

COMMENTS FROM THE MAYOR
By Charles Jessup

Happy New Year...

I would like to personally wish everyone a Happy New Year.

I hope that you are all able to ring in the New Year happily and in good health. Reflecting on all the changes we have seen in Meadows Place in the last year or two and thinking about some of the changes to come definitely puts a smile on my face. I hope it does yours as well. First, I want to thank you for all the support you have shown me, staff and Council as we keep Meadows Place moving forward. You know the old saying, "If you are not moving forward, you are falling behind". Well, thanks to a lot of hard work and a Can Do attitude, Meadows Place is NOT falling behind. In fact, we are proudly making moves that will allow Meadows Place to take advantage of regional growth and economic development and not be left behind.

We are part of the Fort Bend Subregional Planning Initiative which allows us to be treated as an equal stakeholder in the future of Ft. Bend, and we have become known as a leader in reclaimed water issues. This is why Public Works Director, Dan McGraw, has taken people from as far away as Kansas and Australia on tours of our water reclamation center.

2012 saw Meadows Place win not one, not two, but three awards! We were named as a "Legend City" by the Houston Area Realtors (HAR), no small feat, especially for a small city. Meadows Place won an award from the folks at Keep Texas Beautiful for our contribution toward environmental improvements and, in December, Texas Parks and Recreational Society (TRAPS) announced Meadows Place was selected the winner for Innovations in Parks and Facility Development for Region 4!! Parks Director Monya Keenen will be in Texas City on Feb. 7th to receive the award.

Another big item for 2012 was the opening of the Meadows Place Tactical Training Center on Kirkwood. This state of the art training center has already paid off for the city.

Did You Know?...

Did You Know... Meadows Place is going to have a Concert in the Park? Monya (Parks Director) and Monica (Parks and Rec Asst.) have been working hard to develop a concert program and part of that plan involves having one. An 11 piece band called R&D does a wide variety of music and has asked Monya to come up with a "Request" format. The concert is scheduled for Friday evening, April 11th. Keep your eyes out for more info on this neat new event.

Did You Know... 2012 was one of the warmest on record? Yes, it beat out the warmest - from the '60's - and overall was even warmer than last year. Coupled with what turned out to be a very dry year as well, the weather played a role in making it tough on our roads and sidewalks and water lines.

I just wanted you to know that Dan McGraw, our Public Works Director, has put together a city-wide map of street issues and is putting together a plan to evaluate, rate and prioritize them.

Hopefully we will get back to our normal rainfall totals to take the pressure off. Keep your fingers crossed, or maybe even do a rain dance or two.

Did You Know... I got more kudos about this year's Christmas Memories than I have ever received before? I keep thinking it's perfect but Monya and crew keep coming up with great things to do and better ways to do them. Meadows swim team, baseball and Garden Club all played a big role as well. Thanks to all the volunteers, all the life-guards who gave up time to work as well as the PD who were continuously touring the grounds and visiting with us. I would also like to thank Council members Terry Henley & wife Janie, Dave Wilkens & Trish and John and Shirley Isbell for coming out to visit. Everyone loved the S'mores, the snow hills, the games, the food and of course Santa & Mrs. Claus.

Another great evening helping make Meadows Place... **Your Place for Life**. Thanks everyone!

Did You Know... Lou Ann Kelley and the rest of the Garden Club members are all excited about the Home and Garden Club Home Tour this spring? From what I hear, we are going to be amazed. There are a limited number of tours being given and they sold a bunch of tickets at Christmas Memories so don't put it off. I can't wait - and hope to see you "touring" .

Did You Know... the Destination Imagination (D.I.) group is at Meadows Elementary held a very special event of their own? D.I. offers students a choice of 5 different challenges to solve over a 4 month period of time. The group from Meadows Place, the "Wit-Crackers", chose to address hunger in Fort Bend County by holding a food gathering "carnival" with proceeds going to East Ft. Bend Human Needs Ministry. To see more on this terrific event, check out the pics on page 5.

Did You Know... Patricia Pless sent me a note that told of a neighborly act that saved her a lot of trouble and anxiety? She told me that Marie Sanchez spotted her purse in the middle of Brighton Ln, picked it up, found her license, looked up her number let her know she had found the purse. One of the great things about being Mayor of Meadows Place is that I get to hear things like this all the time. Thank You Ms. Pless for taking the time to share this wonderful story, and Thanks to Marie Sanchez for being such a good neighbor.

Happy New Year - may 2013 be the best year yet!

Did You Know... Is just for YOU - and counts on you for input? Please let us know what is going on and Drop a note at City Hall for or email: mayor@cityofmeadowsplace.org. Thank You!

Did You Know... that Meadows Place has won yet another award! Well, we have. The Texas Recreational and Parks Society (TRAPS) notified Parks Director Monya Keenen, that the city was the recipient of the Innovations in Parks and Facility Development Award for Region 4. TRAPS Region 4 covers 21 southeast Texas counties from Victoria to Beaumont and from The Woodlands to Galveston. That means we went head to head with Katy, First Colony, Conroe, The Woodlands and lots of others - and WE WON!!! What started out as just a project to meet the requests for a water feature in our park has been recognized not only by our residents, but by realtors, visitors and now, statewide parks and recreational organizations. Congratulations, and Thanks, to everyone who worked so hard to make this happen. Check the website to see the PowerPoint we put together as part of the submission.

(Comments From The Mayor continued from page 1)

I can only imagine how we will benefit in the future - and remember - almost all the work was done by our Public Works staff saving the city tens of thousands of dollars and converting a deteriorating liability into a place where our PD is proud to train.

In addition to the items listed above, Meadows Place managed to fix a lot of streets, sidewalks and water lines. We upgraded the technology in our Permits Department, did studies on "smart" water meters, brought our Police Department up to full strength and got a new City Secretary and Police Chief, all while coming in under budget. I mention this because we, on behalf of each and every Meadows Place resident, recognize that this city functions on *your* tax dollars.

Our work is done for 2012, but we have great things planned for 2013. Things that will make Meadows Place an attractive place for young professionals to come to and raise children. A city where the family and community are important. A city that knows it can count on a quick response from its police and fire departments and a city that listens to its citizens. A city that cares.

Thank you for your time. I hope you will continue to read your newsletter and check it and our website for updates as we move through 2013. Meadows Place was at an important crossroads in the life of a city a few years back but is now most certainly on the path to continued success. Today, even through tough times, we maintain a Can Do attitude with residents, staff and city leaders all determined to make sure Meadows Place is and will always be... **Your Place For Life.** Happy New Year!

Taking Care of Business

Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.

One of Meadows Place fine dining establishments is having a facelift.

Tradição

Pronounced Tra - dee - son is changing the colors of the restaurant to more match that of the traditional colors from Brazil. Now it looks almost as good as the food is.

For such a small city Meadows Place has some really great dining. Be sure to patronize all our Meadows Place businesses.

Thank You

Our businesses need, and deserve, our support

COP TALK

By Chief
Gary Stewart

The City of Meadows Place is a Great Place for Walkers and Joggers

The Meadows Place Police Department offers the following suggestions:

1. **Use the sidewalk** (when possible). If the street isn't designed for pedestrians, don't walk on it. Never walk on highways or in restricted zones.
2. **You know those "walk" and "do not walk" signs? Listen to them.** Don't jaywalk.
3. **Don't make assumptions.** Don't assume that a vehicle will stop for you just because you are waiting to cross. Try to make eye contact with the driver before initiating crossing. If you're in a busy city, don't cross without looking both ways - even when you have the pedestrian "walk" symbol - as drivers do occasionally run red lights.
4. **Do not walk long distances under the influence of alcohol or drugs.** Just as you should never drive under the influence, do not walk long distances or in traffic-heavy areas when you are under the influence. Call a taxi or use public transportation.
5. **Be courteous.** When a driver stops to allow you to cross, give him or her a quick wave to demonstrate your appreciation.
6. **You wouldn't drive distracted, so don't walk distracted.** Stay aware of your surroundings by not texting, using headphones, or talking on your cell phone.

When you're in the driver's seat, avoid an accident by abiding by these five tips:

1. **Always be on the lookout.** Pedestrians can - and will - be found anywhere, even places where you are not expecting it (like highways or busy, multiple-lane intersections). Therefore it's crucial that you frequently scan the road ahead of you, including shoulders and sidewalks, so that you spot pedestrians before you approach them.
2. **Stay alert and avoid distracted driving.** Assuming that they have the right-of-way, many pedestrians walk into the street without confirming that oncoming traffic is aware of their presence. Furthermore, pedestrians - especially children - are often hidden in between parked cars or behind other objects. To avoid an accident, stay alert by avoiding distractions. Do not eat or drink, fiddle with the radio or navigation units, or use a cell phone while driving.
3. **Show caution.** There are likely areas in your community where you can anticipate pedestrians. In crosswalks and intersections, drive slowly and stop for pedestrians looking to cross - even if they are not at a marked crosswalk. When stopping at an unmarked point, stop far enough in advance so that the drivers behind you can also prepare to stop. Furthermore, when approaching a red light, be sure to stop far enough behind the line for pedestrians to cross safely.
4. **Be respectful.** Don't show hostility or aggression to drivers who are yielding to pedestrians. Never honk or get frustrated when the driver in front of you has stopped, and don't attempt to pass the stopped vehicle in front of you.
5. **Watch for children.** Because of their small size, children can be difficult to spot. Drive slowly and be on the lookout in school zones and residential neighborhoods.

Resignation Letter

Dear Mr. Joe Edwards,

It is with a certain degree of sadness that I accept your resignation as Meadows Place Building Official with the effective date of December 31, 2012.

I understand it, but it is most certainly the passing of an era. Almost from the birth of this city, you have served us in an effective manner. Your experience and expertise helped this city develop and grow, setting a standard far above most other small towns, especially towns in their infancy. Joe, on behalf of the City of Meadows Place, I thank you.

You were with us when we were in the mall and helped us build our own City Hall. You have seen us grow up and made sure we conducted ourselves professionally with an eye on safety. You - and your wonderful wife - have served every Mayor Meadows Place has ever had. You have met with, worked with, helped and guided all the various boards and have held the hand of our permit personnel whenever they needed it.

Joe, you leave us knowing you have made a difference. Not many people can say they have had an impact on a community the way you and Dana have. The results of your efforts can be found in homes and businesses throughout our city and stand as a testimony to your hard work on our behalf. You have truly helped this city grow up and helped make sure Meadows Place can really be...Your Place for Life.

With Great Respect,
Charles D. "Charlie" Jessup, Mayor

Public Works & Utilities Update

By Dan McGraw

CenterPoint Energy has a new gas emergency phone number. Please call 1-800-752-8036 to report any gas emergency. To speed up the reporting process, be prepared to provide the following information. City name, callers name and contact information, address of the leak and actual location on the property (Ex - front easement or rear easement) and key map page (569A)

Wall of Heros

The Wall of Heroes is a special place set aside at Meadows Place City Hall and is designed to honor the brave men and women of Meadows Place who are serving in the Army, Air Force, Navy, Coast Guard, Marines or Reserves. Retired Veterans may also be honored on the Wall of Heroes.

To have a photo placed on our Wall of Heroes, the service person must be or have been a Meadows Place resident who has a relative currently living in Meadows Place.

It is the relative's responsibility to coordinate with the Parks & Recreation Department the purchase, placement and removal of the plaque for the Wall of Heroes. The plaque is the property of the relative who purchased it and may be removed at any time.

Please contact the Parks & Recreation Department below to be added to the Wall of Heroes. The service person's relative must purchase the Wall of Heroes plaque from *M & M Awards & More*. This is an 8"x10" oak veneer plaque with a 5"x7" plexi-glass photo cover and three lines of laser etched print which has the service person's name, branch of service and overseas area of deployment. A 5"x7" portrait photo is required, preferably in uniform and must be supplied to *M & M Awards & More* to be attached to the plaque. The cost of the plaque is approximately \$35.00 plus tax.

Thank you for participating in the Meadows Place Wall of Heroes program.

City of Meadows Place Parks and Recreation

CHRISTMAS MEMORIES IN THE PARK

On Friday, December 7th McGrath Park became of winter wonderland as the 23rd Annual Meadows Place Christmas Memories got underway. This yearly event is a favorite tradition among residents and visitors!

The highlight of the evening is always the arrival of Santa. This year, Santa & Mrs. Claus surprised some of the Hay Riders by hitching a ride! The children on the Hay Ride had a private audience with Santa before he got to the park! They were escorted in by the Meadows Place Police Department. Once he arrived, the children were treated to visits with Santa and plenty of festive spirits as he handed the good boys and girls a Christmas bear!

The Emotions returned this year and entertained with a variety of live music, as well as the Meadows Elementary Choir performing traditional Christmas carols. Additional activities included hayrides, the petting zoo, snow hills for sliding, inflatable slide and the camp fire area! The snow hills for this year's event were created using the recreation hill next to the major's baseball field (Memories Snow Mountain for ages 5 & up) and one of the smaller hills on the lake side for Munchkin Snow Hill (ages 5 & under).

Even with the warmer weather didn't dampen spirits as Cub Scout Pack 301 sold out of s'more kits around the fire pits. Meadows Home and Garden Club was set up next to Santa's stage handing out treats supplied by Kelley's Country Cooking and sold tickets to their Home Tour scheduled for this spring to raise money for their yearly scholarship award. Residents enjoyed sitting on bales of hay listening to The Emotions perform and eating delicious food and drinks provided by Meadows Marlins Swim Team and Meadows Place Baseball. Parks & Recreation would like to thank Brookside Equipment for the use of their tractor, two trailers, and two gators.

The Toys for Tots toy drive and the Sugar Grove Hands of Christ Food Pantry food drive were a success and both charities send their thanks for the contributions.

Thank you so much to everyone who helped to make this a great 23rd Anniversary of Christmas Memories in the Park! If you have any suggestions on how to make next year's celebration even better, please call Parks & Recreation at 281.983.2935 or e-mail Monya@cityofmeadowsplace.org or parks3@cityofmeadowsplace.org.

FOUND AFTER CHRISTMAS MEMORIES:

A ring and a jacket were left behind at Christmas Memories. If you would like to claim lost articles, please contact Parks & Recreation at 281.983.2935 or parks3@cityofmeadowsplace.org.
