

**COMMENTS FROM THE MAYOR**  
By Charles Jessup

**West Airport Blvd. Reconstruction Project**

As we went to press, the reconstruction of West Airport was set to begin. The signs are up, the contractor and TxDot have set up their construction trailers on-site, and all the utilities have been marked. Provisions have been made for our businesses and Public

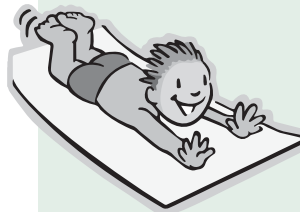

Works Director, Dan McGraw, has already begun looking after the best interests of Meadows Place during the construction. For construction updates and road closures, monitor updates on the website – or call City Hall. We will do our best to keep you informed on what to expect as construction progresses.

**Moody's Upgrades Meadows Place**

NEW YORK, May 09, 2014 -- Moody's Upgrades Meadows Place., This was the headline on a recent report from Moody's Investors Service. I am proud to report that Moody's Investors Service has upgraded the City of Meadows Place to Aa3 from A1. This is a jump into a higher category and is not common for such a small city that is mostly residential. It was a proud moment for me and I would like to share it with you. The report said the rating reflects the city's above average socioeconomic profile, our small, relatively stable tax base in the Houston area, stable financial operations with healthy reserve levels which are "A Result of Conservative Budgeting". They also pointed out Meadows Place has a manageable debt burden. They also commented the strengths of our city include a very strong financial position based on conservative fiscal operations, expected growth within the city and concluded by saying "The city's solid financial performance and reserves were key rating factor in the upgrade". I would like to thank both City Council and Staff for working so hard to keep Meadows Place financially viable and secure so will continue to be, *Your Place for Life*.

# Did You Know?...

**Did You Know...** Parks & Recreation Director Monya Keenen is proud to announce that Dr. Charles DuPre, Fort Bend ISD Superintendent of Schools is going to be our 2014 4th of July Parade Marshal? Monya is very appreciative of Dr. DuPre joining in on the best 4th of July Parade in the all of Ft. Bend County! Thank You Monya and Thank You Dr. Dupre!!!

**Did You Know...** Meadows Place resident Samantha Ferriera is now working as an intern as a Special Events Assistant for the Sugar Land Skeeters Baseball organization? Speaking of the Skeeters, everyone who came out to Meadows Place Night got to see the professional debut of Tracey McGrady. I'm still not sure how Monya and Monica pulled that one off but it was a fun night.

In more local baseball news, **Did You Know...** Jake Holland was selected as a 23-5A 2014 All District 1st Team pitcher? Jake grew up playing baseball in Meadows Place. Very impressive. Another Meadows Place ballplayer who has been recognized is Tristan Spiller, who was awarded the Dulles Baseball Team Viking Award. This of course made parents Tony & Tracey Spiller very proud. Aunt and Uncle David & Cindy Littlejohn-Alpha were beaming as well. Congratulations guys!

**Did You Know...** we have made changes to the City of Meadows Place website? If you haven't already checked it out, please take a look. In addition to the new Current City News and Community Events, there are some handy links to all the businesses in the city, county offices, elected officials and community entities you might want to contact. There are also neat things like the rain report which is updated every Friday. This page is for you so let us know if there is anything we can do to make it better for you. Thank You.

**Did You Know...** Meadows Elementary Teacher of the Year is Kindergarten Teacher, Elaine Ward? Ms. Ward has taught at Meadows Elementary for six years and says she "can't imagine being anywhere else". Congratulations Ms. Ward – and Thank You!

**Did You Know...** that at the last Neighborhood Watch, attending residents were treated to a fun, interesting and informative evening? They were shown all forms of investigatory procedures and even got to try their hand at documenting crime scene evidence from a mock crime scene which had been laid out at the Tactical Training Center. This exercise helped everyone get a better understanding of how to help the police help us. And, it was fun!

**Did You Know...** that Heidi Case had a speaker from Southside Place come speak to the Community Garden Committee about the pleasures and pitfalls of starting up a community garden? After the meeting, members were very much in favor of moving forward with this project. This will be an independent venture with Mr. Bob Dybala and Ms. Shelley Brough stepping up to get the group going. If you are interested please feel free to contact any one of them and keep an eye out for meeting times. If you have any questions, please feel to e-mail me as well. Thanks, Heidi, Bob and Shelly for looking into this for our city.

**Did You Know...** Meadows Place is continuing to upgrade our technology? Our Courts Department now has the ability to receive online payments. This is a big step for us but it is just the next step in our plan to move into the 21st century technologically while still being fiscally responsible.

**Did You Know...** is just for YOU - and counts on you for input? Please let us know what is going on and drop a note at City Hall for or email: [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org). Thank You!

**Did You Know...** Meadows Place Mayor Charles Jessup was awarded a fantastic art piece created by Robin Switzer's art students at Meadows Elementary for helping out at Old Town Meadows? It is currently on display at City Hall and you are all invited to come see it. Thanks to Brigid, Abbey, Nicole, Jasmine, Alissa, Kristin, Jacob, Apollo, Mariella, Beau, Karen and Morgan. Thank you all. You help make Meadows Place, *Your Place for Life*.

(Comments From The Mayor continued from page 1)

### Commercial Development

Meadows Place Economic Development Corporation has (MPEDC) has been working very hard to stimulate commercial development in the remaining portions of our city. There have been several meetings with business owners, discussions with commercial brokers, EDC meetings and new marketing materials created. Plans for additional efforts are in the works with our EDC leading the way. Though results are not official and no contracts have yet been signed, I am very confident we will be seeing additional commercial activity in the city soon. Your Mayor, Council and EDC are working hard to maximize the remaining commercial opportunities in Meadows Place. If you know of a business that may want to expand or relocate, you can contact the Mayor's office or go to our website and contact the EDC via e-mail. In the meantime, let us thank the EDC members for their hard work on our behalf.

### Taking Care of Business

**Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.**

It will be more important than ever to support our Business Neighbors during the West Airport reconstruction. All of our businesses along Airport will be impacted and will certainly appreciate our support.

### Shop Meadows Place *whenever possible.*

Meadows Place has some really great businesses and restaurants. Be sure to use them. They need, and deserve, our support.

By Chief Gary Stewart

## Meadows Place Police Department Welcomes Chaplain Wayne Collins to the Force

Police Chaplain is a volunteer position within the Police Department. Once properly trained, chaplains provide assistance to members of the Police Department in a variety of ways. Chaplains will routinely respond with officers when making death notifications, providing grief counseling and assisting the Police Department with developing and maintaining connections within the community.

This is Meadows Place Police Department's very first Chaplain position, and MPPD is proud to welcome Reverend Wayne Collins to the Department family. Chaplain Collins has been an Ordained Minister for 24 years and has served as a Chaplain for the Fort Bend County Sheriff's Office and the Jacinto City Police Department. Chaplain Collins began his tour of duty with MPPD on April 8th, 2014.

**Monthly Stats**

Summer is almost upon us! Welcome back to the high heat and humidity! Yee Yee! But we won't be so happy to see the high energy bills come rolling in though.

One of the things that you can do to help offset these high energy costs is to have our homes properly sealed and insulated. This starts on the outside. Look at your siding and fascia. Is it rotten? Are there holes for hot air and critters to get in? Or does it just need a coat of paint?

One of two (2) major projects that I am tackling is that I am going from house to house, street by street, and giving notice to the homes that have siding/fascia issues. I know that these can be expensive issues to repair, so if you happen to get a Warning Notice about your home or your trees, contact my office, so that we may make arraignments for an acceptable time frame to get things taken care of.

Please remember, I cannot see everything. If you do not let me know what is happening and what is important to you, I cannot make it a priority.

## Message from the Aquatics Director

By Tracey Spiller

Well, summer is here, and the pool is open! I want to take this opportunity to welcome everyone back for another great season. See a detailed list of pool operating days and hours in the left column or the marquee inside the pool. Please be sure to read the back of your pool registration card for an updated list of the pool rules. The rules are also posted on the marquee inside the pool area.

Wrist Bands will need to be purchased again this year for pool access. Wrist bands will only be available for purchase during normal operating hours **at the Pool**. Wrist bands are available to residents of the City of Meadows Place for the 2014 summer season. More information about wrist bands can be found in the Pool Access box to the left

**Lifeguards are not Babysitters.** The Meadows Place Lifeguards are the best. They train before the summer and throughout the season, and they take their job very seriously. The lifeguards are attentive and work on a rotation so that they will always be alert. But do not depend on them to babysit your kids. The lifeguards are there to make sure swimmers follow the safety rules and to help if anyone is in danger, but in a crowded pool even the best lifeguards can miss things.

When it comes to very young kids, children must not be left unattended at the pool even in the presence of lifeguards. Everyone needs some time to relax, but not while your children play unattended in the pool. If you have young kids, especially little ones who cannot yet swim, you should be in the pool with them, close enough to help if they get into trouble. Parenting is your job, and drowning can happen in seconds.

Drowning remains the leading cause of accidental death for kids ages 1-5. The World's Largest Swimming Lesson is taking place at the Pool on June 20th to help us send the vital message that Swimming Lessons Save Lives™ to millions of kids and adults around the globe! It's a great way to assess how well your children can swim and get them a free lesson. And if they need to improve their skills, Swimming Lessons are available through the Parks & Recreation Department. The information for both of these activities is in this Newsletter and listed on the marquee inside the pool; or just ask me or a Lifeguard.

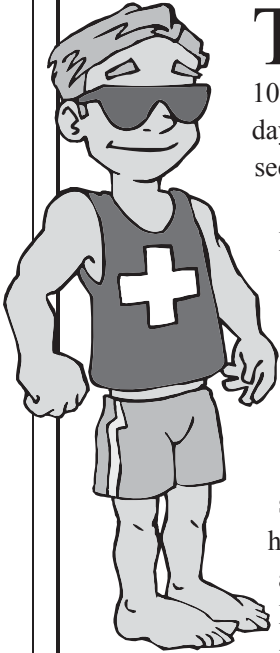

***Look forward to seeing you poolside!***

## Message from the Pool Manager

By Cody Kitchen

The pool is open!! Normal weekday operating hours begin Tuesday, June 10th. See a detailed list of pool operating days and hours in the Parks & Recreation section of this newsletter.

I wanted to let everyone know of our policy when it comes to inclement weather. If a lifeguard hears thunder or sees lightning, the pool must be immediately evacuated and will remain closed for 30 minutes after every heard thunder or seen lightning. All guests should stay under the covered patio or head home. If the pool has been closed for an hour, all guests will be asked to leave. If you are questioning whether the pool is open or not, feel free to call the Pool Telephone at 281.498.9047.

Pool activities for this summer include World's Largest Swimming Lesson for a Guinness World Record™, Adult Lap Swim, Swim Lessons, Water Aerobics, Bare Foot N' Friday and Splash Night!

This summer, Tattoo Tuesdays & Freezy Pop Fridays are back. The Lifeguards will let you pick out a favorite tattoo on Tuesdays and share their freezy pop stash on Fridays. We've added Play @ the Pool on Thursdays; bring your favorite board games and play @ the pool!

I look forward to seeing everyone at the pool and at Splash Night on June 6th!
