PLACE

JANUARY 2015

COMMENTS FROM THE MAYOR

By Charles Jessup

Happy New Year

Please allow me to say how pleased I am that 2014 was such a good year for The City of Meadows Place. First I need to thank the dedicated employees that work so hard to make our little Apple Pie community the wonderful city it is. I would also like to thank the members of City Council and all the residents who volunteer for city Boards

and Commissions. These folks are an important part of city government and are vital in making sure Meadows Place is .. Your Place for Life.

In no particular order, I would like to share some of the accomplishments of 2014 then mention a few things for 2015:

ISO 1 Fire Rating

The Class 1 rating is a noteworthy accomplishment as we are one of less than 90 cities in the whole country to achieve this rating. Our little city doing big things.

West Airport Project

Finally- the construction began. This project is big for our city as it is part of a Fort Bend Mobility Bond project. Additionally, the city was able to secure some federal funding which saved us hundreds of thousands of dollars. Should be done in April 2015.

Meadows Place chosen for survey

University of Houston Rn to BSN program chose Meadows Place to conduct a major "windshield survey". It was very interesting and gave us some great insight into our city. The best part – they loved our city!

Meadows Place Bond Rating Raised - Again

After review of our financial position, Moody's upgraded our rating to A1. A1!! Let's thank the leaders on the Council, our Department Heads and great financial management by our staff. This is something to be proud of, as is the increased value of our city.

Did You Know?...

Did You Know... I had a resident stop by City Hall to visit with me last month? Residents stop by to visit with me all the time, but this one was a bit special. She wanted to tell me about two of our neighbors who went way beyond just being neighborly to look after a house and yard when the owner was no longer able to. It "didn't look like Meadows Place" she said, but now it does again. She did not want names mentioned, but they are certainly folks that help make Meadows Place, *Your Place for Life*.

Speaking of good neighbors... **Did You Know**, there is an 84 year old who walks down to the corner to sweep up all the leaves that gather at the drain? They do it so that the homeowner doesn't have to do it all the time. That is also a pretty nice, and special neighbor.

Did You Know... that City Secretary Jan Moore has received her City Clerk certifications? These are not just handed out to everyone who applies-they are earned. The certification program is difficult and part of professional career development by the Texas Municipal Clerks Association. The program provides insight into public relations, communications, as well as increasing knowledge in the areas of State Laws and City Codes. Congratulations Jan!

Did You Know... Meadows Place has an official No Smoking policy for all of our city owned buildings and within 50 ft of outside entrances and windows? We haven't needed one in the past, but now with the liquid nicotine and e-cigarettes, we had to pass an ordinance because e-smokers were "smoking" in our lobby and community center.

Did You Know... The Meadows Home and Garden Club has expanded its Yard of the Month awards to run from April through November? It will continue to award patriotic displays for the Fourth of July and Christmas holiday displays in December. Thanks to everyone who works so hard to make these awards possible and to the homeowners who

work so hard to make our city look so beautiful.

Did You Know... John Rowell, who grew up in Meadows Place, was put on the Freshman USA Division II College Football All-American Team? This is quite a feat. I know Mom and Dad (James and Mary) are very proud. So are we. Congratulations John!

Did You Know... one way you can help keep our city the best it can be, is to help our code enforcement officer spot code violations? Jerry Parker, our code enforcement official, is very good at what he does and is more interested in code compliance than he is in issuing a citation. That is great, and the way it should be, but even Jerry will tell you, every once in a while he misses one. That is where you come in. There is a spot on the website for you to point out possible code violations to him. Just fill out the Code Violation form on the website – one possible violation per submission please – and that is all there is to it. You will need the address of course, and will have to leave your contact information, but rest assured, we take steps to maintain anonymity.

Did You Know... Meadows Place has updated our food safety and food control regulations? Last month we had a meeting at City Hall with the food preparers in the city. Great meeting. They had a chance to review all at once and ask questions of our food service inspector, Sandra Serra, with Food Safety International.(FSI), one of the premier health inspection companies around. She is so good she teaches health inspection classes! She's very fair – but very tough and very diligent. We want to make sure Meadows Place restaurants are not only delicious places to eat, but safe. Fortunately, we have wonderful restaurants and food providers.

Do YOU have something for **Did You Know?** Drop a note at City Hall for or email: mayor@cityofmeadowsplace.org. Thank You. Meadows Place...*Your Place for Life!*

Did You Know... This year, on April 25th, Meadows Home and Garden Club will sponsor their third annual Spring Home and Garden Tour? The things that people have done are remarkable. If you have done some remodeling of your home or garden, please consider having your home and/or garden as part of the Spring Tour to demonstrate the ongoing theme: "**Don't Move-Improve.**" Call Club president, Bob Dybala (713-213-6166) for more information. The improvements in these homes are amazing and is something everyone should go see.

(Comments From The Mayor continued from page 1)

A few other great things...

We became the first city in the region to transition to full radio read water meters. Our Council worked with our Planning & Zoning and recently passed an ordinance requiring cross (traffic) access in future developments. We had over \$1,000,000 in commercial improvements this year and, we got two free hummers. Our Economic Development Corporation (EDC) met with Council and has hired a marketing firm to help promote Meadows Place.

Congressman Pete Olson made an official announcement from Meadows Place and we saw the creation of a Community Garden Association. There was a major upgrade in our Waste Water Treatment Plant and City Hall got a facelift (thanks to EDC). Our 25th annual Christmas Memories was the best ever! The city had an election and has regained its status as a community that votes. We are a city that gets big things done and stays within its budget! This list could go on but let me just say Thank You to our Council, our PD, the Parks and Public Works staff, and everyone in our Utilities, Courts and Finance departments for making this such a great year, but most of all, let me Thank You, for letting me be Mayor in 2014.

Looking toward 2015

Congressman Olson to hold "Mobile Office"

Drop by City Hall between 1 and 3 pm on January 27th to visit with our Congressman, Pete Olson, here in Meadows Place!

Online Billing

You asked for it. We are bringing it to you. We may be able to pay our utility bills online by the end of the first quarter. We already have most elements in place and just need to get them to work together - and we will.

Time marches on and so does Meadows Place. There will be more upgrades at city facilities, West Airport will be finished and you will see a call for Public Meetings on the Kirkwood project. Construction to revitalize our freeway frontage will be completed in 2015. The Community Garden will sprout, Parks will add new things, flowers will bloom and Meadows Place will see more home remodeling, including adding a second story. EDC will continue to push for commercial development and Meadows Place will continue to be...***Your Place for Life.***

Happy New Year!

COP TALK

By Chief Gary Stewart

Be Aware and Be Safe

Now more than ever is the time to be conscious of your surroundings and protective of your wares. Whether you are traveling out of town, just out for the evening, or shopping by yourself or with children, below are a few precautions to help make your outings safer.

If you are traveling:

- Put an automatic timer on your lights
- Ask a neighbor to check up on your home
- Don't forget to have your mail and newspaper delivery stopped
- Contact Meadows Place Police Department and request a House Watch

If you are out of the house:

- Turn on lights and music or the TV so it looks as if someone is home
- Be sure that your doors and windows are locked
- If you plan to have packages delivered to your home, make sure you are home to accept them. If not, ask a neighbor or have the package be sent to the nearest post office.

If you are shopping:

- Stay alert and be aware of what's going on around you
- Park in a well-lit space
- Be sure to lock your car, close windows, and hide shopping bags in the trunk
- Avoid carrying large amounts of cash; pay with a check or credit card whenever possible
- Don't overburden yourself with packages
- Deter pickpockets and purse-snatchers. Carry a purse close to your body in the front. If you are carrying a wallet, place it in an inside coat or front pants pocket
- If shopping with kids, have a plan in case you get separated. For the older children, have a central meeting spot designated. For the younger children teach them to go to a store clerk or security guard if you get separated. Be sure they know your name (not just mommy and daddy), cell phone number, and their address. Go over the dangers of strangers with them so they know who not to talk to or follow
- Check receipts to see whether your full credit card number appears. If a receipt has your full number on it, take a pen and thoroughly scratch it out
- Double check that you have your credit cards and check book after you pay for your items

By following these tips, you can reduce your stress and be safe at the same time and make it a safe one.

The Meadows Place Police Department wishes you a Safe and Happy New Year.

By Jerry Parker

Happy New Year!

Thank You for a wonderful 2014, and I look forward to making great strides for our City in 2015. Please remember that there are some easy things that we can do to help keep our City as attractive as ever:

1. Remember to keep our lawns and trees cut and trimmed.
2. Keep our trash cans and recycle bins stored out of view from the street.
3. Put our trash out only on trash days. (This includes lawn clippings.)
4. Boats, Trailers, RV's and Campers cannot be parked in the street or Driveways. (If you are preparing for vacation, weekend fishing trip, or holiday, etc. and need to prep your vehicle, please call me so we can make arrangements for legal parking.)

So again, Happy New Year and Thanks to all that are helping me keep OUR little City a Beautiful place to live!

PREVENTIVE MAINTENANCE TIP - FYI:

Have the duct work checked in your homes attic space for air leaks. If your home is 25-30 years old the typical "flex duct" originally installed by builders can deteriorate & literally "fall apart" due to constant heat & humidity of attic conditions in our area. This can hit you hard in the "pocketbook" (i.e. very comfortable attic space!!). Not to mention your system has to work harder to comfortably heat & cool your home. Having your duct work checked can be easily scheduled during your annual fall furnace inspection. Call Now before you make the switch to heat.

City of Meadows Place Parks and Recreation

CHRISTMAS MEMORIES 2014

For 25 consecutive years the Meadows Place Parks & Recreation Department has provided the citizens many "Christmas Memories"! On Friday, December 12th McGrath Park became a winter wonderland as the 25th Annual Meadows Place Christmas Memories took place to a record crowd!

The highlight of the evening is always the arrival of Santa, and as a special 25th Anniversary present, Texas Direct Auto sponsored the Ice Carving Show by DLG Ice Factory featuring Reverend Butter! The show was quite exciting and a really "cool" to watch! Rev. Butter carved a frozen ice throne in front of the lake which was available for pictures once the show was over. This year, Santa & Mz. Claus were escorted in by Mayor Jessup on a seasonally decorated Sport Utility Gator! Once he arrived, the children were treated to visits with Santa and plenty of festive spirits as he handed the good boys and girls a stuffed Christmas puppy!

Returning this year, The Emotions entertained everyone with a variety of live music, and the Meadows Elementary Choir, under the direction of Terri Court, performing traditional Christmas carols; lots of folks were dancing and singing along! Thanks go to Swatson, the Sugar Land Skeeters Mascot, for visiting with all the Skeeters fans during his first Christmas Memories. Additional activities included hayrides, the petting zoo, snow hills for sledding, inflatable Fire Truck slide and the Wrecking Ball activity and the fire pit area!

The Parks & Recreation Department would like to thank our supporters, HDR for sponsoring the snow hills, Texas Direct Auto for sponsoring the Ice Carving Show and Brookside Equipment Sales for the use of the trailers, ATV's and tractor they supplied in order to put on this event. And thanks to all the community groups, Girl Scout Troop 19073, Cub Scout Pack 301, Meadows Marlins Swim Team and Meadows Place P.O.N.Y. Baseball for offering up some most delicious treats during the evening!

The Toys for Tots toy drive brought in over 120 toys and the Sugar Grove Hands of Christ Food Pantry food drive brought in over 75 pounds of food. Both charities send their thanks for the contributions and a successful drive!

Back by popular demand, Christmas Memories T-Shirts were sold for only \$10. Thanks to Kathy Macri for the suggestion; she said she missed getting her holiday shirts from Christmas Memories and thought the 25th Anniversary was a good year to bring them back!

Thanks to the Parks & Recreation Department Director Monya Keenen and her staff, the Public Works' Joseph French, City Staff Judge Beverly McMinn & Patty Spade, Code Enforcement officer Jerry Parker and the Meadows Place Police Department for their work in putting this great City event together. And thanks to the Lifeguards who came out of seasonal retirement to help keep the fun safe! If you have any suggestions on how to make next year's celebration even better, please call Parks & Recreation at 281.983.2935 or e-mail Monya@cityofmeadowsplace.org or parks3@cityofmeadowsplace.org (like Kathy did!).
