PLACE

APRIL 2009

## COMMENTS FROM THE MAYOR By Charles Jessup

### MEADOWS PLACE IN 2024

As some of you may have seen in the newspaper, Meadows Place used some of its Economic Development Funds to hire Marsh Darcy Partners, Inc. Marsh Darcy offers Planning, Development and Real Estate Services for municipalities, developers and joint venture groups. They provide physical and policy planning services as well as comprehensive planning and special district creation services to help those entities develop sustainable solutions and create places where people want to live and work. Meadows Place called on Marsh Darcy to help us look at where we are today, to invigorate our imaginations and then help us compare where we are to where we want to be fifteen years from now. This will give us both a target and a goal as we construct a plan for City Leaders to follow in the future.

Phase I, which we have completed, consisted of a day long panel discussion which was moderated and led by Sue Darcy of Marsh Darcy. The purpose of this panel was to develop a written description of Meadows Place today and then another one circa 2024. This will allow us to create a plan to build an even better City for us to live in without sacrificing the things we love about Meadows Place today. Ms. Darcy said she was quite impressed with the panel we put together for her to work with. It included most of Council, the City Secretary and members of staff and PD. It also included a panel of residents that represented long time and new home owners, business owners, and consisted of men, women, young and not so young. Even college and high school students participated.

We will keep you posted as we continue to move through this process. There was one thing that stood out even on a panel as diverse as this – that people here love Meadows Place and are willing to work to keep it – *Your Place For Life*.

### MAILBOX MONTH

Thank You - To everyone who participated in "Mailbox Month". While most of us just 'spiffed up' our existing mailboxes, some of you got creative and unique while some built beautiful structures for your mailbox. They all look great. City staff worked very hard to make March "Mailbox Month" but they see the difference as they travel the City and feel it was worth the effort. I bet our visitors do too.

# Did You Know?...

**Did You Know**....that Lil Abbott thinks she has one of the best neighbors in the world? Seems her neighbors are always “doing things for people” and as part of “Mailbox Month” that neighbor, Dina Cotton, came over and spruced hers up too. Lil says Dina and her husband Bob are like “family to me”. The nice thing is, that there are lots of folk in Meadows Place who feel the same way about their neighbors, which is why Meadows Place is *Your Place for Life*. Oh, and thanks to all who participated in “Mailbox Month”.

**Did You Know**....that Councilman Rick Staigle gave a presentation to an influential Fort Bend association last month? The main topic was innovative traffic damping techniques, their benefits and how they may best be implemented for the benefit of a community. Rick is working hard with Meadows Place Mayor and Council to look into the possibility of incorporating some of these innovative techniques in Meadows Place. Thanks, Rick.

**Did You Know**....that Public Works Director Dan McGraw has already begun to change and improve the chlorine storage system of our Waste Water Plant? He has also begun to implement a plan to replace all the signs damaged or destroyed in Ike. You will notice the street signs are a little different but will meet future State sign requirements. We will eventually have to replace all our street signs so we are a little ahead of the curve. Good Job, Dan.

Other Meadows Place projects in the works that you should ‘Know’ about include the conversion of our pools from chlorine to salt. As we mentioned earlier it is safer and will save us money. Also, Parks has a plan to fix those big “scoops” under the swing sets daily. Should make it more fun for the kids.

**Did You Know**....20 year resident Larry Martin made the finals at this year's Rodeo World Championship Bar-B-Q Cook-Off? Larry, owner and chief cook at Majors Catering, scored big with his special chicken entry that carried him near the top of over 400 contestants in this world famous cook-off. Mmmmm...

**Did You Know**....that Elaine Jessup was very proud to hear that her son Mark made the Texas Aggie Corps of Cadets Honor Roll? Congratulations Mark. And yes, Dad was proud too.....

Other Meadows Place accomplishments include some exciting news from Louise Lancaster. You see, her book has been published and was released last month. To see more, go to Publish America, enter Louise Lancaster under ‘Search’. Congratulations Louise – and good luck!

**Did You Know**....that the City Website has many helpful links on it? These include links to the State, County, and Schools as well as Special Interests like baseball, swimming and the Master Gardeners programs. Check them out by clicking “Links” under the ‘Our Neighbors’ button on the top banner. Be sure and check out the rest of the site as well and let us know what we can do to make it more Meadows Place Friendly.

**Did You Know**....that City Secretary Elaine Herff and Judge Beverly McMinn are working with Police Captain Jack Ashton to upgrade our ticket writing equipment and software? This upgrade will save the City time, money, and eliminate waste while offering a more detailed and secure system for our Police and Code Enforcement Officers to use. Great job everyone. Oh, and most of the money is coming from a state ‘Technology Fund’!

**Did You Know**....Meadows Place has great corporate neighbors who support our community in every way they can? They deserve our support so let's use our businesses and restaurants whenever possible.

**Did You Know**....We need your help? Please send any news about projects, kids or neighbors to ‘Did You Know’ at City Hall or just e-mail us at : [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org)

*Thanks – and see you at the Council meeting*

## City Ordinances / Code Enforcement

By Tracey Spiller

### LET THE SPRING CLEANING BEGIN!

I had a resident email me and ask what items are recyclable. So, here is the latest and greatest list! Remember every little bit helps!

#### Paper – Dry and Clean

- Newspapers & inserts (don't bag them leave them loose)
- Magazines & catalogs
- Junk mail, envelopes, file folders
- Office white, colored and computer paper (staples & paper clips ok)
- Corrugated cardboard boxes
- Cereal & gift boxes
- Paper bags & phone books
- Wrapping paper (remove metallic paper, bows)

#### Containers – Clean and Empty

- Aluminum cans ( don't bag them leave them loose)
- Aluminum foil & foil plates
- Plastic bottles, jars, tubs & buckets
- Metal food cans (tin/steel)
- Metal lids, metal pots & pans

I was recently reviewing the monthly log of Fort Bend Animal Control calls. I noticed an increase of captured wild life such as raccoons and opossums. If you are contending with these critters, Fort Bend Animal Control will loan a cage for a deposit of \$100.00. You are given a sheet on what to use as bait and you are allowed to keep the cage for a week. Once you catch something you can contact Animal Control and they will come and pick it up.

*The number for Fort Bend Animal Control is (281)342-3411*

There is a lot of work going on in our quiet little City! The Paulette's have remodeled their kitchen. The Puma and the Melendez families have brightened things up by repainting their house. The Le Grange family has updated the exterior of their home with siding. Finally, the Bezner family has added a beautiful stone path and new landscaping. It never ceases to amaze me the pride we have and continue to demonstrate in our City! Great job everyone!

## COP TALK

By Captain Gary Stewart

Meadows Place Police Department is proud to introduce Officer Imelda Rodriguez as its newest member. Officer Rodriguez was hired in January after an extensive background investigation to fill a vacant slot within the department's patrol division. She is currently in phase two of the Meadows Place Police Department's comprehensive field training program. Officer Rodriguez recently graduated from University of Houston – Downtown with a degree in Criminal Justice. Interestingly, prior to becoming a Meadows Place Police

Officer, she was employed by UHD Police Department and spent the previous five years working in their patrol division.

Officer Rodriguez has lived in Houston all her life and is a huge Astros Baseball fan. In her off-duty time she enjoys spending time with her family and horseback riding. She is very excited about working at MPPD and looks forward to serving the citizens of Meadows Place.

**2009**

As the sun rose on Memorial Day, Flag Day, Independence Day, and Labor Day 2008, the streets of Meadows Place took on a bold new patriotic look. Over one hundred fifty residents are subscribers to Troop 1115's Flag Service. Some of our streets woke up to see that more than half of the homes presented a prominent Red, White and Blue, high quality flag, proudly flying from a tall straight flag pole which was securely and uniformly placed just off the curb in front of each subscriber's home.

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Troop 1115 and for expressing the patriotic spirit on the holidays when we honor America.

To those who have not yet subscribed, we extend this invitation and ask for your support. **(NOTE: Flags approved by the City of Meadows Place)**

Troop 1115 will proudly post an American Flag in front of your residence on each of the following national holidays: Memorial Day, Flag Day, Independence Day, and Labor Day. (On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day).

For subscribers, a flag holder (PVC pipe) will be placed underground in your front yard, approximately 18 inches back from the curb. On the morning of the four National holidays listed above, Troop 1115 will post an American Flag approximately three by five feet in size on a metal flagpole approximately 10 feet high. Troop 1115 will then return in the evening to retire the flag and flagpole and store it until the next holiday. **Note: The flags and flagpoles are the property of Troop 1115. You are purchasing a subscription service and NOT the flag or flagpole itself.**

If you have any questions, please call David Ball, Flag Fundraiser Chairman for BSA Troop 1115, at (281)983-0838 or (281)635-2607.
