Easement and Right-of-Way Use Permit **Permit #**

Date of issuance:
Permit holder:
Address:
Phone #
Location:
Start Date:
Type of work:

1. Authorization to perform routine and emergency maintenance or repairs adjacent to or under city facilities and structures.
2. Approval of plans to install, modify or extend facilities that are on city easements and that will affect city facilities and structures.
3. The contractor is responsible for damage to private property and has the responsibility for landscaping, irrigation systems or any other physical property that is disturbed or damaged by the contractor. It is the contractor's responsibility to take photographs of the work area especially in the residential section of the city.

City of Meadows Place **requires** contractor to report to city staff **any** line breaks on easement or right of way to the following persons as well as the utilities owner, immediately! (Water, Sewer, Gas, Cable, Phone, Fiber Optic, Crude Oil). It is very important that Meadows Place is informed immediately to allow our emergency management time respond to an emergency rupture or line break.

Call affected immediately affected utility: Dan McGraw 281-642-7700 ~ City Hall 281-983-2950 or Permits 281-983-2932

I have read and agree to comply with all requirements and regulations set fourth within the City of Meadows Place's Easements and Right of Way use ordinance. _____
