

COMMENTS FROM THE MAYOR

By Charles Jessup

Code Enforcement Efforts

The City of Meadows Place, our Code Enforcement Officer and City Attorney have been quite busy recently. In addition to patrolling on some weekends, Robert Revis has been busy issuing Notices of Violations, Warnings and Citations. This is good, but more importantly Robert is getting great compliance response from the residents of Meadows Place. You may have noticed that several trailers and vehicles have been removed from the city and many, many stumps have been removed. Trash cans are being put away and several fences have been replaced or removed. There has been some significant movement at a couple of abandoned houses. These may end up with Robert bringing Substandard Housing charges before City Council. Randle Law Offices have gotten Cease and Desist injunctions, warrants signed and are working with Robert on several cases. Robert responds to and documents every complaint quickly, so everyone is encouraged to report Code Violations either by email, or anonymously through the city website.

Contract Review and Renewal

Several years ago, I began tracking and documenting all city contracts. This was a big improvement but I haven't quite been satisfied. Until now-thanks to major improvements in the process. Last month, Finance Director Anna-Maria Weston, City Secretary Courtney Rutherford, Police Chief Gary Stewart, Public Works Director Danny Segundo and Parks Director Colene Cabezas and I spent a good part of the day going through the through the hundred and twenty or so contracts and. I feel we (they) got a lot done, and because of our increased awareness, understanding and departmental input, we are better able to manage the contracts for the city. These folks do a great job for us and are a big reason Meadows Place is...*Our Place for Life*.

Did You Know?...

Did You Know... Meadows Place own Laurel Boatwright is one of the Dulles and Clements students standing up for UNICEF. The students from these two schools are teaming up to raise money for UNICEF to help save children's lives, and protect and defend them across the globe. Laurel conferred with our Parks Director and came up with a great plan that will take place right here in Meadows Place. This exciting fundraiser will take place during our 1st of our Meadows Place Spring Concerts using FLOATING CANDLES ON THE LAKE. It promises to be a magical evening. Hope to see you there!

Did You Know... Robin Switzer, the magnificent Art Specialist at Meadows Elementary School, has asked me to take on the role of auctioneer at the Old Town Meadows Live Auction again this year. I am thrilled to do it to support the Meadows Elementary PTO. Ms. Switzer is hoping you will join us too. Save the date - Friday, April 27. Participation in our community programs help keep Meadows Place ... *Your Place for Life!*

Did You Know... Meadows Place is awash with great young people, young people that grow up to be great young adults. People like Dakota Mills. His Mom, Kelle, texted me that she was spending the morning with Dakota "while he donates stem cells". Seems he was a match for someone in need. He asked that we all please consider joining the Be the Match organization. Dakota wanted us to know that we too CAN make a difference and said "Taylor Wilkins, this one's for you". Thank you Dakota for setting such a good example!

Did You Know... our Meadows Place YAC – Youth Action Council – was a big hit at the 18th Annual YAC Summit at Cedar Hill. The Texas Municipal League sponsors the event and we had 15 members attend. The YAC Summit is an opportunity

for YACs to share their experiences and programs and the positive impact they have had locally. YAC groups from all over the state wanted to hear more about the Inclusive Playground project they are working on right now. To further their cause, YAC will be providing child care during the Home and Garden Club Home Tour. Way to go Meadows Place YAC!

Did You Know... long time (since 1984) resident of the Meadows Place, Tony Wolski, told us he has seen lots of improvements within our wonderful city, such as the parks and recent trails. He said "For many years I have envisioned expanding some of these improvements beyond just our city limits" so, he partnered with an organization to plant numerous trees and shrubs along West Belfort and at the intersection of W. Belfort & S. Kirkwood. Thank You Tony, that does help that area look better.

Did You Know... your Mayor was selected to be a Special Commissioner for part of the Hwy. 36 Expansion project. This project will change the future of Texas and he was excited to be part of such an important project, even if it was a very small part.

Did You Know... Meadows Place Boy Scouts had a very successful food drive. Pack 301 and Pack 1115 were working together and according to Mark Johnson, they collected about 500 pounds of food. It went to the food pantry at Sugar Grove Church of Christ. To help out those who forgot the Friday pickup, Kim Francis, Angela Collins, and Mr. Johnson picked up extra food throughout the entire weekend. Another example of people going above and beyond. Congratulations, and thank you all.

Did You Know... is for YOU. To get something in Did You Know in 2018, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... Meadows Place Home and Garden Club is proud to announce the Spring Home Tour on Sat. April 21st. It is amazing to see how creative your neighbors have been as they modernize and upgrade these homes. Tour begins at 2:p.m. & ends at 5:00. Currently 8 homes open are open for viewing Immediately after will be the "Spring Fling" in the Park with live music, food trucks, wine and beer. Advanced tickets are \$10 or \$15 on the day of the tour. YAC will provide games, snacks and fun for kids 12 & under. Profits benefit the Scholarship Fund, & the All Inclusive (Handicapped) Playground. For tickets, call co-chairs Shirley and Alderman John Isbell for tickets 713-775-7774 or 281-498-1984, or contact any Garden Club member.

Community Survey

Texas Women's University has been meeting in Meadows Place, walking the city and taking a survey on our community. The results will be released soon but the young nurses were quite impressed with our city and our residents. Good job, everyone.

Homeland Security Seminar

Thanks to all the hard work of Chief Stewart, Danny Segundo, Courtney Rutherford, Anna-Maria Weston, Colene Cabezas, all the officers and staff during Hurricane Harvey, I was invited by County Judge Hebert to participate in a Homeland Security Executive Education Seminar. This seminar is intended for the leaders of our community and is a discussion of capabilities and communications among jurisdictions in the matters of Homeland Security. The Naval Postgraduate School (NPS) Center for Homeland Defense and Security (CHDS) has developed a multimedia scenario-based seminar to explore homeland security risks and challenges threatening Fort Bend County. The content has been designed specifically for our area to help strengthen our capability to plan, prevent, respond and recover from catastrophic events and terrorism. This is a closed-door session with Fort Bend County Senior Leadership, is limited participation and is by invitation only. I am quite honored, and a bit nervous, to be representing Meadows Place.

COP TALK

By Chief Gary Stewart

You Play a Role in Protecting Our Community

We are all part of the Meadows Place community. We share everyday moments with our neighbors, colleagues, family, and friends. It is easy to take for granted the routine moments in our every day—going to work or school, the grocery store or the gas station. However, your every day is different than your neighbor's—filled with the moments that make it uniquely yours. So if you see something you know shouldn't be there—or someone's behavior that doesn't seem quite right—say something. Only you know what is supposed to be in your everyday.

Being informed and alert, in and around our community plays a critical role in keeping the City of Meadows Place safe. "If You See Something, Say Something™" engages the public in protecting "Your Place for Life" through awareness and community involvement.

2017 Year End Summary

2017 was a breakout year for curbside clothing and shoe recycling in the United States. The adoption of waste reduction measures focused on reusable items has really taken off.

Simple Recycling has expanded its growth area in Texas and the United States. We are proud of the leadership and partnership communities like yours have exhibited in the drive to reduce our nation's waste stream.

Together we have diverted over 5.5 million pounds of clothing, shoes and reusable home goods from communities' waste stream.

- Total pounds diverted from Meadows Place waste stream – 6,779
- Number of participating households in 2017 – 1,609
- Regional participation rankings – 12 out of 20

Through continued joint efforts to educate our community about the Simple Recycling program, we can drive enough closer to zero waste. We sincerely appreciate your support and partnership.

We look forward to continued progress in waste reduction for the benefits of our planet and our communities.

~ The Simple Recycling Team & City of Meadows Place

As we move past the holidays it's time to get back to work. The City of Meadows Place has a wonderful reputation and we want our homes to reflect that. This takes a little work and we may need to look at some home improvement and repair projects. But, that is what it takes. I spend a lot of time driving through the city and some of you have or will receive a "Notice of Violation". Please take this seriously because this is not something that's going to go away.

This is the beginning of a process that ends with you coming into compliance or coming to court.

After the Notice of Violation there will usually be a Warning ticket, but not always. If compliance is still not met after the Warning, then a citation will be issued and a date set for you to appear in court. The same rules will apply to everyone, however, if you reach out to me, I can work with you to some extent to achieve Code Compliance. The goal is to keep our city looking good which will help increase your property values which means more money in your pocket. Everyone knows the future of Meadows Place looks great but we need to work together as a community to make that happen. I am here to serve you, so if anyone wants to get together for a "meet and greet", give me a call or send me an email.

Thank You, Robert Rivas

VOTE: MAYOR

Mark McGrath

*Roundabouts are rolling in your direction...
...without the benefit of a Public Hearing
about the completed design.*

*A design that will take away the ability
of ALL properties abutting Kirkwood
to park in front of their homes?
This impacts 32 properties!
A design having continuous traffic flow,
A SINGLE WALKWAY on the west side?
...And no crossing signals!
Why won't the Mayor call a public
hearing about the design?*

*What is the City afraid of? Perhaps, it is that
when all the facts are out, the roundabouts
will not stand the light of day. Transparency?*

2018 BOY SCOUT FLAGS OVER MEADOWS PLACE

Holiday flag placement in your yard on:

Memorial Day > Flag Day > Independence Day > Labor Day

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Boy Scouts and for expressing the patriotic spirit on the holidays when we honor America. To those who have not yet subscribed, we extend this invitation and ask for your support.

Troop 731 will proudly post an American Flag in front of your residence on each of the following national holidays:

- **Memorial Day**
- **Flag Day**
- **Independence Day**
- **Labor Day**

(On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day). Boy Scout Troop 731 flag placement occurs early morning and flag retirement early evening. **Note: The flags and flagpoles are the property of Troop 731. You are purchasing a subscription service and NOT the flag or flagpole itself.**

The subscription cost is \$25.00 per calendar year, paid in advance. To subscribe, please complete the following information and return this form with your \$25.00 donation to:
