if they intend to use it for a purpose not permitted in our zoning ordinance. Any change to our zoning ordinance requires action by the City’s Planning and Zoning Commission and City Council. At least one public hearing is mandatory in this process.

Garbage Rates

I recently received correspondence from our garbage contractor, Republic Waste, of their intent to charge us an increase of approximately 3% effective July 1st. This increase is permissible under their contract with the City. Accordingly, the monthly amount paid by residents will also increase to \$10.25 per household effective July 1st.

Our contract with Republic Waste expires June 30, 2008. Prior to the expiration date, I anticipate asking Council for permission to request proposals from other contractors to provide this service.

Meadows Place
4th of July Parade
10:00 a.m., July 4th

The annual parade will begin at the parking lot on Dorrance near the SW Frwy. The route goes from the parking lot to Mulholland, to Brighton and ends at the park. Some entries will be directed to Meadows Elementary parking lot. We ask your cooperation in keeping all vehicles OFF the street along the parade route. Do not park vehicles on the street beginning at 7:00 a.m. and until the parade passes your residence. We ask this so that parked vehicles will not cause danger or interference for the parade participants as well as those viewing the parade.

Did You Know!!!!!!

Did You Know....that Splash Nite featured a really neat new play toy for our kids? It was a HUGE blow up bubble area. The kids loved it and the parents had fun watching them. Splash Night with the free BBQ, (thanks volunteers!), games and contests is a big deal here in Meadows Place. It is a great opportunity to welcome in the summer and visit with your neighbors. Another big deal here in Meadows Place is National Night out. This year it is on Tuesday Aug. 7th. There will be parties, food and opportunities to meet your neighbors, the PD and City Leaders. We hope you will participate too.

Just a reminder - Mark your calendar to come to the Meet & Greet for our new Chief of Police on June 27th at the Community Center.

Did You Know....Meadows Place resident, Charles Jessup, not the Councilman, but the recent Aggie graduate, was a hit at the Meadows Elementary 5th Grade Promotion Ceremony? He spoke to those 5th graders about moving on to middle school and how they should not be anxious because the teachers and staff at Meadows Elementary have prepared them well. A look at the test scores bears that out. He assured them they are ready and encouraged them to have fun as they go forward. Congratulations to Charles, to all the staff for another great year and to all those wonderful students.

Did You Know....the community is coming together to support Jeremy Kitchen who was recently deployed to Iraq? Jeremy is a Specialist with the Texas Army National Guard. He had just completed his first semester at Texas Tech and qualified for the Dean's List. His family is extremely proud of him. Another Jeremy, Jeremy Preite, has also chosen to serve and protect. He has joined the Navy and leaves in early July. Thanks to both these fine young men and their parents. We are proud of you both and wish you a safe return.

Did You Know....that your Mayor and Council recently attended a county wide function to help them be better prepared to deal with trash and tree disposal in case of a catastrophic event? This is a cooperative effort, which allows the City of Meadows Place to join in with the County on an existing disposal contract. If needed, this will be a big help to us in our rebuilding efforts. I hope that we will never need to use it. Keep your fingers crossed!

With all the rain we have had, be sure to check out the **Meadows Place Mosquito Management Plan** in this month's newsletter and on our website. There are tips and techniques for all of us to help hold the mosquito numbers down. This can keep us safer and save the City money. Our website address is www.cityofmeadowsplace.org

Did You Know....that there was an ordinance passed making Alderman Terry Henley the Mayor Pro Tem? One thing this does is to allow Terry to sit in for the Mayor in the event Mayor McGrath is unable to preside over a council meeting. Congratulations Terry and thanks for all you do.

Please be careful with the kids out of school, playing ball and heading to the pool. Drive a little slower and be on the lookout.

If you have a question, comment or news we can use – please drop a note by City Hall or E-mail us at: alderman1@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

OUR HOME TOWN HERO'S

City of Meadows Place has plenty of reasons to be proud. Many of our very own are serving our Country. Our up coming hometown 4th of July celebration is the perfect setting to honor all of our troops, especially those so close in our hometown. If you know a resident, family members of residents or even a past resident who is active in the military, please contact Terry at City Hall, 281-983-2935 anytime, leave a detailed voice mail or email at terry@cityofmeadowsplace.org. We would like to honor our hometown hero's in a very special way.

Just to name a few (as you will see in Councilman Jessup's Did You Know article in this month's newsletter) soon Jeremy Kitchen, David Canady, and Jeremy Preite will all be serving in Iraq. Jeremy is a Specialist with the Texas Army National Guard and was recently deployed to Iraq. He had just completed his first semester at Texas Tech and qualified for the Dean's list. His family is extremely proud of him. Jeremy Preite, has also chosen to serve and protect. He has joined the Navy and leaves in early July. David Canady has also been deployed to Iraq. Thanks to these fine young men and their parents. We are proud of you and wish you a safe return

CITY ORDINANCES/CODE ENFORCEMENT

By Tracy Spiller

As mosquito season approaches, I will be going door to door to properties that currently have swimming pools that are not being maintained according to the swimming pool code. At that time I will provide a copy of the code, give a few different options to resolve the violation and a period to bring the property into compliance.

In driving the City, I have noticed some great landscaping projects! The Prices' have barely finished unpacking and they have already made great improvements to the yard! The Smiths' have also added new windows and siding. What a great way to put on a new face! The Jones' and the Wolfs' have just about completed two full remodels on the properties they own and get this, both parties were planning on flipping the houses but now have family members purchasing the homes.

June Gardening Tips

- Butterflies ... to attract these beautiful summertime visitors plant Verbena, Dianthus, Salvia, and New England Aster.
- Fertilize azaleas for the last time this year.
- Colors for fall: marigolds, zinnias, celosia, Joseph's coat

L-R: Benet Gaytos, Brian Schroeder (Scholarship Recipient), Betty Schofield

Meadows Home and Garden Club would love you to join us in our community service, social activities and friendship. Meetings resume on the second Tuesday in September, 7:30 pm at the Community Center.

This year's Meadows Place Home and Garden Club Scholarship Award recipient is *Brian Schroeder*. President Margaret Sandlin presented this award at the City Council meeting on May 22. Brian is attending University of Texas Permian Basin. Many of you may know Brian. He is a lifeguard at Meadows Place pool and he helps coach the swim team. The Garden Club is proud to give the scholarship award to someone who gives back to the community. Brian helps with "Big Brothers and Sisters" and "Habitat for Humanity." Congratulations and we wish you great success.

Members have been working on paper flowers and decorations for the Meadows Place Fourth of July parade. Last year was lots of fun and we look forward to celebrating our country's holiday again this year.

"Yard of the Month" award is judged the last weekend of each month. Many beautiful yards this year, with lots of color and design, make selecting the best yard difficult, but make Meadows Place a delight to see. Time and effort in your yard does not go unnoticed.

GARAGE SALE DATES

Garage sales are limited to the last weekend of odd numbered months (January, March, May, etc.) Weekends are defined as Friday and Saturday. Residents may have up to 2 garage sales per year on the designated weekends. A garage sale permit is required. Please note change in garage sale dates. We will have a garage sale in October due to the fact the November garage sale dates fall on Thanksgiving weekend. The last garage sale date for each year will now be in October.

Splash Night 2007

While the pool opens the 3rd weekend of May each year, it is not really summer in Meadows Place until Splash Night. This annual event kicks off the vacation season with lots of family fun for residents. As always, this is a great opportunity for people to meet others in the community, and a great way to help those in need with food collections for the East Fort Bend County Food Pantry.

Activities included treasure hunts, Oreo cookie stacking contest and the Lifeguard aqua roller relays. The aqua rollers are an inflatable human hamster wheel in which the guards crawl around the inside of the wheel to propel it across the pool. Great fun to watch. New this year was a giant foam pit where the crowd was invited to play around in mounds of fun foam.

And as always, the exciting...rubber duck fun, giant slip and slide, and swimming. While everyone was enjoying the fun, a DJ added to the entertainment with good music.

Always a crowd pleaser is the great food, and this year was no exception. Delicious brisket sandwiches and hotdogs were served. The Parks Directors worked this year with several great resident volunteers who did a super job cooking. The fabulous cooks were John Glona, Tim and Robin Evanich, Stephen Gray and Francine Hilburn. With the help of Boy Scout troop 301, several members of City Council served up these great eats. Aldermen Rick Staigle, Dave and Trisha Wilkens, Charles and Lisa Kulhanek along with Mayor McGrath all manned the chow line.

Thanks to the City Resident volunteers, life guards, Public Works Supervisor Brad and his crew, Parks Department, Police Department, and the Scouts as well as everyone else who helped make Splash Night a great success.

Splash Night is always the 1st Friday in June, so mark your calendar for next year and do not miss all the fun and great food!

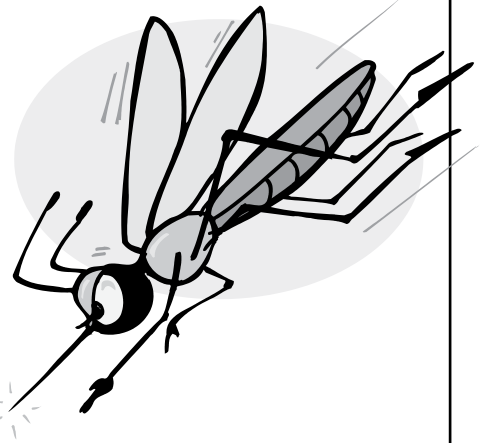

PUBLIC WORKS

by Dan McGraw

Mosquito Management 2007

It is going to take everyone's help to keep down the mosquito population in Meadows Place this year. The city and Fort Bend County will be performing surveillance by trapping or sampling the mosquitoes and sending samples to the Health Department in Austin where they are analyzed to determine the species and checked for viruses. Step 2 is to identify their breeding areas and rectify. All property owners need to check all four sides of their homes for the following.

- Water collecting in buckets, empty pots, under back yard storage sheds.
- Fill low areas in the yard with sand.
- Remove debris piles of any kind. This is a safe place for mosquitoes to harbor until the sun goes down.
- Reduce time on your water sprinkler if water is running down the street when it is running. This only creates a breeding ground if the water ponds long enough to turn septic.
- Make repairs to leaking spigots or pool equipment such as pipe connections and pump connections that leak.

City's Right - of - Way

- The city's Public Works Department will also be treating the entire storm water collection system with mosquito pucks and fog if needed.
- They will also be removing water from birdbath puddles along the roadways with push brooms after rain events but this will also require help from the residents with push brooms to push away water after rain events, sprinkler systems over watering, washing cars and draining pools into the street.

Mosquito season for us starts in March and ends in October and mosquito surveillance will continue through these months, sampling points and frequency will be determined by results of previous sample results.

Backyard swimming pools are a big source of mosquito breeding. If you have a pool in your back yard, it is your responsibility to maintain it in a clean and sanitary manner. Failure to do so may result in a city ordinance violation.

Step 3 is to fog the city. This can be avoided if we all do our part. By removing the breeding grounds for the mosquito's we should have a very mild mosquito season and will most likely not have to fog the city, which does not stop mosquitoes from breeding. If anyone needs help, identifying problem areas around your home call City Hall and request assistance with a yard inspection. Residents may also use mosquito dunks in low areas of their yard. These can be purchased at almost any hardware store.

Meadows Place Parade

July 4th, 2007

The annual 4th of July Parade will be held on Wednesday, July 4th at 10:00 a.m. The traditional parade will assemble at the parking lot across from the old Garden Ridge location on Dorrance. The parade will travel down Dorrance to Mulholland turn left on Mulholland and left on Brighton to the city park where refreshments will be available for purchase.

Meadows Place groups will be present at the field house selling concessions before, during and after the parade. Proceeds will benefit each of these groups.

An expense paid block party will be awarded to the best all around block float entry in the parade. Get your family and neighbors together and create your entry. Size is not important, originality, simplicity, creativity and community spirit is what the judges favor. The judges table for this portion of the parade contest will be staged at the Community Center, so give it your very best and wave as you go by. Awards will be presented at the Field House on Brighton at the conclusion of the parade.

First place awards will be given this year to the Best Youth (individual or group), Best Commercial entries, and Spirit entries. These awards will be presented at the conclusion of the parade at the Field House.

The Non-Motorized portion of the parade will be judged at the beginning of the parade route where we assemble. Judging will take place at 9:30 a.m. SHARP. Awards will be presented to each age category. Non-Motorized entries do not need to fill out an entry form. Just show up for the 9:30 a.m. judging. **JUDGES ARE STILL NEEDED FOR THE NON-MOTORIZED PORTION OF THE PARADE. CALL THE PARKS DEPARTMENT AT 281-983-2935 (24 HOUR NUMBER.)**

Visit the city website at www.cityofmeadowsplace.org and you can download an entry form for the parade. Drop it off at City Hall as soon as possible for the parade lineup to get organized and run smoothly.

Gather your family and friends and host a parade party in your yard.

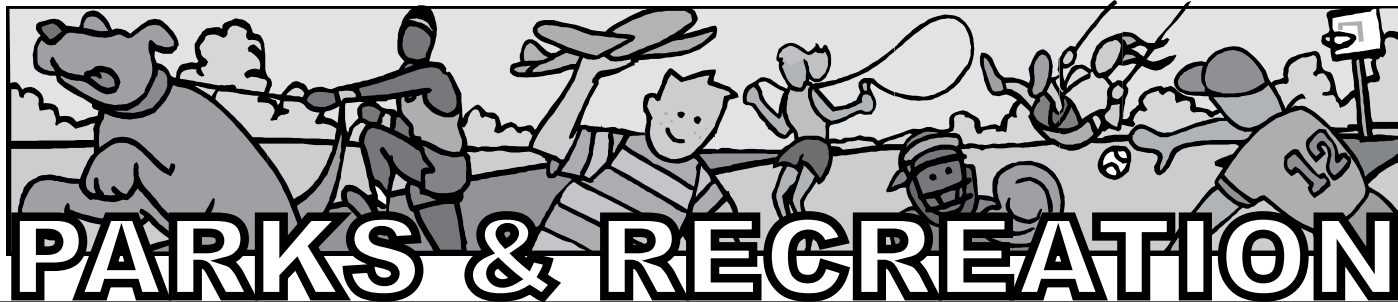

Get your family and neighbors and make a float to enjoy the parade fun.

Help out and join in as a judge.

Contact the Parks Department and volunteer to help the best hometown parade around.
