??Did You Know??

 **Did You Know ...** that of the 1,070 member cities of the Texas Municipal League, 70% have populations of less than 5,000. This is one of the reasons Texas Parks and Wildlife developed the Small Cities grants program which helped us with the latest Parks expansion. That and an active and capable Parks Dept. Speaking of...if you haven't been by the (now) McDonald Park on Dorrance and Pender after dark, you need to. It's like a fairyland. Beautiful and peaceful. Thanks to Joe McCann, Parks Dept. and Public Works for making it all come together. It is beautiful.

 **Did You Know ...** that long time Meadows Place resident Pilar Villanueva has been chosen as one of the Top 10 nurses in Houston. There are over 26,000 eligible for this honor. You really have to be something special to receive this award. This is bittersweet for her and her family though as she has been diagnosed with cancer and is having to step down. Our congratulations and best wishes to her and her family.

M. Cohlmi-Baldwin wants us to know that even though Meadows Place is no longer recycling glass, there is a place close by to do that. It is Sugar Land Recycling on 90A & Gillingham. That's just across from Schlumberger. Speaking of recycling, let's not forget to take advantage of the City's recycling efforts. It not only benefits the environment, it helps offset the cost of local garbage pickup!

 **Did You Know ...** there have been many calls of concern regarding scooters zipping around in dangerous areas and in a dangerous manner. Parents, please remind your little scooter riders that they will lose a battle with a car, pickup or SUV and remind them that they are supposed to be following traffic laws if they are in the street. Thanks.

 **Did You Know ...** Meadows Place is one of the few cities in the area that still participate in the DARE program. A big round of applause for Mayor McGrath and Chief Picket for keeping this wonderful program at Meadows Elementary. Oh, and thanks to Sgt. Kirsten Lang and Officer Myra Valasquez for their heartfelt duties as our "Dare Officers".

 **Did You Know ...** we have a new and improved Web Site? It is fantastic. A special thanks to Charles Kulhanek for his work on the site. It's attractive, easy to use and very informative. Be sure to check it out at www.cityofmeadowsplace.org. Oh, talk about an involved neighbor, Charles was just appointed to the Meadows Place Planning and Zoning Commission as an alternate member. The P&Z is going to be VERY busy for the next few weeks. Thanks again Charles.
