

# *Christmas Tree Recycling*

## Meadows Place Residents ONLY

- Live Christmas Trees must be cleared of all decorations, nails or other material which may have been used for stands
- December 26, 2016 through January 8th, 2017
- Leave trees at the power easement on Monticeto between Amblewood and Meadow Trail in front of the Meadows Place Waste Water Treatment Plant in the fenced area.
- The Public Works Department will be chipping trees and using the mulch.
