

Message from the Chief

Auto Burglary is a “Crime of Opportunity.” Every 2 ½ minutes in Texas, another vehicle is broken into. Anything left inside may be of value to a thief contemplating burglarizing your vehicle.

Burglaries of Motor Vehicles (BMVs) are a continuing threat for us all. Thieves can easily enter a vehicle, often sight unseen. Increasingly, thieves are using personal and financial information stolen from vehicles to commit identity theft.

By following the preventive measures outlined in this brochure, you are taking steps to protect your automobile, your personal possessions and your identity.

Sincerely,

A handwritten signature in cursive script that reads "Gary Stewart".

Gary Stewart
Chief of Police

AUTO BURGLARIES ARE PREVENTABLE

Most thefts from motor vehicles are preventable. There are just a few things you need to do to prevent them. Once you realize the steps you need to take, we need to do them all the time:

PRACTICE T-L-C

Take Out Valuables

If you can leave your valuables at home, do so. Otherwise, when you get to your destination, take valuables with you. If you have to leave them in your vehicle . . . place them in your trunk *prior to reaching your destination.*

Lock Your Vehicle

Verify that your vehicle is securely locked before leaving the area. Keyless or remote locking systems can malfunction from a low battery, etc. leaving your vehicle unlocked. Make sure it's locked!

Close Windows and Sun/Moon Roof

Windows and sun/moon roof (if equipped) allows a thief a quick & quiet way to enter your vehicle. Even a crack in the window makes the thief's job so much easier. Verify that your vehicle's windows are rolled up and the sun/moon roof is closed before leaving the vehicle.

Burglary of Motor Vehicle PREVENTION TIPS

- ⇒ Always lock your vehicle.
- ⇒ Remove any items of value or with identifying information.
- ⇒ If you must leave belongings inside the vehicle, make sure they are hidden from sight (the trunk is the best place).
- ⇒ Park your vehicle inside your garage (even during the day) and close the garage door.
- ⇒ Never leave vehicle or house keys inside your vehicle.
- ⇒ Have a reputable dealer install a vehicle alarm.
- ⇒ If you see someone in your neighborhood who doesn't belong there, report it to the police.
- ⇒ If you see someone who appears nervous, is pulling door handles, looking in windows, or bumping into vehicles (checking for alarms), notify the police.
- ⇒ If you see a vehicle slowly riding through (or circling) the neighborhood or a parking lot, report it to police.
- ⇒ As always with suspicious persons and vehicles, try to get the most detailed description, location, and license plate information.
