

COMMENTS FROM THE MAYOR By Charles Jessup

FBISD Bond Election 2023

At the March 28th City Council Meeting your City Council heard a presentation on a proposed Fort Bend ISD School Bond. The Fort Bend ISD Chief Financial Officer, Bryan Guinn, and School Board President, Kristen Malone, were at the Council meeting to give the presentation and answer any questions regarding this \$1.26 billion bond election to be voted on in the May 6, 2023, election.

This is a large, very complex three part bond which, if passed, will fund major projects throughout the district, enhancing every campus in Fort Bend ISD except schools (like Meadows Elementary) that are newly constructed. It reflects well on Meadows Place that we were the first City Council meeting they have presented to. As President Malone said "You are the Leaders". Council had some great questions but if you were not watching our Live Stream, you can go the City website to view this very informative presentation. Click under Council Quick Bites to find a link directly to the presentation.

Financial Training and Investment Policy Update

The City has adopted the City's Financial Management Policy that not only sets the parameters for the City Financial Policy but also meets the legal requirements of The Public Funds Investment Act (PFIA). The PFIA governs the investment of government funds in Texas. Under this law, specific restrictions are set for Texas cities, requiring them to adopt an investment policy and to designate an investment officer who is required to attend an approved training course. The policy we are adopting reflects what we currently do here day-to-day and also covers budget management, revenue sources, forecasting, leases, Capital and other financial topics.

Did You Know?...

Did You Know... The Parks and Recreation Department has been hard at work adding a new feature to the Discovery & Nature Center for everyone to enjoy. Now you can step back in time to the early days of Texas and experience the era first hand. And don't forget, all of our animals are still there, including our goat, Thor. Be sure to stop by and check it out for yourself! Thank You Colene, continued improvements like this remind us why Meadows Place is... **Your Place for Life!**

Did You Know... I love Springtime in Meadows Place! Everything is beginning to bloom, plants and gardens popping up everywhere and the Parks Department Spring Programs begin. It all starts with the Annual Campout quickly followed by our Concert in the Park series in April and May. Thank You to all the residents who make our city so pretty by planting new plants and flowers and Thank You to our Parks Department for our fantastic spring programs.

Did You Know... Meadows Place resident Twila Davis, owner of Twilight Candle Company was recently recognized by Voyager Houston, a magazine that features stories about people and places saying each "has its own vibe, style, culture and history". Twila, teaches candle-making classes and is looking into the possibility of teaching a class or two here. Congratulations Twila, and Thank You for changing your home location to Meadows Place.

Did You Know... Club 55+ held an International Luncheon last month. There was a great turnout and everyone was glad they came. The Club Members and guests feasted on food from around the world that club members brought. Some of the countries represented by this fantastic fare represented Italy, Cuba, China, Thailand, Holland, Poland, Germany, Greece, Texas and "The South". It was great. Keep an eye out for more fun Club 55+ events.

Did You Know... Alderman Rick Staigle and the Scouts will be putting out flags again this year. Not only does it really dress up the city but it is fund raiser for the Scouts. This year they have made it even easier to enroll through the use of technology. Check out their ad on page 16 and sign up right away.

Did You Know... water has become an important part of our recreation options here in Meadows Place. In addition to the pool the splash pad and the lake, we now have a floating 'Wildlife Viewing Station' in the corner of the lake up near W. Airport. We will install a connector path soon but the dock itself is installed and ready to use!! This newest fun feature was part of a County Parks Bond, which covered the cost for us.

Did You Know... the City often has opportunities for volunteers. Right now we are seeking Readers. If you are available on Saturdays at 10 AM, we would love to have you volunteer to a lead Storytime at the Nature Center. Please call 281-642-7701 or email recreation@cityofmeadowsplace.org for more information.

Did You Know... we have been asked if we disconnect water users for lack of payment. The short answer is Yes, but there is a process, with controls, to make sure every effort is made to afford the owner an opportunity to bring their account current. If you have any questions about your utility payment, please call City Hall.

Did You Know... we have a couple of Short Term Rentals in our city now. They are operated professionally but can be subject to loud renters. They don't want that and neither does Meadows Place. If you have a noise problem, please call PD ASAP. Thank You.

Did You Know... is for YOU! Drop us a note or email: mayor@cityofmeadowsplace.org.

Did You Know... Night Patrol in the Park

As many of you know, Meadows Place received a grant for a police equipped ATV. Many have asked why, and that is a fair question. When officers patrol our streets, speed may be the key, but what about patrolling areas such around our lake, in the park and on our trails? There versatility and mobility are the priority and sometimes a car cannot be used. All-terrain vehicles provide a solution for many law enforcement agencies, including Meadows Place. After last month's Council Meeting, Officer Matthew Bruno took me on a nighttime Off-Road Ride Along. We found someone parked where they shouldn't have been so Officer Bruno lit them up and quickly shooed them off. It was very interesting to see how this specialized vehicle fits in.

Comments From The Mayor (Continued from page 1)

Like our other policies, this is a “living document” that will no doubt be modified over time, but I am very proud to have been (a small) part of this outstanding Financial Investment Policy. The real work was done by Finance Director Anna-Maria Weston working with our bankers, auditors, vendors and of course our staff. This is now posted on our website for you to look over. Last month I had the pleasure of attending a very intense two day PFAI training session with Anna-Maria and I am glad we went. We were able to incorporate some last minute changes into our new financial policy that will serve us well into the future. Meadows Place is always striving to increase our professionalism and raise our standards to ensure we keep Meadows Place...**Your Place for Life!**

Money on Hold

The City of Meadows Place is holding several uncashed checks which are unclaimed and presumed abandoned under Title VI, Chapter 76 of the Texas Property Code. This money does not belong to the city, so please help us return the money to the owners.

Most of these checks are water deposit refund checks and under \$100.00. Perhaps, the person moved and the check never reached the owner, it may have been lost during the move, or the owner chose not to cash the check. This can be found on Page 6 and our website by clicking Unclaimed Property under the Public Information section of our website which is located in the Your Government section. Thanks in advance for your help.

What is Storm Water Pollution?

Storm Water runoff is water from rain that does not soak into the ground. It flows from rooftops, over paved areas, bare soil, and sloped lawns. As it flows, storm water collects and transports animal waste, trash and litter, pesticides, fertilizers, oil, and grease and other potential pollutants into the storm drains.

Rain washes pollutants from impervious surfaces streets, parking lots, construction sites, shopping centers and residential yards into storm sewers and flows untreated into nearby bayous, creeks, fish and wildlife habitat, downstream recreational areas, and drinking water supplies. Toxic substances from motor vehicles, as well as the careless application of pesticides and fertilizers also threaten water quality and can kill fish and other aquatic life. Bacteria from pet and animal waste get washed into lakes and waterways making them unsafe for water sports like wading, swimming, water skiing and fishing.

A sanitary sewer system and storm and a storm sewer system are not the same. Water that goes down toilets, sinks, showers, or other inside drains flows to the wastewater treatment plant. **Storm sewer flows are not treated**, so it is important to remember that any type of surface water runoff—not just rainfall—will be collected in the storm water management system. When you wash your car on the driveway, for example, all that water, road oils, dirt and grime end up in the storm drain. All the runoff from our streets and yards ends up the Galveston Bay and if that run off is polluted then we are polluting the Bay.

Three Types of Storm Water Pollution

- Litter - cigarette butts, food wrappers, plastic bags etc.
- Natural Pollution - leaves, yard clippings and animal feces.
- Chemical pollution - fertilizers, oil, paint, and detergents.

Please be aware of the effects of pollution the water in our State.

Also - all drainage from a pool must be directed to the sanitary sewer system thru an approved "P" trap.

Around the Block

Brought to you by Meadows Home & Garden Club

April is here and it's not too late to plant some vegetables that you can enjoy all summer long. If you've never grown vegetables before, then container gardening is a great way to start and also a great option if you aren't up to sowing a spot your backyard. Tomatoes are the most popular for container gardening. How about some lettuce or summer squash. Potatoes, peppers and eggplant are other good options. All you need is a sunny spot, 6 or more hours of full sun, a large, deep pot with some fresh, healthy soil and you are on your way. Imagine the possibilities! The soil dries out very quickly in containers especially during our hot summers so don't forget to water daily when the temps are really high.

Our March speaker, Stacie Kopezynski gave us some ideas for adding Life to our homes. Inexpensive options that offer a big bang. We had a great turnout and thanks to everyone that showed up. Remember you don't have to be a member to come to our meetings. They are always open to the public.

Club membership is open to anyone 18 years of age and over. Individual membership fee is \$25 and the Family fee is \$35 and does not require monthly meeting attendance.

2023 BOY SCOUT FLAGS OVER MEADOWS PLACE

Holiday flag placement in your yard on:

Memorial Day > Flag Day > Independence Day > Labor Day

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Boy Scouts and for expressing the patriotic spirit on the holidays when we honor America. To those who have not yet subscribed, we extend this invitation and ask for your support.

Troop 731 will proudly post an American Flag in front of your residence on each of the following national holidays:

- **Memorial Day**
- **Flag Day**
- **Independence Day**
- **Labor Day**

(On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day). Boy Scout Troop 731 flag placement occurs early morning and flag retirement early evening. **Note: The flags and flagpoles are the property of Troop 731. You are purchasing a subscription service and NOT the flag or flagpole itself.**

The subscription cost is **\$30.00** per calendar year, paid in advance.
