

COMMENTS FROM THE MAYOR
By Charles Jessup

Happy New Year

First, I would like to personally extend my wishes for a safe and happy 2008 for everyone in Meadows Place.

The New Year is a time of reflection and as we look back at 2007 we can be proud of what we accomplished as a City. A few of the things we managed to do were: hire a new Police Chief and have the FBI stats show everyone that we are the safest city in Ft. Bend County. Then, through our marketing program, we developed a new City brochure, Welcome Pack, logo and tag line and began marketing Meadows Place to realtors to enhance our niche in Fort Bend County. We have initiated contact with WCID 2 to meet mandatory surface water regulations and installed the Code Red emergency notification system. Volunteers, working with city staff, created a Wall of Heroes to thank and honor Meadows Place service men and women and we even began a Christmas Tree Recycling program. Early predictions show 2008 should be even more exciting than 2007 as the Oasis development continues to grow, our parks continue to develop and the Mayor, Council and Staff search for the best ways to improve and maintain our infrastructure, let our businesses thrive and pave the way for that exceptional sense of community that makes Meadows Place – *Your Place for Life*. Happy New Year!

Happy Anniversary Meadows Place!!!

Twenty-Five years ago this November, a group of our dedicated, farsighted neighbors got together to form what is now the City of Meadows Place. Houston was making noises like they might annex us and those good folk feared they would lose local control and input. They had a series of meetings and decided it was worth the time, trouble, effort and expense to incorporate to ensure everyone had a say in their community. I am sure glad they did. You will see more about our anniversary as the year goes on but right now we want YOU to have a say in YOUR community. Have some fun and help us out by giving us three things you want see as part of our Silver Anniversary Celebration. Fill out the enclosed form and drop it by City Hall by February 1st. Thank You ...and Happy Anniversary.

CAUTION

One of our residents has had an unfortunate experience with his Great Dane puppy which became very ill after eating the red berries off of a sago palm plant in his back yard. At this time the outcome is still uncertain. He asked that we remind other residents about this potential problem. Upon investigation, we have found many plants with toxic roots, leaves and/or berries. If you have small children and/or any animals, please check the internet and educate yourself about these poisonous plants.

Did You Know?

Did You Know.....that the City has instituted Code Red? This is an ultra high-speed telephone communication service for emergency notifications. This system allows us to telephone the whole City or specific targeted areas in case of an emergency situation that requires immediate action (such as a boil-water notice, missing child or evacuation notices, etc.). The system is capable of dialing 50,000 phone numbers per hour and delivers a recorded message to a live person or an answering machine, making three attempts to connect to any number. You can have the number of your choice or even more than one number on file. Go to the website to change or add numbers.

Did You Know.....that this year's Christmas Memories was one of the finest on record? Great crowds, great food and great times were had by all. Santa came in on Larry the Camel and the band was fantastic. Our Parks Dept. has a cute slide show on the City of Meadows Place website. Go to Parks & Recreation under the Government heading and click on 'Special Events'. If you visit the site you will enjoy the show.

Speaking of Christmas Memories, Audrey Holbrook and her family loved it – and they love Meadows Place so much that they have 4 generations living here!!! Her son Chuck lives here, as does her granddaughter Kelly and her husband John and their daughter - Audrey's great granddaughter - Adrienne! Chuck & Kelly both graduated from Dulles High School (which Texas Monthly says is one of the best high schools in Texas!) and they know that when Adrienne is old enough to go to school we have a great one right here. Our thanks to Audrey for bringing this to our attention and for the confidence she and her family have in our great City!

Did You Know.....Luke Schwee, long time resident of Meadows Place and alumnus of Meadows Elementary School and Dulles High School, graduated from Texas A&M with a BS in Engineering on December 14? That same day, Luke was commissioned as a 2nd Lieutenant in the United States Marine Corps. He'll be headed to Quantico, Virginia, to complete his Officer Training. His Dad Dave is very proud of him – and so are we!

Did You Know.....that our Public Works Dept. has begun to trim trees to a level of 16 feet above the street. This is done so our fire trucks can pass by safely and without hitting any branches and tearing up the truck or any equipment. The new trucks are somewhat taller than the old ones and we anticipate having to do this every two or three years depending on the weather, amount of rain, etc. If you get a notice that they will be working your street, please help us out and make sure no cars are on the street. Oh, if you want to trim them or pay a professional to do so, you may, but it must be done.

Did You Know.....that ever since we have been participating in the 'Bag it. Don't Blow It' campaign in conjunction with CleanWaterClearChoice.org, there seem to be more and more families picking up the leaves along our curbs and keeping them from washing down the storm drains. Thanks, we appreciate your efforts. It helps us locally as well as preventing problems downstream.

Did You Know.....that due to the many requests, our Parks Directors Monya Keenan and Terry Modeland moved our Wall of Heroes from the Community Center to City Hall. The Wall of Heroes was set up to honor the men and women of Meadows Place who are serving in the armed services. If you haven't seen it, drop by City Hall between 9 & 4 and take a look or – you can see it when you come to the Council Meeting on the 22nd.

Did You Know.....that about 1/3 of our Recycled Christmas Trees went to the Save Our Beach Association or SOBA? Meadows Place is working with the Village of Surfside Beach to have them be part of the Dunes Day event where volunteers take them down to save in an effort to save the dunes, stop erosion and help provide protection in the event of a storm in the area. A very noble cause and the City of Meadow Place is proud to be a part of it.

If you have a question, comment or news we can use – please drop a note by City Hall or E-mail us at: mayor@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

HOME & GARDEN CLUB

By Beverly Martin, Publicity

Happy New Year!

The Home and Garden Club would like to announce our residents receiving the 2007 Christmas Yard of the Month. Congratulations!

The entire neighborhood looked very festive. Thanks for your hard work and allowing others to enjoy your lights and decorations for a brighter Christmas.

Our first meeting in January 2008 was a class on "The Art of Self Defense," instructed by Lori Lee. We learned useful tips to help us be more aware and prepared in everyday activities.

Thursday, January 24th, The Lunch Bunch will enjoy lunch at Sweet Tomatoes and take in a movie. If anyone is interested in joining the Lunch Bunch, our next outing is Thursday, February 21st for lunch at Panda Garden. Call Margaret 281-933-8034.

Tuesday, February 12th, 7:30 at the Community Center we will have the International Dinner instead of our regular meeting. Members share their favorite dishes from all nationalities. This is always lots of fun and lots of good food.

All residents are welcome and encouraged to attend the Garden Club activities. Our members consist of individuals from all walks of life. We meet on the second Tuesday of the month, 7:30 at the Community Center. Please join us.

CITY ORDINANCES / CODE ENFORCEMENT

By Tracey Spiller

Happy New Year!

As we welcome in 2008, just a quick reminder to have your holiday decorations packed up and put away by January 15th.

I would like to congratulate the following establishments for scoring a 95 or better on their yearly health permit renewal inspection:

Teeter Toddler
Burger King
Walgreen's
Oasis Lifestyles
Denny's

Meadows Elementary
Sugar Grove Christian School
James Coney Island
Bakery Donut
CVS Pharmacy

With all the holiday craziness I fell behind on the families who have been sprucing things up and remodeling. I will have a list for you in February and I hope to have pictures!

I wish you all a very Happy New Year!

Meadows Community Improvement Association

By Janet Kulhanek

The Meadows Community Improvement Association works with your City leaders on the following issues. All residents should review their situation to see if any of these apply to them and if so take appropriate steps to correct. Let's all take pride in our neighborhood.

- Dirt, mold, and mildew should be cleaned from exterior surfaces
- Approval of all exterior painting; even if repainting the same color-Failure could result in repainting and added expense
- Trash cans "should not" be visible from the street except on specific trash pickup days
- Inoperable gas lanterns-either repair or have removed if no longer working. Many are rusted and bent resulting in an unsightly view from the street

Basketball goals, free standing or those fixed in ground should be kept maintained with both functioning backboard and net around the hoop.

Overgrown trees with branches hanging over sidewalks and/or neighbors driveways-it is important that large heavy branches that may be weak and that could break during strong wind be trimmed so as not to fall/damage your neighbors property or vehicles

Compliance in regard to following issues is also required:

- Approval of roof colors at City Hall
- Approval of all exterior siding colors
- Stumps level with the ground so grass can grow over the area
- Rotten wood and peeling paint should be repaired
- AC units in windows visible from the street are not permitted
- Approval of all exterior changes to a home
- Other areas that could be deemed a "nuisance" to the neighborhood

House numbers should be visible on all homes. This is important if emergency personnel need to come to your home. All residents should make an effort to make sure that their residence has visible numbers on the house or mail box and on the curb.

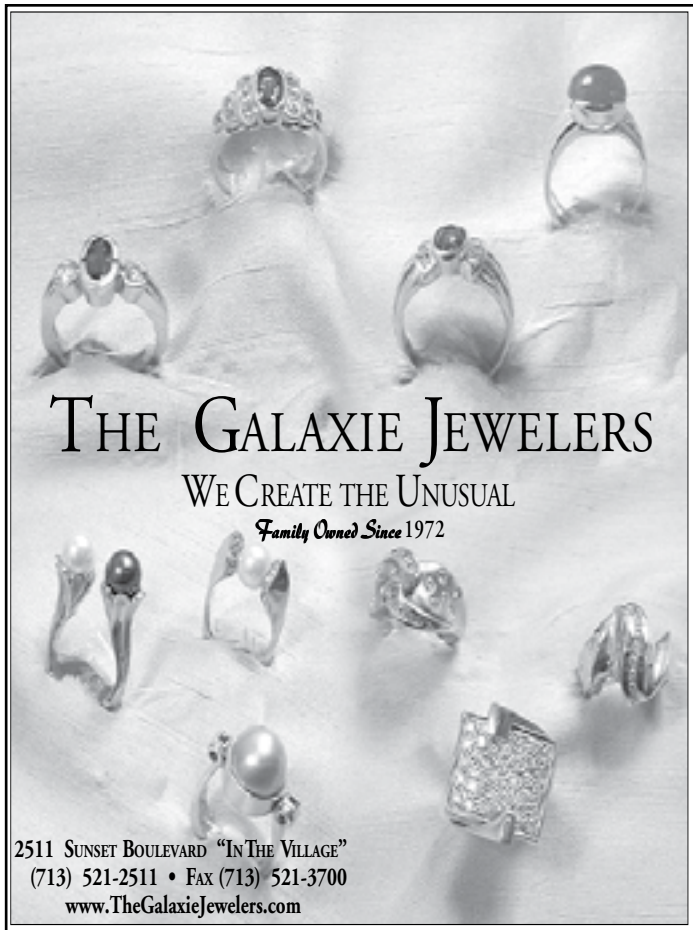

A comment! Mail boxes should be maintained and kept in good conditions and upright not only for esthetic purposes but also so that the mail person can easily insert the mail.

Next time you are taking care of your yard, remember: it's important for all of us to make it a point to keep our storm drains clean and clear. You see, they're meant to carry rain water away and to help water flow easily away from your home during a heavy rainfall. The water that runs into and trough the storm drain system is not treated, it goes straight to our waterways, and ultimately to Galveston Bay.

Don't blow it--bag or compost your leaves or grass clippings. And please, don't put anything--garbage, motor oil, paint, doggie doo or what-have-you--down the storm drain. Because it could wind up as "ewww" on you.

TENNIS

ATTENTION TENNIS PLAYERS

Please take a moment to read the tennis rules sign located at the tennis court. All rules will be enforced and violators will be subject to forfeiture of their privileges to use City facilities. The access card reader installed at the entrance gate will read every card and allow or deny access. The memory in the card reader gives the Parks and Recreation Office the information as to which resident's card was swiped at any given time of the day. It has been observed on a regular basis that too many guests or even non-resident use may be going on. Upon observation of such occurrence and notification to the Parks Department, we will research access information. This information will enable the Parks Office to contact the card holder to discuss possible violation of the access card rules.

If you see suspicious use of the tennis courts, or anyone violating the rules, please take note of the time of day and the possible violation and contact the Parks Department. You can call and leave a detailed message 24 hrs a day. Your personal name and information is optional. We will investigate the situation and contact you, if you wish, as well as the prospective violator.

Thank You,

City of Meadows Place Parks and Recreation Directors
281-983-2935

Director of Public Works Dan McGraw at our Christmas Tree Recycling Center.

Thank YOU for allowing us to recycle your Christmas trees this year.

Our Public Works Department was thrilled with the number of trees you donated in this, the first year of our new recycling program. Meadows Place, the Village of Surfside and the State of Texas will all benefit from this effort - not to mention the positive ecological impact your tree will have for years to come. Please remember and pass the word on to your neighbors for Christmas Tree Recycling in 2008. Thanks again and Happy New Year.

*Thank You
Brookside*

If you were fortunate enough to enjoy all the great festivities the night of Meadows Place Christmas Memories in the park, you no doubt saw all this new equipment. Special thanks to Brookside Equipment and Store Manager Larry Clinton who donated the use of the John Deer Gator, tractor and trailer. His equipment was used as a stage for the live band and for the popular hayrides. Thanks to great business partners such as this for helping to make our evening such great fun
