COMMENTS FROM THE MAYOR
By **Mark McGrath**

Budget

On September 25, Council adopted the budget for the fiscal year beginning October 1, 2007. The budget adoption was the culmination of a process that started with a series of workshops beginning in July and concluding with public hearings on September 11 and September 18.

As adopted, the budget provides for a 3% pay raise for all city employees. In addition, employee medical insurance costs are projected to increase 5%. No new staff positions were budgeted and no significant capital improvements are planned.

Also at the September 29th meeting, Council adopted a property tax rate of \$0.79 per \$100 of assessed valuation for the next fiscal year. This rate is 6 cents higher than last year's rate. Based on information from the Fort Bend County Tax Assessor/Collector's office, the average homeowner's City property tax bill is expected to increase by about \$60.

LEADS Online

By **Detective-Sergeant Richard Simmons**

The Meadows Place Police Department has recently implemented a new online crime-fighting tool designed to help catch thieves and track stolen property. The program named LEADS online is a Web-based investigation system that is an acronym for Law Enforcement Automated Database Search. This program allows the Meadows Place Police Department to search for stolen property through pawn shops by description and serial numbers. It also registers stolen property by serial number and in the event the stolen property is pawned, the Police Department is notified.

Thousands of businesses that accept merchandise from the public, such as pawn shops and second-hand stores, are registered with LEADS Online and report transaction records daily that include detailed information about merchandise as well as the identification of the person who provided the merchandise to the store. The Meadows Place Police Department has already experienced success using this program, recovering stolen property and identifying suspects. The Police department would like to encourage our citizens to take the time to record descriptions, model numbers and serial numbers of all of your valuables. This includes all items with a serial number such as; televisions, computers, tools, cameras and lawn equipment. Items without serial numbers, such as jewelry, should be photographed so that it can be traced and matched by description.

Halloween Carnival 2007

SPONSORED BY: BOY SCOUT TROOP 301, CUB SCOUT PACK 301, MEADOWS PLACE PARKS AND RECREATION DEPARTMENT

Always held on Halloween Night, the City of Meadows Place offers the greatest spooktacular night of the year for all the ghost and goblins hanging around. Wednesday, October 31st, 2007 was a great evening of fun, games, moonwalks and goodies for the hundreds who ventured out in fabulous attire and disguise. Troop 301 along with the Parks Department offered a car bash for all who desired to take a swing releasing frustrations on the popular car bash, held at the city park. Also out for the evening was Mayor Mark McGrath along with the Parks Directors handing out glow in the dark necklaces and treats to the first 500 who attended. Back by popular demand was a DJ playing monster mash popular tunes for the many neighbors whom came out to enjoy the night's festivities. Members of Meadows Place Swim Team, some in costume as well, were out to offer delicious, warm food and cool drinks for everyone.

Pack 301 crowded the park on Brighton with the traditional and very popular carnival. The carnival has been a favorite in the City of Meadows Place for an estimated 32 years. Residents, guests and all the hard working volunteers had a great Halloween evening. We appreciate everyone who came out in costume to decorate the festive evening and all the hard workers for the great recreation. Plenty of goodies, fun, music and fellowship are always enjoyed in City of Meadows Place on Halloween night.

We especially appreciate all the City Dignitaries who support and attend this great event, Mayor McGrath, Council members; Charles Kulhanek, Rick Staigle, Charlie Jessup, Dave Wilkins whom also all pitched in to help out in the festivities.

Do not miss out Halloween 2008 always held on Halloween night, 6-8:30 pm.

Meadows Place Police Department is always out in full force to protect and make sure that the entire community has a fun and safe Halloween night.

-----Alderman Rick Staigle, Gatekeeper of the Halloween Pretzels

Kelly Schnarr, Dulles Senior, part-time employee for the Parks Department, hard at work preparing for the annual Halloween carnival-----

-----Resident and Twin Girls "Thing 1 and Thing 2"

Resident and child Dracula-----

-----This year's Halloween carnival attracted princesses, cheerleaders, and even girl pirates

Mayor Mark McGrath along with Alderman Charles Jessup left, Director Terry Modeland on the right handing out goodies-----

Did You Know?

Did You Know.....that the City now has a “new” website? It is at the same address - www.cityofmeadowsplace.org, but has a new look and feel? We hope you like it. It is the culmination of a lot of effort by a lot of people. A special thanks to Councilmen Charles Kulhanek and Charles Jessup who led the Website Committee and initiated the change. Please check it out. Beside the new look, it also has some internal changes that will let us keep the site much more current and “fresh”. The new website allows each Department Head to update their part of the site on an ‘as needed’ basis as well as post pertinent data and information. The Parks Dept. portion will always be in motion and Public Works is working on several projects – like rainfall and mosquito counts. There are links for you to use, maps and contact data for your convenience. Please let us know what you think and what else it needs to make it better for YOU!!

Did You Know.....that Police Chief Mike Baker got many of the City Staff and even some elected officials involved in the 10th Annual Ft. Bend County Alzheimer Walk and Fundraiser? The Chief and his wife Linda led the way- that is until Linda and super staffer Patty Spade took off together. They finished waaaaay ahead of everyone, including Councilman Rick Staigle. At least he finished! Other folks participating included: Julie Baldwin; Kelly Davis; Kirsten Ashton and baby Meridian; Lori Lewman; Karen Lewman; Lynn Dottei; Judy Alvarez; Tracie Mitchell; Mimi Boos; Jessica Boos and Charles Jessup. It was a great walk for a great cause. Thanks Chief.

A Holiday Reminder - *Did You Know*.....that our Police Dept. has a “House Watch” program available to us when we go out of town? You can download a Confidential House Watch form from the website or pick one up at City Hall. It is a great service they provide for us when we are traveling.

Speaking of traveling, our neighbors Bill & Lesley Smith recently took a 6,000-mile trip that covered 14 states! They took in many interesting sites, including the spot where Bill’s Great-Grandfather fought in the Second Battle of Manassas! They even took a riverboat ride. They said gas was about 40 cents higher in DC than it was here. What a great trip. Remember, if you are taking off for a few days, let the PD and your neighbors know.

Did You Know.....that I had several people contact me and say they were unaware the City of Meadows Place uses the International Residential Code which states that you have to have a smoke alarm in each sleeping room in the house and outside each sleeping area and the family room? Well, I didn’t either. That’s the reason I put it in Did You Know. If you have any questions on this, call or e-mail Tracey Spiller, our Code Enforcement Officer. You can e-mail her directly or go through the new website. Just click GOVERNMENT, go to Code Enforcement and then click the link to: code-enforcement@cityofmeadowsplace.org

Did You Know.....that another of our neighbors e-mailed her thoughts about Halloween to the Mayor? This is what Diane Daily had to say – “I just wanted to pass this along. I have lived in the Meadows for a long time, and last night I noticed our police department right on the ball. I was so pleased to see our police driving around our City with their lights on and keeping an eye on our children and us. It made me feel real good and much safer. This was the first time I have ever noticed this. KEEP UP THE GOOD WORK!” I agree Diane!

Did You Know.....we added another plaque to our Wall of Heroes? This one honors Airman First Class Justin Norris. Thank You Justin. You and your family will be in our thoughts and prayers.

Did You Know.....that Center Point Energy was recently in the City pruning trees to keep them away from the power lines? Public Works Director Dan McGraw got personally involved and worked hand in hand with Trees Inc. Account Manager, Flo Tijerina about several key trees in the City. He was spotted climbing the one by the Community Center to make sure they understood just how important our trees are to us here in Meadows Place. Thanks Dan.

If you have a question, comment or news we can use – please drop a note by City Hall or E-mail us at: alderman1@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

CITY ORDINANCES / CODE ENFORCEMENT

By Tracey Spiller

Benefits of Home Maintenance

The health of a home is a lot like taking care of our own personal health. If it is maintained on a regular basis the chance of problems arising occur less often. Here are a few of the benefits of regular home maintenance:

- Save money by eliminating avoidable repairs and failures.
- Extend the life of home components.
- Reduce safety and health risks.
- Maximize your home's value and resale potential.
- Improve your home's appearance and appeal.

And now a special thanks to the following families in the process or just completing remodel or landscape project: Mr. Bomberger and Ms. Vasseur have updated the landscaping at their homes. The Donoghue family, the Martin family, and the Garza family have repaired exteriors and brightened things up with a fresh coat of paint.

HOME & GARDEN CLUB

By Beverly Martin, Publicity

The Home and Garden Club would like to thank everyone who came out and supported our 32nd Annual Craft Show. Also thanks to the Boy Scouts for their participation.

On Tuesday, November 13th, the club enjoyed the demonstration of "Ikebana Japanese Flower Arrangements" by LaVerl Daily. Our Christmas Party and Gift Exchange is on Tuesday, December 11th and our programs will resume at the January 8th meeting, at 7:30 at the Community Center

Coming up on Friday, November 30th, the Lunch Bunch will be eating out at The Lasagna House III and touring Cornelius Nursery Christmas Décor. Anyone interested call Margaret at 281-933-8034.

The Club provided a Thanksgiving Dinner Card from Randall's to a family selected by Meadows Elementary School.

"Holiday Lights" judging will be held on December 8th and 9th. There will be one award for each of the 6 sections. Judging is based on theme and over all use of lights. Holiday decorations show off Meadows Place Christmas Spirit and everyone looks forward to seeing the beautiful displays.

Gardening tips:

- **Divide crowded perennials and replant.**
- **Cut back perennials after first frost or when foliage withers.**
- **Mulch as needed.**

Next time you are taking care of your yard, remember: it's important for all of us to make it a point to keep our storm drains clean and clear. You see, they're meant to carry rain water away and to help water flow easily away from your home during a heavy rainfall. The water that runs into and through the storm drain system is not treated, it goes straight to our waterways, and ultimately to Galveston Bay.

Don't blow it--bag or compost your leaves or grass clippings. And please, don't put anything--garbage, motor oil, paint, doggie doo or what-have-you--down the storm drain. Because it could wind up as "ewww" on you.

For more information call Harris County at (713) 290-3000 or log on to www.CleanWaterClearChoice.org

Clean waterways start here.

Meadows Community Improvement Association

By Janet Kulhanek

The Meadows Community Improvement Association works with your City leaders on the following issues. All residents should review their situation to see if any of these apply to them and if so take appropriate steps to correct. Let's all take pride in our neighborhood.

- "Dirt, mold, and mildew should be cleaned from exterior surfaces"
- Approval of all exterior painting; even if repainting the same color-Failure could result in repainting and added expense
- Trash cans "should not" be visible from the street except on specific trash pickup days
- Inoperable gas lanterns-either repair or have removed if no longer working. Many are rusted and bent resulting in an unsightly view from the street
- Basketball goals, free standing or those fixed in ground should be kept maintained with both functioning backboard and net around the hoop.
- Overgrown trees with branches hanging over sidewalks and or neighbors driveways - it is important that large heavy branches, that may be weak and that could break during strong wind, be trimmed so as not to fall/damage your neighbor's property or vehicles

Compliance in regard to following issues is also required

- Approval of roof colors at City Hall
- Approval of all exterior siding colors
- Stumps level with the ground so grass can grow over the area
- Rotten wood and peeling paint should be repaired
- AC units in windows visible from the street are not permitted
- Approval of all exterior changes to a home
- Other areas that could be deemed a "nuisance" to the neighborhood

House numbers should be visible on all homes. This is important if emergency personnel need to come to your home. All residents should make an effort to make sure that their residence has visible numbers on the house or mail box and on the curb.

A comment! Mail boxes should be maintained and kept in good conditions and upright not only for esthetic purposes but also so that the mail person can easily insert the mail.

Strengthen your body & sharpen your mind

New students will be accepted the 1st 3 weeks. You may try the 1st class free before you sign up. Children must be 5 years of age.

TENNIS

ATTENTION TENNIS PLAYERS

Please take a moment to read the tennis rules sign located at the tennis court. All rules will be enforced and violators will be subject to forfeiture of their privileges to use City facilities. The access card reader installed at the entrance gate will read every card and allow or deny access. The memory in the card reader gives the Parks and Recreation Office the information as to what resident's card was swiped at any given time of the day. It has been observed on a regular basis that too many guests or even non-resident use may be going on. Upon observation of such occurrence and notification to the Parks Department, we will research access information. This information will enable the Parks Office to contact the card holder to discuss possible violation of the access card rules.

If you see suspicious use of the tennis courts, or anyone violating the rules, please take note of the time of day and the possible violation and contact the Parks Department. You can call and leave a detailed message 24 hrs a day. Your personal name and information is optional. We will investigate the situation and contact you, if you wish, as well as the prospective violator.

Thank You,

City of Meadows Place Parks and Recreation Directors
281-983-2935

TENNIS CLASSES

Classes ongoing until December 15th, 2007 (4 weeks) / New classes will resume in January 2008
