**Meadows** PLACE

JULY 2015

## 4th of July Parade

### COMMENTS FROM THE MAYOR By Charles Jessup

#### *Meadows Place has an Ambulance!!*

June 30th was a big day in Meadows Place. Fort Bend County Judge Bob Hebert, Health and Human Services Director, Dr. M. desVignes-Kendrick, and Craig Temple, Director of Fort Bend County Emergency Medical Service joined your Mayor and Council officially welcoming the

EMS medical response team to Meadows Place. This illustrates the amazing cooperation between agencies in Fort Bend County and signals more positive changes for Meadows Place. Thank you to all who worked so hard to make this happen.

#### *Fourth of July*

The wonderful Fourth of July Celebration Meadows Place enjoys keeps growing and growing--and it's all because of you! Your participation, whether riding in the parade or watching curbside as it passes by is what makes it so special. Everywhere I go, people talk about how much fun our parade is and how it reminds them of what a 4th of July parade should be. This year, in addition to the bands, bikes and floats, we were joined by US Congressman, Pete Olson and State Representatives Ron Reynolds and Rick Miller because they love our parade and know Meadows Place is... *Your Place for Life!*

#### *Meadows Place Groups Strengthen City*

Meadows Place is blessed to have a wide variety of community organizations that are not only fun, but add greatly to our city. These groups help knit the fabric of our community together and provide a great way to have a positive impact on Meadows Place. These unpaid volunteers are part of the glue that holds our community together and give us fun things to do. And they are beneficial.

*(Continued on page 3)*

The annual Meadows Place 4th of July Parade will be on Saturday, July 4th at 10 am. Make plans now to be a part of the best hometown parade around. The honorable Charles Jessup along with City Council members and their families will be a special part of the annual parade.

Trophies for the Best Youth, Best Spirit and Best Commercial entries will be awarded by the Parks & Recreation Department. Awards will be presented at the conclusion of the parade in McGrath Park.

Line-up for the parade at Sugar Grove Church of Christ's east parking lot, 11600 W. Airport, Meadows Place; enter from West Airport ONLY and check in with a parade official. Vehicles not participating in the parade may park in the west parking lot.

Judging of the non-motorized entries, according to age groups, will take place at 9:30 am SHARP! Non-motorized entries do not need to fill out an entry form. All you have to do is show up by 9 am for the judging!

The parade travels from City Hall down Dorrance to Mulholland, left on Mulholland and left on Brighton, concluding at McGrath Park.

# Did You Know?...

**Did You Know...** Meadows Place Alderman Rick Staigle and Public Works Director Danny Segundo have been meeting with TxDot and the West Airport contractor on a regular basis? Among other things, they were attempting to “help” them see the benefits of getting this job done sooner rather than later. After the June meeting, they were pleased to report the time frame has been reduced from October to the end of August, weather permitting of course. Anyway, thanks to Rick and Danny for looking after us.

**Did You Know...** Dulles High School won the 2015 6A Academic State Championship last month? Meadows Place congratulates Dulles High School on being named the 2015 6A Academic State Champions. This impressive win marks the third state title in four years for Dulles, and the eighth consecutive academic championship title for Fort Bend ISD. Dulles earned first place team honors in Science, Math, and Speech and Debate; and second place team honors in Number Sense.

“It was a great year for Dulles High School’s UIL Academics,” said Ronnie Edwards, principal at Dulles High School. “I am truly proud of these great students and coaches. I know how hard they worked.” If that wasn’t enough, Dulles is the magnet program for Engineering and Science and is the high school of record for Meadows Place. Go Vikes!

**Did You Know...** former Meadows Place resident Mark Jessup and his wife Rachel were watching street performers in Central Park when Visa came up and asked them to be in a commercial for a new app? Bingo, just like that, he and Rachel are on TV. Mark, who just graduated law school and is studying for the bar, has joined the US Navy JAG Corps and looks forward to serving his country. His Mom is real proud-Dad too!

**Did You Know...** when Houston’s Music Box Theatre was launching their cabaret

show “Saloon Songs” they needed “a fiddle for the band”, and that fiddle belongs to Meadows Place resident Alisa Pederson? A professional musician who spent years teaching others how to play, she was thrilled to be a part of this show where they extended her a great deal of freedom and said musically “they don’t fence you in”. I am always amazed at all the talent we have in our one square mile city. It is fabulous folks like Alisa that help make Meadows Place... *Your Place for Life!*

**Did You Know...** that Meadows Place City Hall is now equipped with a defibrillator? It is centrally located in the main lobby, so check it out next time you are there. I hope we never have to use it, but if there is ever a need, your staff has gone through training and is prepared. This is just one more thing the city is doing to protect and provide for our residents and visitors.

**Did You Know...** John Oldham, Elections Coordinator for Fort Bend County, asked Meadows Place to participate in an evaluation of voting processes and locations in Fort Bend County? Two things of note: Meadows Place will keep its polling place AND it looks like the county will go to Countywide Voting Centers which will allow a Fort Bend voter to vote anywhere in any election. Details and confirmation to follow after Commissioners Court meets next month.

**Did You Know...** Samantha Ferriera works for the Skeeters, John Rowell was named pre-season All-American, and Dakota Mills is pitching great this summer? More young leaders from Meadows Place. You have to love it!

If you have a fun event or someone did something special, drop us a note or email: [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org). Thank You! Meadows Place... *Your Place for Life!*

**Did You Know...** I received a very nice Thank You note - for our great First Responders and for our CodeRed phone messages. CodeRed is a high speed emergency and mass notification system we use for both emergency alerts and community contact. We try to be concise and to the point in the delivery of these messages which range from weather alerts, warnings about scam artists, election reminders and special notices.. If you are not signed up to receive these important notices, go to our website, click the Police tab under and look for the CodeRed button. It just takes a minute and could mean a lot in the future. You can even get the notifications on multiple lines. Sign up today!

*(Comments From The Mayor continued from page 1)*

For instance, the Meadows Place Home and Garden Club just handed out \$500 scholarships to Brittney Cech, Dante Macasaet and Makayla Mueller. This is an annual event and has been for years. Meadows Place Pony Baseball and the Meadows Marlins provide fun activities for our kids. Meadows Place Community Garden is “growing” by leaps and bounds. These are all membership-based organizations where members elect their leaders and operate on democratic principles that hold the elected officers accountable to the membership - and they work closely with city leaders.

These groups are great for Meadows Place but volunteering is a two-way street. It can benefit you and your family as much as the cause you choose to help. Plus, volunteering is one of the best ways to make new friends and strengthen existing relationships, especially if you are new to the city. Even if you have been here a while, volunteering strengthens your ties to the community, broadens your support network exposing you to people with common interests, neighborhood resources and lots of fun and fulfilling activities.

While it can be a challenge to coordinate everyone’s schedule, volunteering as a family has real benefits too. Our children watch everything we do and by giving back to the community you not only make difference but show them how to have a positive impact and enact change. Thank you to everyone who takes part in these life enhancing organizations which help ensure Meadows Place will always be... ***Your Place for Life!***

**Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.**

## What Is Your Address???

On Tuesday, JUNE 23rd, 2015, 80 final warnings were issued for not having address numbers visible on the front of your home. This means that 5% of our homes are not in compliance. Numbers can be placed on your home, painted on the curb, or on your mailbox. **Beginning Wednesday July 1st, 2015, citations will be issued for the homes that are not in compliance.**

This is required by the Code because it is a SAFETY ISSUE that needs to be taken seriously.

The IPMC (**International Property Maintenance Code**), is part of our Code of Ordinances that was adopted in 1984, and renewed by Council in 2014. This is what it says:

### [F] 304.3 Premises identification.

Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches (102 mm) in height with a minimum stroke width of 0.5 inch (12.7 mm).

Our City Ordinance further defines:

#### § 153.197 SIGNS; RESIDENTIAL.

The following regulations shall apply for signs located on property in residential use or institutional use:

(A) Signs indicating only the name and/or address of the occupant shall be permitted for each residential unit;

#### § 153.999 PENALTY.

(D) Any person who violates or causes, allows, or permits another to violated any provision of §§ 153.197 or 153.198

shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$2,000.

## National Public Works Week

The Southeast Branch of the Texas Chapter of the American Public Works Association held its annual golf tournament and BBQ cook-off the week of May 17th. The event provided an opportunity for the association to recognize the hard work and dedication of public service employees. It's a celebration of tens of thousands of men and women who provide and maintain the infrastructure and services collectively known as public works.

The year's event was held at Sugarland's Duhacsek Park, the facilities were great and the event was a huge success. Over 400 hundred Public Works employees representing 9 cities as well as event sponsors attended the event. The City of Meadows Place participated in the BBQ cook-off, the City was represented by public works employee Joseph French. We are proud to announce that Joseph received 2nd place for the submission of his great tasting ribs. What is more astonishing is that while many BBQ teams had 4 – 6 team members, Joseph was a team of one. So our hats off to Joseph! Congrats on a job well done!

Joseph French happily accepting 2nd Place Trophy!

# Splash Night 2015

A stylized illustration featuring a child in a swimsuit splashing in water on the left. To the right, the words 'Splash Night 2015' are written in a large, bubbly, outlined font. Above the word 'Night', there are several musical notes of varying sizes and directions, suggesting a festive atmosphere.

The beach balls hanging in the breeze around the pool was the first sign that something fun was about to happen. Splash Night, held on June 5th, marked the beginning of the summer season here in the City of Meadows Place. Splash Night was filled with fun, friends and relaxation. Each year, the city asks the citizens to bring canned goods for the Sugar Grove Church of Christ Hands of Christ Food Pantry and we delivered 8 bins filled with everything from canned beans to diapers!

Activities at Splash Night included the giant water slide, treasure hunts, Oreo stacking contest, rubber duck fun and always a crowd favorite, the Lifeguard Big Splash Contest. Mayor Charles Jessup and Council Members Terry Henley, John Isbell, Kelle Mills and Rick Staigle assisted with handing out prizes and judging all of the contests! DJ's Unlimited provided good music to add to the festivities!

Thanks to all who dedicated their time to making Splash Night a memorable and exciting event for our community, including volunteer Jarred Wittmann, who was out there for set-up all the way through to take-down. Thanks Jarred! Janie Henley, Patty Spade and Rhonda Hoffman also volunteered their evening to help! Thank you all. Thanks goes to the Parks & Recreation staff, Public Works staff, the Police Department and especially the Lifeguard staff for maintaining safety throughout the evening. Splash Night could not have been such a great success without all of these dedicated people.

**THE SUMMER HEAT CONTINUES, BUT IT'S COOL AT THE POOL!**

Drowning remains the leading cause of accidental death for kids ages 1-5. The World's Largest Swimming Lesson took place at the Pool on June 18th to help us send the vital message that Swimming Lessons Save Lives™ to millions of kids and adults around the globe! We had a great turn-out! Please continue to keep an eye on your little ones as they improve on their swimming skills; Even skilled swimmers can run into trouble and drowning can happen in seconds.

Swim Lessons are still available through the Parks & Recreation Department. Information is in this Newsletter and listed on the marquee inside the pool; or just ask a Lifeguard.

Tattoo Tuesdays, Play @ the Pool Thursdays & Freezy Pop Fridays are quite popular this summer. Come swim at the pool on those days and ask the Lifeguards for one temporary tattoo on Tuesdays or one freezy pop on Fridays. Bring games to the Pool on Thursdays, play with your friends then take a break and take a swim.

Meadows Place lifeguards are the best around and they train hard to ensure readiness in the event of an aquatic emergency. As part of our ongoing training, the Managers conduct V.A.T. (Vigilance Awareness Training) tests weekly on all of the lifeguards. We do this by placing a "shadow doll" in the water and timing the lifeguard on how long it takes for them to spot the doll, blow their whistle, jump in the water and save the doll. To the lifeguard, the doll looks like an unconscious victim on the bottom of the pool. If it looks like the lifeguards are jumping off the stand for nothing, they are probably performing a VAT test! If you see the VAT doll in the water, leave it alone and watch the guard perform a simulated rescue!

*Lifeguard VAT doll*

**And if you want to see them in full action, the guards are inviting YOU to come watch them at an Open In-Service on July 25 @ 10 am.**

## CASUAL AIR, INC.

"Fair Prices, Quality Work"

• Please have your furnace checked for proper operation by a licensed H.V.A.C. professional before turning them on! \*\* A very small price to pay for you and your loved ones safety.

### PREVENTIVE MAINTENANCE TIP ~ FYI:

Have the duct work checked in your homes attic space for air leaks. If your home is 25-30 years old the typical "flex duct" originally installed by builders can deteriorate & literally "fall apart" due to constant heat & humidity of attic conditions in our area. This can hit you hard in the "pocketbook" (i.e. very comfortable attic space!). Not to mention your system has to work harder to comfortably heat & cool your home. Having your duct work checked can be easily scheduled during your annual fall furnace inspection. **Call Now** before you make the switch to heat.
