COMMENTS FROM THE POLICE CHIEF
By **Mike Baker**

CodeRed EMERGENCY NOTIFICATION SYSTEM

Recently, the City of Meadows Place Mayor and Council authorized the CodeRED Emergency Notification System for City of Meadows Place residents and businesses. This is an extremely high speed telephone communication service that allows us to call targeted areas or the entire city in the event of an emergency or urgent situation that requires immediate attention.

The CodeRED system allows the city the ability to deliver pre-recorded emergency telephone notification/information messages to residents or businesses within a few short minutes. This is an especially valuable service during emergency events such as hurricanes, missing children or adults, water main breaks, road closings, law enforcement emergencies, health advisories, hazardous material spills - in short, any and all emergencies and community alerts. This does not mean the city will be calling you constantly. The system will only be used for emergency situations and the dissemination of information valuable to our residents and businesses.

If you have an unlisted phone number, privacy manager, have changed your phone number or address, or use a cellular phone as your home phone, you may not receive these important notifications. If you fall into these categories or would like to update or ensure your information is listed correctly, please contact the Meadows Place City Police Department at (281) 983-2900 between the hours of 9am-4pm Monday through Friday. In the near future residents and businesses will be able to access the city's website, www.cityofmeadowsplace.org and add or update their information to receive emergency notifications.

The information in the City of Meadows Place database is secure and confidential, and will only be used by the city for emergency notifications. This service is only available to City of Meadows Place residents and businesses. Meadows Place respects the privacy of each person within our community; therefore, if you do not wish to receive emergency notifications, please contact Meadows Place Police Department and request to be removed from the notification list. The CodeRED service should be operational within a few weeks, so please visit the city website and review future newsletters for more information.

Did You Know!!!!!!

Did You Know..... that the City's new Welcome Packet program has already gotten some great response and also produced some interesting results? While delivering the Welcome Packet to families just moving to Meadows Place, we got great positive feedback and sincere Thank You's! This is exactly the type of response City leaders were hoping for, but, they were surprised to find multiple families that are "moving back" to Meadows Place. Mostly for reasons like Safety and Closeness of the Community - not to mention the great schools. That's great to hear isn't it? And "Welcome Back". Oh, and we must say a big Thank You to Margaret Sandlin and the Garden Club for partnering with the City to make sure our Welcome Packets get delivered to our new neighbors.

Education of our children is important to all of us, but *Did You Know.....* that Dulles High School was one of just a few area high schools to "make the grade" and pass the National AYP or Annual Yearly Performance review. This is great news but what makes it even better is that both Dulles Middle School and Meadows Elementary "made the grade" as well. Gold Stars all around!!!

Did You Know..... that after volunteering at a Special Olympics Aquatic Meet, Meadows Place resident Sean Ulray wanted to thank Glenna Lipp for letting him know about it and wants to get the message out to others who may want to volunteer in the future? He said it was an amazing event, complete with the grand entrance by the athletes and, of course, the passing of the Olympic torch. Sean guarantees you cannot help but be impacted by it. Others from Meadows Place that helped make the event possible were Charles, Elaine and Mark Jessup. Just another example of people from Meadows Place getting it done.

Did You Know..... that Samantha, Jessica, Ellie, Brianna and Madalyn of Brownie Troop 19116 sat in our September 25th City Council Meeting? They were good as gold! Thanks for coming girls. Speaking of Brownie Troop 19116, they are doing a Service Project by collecting baby items for the Women's Shelter. You can drop off your donations on any of the following Monday's - October 22, November 12 or November 26 at the Community Center Annex on Kirkwood from 5:30pm -7:30pm. Come on out and support your local Brownies and help out families in need, you will be glad you did!

Did You Know..... That Chief Baker and Capt. Jack Ashton were smiling as they informed the Mayor, Council and your friends and neighbors that were at the Council Meeting about receiving a \$38,000 grant for a new Radio Base Station for our Police Department. Once installed, it will improve communications with multiple law enforcement agencies as well as maximize communications with our own officers. A special Thank You to Jerry Brownlee for working with Capt. Ashton and helping write the grant application. You got it done again!

Did You Know..... that City of Meadows Place is waaay ahead of the State of Texas when it comes to Smoke Alarms. The state just passed a law that says you have to have smoke alarms in new homes or in your existing home before you sell it. Five years ago the City adopted the International Residential Code which states that you have to have a smoke alarm in each sleeping room in the house and outside each sleeping area. This would include the family room since someone could fall asleep on the couch. This is such a good idea that we all ought to do it now, but they must be up before the house transfers. If you have any questions about this, e-mail them to Tracey Spiller, our Certified Code Enforcement Officer. You can e-mail her directly or log onto the website, go to Code Enforcement and then click the link to: code-enforcement@cityofmeadowsplace.org

Did You Know..... that because it is safe and friendly, Meadows Place is a favorite place for folks to trick-or-treat on Halloween? This makes it a lot of fun but can cause some traffic snarls in certain areas so please be careful as you move around the city that night. Chief Baker says we will have extra police on duty to help with traffic and look out for our little ones. Be sure to make plans to drop by the Boy Scouts Car Bash and Carnival. As if he didn't have anything else to do, Alderman Charles Kulhanek is Carnival Chairman this year. The Meadows Marlins swim team will have GREAT stuff at the concession stand so enjoy your night out but ...Don't let the goblins get YOU!

Speaking of Aldermen volunteering, *Did You Know.....* Terry Henley will once again be representing Meadows Place on the General Assembly of the Houston-Galveston Area Council? Terry has held every elected position on this very powerful and important organization. Additionally, Alderman Rick Staigle will be the designated alternate. This is a lot of work and very time consuming. Thank You, gentlemen, for your willingness to serve.

Did You Know..... that we are still on target to have the "new" website up by mid October? I think you will like it and be proud of it. Be sure and check it out. Let us know if there is anything we can do to have it better serve you.

If you have a question, comment or news we can use - please drop a note by City Hall or E-mail us at: alderman1@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

CITY ORDINANCES / CODE ENFORCEMENT

By Tracey Spiller

I am noticing a lot of folks getting trees trimmed and just wanted to remind everyone that you must provide 10ft clearance over the public right-of-ways. Make sure they are cut and tied in 4ft bundles for pick up.

I wanted to take this opportunity to thank the Peschels and

the Orys for the great updates. The Peschels have new windows and a remodeled kitchen and Orys have new windows and repairs and new paint on the exterior. Margaret Russell has a new driveway, fence and walkways. It just shows the pride that Meadows Place residents take in their property and community.

HOME & GARDEN CLUB

By Beverly Martin, Publicity

The program for our October 9th meeting was "Use of Native Plants in Our Gardens." The County Agriculture Agent presented useful information to help us improve our gardens.

The Lunch Bunch will be dining out on Thursday, October 18th at Lafayette's Cajun Food, followed by a tour of "Charming Charlie" on Harwin. If you are interested, contact Margaret at 281-933-8034.

The Garden Club was proud to present a donation to Meadows Place Police Officer Kelly Davis for the D.A.R.E. Program, which is an important program for the city's children.

Mark your calendar for Saturday, November 10th. Our 32nd Annual

Craft Show will be held at St. Thomas Aquinas Catholic Church / Aquinas Center, 12627 W. Bellfort. (Between Eldridge and Dairy Ashford Rds.) From 9:00 to 4:00 you can enjoy shopping for hand-crafted items from 40+ vendors. A few booths are still available. Anyone interested call Lillian at 281-495-6039. The Craft Show also includes our Scholarship Fund Bake Sale and Gift Raffle. The Boy Scouts will be selling Bar-B-Q. Please start your holiday shopping with us.

Tuesday, November 13th meeting program will be "Ikebana Japanese Flower Arrangements," presented by LaVerl Daily. Please join us at 7:30 pm at the Community Center.

Meadows Home and Garden Club Fall Craft Show

Saturday, November 10TH, 9:00 – 4:00

The 32nd Annual Craft Show is at St Thomas Aquinas Catholic Church, 12627 W. Bellfort (between Eldridge and Dairy Ashford Rds.) Forty + craftspeople will be selling holiday and home décor, wreaths, dolls, wearables, jewelry, wood items, and much more. Garden Club's Scholarship Bake Sale and Raffle. Boy Scouts' Bar-B-Q.

No admission charge.

Hope to see you there!

Next time you are taking care of your yard, remember: it's important for all of us to make it a point to keep our storm drains clean and clear. You see, they're meant to carry rain water away and to help water flow easily away from your home during a heavy rainfall. The water that runs into and through the storm drain system is not treated, it goes straight to our waterways, and ultimately to Galveston Bay.

Don't blow it--bag or compost your leaves or grass clippings. And please, don't put anything--garbage, motor oil, paint, doggie doo or what-have-you--down the storm drain. Because it could wind up as "ewww" on you.

For more information call Harris County at (713) 290-3000 or log on to www.CleanWaterClearChoice.org

MCIA Meadows Community Improvement Association

By Janet Kulhanek

The Meadows Community Improvement Association works with your City leaders on the following issues. All residents should review their situation to see if any of these apply to them and if so take appropriate steps to correct.

- ❖ Approval of all exterior painting; even if repainting the same color-Failure could result in repainting and added expense
- ❖ Trash cans visible from the street
- ❖ Inoperable gas lanterns-either repair or have removed if no longer working. Many are rusted and bent resulting in an unsightly view from the street
- ❖ Basketball goals, free standing or those fixed in ground should be kept maintained with both functioning backboard and net around the hoop.
- ❖ Overgrown trees with branches hanging over sidewalks and or neighbors driveways-it is important that large heavy branches that may be weak and that could break during strong wind be trimmed so as not to fall/damage your neighbors property or vehicles

Compliance in regard to following issues is also required

- ❖ Approval of roof colors at City Hall
- ❖ Approval of all exterior siding colors
- ❖ Stumps level with the ground so grass can grow over the area
- ❖ Rotten wood and peeling paint should be repaired
- ❖ AC units in windows visible from the street are not permitted
- ❖ Approval of all exterior changes to a home
- ❖ Other areas that could be deemed a "nuisance" to the neighborhood

A comment! Mail boxes should be maintained and kept in good conditions and upright not only for esthetic purposes but also so that the mail person can easily insert the mail.

A reminder! all house numbers should be visible on all homes. This is important if emergency personnel need to come to your home. A reminder for all residents to make an effort to make sure that their residence has visible numbers on the house or mail box and on the curb.

MCIA BOARD MEETINGS: First Thursday of each month, 7:45 pm, Meadows Place City Hall. Please contact a board member if you would like to be placed on the agenda.

TENNIS

ATTENTION TENNIS PLAYERS

Please take a moment to read the tennis rules sign located at the tennis court. All rules will be enforced and violators will be subject to forfeiture of their privileges to use City facilities. The access card reader installed at the entrance gate will read every card and allow or deny access. The memory in the card reader gives the Parks and Recreation Office the information as to what resident's card was swiped at any given time of the day. It has been observed on a regular basis that too many guests or even non-resident use may be going on. Upon observation of such occurrence and notification to the Parks Department, we will research access information. This information will enable the Parks Office to contact the card holder to discuss possible violation of the access card rules.

If you see suspicious use of the tennis courts, or anyone violating the rules, please take note of the time of day and the possible violation and contact the Parks Department. You can call and leave a detailed message 24 hrs a day. Your personal name and information is optional. We will investigate the situation and contact you, if you wish, as well as the prospective violator.

Thank You,
City of Meadows Place Parks and Recreation Directors
