

COMMENTS FROM THE MAYOR By Charles Jessup

Election Day

Unless you voted early, you will need to remember that Election Day is Saturday, May 5th. That's right, Saturday. Polls will be open at City Hall from 7 to 7. Voting is your way of selecting the political leaders you want move our city into the future and keep Meadows Place, Your Place for Life!.

Save Meadows Elementary aka #saveME

In what I see as the most serious threat to the Meadows way of life since I have been here is the possibility put forth by some FBISD consultants of closing Meadows Elementary. This lead to one of the most remarkable outpouring of a community that I have ever seen. I am proud to say that I was a small part of what turned out to be a movement that brought the people of Meadows Place together like nothing else I've seen. Young and old alike turned out to Save Meadows Elementary. Parents and grandparents and folks with no kids all turned out. Meeting halls were filled, t-shirts, signs, social media, flyers and word of mouth were the tools used. People were concerned and moved into action.

Wendy Pennings posted this on the Save Meadows Elementary Website and it sums it up pretty well. Wendy said she wanted to share a sentence from her 5th grader's response when filling out the survey - "The patch of empty space where my school used to be would be equivalent to a giant hole in my heart". Wow. That really hits home doesn't it. Thankfully, thanks to everyone's efforts, I believe we are well on the way to being able to say we all helped Save Meadows Elementary. It must be noted that Meadows Place has received great support from Superintendent Charles DuPre, Board President Kristin Tassin, Congressman Pete Olson, Representative Ron Reynolds and many, many more – including our three fantastic speakers.

Did You Know?...

Did You Know... Matt Oltremari has been talking with the Mayor about setting up a team of CERT trained volunteers here in Meadows Place? CERT stands for Community Emergency Response Team and it educates and prepares volunteers for the hazards that may impact our area and trains people in basic response skills. If you are interested, watch the city Facebook Page and Website for more information.

Did You Know... Meadows Place YAC supported the Home and Garden Club Home Tour by offering childcare for parents who wanted to take the grand tour? Thank You YAC.

Did You Know... Some months ago Colene was already thinking about the Parade Marshal for our fantastic 4th of July Parade? Parade Marshals matter. Persons nominated for Parade Marshal must have a significant impact, or a connection to The City of Meadows Place. This could be as celebrity, newsmaker, board member or Meadows Place resident that has had a positive imprint on our city. I am sure we will have another good one this year. Some may remember Jennifer Reyna who was our Parade Marshal a few years back. Well, Danny Segundo told me he was listening to the morning traffic report when Jennifer mentioned Meadows Place on her broadcast. Wohoo! It all adds up.

Did You Know... Mr. Carl Wright is going to go to Ireland, England and Wales as part of a choir who will be performing in 5 concerts while they are over there? Wow. A musical person, Carl said a couple of months ago he picked up his French horn for the first time since he was in school, and said that was a long, long time ago but he is going to try to master it once again. Good luck getting that lip back in shape Carl, and have a great trip.

Did You Know... Elaine Jessup went on a 10 K walk around the Battleship Texas and San Jacinto Monument with the Houston Happy Hikers?

Happy Hikers is an organization that goes to interesting and historic places like Washington on the Brazos and has both group and individual walks set up. Elaine had a lot of fun.

Did You Know... Lee Noak wanted to give a big shout out to his neighbor Harold May who not only swept and disposed of leaves and pollen on his curb, (on Meadowdale sect 3), but also cleaned the curbs of adjacent homes! "He has done this several times"! A BIG Thank You to a great neighbor! Thank You, Lee for letting us know.

Did You Know... that last month we completed filming on a new promotional film showing the activities and scope of our new Training and Emergency Operations Center? Chief Stewart is excited because it shows some of his officers using the new Laser Shot system, but also because he will be able to use it for officer recruitment, grant application support and things like that. It will be short but hopefully impactful. Thank You Meadows Place Economic Development for funding this film. Things like this ensures that Meadows Place will always be... *Your Place for Life!*

Did You Know... we have two Bearded Dragons in the Nature Center portion of the Discovery Center? This goes well with all the other cool critters we have there. Soon, we will have a portable "game cam" set up so we can all watch their antics at home. Great idea, Colene!

Did You Know... that most of us were surprised to find out how much it is costing the County to replace the concrete panels on one side of the drainage ditch behind the pool and Discovery Center? Rick Staigle, who works for the County, reported to Council. It was \$581,000.00!! Wow- Glad they are paying for it!

Did You Know... is for YOU. To get something in Did You Know in 2018, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... we are still fighting to protect our children from Sex Offenders but have a case stalled in the 14th Court of Appeals. We have been waiting for them to rule so last week I requested our legal team file a brief to force the issue. I gave them the go ahead after reading an update that says we could be arguing the case should be dismissed because it is moot due to recent Texas law allowing General Law Texas cities like Meadows Place to enact sex offender ordinances (which we have). On April 6, the Texas Supreme Court dismissed an appeal filed by Texas Voices and hopefully our brief will help the 14th Court of Appeals to do the same for us.

(Comments From The Mayor continued from page 1)

Code Red

The Code Red Emergency and Alerting System has gone through some changes recently. I got some great feedback after a Council meeting and learned we need to make sure everyone:

1. Knows about our Code Red notification system
2. Knows there are both General and Emergency notifications and each have a different number so you can identify the type of call coming in and
3. Know that you have the ability to 'manage' your account, and how. We are working on a Code Red information rollout which should be ready by the end of the month. We will let you know when we make it available. Thank You.

Road Repair Record

Thanks to the hard work and planning of Danny Segundo, our Public Works Director, Meadows Place smashed the record for internal street and sidewalk repair for one fiscal year. We have had over 50 projects completed at a (budgeted) cost of \$260,000.00. Danny told Council he is already working on, and prioritizing, locations for the next fiscal year. Thank You, Danny.

Neighborhood Watch Meeting May 17th, 2018 7pm Meadows Place Police Dept. Training Center

By Danny Segundo

Here's what you can do to control mosquitoes outside your home

- Install or repair and use window and door screens. Do not leave doors propped open.
- Once a week, empty and scrub, turn over, cover, or throw out any items that hold water like tires, buckets, planters, toys, pools, birdbaths, flowerpot saucers, or trash containers. Mosquitoes lay eggs near water.
 - ▶ Tightly cover water storage containers (buckets, cisterns, rain barrels) so that mosquitoes cannot get inside to lay eggs.
 - ▶ For containers without lids, use wire mesh with holes smaller than an adult mosquito.
 - ▶ Use larvicides to treat large containers of water that will not be used for drinking and cannot be covered or dumped out.
- Use an outdoor flying insect spray where mosquitoes rest. Mosquitoes rest in dark, humid areas like under patio furniture, or under the carport or garage. When using insecticides, always follow label instructions.

Here's what you can do to control mosquitoes inside your home

- Keep windows and doors shut and use air conditioning when possible.
- Keep mosquitoes from laying eggs inside your home. Once a week, empty and scrub, turn over, cover, or throw out any items that hold water like vases and flowerpot saucers.
- Kill mosquitoes inside your home. Use an indoor flying insect fogger* or indoor insect spray* to kill mosquitoes and treat areas where they rest. These products work immediately, but may need to be reapplied. Always follow label directions. Only using insecticide will not keep your home free of mosquitoes.
 - ▶ Mosquitoes rest in dark, humid places like under the sink, in closets, under furniture, or in the laundry room.

Re-Elect John Isbell – Alderman #1

- Elected in 2012, Making a positive difference since then.
- A taxpaying home-owner resident since 1987.
- Bowlero Corp Project Manager since 1973 – OSHA certified Safety officer, John oversees safety, technical and training programs, maintains and sustains over 300 bowling centers across the USA.
- Shirley and John Isbell have been married since 1978, have two children Johnny and Jared. They participated in T-ball, soccer, baseball, swim team, boy scouts and roller hockey. They both graduated from Meadows Elementary, Dulles Middle and HS. Johnny married Jessica and graduated from U of H. Jared married Brittany and graduated from Texas A&M. We have three awesome grandchildren Catherine, Carl, and Clara. Johnny

and Jessica are both teachers in FBISD. John is math lead and coach of the year for swimming and diving for both boys and girls at Elkins HS. John's wife, Jessica is ELA lead and teacher of the year at Sugar Mill Middle School. Jared works offshore for Schlumberger as a blowout preventer systems engineer and Brittany is a stay-at-home mom and home schools their son, Carl.

- The Isbell's credit the safe home-town atmosphere of caring neighbors and family-oriented amenities of Meadows Place for helping them succeed and economically achieve their objectives.
- John's goals are: (a) to increase family-oriented business development to relieve the bulk of the tax burden from the residents; (b) support police, strong code enforcement, parks, and utilities departments to increase property values; and (c) ethically and honestly make decisions that will attract new families to our city for future growth. John cares about all residents and businesses.
- During John's tenure as Alderman #1, he has participated in the forward-thinking leadership efforts that filled a number of city staff positions, city secretary, parks director, public works director, and the staff of each of these departments. He has been the voice of the residents for all new facilities and amenity upgrades including but not limited city hall upgrades, fire station upgrades, added EMS ambulance services, added police officers, upgraded all police vehicles, expanded after hours police dispatch, the new EOC and police training center, spearheaded the neighborhood watch program, upgraded all water wells, back up generators for the water wells, waste water plant overhaul and upgrades, continued road repairs, upgraded all water meters to radio read meters, upgraded the lake, park trails, and exercise equipment, upgraded the community center and the new nature and discovery center, splash pad, community garden, and countless public gatherings all year round.
- With Mayor and City Council, he oversaw West Airport reconstruction and the addition of Aldi, our local supermarket.
- John credits the preventive maintenance of our drains and the new lake for some of the reasons why Meadows Place did not flood during Harvey.
- John is always willing to listen and take advice. John is and has been committed volunteer for more than 30 years, including: Swim Team Board Member and Equipment manager, Meet announcer, Splash Day, Barefootin' Fridays, Meadows Elementary School Carnivals, Christmas Memories, Neighborhood Watch, National Night Out, Old Town Meadows, July 4th Parade, Kid Fish Derby, Meadows All Play Mudbug Festival for 3 years, Boy Scout Cub Master, Jr. Olympic Roller Hockey coach/referee formed a hockey team with Meadows Place youth, Co-Chairman of 2013 and 2018 Meadows Place Home and Garden Club Tour, Neighborhood Camp Out Cook, Craft Show Volunteer, Community garden tree planter and other work.
- John's hobbies include: Helping those in need, aircraft and auto mechanics, flying, boating, golf, home repair and remodeling, building furniture and other wood working projects, yard work, gardening, mentoring, acting, video production and editing.

"I am endorsing Mayor Charles Jessup for his re-election as Mayor of Meadows Place. Having worked very closely with Mayor Jessup over the past years tells me how dedicated he is to his City that he proudly calls" the best one square mile City in the USA". He is active in the Fort Bend Mayor & Council Association and the local Mayors Luncheon Group. His involvement in his Church and City activities are a responsibility he takes very seriously. The citizens of Meadows Place are very fortunate to have Mayor Jessup and I hope you show that appreciation by re-electing him as your Mayor". ~ Allen Owen
