

COMMENTS FROM THE MAYOR By Charles Jessup

Covid Update

The number of Covid cases continue to rise in Meadows Place. We have had 224 confirmed cases of Covid since last March. Unfortunately, though we have a vaccine on the way, the disease continues to move among us and the numbers are on the rise. From a low of two or three, we now have about 30 people at home being observed for the disease. We are hoping this spike in the numbers will go back down, but until then, please make sure to follow the Covid protocols we are all so familiar with - mask up, wash, keep your distance. Better safe than sorry.

As best we can tell, The City of Meadows Place is the only city that passed out PPE kits door-to-door to better equip you in the fight against Covid until the vaccine becomes available for all who want it. A big Meadows Place Thank You go out to Chief Stewart and the PD, Parks, Public Works and the resident volunteers who got the kits delivered to our doorsteps. Extra effort like this is the standard for our little city and what makes it...*Your Place for Life*.

The Possible Move to Home Rule

I am excited to report that the Home Rule Charter Commission has been hard at work. We are blessed to have such an intelligent, hardworking and dedicated group of individuals serving on this very important committee. The Meadows Place Home Rule Charter Commission will be doing its best to compile a City Charter for the voters to review. It will take a while, so please be patient. Look for more information every month in the Newsletter and on official Meadows Place Social Media pages as the process moves forward. Thank You, and Thank You commission members. See page 4.

- Feb. 22** Regular Board Meeting - 6:00 p.m.

Did You Know?...

Did You Know... Meadows Marlins have a new President, Kristen Autrey. She is excited to serve as Meadows Marlins Swim Team President and can't wait to get started. Kristen and her family have lived in Meadows Place for 8 years and they enjoy all our small vibrant city has to offer. On top of loving the city, Kristen is currently a 3rd grade teacher at Meadows Elementary. She is looking forward to moving into our new school and the return of swim team! Swim Team is a great community builder and is great way for the kids to make friends and get regular exercise. Congratulations Kristen-and Thank You for serving. This type of commitment keeps Meadows Place--*Your Place for Life.*"

Did You Know... we posted a video of 'Corney' our corn snake shedding. Now 5'9" long, Corney was about 2'4" long when we got him but is now over the average length of a corn snake. Our Parks Dept. is in the middle of preparation for Spring and planning lots of safe activities. Check out the video clip on Facebook or Instagram and then make plans to come meet Corney, all his critter friends and Lauren Aguilera, our new Recreation Coordinator!

Did You Know... our Public Works crew collected about Christmas trees this year and hauled them down to Surfside to be used in the Save Our Dunes program. They were really appreciative since the dunes got pounded by multiple storms in 2020. That doesn't surprise me...

Did You Know... Meadows Place used some of our allotted Covid prevention funds to redo the Council chambers. We replaced the old dais with a new one that spread the Council and staff out, had room for Plexiglas barriers and provided new speakers so staff and Council did not have to share. We also removed the old fixed computers which were replaced by a single shared screen. This was funded federal CARES Act funds and did not come out of our budget. Please feel free

to drop by and check out the changes or, when we start meeting in person again, join us at a Council meeting.

Did You Know... school construction seemed to have an effect on the street and crosswalk in front of the school. All the heavy equipment on it while it was so wet created new puddles at the crosswalk. When noticed, Public Works pushed that to the top of The List and will have a new, puddle free crosswalk ready for the kids when they come back to Meadows Elementary! Thanks guys.

Did You Know... Code Enforcement received a very encouraging letter last month. It was from long-time resident, Diane Cotten. It read;

"I received a citation yesterday. The Citation was for a bag of leaves my yard guys left out. (before allowed time)

This is my first ever citation, thank you! You are doing an absolutely fabulous job keeping our city beautiful. I have lived here 39 years and can see your hard work making a difference.

I am one of your biggest supporters!!! Your job is so important to this city and to the citizens.

Thank you again for all you do and for my citation. I have called my yard guys and instructed them not to leave any sacks or yard stuff out.

Again THANK YOU SO VERY MUCH for making City of Meadows place our place for life!"

Sincerely, Diane Cotten

Thank You Diane for touching base and for taking steps to keep Meadows Place looking sharp.

Did You Know... Free Notary Service is available to all Meadows Place residents. Just come to City Hall between 9 & 4. No appointment necessary. Bring your ID...and it is FREE!

Did You Know... is for YOU. Drop us a note or email: mayor@cityofmeadowsplace.org.

Did You Know... Police Reporting Priorities

Thank You, Thank You, Thank You to all the folks who report a suspicious or dangerous situation directly to the PD rather than posting it first on Social Media. I am sure this is done with good intentions, you know, to alert the neighbors and all their friends on Facebook. Please report to PD instead of on Facebook as a resident recently did when they described an ongoing situation in great detail complete with description of the driver (good), the car (good) and the license plate # (Great)! Then when someone asked if they had reported it to the police... Instead they posted more detail and explained they didn't report it because they didn't have time! Please prioritize. Put the PD direct line into your phone so you can call right away. Meadows Place PD # is 281-983-2900. Thank You.

Taking Steps to eliminate problem properties

Meadows Place is one of the most proactive cities I know when it comes to bringing life back into houses that are not being lived in, are substandard or abandoned. We have 'encouraged' owners to clean up, fix up or even sell the few problem properties. This has been an ongoing and very successful program and is getting better. We use Code Enforcement, Law Enforcement and the Courts to help these owners bring these problem properties to a more neighborly position. I wouldn't live next door to a person whose backyard looks like a junkyard, has an old scummy pool, pond or hot tub and weeds high enough to hide a horse, and neither should you. It takes time, but when we are made aware of a problem property, we move on it. We may need your help so please express your concerns to Jennifer, our Code Enforcement Official. She

talks about this in the Newsletter this month and gives you several options on how to contact her. With the exception of a handful of homeowners, we all want the best for Meadows Place. Jennifer can help. Call her and help make sure Meadows Place stays...***Your Place for Life.***

Flag Donation

David Piwonka has served this city for years, and is still doing so. He is one of our Founding Fathers but that didn't stop him from doing something special for the city. David made some very nice wooden display flags for City Hall. An American flag and a Thin Blue Line flag. The American Flag was placed above our Wall of Heroes and the Thin Blue Line flag hangs in the PD. Drop by someday to see them. Thank You, David.

By Chief Gary Stewart

IRS Scams

The Meadows Place Police Department would like to remind everyone it is Tax Season again and the Scammers are out there. Here are some tips from the IRS. If you suspect you may have been a victim, please contact the Meadows Place Police Department or IRS (800-366-4484) to report suspicious activity.

The IRS continues to warn consumers to guard against scam phone calls from thieves intent on stealing their money or their identity. Criminals pose as the IRS to trick victims out of their money or personal information.

Here are several tips to help you avoid being a victim of these scams:

- **Scammers make unsolicited calls.** Thieves call taxpayers claiming to be IRS officials. They demand that the victim pay a bogus tax bill. They con the victim into sending cash, usually through a prepaid debit card or wire transfer. They may also leave "urgent" callback requests through phone "robo-calls," or via phishing email.
- **Callers try to scare their victims.** Many phone scams use threats to intimidate and bully a victim into paying. They may even threaten to arrest, deport or revoke the license of their victim if they do not get the money.

- **Scams use caller ID spoofing.** Scammers often alter caller ID to make it look like the IRS or another agency is calling. The callers use IRS titles and fake badge numbers to appear legitimate. They may use the victim's name, address and other personal information to make the call sound official.
- **Cons try new tricks all the time.** Some schemes provide an actual IRS address where they tell the victim to mail a receipt for the payment they make. Others use emails that contain a fake IRS document with a phone number or an email address for a reply. These scams often use official IRS letterhead in emails or regular mail that they send to their victims. They try these ploys to make the ruse look official.

The IRS will not:

- Call you to demand immediate payment. The IRS will not call you if you owe taxes without first sending you a bill in the mail.
- Demand that you pay taxes and not allow you to question or appeal the amount you owe.
- Require that you pay your taxes a certain way. For instance, require that you pay with a prepaid debit card.
- Ask for your credit or debit card numbers over the phone.
- Threaten to bring in police or other agencies to arrest you for not paying. If you don't owe taxes or have no reason to think that you do: Do not give out any information. Hang up immediately.

**The Meadows Place Police Department is available 24 hours a day, seven days a week
(281) 983-2900**

Code Enforcement

Happy February! We are “one square mile of wonderful,” because our residents are good to one another.

If you have any concern about Code Enforcement, regarding a neighbor, allow me to help. Communicate with me via email, phone, or go to the city website at cityofmeadowsplace.org, click on Departments, choose Code Enforcement, and scroll to the bottom of the page to fill out the Code Violation Report Form. Once you have completed the form click Send.

We can all be good neighbors and help keep our City attractive by:

- Ensuring all Exterior Walls/Trims are clean.
- Refraining from placing Trash next to curb area on days that are not trash days. (only Tuesdays & Fridays are TRASH days)
- Storing Trashcans / Rubbish / Recycling Bins behind a fence, or enclosure out of public view.

The table below show a few items that consistently need attention. If you have any questions about a Notice of Violation, please let me know before the due date listed. I am always here to help you.

The Most Frequent Violations & Cases between December 22, 2020 to January 12, 2021 were:

Cases	
New Cases to Court	2
Overall Total New Cases	55
Overall Cases Closed	28
Frequent Violations	Notices Issued
Trash next to curb area (not trash day)	32
Exterior Walls/Trims - need cleaning	15
Trashcans / Rubbish / Recycling Bins visible from the street	15
Bandit Sign - Prohibited Sign (D)	13
Rubbish/Trash/Debris	11

Jennifer Cabello, Code Enforcement Official

Office: 281-983-2938

A message from the Meadows Place Home Rule Charter Commission:

Thank you, Mayor Jessup and City Council, for the opportunity to serve the citizens of Meadows Place as the Home Rule Charter Commission. We plan to use this spot in the newsletter to give the citizens a glimpse into the workings of the commission, provide answers to frequently asked questions, and to prepare the city for the review and vote that may allow our city to take its place amongst our neighboring cities in adopting Home Rule status.

You may wonder, "what is Home Rule, and what is the commission doing?" Simply put, Home Rule transfers authority over municipal matters from State laws to a local charter, which is drafted by a 15-person charter committee, and then adopted by Meadows Place voters. This is a complex process, as the charter must be well thought out and designed with our unique city in mind. We are working this methodically and diligently, holding public meetings almost weekly to create a detailed and flexible charter that will serve as the basis for our system of government in Meadows Place for years to come.

Please look to the monthly newsletter and the city website for more information coming soon.

Your friends and neighbors,

Stuart Barrowman, Steve Bezner, Joe DeBruyn, Jimmy Fenwick, Chris Gawlik, Tristan Ibarra, David Lantz, Anita Milne, Matt Oltremari, Richard Ramirez, Nadya Shelton, Sammy Skemp, Ken Smith, Ben Weber, Alison Young, and Joseph Weymon

November 12 & 13

“Water is Life”

Texas Water Utilities Association has used the above slogan for a few years. Water is also a commodity and a very valuable resource that we rely on and pay for each month.

“Eye on Water” is an excellent software program for monitoring your water consumption and it’s **free** to the residents of Meadows Place.

How much water does the average person use daily/ monthly? This number can vary based on several factors. Supply, quality of water, cost per gallon, and location.

The national average is close to 100 gallons per day per person or 3000 gallons per month per person. But there are communities that have been known to cut that average in half.

Water usage and water conservation facts

1. According to the EPA, the average household leaks waste 10,000 gallons of water each year.
2. Turning off the water when brushing your teeth saves 80% of the amount of water you would normally use.
3. Replacing old toilets can save 16,000 gallons of water per year (for a family of 4).
4. Washers built before 2011 use approximately 40 gallons per load. New machines could use as little as 15 gallons per load.
5. Prefer to utilize the dishwasher rather than hand wash the dishes which uses more water while the tap is left running.

Water is precious, use it but don’t waste it. A small leak 1/32” in diameter wastes up to 175 Gallons in 24 hours. A leak four times that size at 1/8” diameter can waste up to 3600 gallons in 24 hours.

If you feel that your water bill is higher than normal, please check your home for leaks by observing your water meter manually as described below or by logging on the “Eye on Water”.

How to determine if you have a leak in your home. Do you suspect a leak? If so, do the following.

1. Turn of all the water inside and outside of your home.
2. Go outside to your meter box and open the cover.
3. Locate the black or red triangular -shaped leak detector on the left side beside the numbers.
4. If the leak detector is not moving, you do not have a leak and no water is passing thru the meter.
5. If the leak detector is moving, you do have a leak. Water leaks on the homeowner’s side of the meter are the responsibility to repair.
6. If there is water in the meter box, be sure it is not run-off water from sprinklers or rainfall before calling.
7. If you are certain it is a leak outside of your home, please call city hall.

MEADOWS PLACE COMMUNITY GARDEN

Joining things is FUN!!!

There are many reasons to join a community garden; learn a new skill • teach your kids where food comes from • save money • help the environment • have a reason to get outside regularly and share with others. These reasons - and many more - fuel the people who grow food at the community garden.

Come and have fun...

Every 2nd & 4th Sat @ 9am.

You to can help our Community Garden Grow!

Home & Garden Club

By Harriet Weymon, Publicity

Thanks to Captain Jack Ashton and all who attended our January general meeting. His presentation on Criminal Trends in our area and what to watch for was very interesting and will prove to be very helpful in keeping us and our community safe.

The next general meeting will be on February 9th, 7pm. Details about the meeting will be sent to the current member list via email.

Let's keep our community looking marvelous

Judging for yard of the month will begin again in April which is just around the corner. Now is the time to start planning and prepping. Here are a few things we can start now.

Sharpen your garden tools. Prune your trees and shrubs. Order some new plants and seeds. Straighten up those borders around your flower beds. Thin out any of those overgrown or out of control plants. Consider planting a tiny garden around that lonely mailbox for instant curb appeal.

Calling all Volunteers

We are happy to report that Scholarship submissions will be accepted this year as per an executive board vote taken at the January 6th board meeting. Submissions will be open on April 1st.

Executive Officer elections will be held at the April general meeting, which means the Nominating Committee will start their process in March.

As you can see the Scholarship and Nominating committees need to be filled as soon as possible. As well as the committee chair for each group. These two committees are especially important this time of year. This is an easy way to get more involved in the club while still social distancing, so please consider volunteering. Also remember, you can be a member on more than one committee. If you are interested please send an email to the club gmail account shown below.
