CONTRACTOR PHONE: _____

CONTACT PERSON: _____ PHONE: _____

LOCATION OF WORK: _____

START DATE: _____ ESTIMATED END DATE: _____

DESCRIPTION OF WORK: _____

1. Authorization to perform routine and emergency maintenance or repairs adjacent to or under City facilities and structures.
2. Approval of plans to install, modify, or extend facilities that are on City easements and that will affect City facilities and structures.
3. The contractor is responsible for damage to private property and has the responsibility for landscaping, irrigation systems or any other physical property that is disturbed or damaged by the contractor. It is the contractor's responsibility to take photographs of the work area especially in the residential section of the City.

City of Meadows Place **requires** contractor to report to city staff **any** line breaks on easement or right-of-way to the following person as well as the utilities owner immediately! (Water, sewer, gas, cable, phone, fiber optic, crude oi). It is very important that Meadows Place is informed immediately to allow our emergency management time to respond to an emergency rupture or line break.

Call utility affected immediately then call Danny Segundo at 281-642-7700 or City Hall 281-983-2950

I have read and agree to comply with all requirements and regulations set forth within the City of Meadows Place Easement and Right-Of-Way use ordinance,
