Dear Prospective Candidate:

Thank you for your consideration in applying for a position on the City of Meadows Place City Council. The positions of **Alderman Place 4** and **Alderman Place 5** will be on the ballot. Both of these positions are for a two-year term of office. The last day to file for application for place on the ballot is **February 15, 2019 at 5:00 p.m.**

Your candidacy demands the obligation to comply with certain applicable state statutes and local ordinances. To assist you in your candidacy during the **May 4, 2019** City election cycle, a "Candidate's Packet" has been prepared with forms and information. The candidate packet may be downloaded from the City's website: <http://cityofmeadowsplace.org/government/municipalelectioninformation/>. However, included with this letter, in hardcopy form, are the required State of Texas forms to be provided to each applicant.

It is the duty of the candidate to become familiar with the laws applicable to campaigning for office. The duty of the City Secretary is limited to accepting and filing the various applications, affidavits, and statements, and noting the date and time of filing thereon. The City Secretary should not be expected to judge or comment upon the timeliness or sufficiency of reports filed. Should you have any questions regarding reporting procedures, contributions, or expenditures, please call the Texas Ethics Commission at (512) 463-5800, or visit online at www.ethics.state.tx.us.

The Application for Place on the Ballot and all Campaign Finance forms are open to the public upon request. Additionally, the media often requests copies of these documents. Please note that the Application for Place on the Ballot has a field for *Public Email Address* information. In connection with same, some candidates create an email address for campaign purposes while others choose to use their personal email addresses for this purpose. Regardless, it is important for the City to have your email contact information. Therefore, in order to protect personal email information in accordance with the Texas Public Information Act, it will be necessary for you to complete the *General Release of Email Address* form indicating your instructions about releasing this information.

You may direct questions about election laws to the Secretary of State at (800) 252-8683 or (512) 463-5650 or visit online at www.sos.state.tx.us.

The City Secretary's office is open to help you. If I may be of assistance to you during your campaign, please do not hesitate to contact me at (281) 983-2931 or by email at citysecretary@cityofmeadowsplace.org.

Sincerely,

s/Courtney Rutherford, City Secretary

Election Calendar

For a City's General Election on May 4, 2019

This calendar indicates the dates for actions necessary in a general election of city officers to be held on May 4, 2019. It includes all major actions for which the Election Code prescribes a specific date or deadline for performance, but it does not include all actions (e.g., preparation of ballot boxes and other election equipment and of sets of precinct election forms) for which the beginning date for performance can vary from one city to another depending on local factors. Each city secretary should use the chart in M §9.02 of the *Texas Municipal Election Law Manual* together with this calendar to fill in those dates on the city secretary's personal election calendar created in accordance with local conditions [see M §9.03]. The city secretary's personal calendar should also reflect dates that the city secretary prefers in place of the discretionary dates recommended in this calendar.

Column 5 indicates the time interval between the date of the action and election day. For example, the notation 50th in the entry for March 15 means that the day for beginning mandatory office hours is the 50th day before election day; the notation "+10" in the entry for May 14 means that the last day for the presiding judge of the early voting ballot board to mail to voters notices of rejected mail ballots is the 10th day after election day.

When there is a statutory provision prescribing the last day for the performance of an act, the number in Column 5 reflects that day. If the statutory day must be moved because of a Saturday, Sunday, or state or national holiday, the resulting date is designated in Columns 1 and 2, and Column 5 indicates, in parentheses and italics, the actual number of days measured from election day.

In preparing a personal calendar, the city secretary should remember the rule in EC §1.006 that if the last day for performance of an action falls on a Saturday, Sunday, or a state or national holiday, the deadline date is usually extended to the next regular business day whether the day is a city holiday or not [see M §2.16(a)]. When a deadline is extended for this reason, the extended date is used for determining other dates that are calculated in relation to the event of the extended date. Exceptions are noted in this calendar.

Major steps are in ALL CAPS. Steps for early voting are in *ITALICS*.

First Steps for Candidates Running for a City Office

This quick-start guide for candidates seeking a city office is not intended to provide comprehensive information. For more details, including information on political advertising requirements, fundraising rules, and filing schedules, see the Texas Ethics Commission's (TEC) website at www.ethics.state.tx.us.

1. All candidates must file a Campaign Treasurer Appointment (Form CTA)

All candidates must file Form CTA even if you do not intend to raise or spend any money. Form CTA is required to be filed before you file an application for a place on the ballot, raise or spend any money for your campaign, or announce your candidacy. File Form CTA with the city clerk or city secretary, as applicable.

2. Opposed Candidates: Will you accept or spend more than \$500 for the election?

- **YES:**
 - You do not qualify to file on the modified reporting schedule.
 - You are **required** to file pre-election campaign finance reports using Form C/OH if you have an opponent on the ballot.
 - Pre-election reports are due 30 days and 8 days prior to each election. To be timely filed, pre-election reports must be received by the city clerk or city secretary no later than the due date.
- **NO:**
 - You can elect to file on the modified reporting schedule by completing the *Modified Reporting Declaration* on page two of Form CTA. File form CTA with the city clerk or city secretary.
 - If you elect to file on the modified reporting schedule, you do not have to file pre-election campaign finance reports due 30 days and 8 days prior to the election.
- **Exceed \$500:** If you elect to file on the modified reporting schedule but later exceed \$500 in either contributions or expenditures, what reports you will be required to file depends upon when you exceed \$500.
 - If you exceed \$500 prior to the 30th day before the election, you are **required** to file pre-election campaign finance reports due 30 days and 8 days prior to an election using Form C/OH. To be timely filed, pre-election reports must be received by the city clerk or city secretary no later than the due date.
 - If you exceed \$500 after the 30th day before the election, you are **required** to file an Exceeded \$500 Limit report using Form C/OH. To be timely filed, this report must be filed with the city clerk or city secretary within 48 hours of exceeding \$500.
 - If you exceed \$500 prior to the 8th day before the election, you are **required** to file a pre-election campaign finance report due 8 days prior to an election using Form C/OH. To be timely filed, the pre-election report must be received by the city clerk or city secretary no later than the due date.

3. Unopposed Candidates

If you do not have an opponent whose name will appear on the ballot in the election, you are an unopposed candidate and are not required to file pre-election campaign finance reports prior to that election.

4. All candidates must file semiannual campaign finance reports (Form C/OH)

All candidates are **required** to file semiannual reports using Form C/OH even if you have no campaign activity or were unsuccessful in the election. Semiannual reports are due on January 15th and July 15th and must be filed with the city clerk or city secretary. To end your filing obligations, you must cease campaign activity and file a Final report using Form C/OH and attaching Form C/OH-FR (Designation of Final Report). See the "Ending Your Campaign" FAQ at www.ethics.state.tx.us/whatsnew/EndingYourCampaign.pdf for more information.

5. All candidates can use the TEC's Filing Application to prepare campaign finance reports (Form C/OH)

You can use the TEC's Filing Application at www.ethics.state.tx.us/File/ to prepare a PDF version of your campaign finance report (Form C/OH). Select "Local Authority" and follow the steps to set up an account and login to the application. Once you have completed your report, print out a copy, get it notarized, and file it with the city clerk or city secretary by the appropriate deadline.

6. Need More Information?

TEC has published a campaign finance guide for local candidates and officeholders located at www.ethics.state.tx.us/guides/coh_local_guide.pdf. Also, you can visit our website at www.ethics.state.tx.us to find forms, instructions, common reporting errors (under "Hot Topics"), political advertising and fundraising guides, and other information you may find useful.

NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to himself, or to any other member of the governing body or court on which he serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Examples of relatives within the third degree of consanguinity are as follows:

- (1) First degree: parent, child;
- (2) Second degree: brother, sister, grandparent, grandchild;
- (3) Third degree: great-grandparent, great-grandchild, uncle, aunt, nephew, niece.

These include relatives by blood, half-blood, and legal adoption. Examples of relatives within the second degree of affinity are as follows:

- (1) First degree: spouse, spouse's parent, son-in-law, daughter-in-law;
- (2) Second degree: brother's spouse, sister's spouse, spouse's brother, spouse's sister, spouse's grandparent.

Persons related by affinity (marriage) include spouses of relatives by consanguinity, and, if married, the spouse and the spouse's relatives by consanguinity. These examples are not all inclusive.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER. As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER. A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER. State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN. If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;

- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT. The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*
- State Board of Education.
- A multi-county district judge* or multi-county district attorney.
- A single-county district judge.*

- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
 - A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
 - A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.
- * Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY. If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

FORMING A POLITICAL COMMITTEE. As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: See the *Campaign Finance Guide for Political Committees* for further information about specific-purpose committees.

CHANGING A CAMPAIGN TREASURER. If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT. If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS. If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT. You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT. For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING. All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Ethics Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES. All candidates should review the applicable Ethics Commission’s campaign finance guide. Guides are available on the Ethics Commission’s website at <http://www.ethics.state.tx.us>.

- 9. CAMPAIGN TREASURER PHONE:** Enter the phone number of your campaign treasurer, including the area code and extension, if applicable.
- 10. CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

PAGE 2

- 11. CANDIDATE NAME:** Enter your name as you did on Page 1.
- 12. MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

EXCEEDING \$500 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the amendment form (ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Ethics Commission's campaign finance guide that applies to you.

Do not repeat information that has not changed. The “NEW” boxes emphasize that the information entered on this form should only be information that is different from what was previously reported. Any information entered in a space with a “NEW” box will replace the existing information.

Qualifications of Campaign Treasurer. This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

12. CANDIDATE SIGNATURE: Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The *degree of consanguinity* is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. **Examples:** (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual’s brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband’s relatives as her husband has by consanguinity. For example, a wife is related to her husband’s grandmother in the second degree by affinity.

Note: The changes you have made on this form will replace the information on your previous APPOINTMENT form (Form CTA).

PAGE 2

13. CANDIDATE NAME: Enter your name as you did on Page 1, Section 1.

14. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semi-annual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

Exceeding \$500 in contributions or expenditures. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use another amendment form (ACTA) to renew your option to file under the modified schedule.

For more information, see the Ethics Commission's campaign finance guide that applies to you.

GENERAL INSTRUCTIONS

These general instructions apply to all forms required to be filed under title 15, Texas Election Code.

ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission (Commission) are required to file those reports electronically unless the person is eligible to claim an exemption. Please check the Commission's website at <https://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, please print everything other than your signature.

If you are filing with the Commission, you may use your own computer-generated form if it provides for disclosure of all the information required on the Commission's form and if it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the Commission's prescribed form may be submitted for pre-approval by the Commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, please call our office at (512) 463-5800.

TEXAS ETHICS COMMISSION GUIDES

The Commission publishes a Campaign Finance Guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The Commission encourages you to read the appropriate guide before you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Commission forms. For example, if the space provided on Schedule A1 is insufficient, you may make copies of a blank Schedule A1 form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date.

If you are filing with the Commission, please address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the Commission's street address is 201 East 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

FORM C/OH: CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT

These instructions are for the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (Form C/OH). A complete report includes the Form C/OH cover sheet, and any of the following schedules on which there is information to report: A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T. A complete Final Report must also include Form C/OH-FR.

Note: Judicial candidates and officeholders must use a different form, Form JC/OH.

GENERAL INFORMATION

Use Form C/OH for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- Exceeded \$500 limit report
- 15th day after officeholder campaign treasurer appointment
- Final Report

See the instructions for sections 9 and 10 of the Cover Sheet for help in deciding which reports you are required to file.

OFFICEHOLDER ACTIVITY

An officeholder may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. However, an officeholder must have a campaign treasurer appointment on file before the officeholder may make campaign expenditures or accept campaign contributions.

DUTIES OF CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

DUTIES OF CAMPAIGN TREASURER

State law does not impose any reporting or record-keeping obligations on a candidate's campaign treasurer.

WHERE TO FILE

This form is filed with the same filing authority with which you were required to file your Campaign Treasurer Appointment (Form CTA). If you are an officeholder who does not have a campaign treasurer appointment on file, file your reports with the same authority with which a candidate for your office must file the campaign treasurer appointment.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a Final Report of contributions and expenditures. A Final Report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports *as a candidate*. If you are an officeholder at the time of filing a Final Report, you may be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$500 in contributions or expenditures during the reporting period.

If you are not an officeholder at the time of filing a Final Report *and* if you have surplus funds or retain assets purchased with political funds, you will be required to file annual reports of Unexpended Contributions. (*See instructions for Form C/OH-UC.*)

To file a Final Report, you must complete the “C/OH CAMPAIGN FINANCE REPORT” (Form C/OH), check the “final” box in section 9 on the Cover Sheet, and complete and attach the “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH- FR).

COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

PAGE 1

- 1. FILER ID:** If you are filing with the Commission, you were assigned a filer identification number when you filed your initial campaign treasurer appointment. You should have received a letter acknowledging receipt of the form and informing you of your Filer ID. Enter this number wherever you see “FILER ID.” If you do not file with the Commission, you are not required to enter a Filer ID.
- 2. TOTAL PAGES FILED:** After you have completed the form, count the total number of pages of this form and any attached schedules. Enter that number where indicated on the top line of page 1 only. Each side of a two-sided form counts as one page.
- 3. CANDIDATE/OFFICEHOLDER NAME:** Enter your full name, including nicknames and suffixes (e.g., Sr., Jr., III), if applicable.
- 4. CANDIDATE/OFFICEHOLDER MAILING ADDRESS:** Enter your complete mailing address. If your mailing address has changed since you last gave notice of your address, check the “Change of Address” box.
- 5. CANDIDATE/OFFICEHOLDER PHONE:** Enter your phone number including the area code, and your extension, if applicable.

Sections 6 - 8 pertain to a candidate’s campaign treasurer. If you are an officeholder who does not have a campaign treasurer appointment on file, skip these sections.

- 6. CAMPAIGN TREASURER NAME:** Enter the full name of your campaign treasurer, including nicknames and suffixes (e.g., Sr., Jr., III), if applicable.
- 7. CAMPAIGN TREASURER ADDRESS:** Enter the complete address of your campaign treasurer.
- 8. CAMPAIGN TREASURER PHONE:** Enter the phone number of your campaign treasurer including the area code, and the extension, if applicable.
- 9. REPORT TYPE:** Check the box that describes the type of report you are filing, according to the descriptions below. See the instructions for section 10 for the periods covered by each type of report.

January 15 Report: All candidates and most officeholders must file a semiannual report by January 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$500 in contributions or expenditures during the reporting period.

All candidates and officeholders who file with the Commission must file this report by midnight Central Time on the January 15 report due date. All candidates and officeholders who file locally must file this report by 5 p.m. on the January 15 report due date.

Note: Anyone who has a campaign treasurer appointment (Form CTA) on file must file semiannual reports, even after an election has ended and even if the filer lost the election. To end this semiannual filing requirement, the filer must cease campaign activity and file a Final Report. (See “Final Report” below for more information.)

July 15 Report: All candidates and most officeholders must file a semiannual report by July 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$500 in contributions or expenditures during the reporting period.

See “January 15 Report” above for more information on filing requirements and deadlines for semiannual reports.

30th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting, but then exceeded a threshold before the 30th day before the election, the candidate must file this report.

The report is due no later than 30 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

You are an "opposed" candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. If you are a write-in candidate, you are an "opposed" candidate subject to the reporting requirements if you accept political contributions or make political expenditures. Candidates who are unopposed in an election are not required to file pre-election reports for that election.

8th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting but then exceeded a threshold before the 8th day before the election, the candidate must file this report.

The report is due no later than 8 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Runoff Report: Opposed candidates who are participating in a runoff election and who did not choose the modified reporting schedule must file this runoff report. The report is due no later than 8 days before the runoff election. For all candidates and officeholders who file with Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Exceeded \$500 Limit Report: Candidates who chose to file under the modified reporting schedule but then, after the 30th day before the election, exceeded \$500 in contributions or \$500 in expenditures in connection with the election must file this Exceeded \$500 Limit report within 48 hours after exceeding the \$500 limit. The candidate must meet this deadline even if it falls on a weekend or a holiday.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. For all officeholders who file with Commission, this report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the Commission. For all officeholders who file locally, this report is due no later than 5 p.m. on the 15th day after an officeholder files Form CTA with the filing authority. It is not required of officeholders who are merely changing their campaign treasurer. It is not required of an officeholder who files locally if the officeholder did not exceed \$500 in either contributions or expenditures during the period covered by the report. Candidates who are not officeholders do not file this report.

Final Report: A person who has a campaign treasurer appointment on file may file this report when he or she does not expect to accept any further campaign contributions or make or authorize any further campaign expenditures. There is not a fixed deadline for this report. This report must have a completed “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH-FR) attached.

A candidate must have a CTA on file to accept campaign contributions or make campaign expenditures, including contributions intended to offset campaign debts or expenditures made to pay campaign debts. A candidate who intends to continue campaign activity should not file a Final Report.

A Final Report terminates a candidate’s CTA and relieves the candidate from any additional filing obligations as a candidate. Officeholders who file a Final Report will still be subject to the filing requirements applicable to officeholders. A person who is not an officeholder but who has surplus political funds or assets after filing a Final Report will be required to file annual Unexpended Contribution reports. (See “Form C/OH-FR: Designation of Final Report” for more information.) A candidate or officeholder who does not have a CTA on file may still be required to file a personal financial statement (PFS).

Filing a Final Report does not relieve a candidate of responsibility for any delinquent reports or outstanding civil penalties.

Daily Pre-Election Report of Contributions: A candidate or officeholder who files with the Commission may be required to file daily pre-election reports disclosing contributions during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. This information can be disclosed on Form C/OH-T. For more information, please see the instructions for Form C/OH-T.

Legislative Special Session Report: A candidate or officeholder who files with the Commission and who accepts a political contribution during the period beginning on the date the governor signs the proclamation calling a special legislative session and continuing through the date of final adjournment is required to file a report after a special session of the legislature. This information can be disclosed on Form C/OH-SS. For more information, please see the instructions for Form C/OH-SS.

- 10. PERIOD COVERED:** A reporting period includes the start date and the end date. The *due date* for filing will generally be *after* the end of the period. Generally, a report picks up where the last report left off, and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports, which do create overlaps because you are required to report the activity twice.

First Reports: If this is the first report of contributions and expenditures that you have filed, the beginning date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (a person who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the start date for your first report will be the date you took office.

January 15th Semiannual Report: The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The end date is December 31 of the previous year.

July 15th Semiannual Report: The start date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The end date is June 30.

30th Day Before Election Report: The start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the “First Reports” section above. The end date is the 40th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

The “total amount of political contributions maintained” includes the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as

certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer.

The total amount of political contributions maintained does *not* include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about monetary campaign and officeholder contributions accepted during the reporting period. Do not enter on this schedule information on non-monetary, in-kind contributions, pledges, loans, or guarantees of loans. Once you actually receive pledged money, it must be reported on Schedule A1. (Report non-monetary, in-kind contributions on Schedule A2; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter incoming monetary contributions that exceed \$50 from one person during a reporting period on this schedule. If you accepted two or more contributions from the same person, the total of which exceeds \$50, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$50 in the period on this schedule. If you do not itemize contributions of \$50 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE A1:** After you have completed Schedule A1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date you *accepted* the contribution. Accepting a contribution is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.
- 5. FULL NAME OF CONTRIBUTOR:** Enter the full name of the contributor. If the contributor is an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable. If the contributor is an entity, enter the full name of the entity.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. Certain restrictions apply to contributions from out-of-state PACS. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

If the contributor is an out-of-state political committee from which you accepted more than \$500 in the reporting period (including pledges or loans from sources

other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$100 to the out-of-state political committee during the 12 months immediately preceding the contribution; *or*
- a copy of the out-of-state political committee's statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee.

If the contributor is an out-of-state political committee from which you accepted \$500 or less (including pledges) during the reporting period, you must include one of the following with your report:

- a copy of the out-of-state political committee's statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee; *or*
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

"ID #" Line (Electronic Filing Only): If you are filing your report electronically, you may enter in this field the out-of-state committee's Federal Election Commission (FEC) identification number. If you do not have an FEC # for the out-of-state PAC or are not filing electronically with the Commission, you must provide other documentation as explained above.

In other circumstances, filers are not required to report this information but may do so.

These instructions are for candidates and officeholders using SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about non-monetary, in-kind campaign and officeholder contributions received during the reporting period. An in-kind contribution is a contribution of goods, services, or any other thing of value *other than money* that is given to your campaign. You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on monetary political contributions, pledges, loans, or guarantees of loans. Once you actually receive a pledged in-kind contribution, it must be reported on Schedule A2. (Report monetary contributions on Schedule A1; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter non-monetary (in-kind) contributions of goods, services, or other things of value that exceed \$50 from one person during a reporting period on this schedule. If you accepted two or more non-monetary contributions from the same person, the total of which exceeds \$50, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$50 in the period on this schedule. If you do not itemize contributions of \$50 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

10. PRINCIPAL OCCUPATION OR JOB TITLE: See instructions for Schedule A1, section 8.

11. EMPLOYER: See instructions for Schedule A1, section 9.

Sections 12-16 pertain to judicial candidates and officeholders only. Do not complete these sections. If you are a judicial candidate or officeholder, please use form JC/OH and the corresponding instructions.

SCHEDULE B: PLEDGED CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE B: PLEDGED CONTRIBUTIONS.

Use this schedule to disclose information about pledges accepted during the reporting period for campaign or officeholder purposes. You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on contributions actually received, loans, or guarantees of loans. (Report contributions actually received on Schedule A1 or Schedule A2, as applicable; report loans and guarantees of loans on Schedule E.)

If you accept a pledge from a person to give you money, goods, services, or anything of value, that pledge is a reportable contribution and you must include the pledge on this schedule for the report covering the period in which you accept the pledge.

Itemization: You must itemize pledges that exceed \$50 in the aggregate from one person during the reporting period. If you received pledges totaling more than \$50 from one person during the reporting period, you must itemize all of those pledges, even if individual pledges were for \$50 or less. Although you are not required to do so, you may also itemize pledges for \$50 or less from one person. You must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is not required to be reported on Schedule B.

Note: See the Campaign Finance Guide for more information on pledges.

- 1. TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. Each side of a two-sided form counts as one page.

- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED PLEDGES:** Enter the total amount of pledges that you accepted during the period that did not exceed \$50 in the aggregate per person. Although you are not required to do so, you may also itemize pledges of \$50 or less on this schedule. If you itemize some pledges of \$50 or less, do not include those pledges in the total entered here. If you choose to itemize all pledges of \$50 or less, do not enter a total amount here.
- 5. DATE:** Enter the date you *accepted* the pledge. Accepting a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it.

Pledge accepted and received in different reporting periods: If you accept a pledge in one reporting period and then receive the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If you receive a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E). The date of the contribution will be the date you accepted the pledged contribution, regardless of when the pledged contribution was actually received.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

Example: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

10. PRINCIPAL OCCUPATION OR JOB TITLE: See instructions for Schedule A1, section 8.

11. EMPLOYER: See instructions for Schedule A1, section 9.

You do not need Schedules C1-4 and D. These schedules are for political committees to report contributions from corporations and labor organizations. Candidates and officeholders are generally prohibited from accepting such contributions.

SCHEDULE E: LOANS

These instructions are for candidates and officeholders using SCHEDULE E: LOANS.

Use this schedule to disclose information about loans and guarantees of loans accepted during the reporting period for campaign or officeholder purposes. This schedule must also be used to disclose deposits of personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. This schedule may also be used to disclose political expenditures from personal funds.

Loans to Your Campaign from Your Personal Funds: You may disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed as if they were made from political contributions. The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was \$5,000. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan. (You may also disclose political expenditures from personal funds on Schedule G. See the Schedule G instructions below for more information.)

Personal Funds Deposited into a Political Account: If you deposit personal funds in an account in which political contributions are held, you must disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction. Disclose the outgoing political expenditures made from that loan as if they were made from political contributions. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan.

Itemization: You must itemize loans (including loans from personal funds) that exceed \$50 that you accepted during the period from one person. If you accepted two or more loans from the same person, the total of which exceeds \$50, itemize each loan separately. Although you are not required to do so, you may also itemize loans that do not exceed \$50.

Other types of filers are not required to report this information but may do so.

14. DESCRIPTION OF COLLATERAL: If there is no collateral for the loan, check the “none” box and go to section 15. If there is collateral for the loan, enter a description of the collateral for the loan.

15. “Check if personal funds were deposited into political account” box: Check this box *only if* the loan is a deposit of your personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported as if they were made from political contributions. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

16. GUARANTOR INFORMATION: If there are no guarantors for the loan, check the “Not Applicable” box and go to the next loan. If you have no further loans to report, go to the next applicable schedule.

A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution on this schedule, and not on the contributions schedule.

17. NAME OF GUARANTOR: Enter the full name of the person guaranteeing the loan. If the guarantor is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the guarantor is an entity, enter the full name of the entity.

SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about political expenditures from political contributions that were made during the reporting period. Do not enter on this schedule unpaid incurred obligations, political expenditures made from personal funds, the purchase of investments from political contributions, expenditures made by credit card, or payments from political contributions made to a business that you own or control. (Report unpaid incurred obligations on Schedule F2; report expenditures from personal funds on Schedule G; report the purchase of investments from political contributions on Schedule F3; report expenditures made by credit card on Schedule F4; and report payments from political contributions made to a business that you own or control on Schedule H.)

Expenditures Made by Credit Card: Effective July 5, 2015, you must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card company on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for nonpolitical payments from political contributions), as applicable. See instructions for Schedule F4: [Expenditures Made by Credit Card](#) for more information.

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter expenditures paid to one individual or entity during a reporting period that in the aggregate exceed \$100 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded \$100, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed \$100 in the period on this schedule. If you choose not to itemize expenditures of \$100 and less on this schedule, you must total all unitemized expenditures and report them on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F1:** After you have completed Schedule F1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date the expenditure payment was made. Remember: Expenditure obligations you incurred in this reporting period *but have not yet paid* are entered on Schedule F2. Expenditures made by credit card are entered on Schedule F4.

5. PAYEE NAME: Enter the full name of the person to whom the expenditure was made.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

6. AMOUNT: Enter the exact amount of the expenditure.

7. PAYEE ADDRESS: Enter the complete address of the person to whom the expenditure was made.

8. PURPOSE OF EXPENDITURE: You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(a) Category: Select a category of goods, services, or other thing of value for which an expenditure is made. If none of the listed categories apply, select “Other” and enter your own category. Examples of acceptable categories include:

- Advertising Expense
- Accounting/Banking
- Consulting Expense
- Contributions/Donations Made By Candidate/Officeholder/Political Committee
- Credit Card Payment
- Event Expense
- Fees
- Food/Beverage Expense
- Gifts/Awards/Memorials Expense
- Legal Services
- Loan Repayment/Reimbursement
- Office Overhead/Rental Expense
- Polling Expense
- Printing Expense
- Salaries/Wages/Contract Labor
- Solicitation/Fundraising Expense
- Transportation Equipment and Related Expense
- Travel In District
- Travel Out Of District
- Other

(b) Description: Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of

value for which the expenditure is made does not adequately describe the purpose of an expenditure.

For examples of acceptable ways to disclose the purpose of an expenditure, please see the "Examples: Purpose of Expenditures" on page 46.

“Check if travel outside of Texas” box: Check this box if the expenditure is for travel outside of Texas. The description of a political expenditure for travel outside of the state of Texas must include detailed information. Please report this information on Schedule T.

“Check if Austin, TX, officeholder living expense” box: For expenditures made on or after July 1, 2014, check this box if the expenditure is an officeholder expense for living in Austin, Texas.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

If you made a direct campaign expenditure to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an *in-kind contribution*. However, if you did not get the candidate’s approval *before* you made the expenditure, you made a *direct campaign expenditure*.

SCHEDULE F2: UNPAID INCURRED OBLIGATIONS

These instructions are for candidates and officeholders using SCHEDULE F2: UNPAID INCURRED OBLIGATIONS.

Use this schedule to disclose information about obligations to make an expenditure that you incurred during the reporting period but have not yet paid. Do not enter on this schedule obligations that were incurred and paid during the reporting period, or other outgoing funds. (Report obligations incurred and paid during the reporting period on Schedule F1, F3, G, H, or I as appropriate, and report expenditures made by credit card on Schedule F4.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: Itemization requirements differ depending on whether the unpaid incurred obligation is for a political or non-political expenditure.

Unpaid Incurred Political Obligations: You must enter political obligations incurred but not yet paid to one individual or entity during a reporting period that in the aggregate exceed \$100 on this schedule. If you incurred more than one obligation to the same payee, the total of which exceeded \$100, enter each expenditure separately. Although you are not required to do so, you may also report political obligations incurred to one person that do not exceed \$100 in the period on this schedule. If you choose not to itemize incurred political obligations of \$100 and less on this schedule, you must total all unitemized obligations and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$100 or less on C/OH Cover Sheet, page 2, section 17, line 3.

Unpaid Incurred Non-Political Obligations: You must enter non-political obligations incurred but not yet paid to one individual or entity during a reporting period on this schedule, regardless of the amount.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F2:** After you have completed Schedule F2, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.

- 4. TOTAL OF UNITEMIZED UNPAID INCURRED OBLIGATIONS:** Enter the total amount of political obligations incurred during the reporting period that do not exceed \$100 in the aggregate per person, unless itemized on this schedule. You are not required to itemize unpaid incurred political obligations of \$100 or less, but if you choose to do so, do not include those unpaid incurred obligations in the total you enter here.

5. DATE: Enter the date the obligation was incurred. Obligations you incurred *and* paid during the reporting period are not entered on this schedule.

6. PAYEE NAME: See instructions for Schedule F1, section 5.

Note: If you incurred an obligation for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. 7. AMOUNT: Enter the exact amount of the incurred obligation.

8. PAYEE ADDRESS: Enter the complete address of the person to whom the obligation is owed.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the incurred obligation was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:
See instructions for Schedule F1, section 9.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F3:** After you have completed Schedule F3, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date you purchased the investment.
- 5. NAME OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the full name of the person or entity from whom you purchased the investment. If you purchased the investment from an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable (title is optional). If you purchased the investment from an entity, enter the full name of the entity.
- 6. ADDRESS OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the complete address of the person or entity from whom you purchased the investment.

When you pay the credit card bill, you must disclose the payment to the credit card company on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for nonpolitical payments from political contributions), as applicable.

Do not enter on this schedule political expenditures from political contributions, unpaid incurred obligations, political expenditures made from personal funds, or payments from political contributions made to a business that you own or control. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2; report the purchase of investments from political contributions on Schedule F3; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that you own or control on Schedule H.)

For examples regarding the disclosure of expenditures made by credit card, please see “Examples: Reporting Expenditures Made by Credit Card” on page 42.

Itemization: Itemization requirements differ depending on whether the expenditure made by a credit card is for a political or non-political expenditure.

Political Expenditures Made by Credit Card: You must itemize political expenditures made by credit card that exceed \$100 (in the aggregate) to a single payee. If you made two or more expenditures to the same payee, the total of which exceeded \$100, enter each expenditure made by credit card separately. Although you are not required to do so, you may also report political expenditures made by credit card that do not exceed \$100 in the reporting period on this schedule. If you choose not to itemize political expenditures made by credit card of \$100 and less on this schedule, you must total all unitemized political expenditures and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$100 or less on C/OH Cover Sheet, page 2, section 17, line 3.

You are not required to itemize political expenditures made by credit card of \$100 or less, but if you choose to do so, do not include those political expenditures made by credit card in the total you enter here.
5. **DATE:** Enter the date you made the expenditure by credit card.

Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

6. **PAYEE NAME:** See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 10, “Purpose of Expenditure.”

7. **AMOUNT:** Enter the amount of the credit card expenditure.
8. **PAYEE ADDRESS:** Enter the complete address of the payee of the credit card expenditure.
9. **TYPE OF EXPENDITURE:** Check only one box to indicate whether the credit card expenditure was political or non-political.

10. **PURPOSE OF EXPENDITURE:** See instructions for Schedule F1, section 8.

Note: Do not choose “Credit Card Payment” as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card company. Instead, choose the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

See instructions for Schedule F1, section 9.

FORM C/OH-FR: DESIGNATION OF FINAL REPORT

These instructions are for candidates and officeholders using Form C/OH-FR: C/OH REPORT: DESIGNATION OF FINAL REPORT. A final report must include this form (Form C/OH-FR) and the CAMPAIGN FINANCE REPORT (Form C/OH) with the “Final Report” box checked on page 1, section 9. It must also include Schedules A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T, as applicable.

GENERAL INFORMATION

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate.

If you do not have an appointment of campaign treasurer on file, you may not accept **campaign** contributions or make **campaign** expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept **officeholder** contributions and make **officeholder** expenditures.

The effect of filing a final report differs depending on whether you are an officeholder at the time you file a final report.

Officeholders Filing a Final Report: You will not have to worry about surplus political funds and assets until you cease to be an officeholder. You may still be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are local officeholders who do not exceed \$500 in contributions or expenditures during the reporting period.

If you cease to be an officeholder at a time when you do not have a campaign treasurer appointment on file, and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder, you **must** file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide.

Non-Officeholders Filing a Final Report: You will no longer be required to file reports **unless** you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions. If you retain any of those items, you must file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year after the year in which you filed your final report. You may not retain these unexpended funds longer than six years after the date of filing a final report. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide.

EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card companies.

Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period

A candidate for office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy \$500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the \$1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card company:

1. For the credit card charges: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked. The candidate also reports the \$500 expenditure on the “Expenditures Made by Credit Card” Schedule and identifies the sign company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Signs.” In Section 9 of the schedule, the box for “Political” is also checked.
2. For the payment to the credit card company: a \$1,500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”
3. Both \$1,500 amounts reported on each schedule will also be included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

1. For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.
2. For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
3. Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
2. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

1. A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the

expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
2. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

1. A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

EXAMPLES: REPORTING EXPENDITURES FROM PERSONAL FUNDS

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures from personal funds.

If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, you must report the expenditure in one of three ways. Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

Method #1: Itemize the expenditure on the “Political Expenditures Made from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty. When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures” schedule (Schedule F1).

Example: On December 1, 2007, Candidate A spends \$500 of her own personal funds to purchase political advertising signs. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2007.

If you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

Method #2: Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, F4, or H as appropriate). Do NOT report political expenditures made from the loan on Schedule G. The amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1.

Example: In one reporting period, Candidate B spends \$5,000 of his own personal funds to purchase political advertising materials. He spends \$3,000 at Business One and \$2,000 at Business Two. He reports the expenditures as a \$5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions by disclosing the reimbursement on Schedule F1. He reports the reimbursement on Schedule F1. The payee in this instance is Candidate B, the category of the expenditure is “Loan

Repayment/Reimbursement,” and “political expenditure made from personal funds reported as a loan” is an acceptable brief description.

Method #3: Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, or H as appropriate). When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.)

Example: In one reporting period, Candidate C opens a campaign bank account and deposits \$5,000 of her own personal funds into the account. She makes one \$3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the \$5,000 as a loan on Schedule E, itemizes the \$3,000 expenditure for the political advertising on Schedule F1, and includes the remaining \$2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. The payee in this instance is Candidate C, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.

EXAMPLES: REPORTING STAFF REIMBURSEMENT

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

Example #1: The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. **Do not** disclose as the payee the name of your staff worker.

Example #2: The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

Example #3: The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period **but** you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

These instructions are for candidates and officeholders using FORM C/OH-UC: CANDIDATE / OFFICEHOLDER REPORT OF UNEXPENDED CONTRIBUTIONS. Use Form C/OH-UC for filing either an annual report of unexpended contributions or a report of the final disposition of unexpended contributions.

GENERAL INSTRUCTIONS

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS. You must file this report if one of the following descriptions applies to you:

- (1) You filed a final report as a candidate at a time when you were not an officeholder and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; *or*
- (2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you ceased to be an officeholder.

You must file an Unexpended Contributions - Annual report not earlier than January 1 and not later than January 15 of the year after each year in which you maintained unexpended contributions or assets. You must complete Form C/OH-UC and designate the report as an annual report by checking the “Annual” box.

You must continue to file Unexpended Contributions - Annual reports until you have disposed of all your unexpended contributions or assets. Once you have disposed of all your contributions or assets, you must file an Unexpended Contributions - Final report.

You may not retain unexpended contributions or assets longer than six years after the date you filed your final report or ceased being an officeholder, as applicable. If you still maintain unexpended assets at the end of the six-year period, you must dispose of the assets in one of the following ways:

- (1) You may give them to the political party with which you were affiliated when your name was last on the ballot.
- (2) You may give them to a candidate or a political committee. If you do so, however, you must file a report on Form AS IF-SPAC as described below under “Extra Reporting for a Contribution to a Candidate or Political Committee.”
- (3) You may give them to the comptroller for deposit in the state treasury to be used to finance primary elections.
- (4) You may give them to one or more persons from whom you received political contributions, but the total returned to any person may not exceed the aggregate

amount accepted from that person during the last two years during which you were accepting political contributions.

- (5) You may give them to a recognized charitable organization formed for educational, religious, or scientific purposes that is exempt from taxation under Section 501(c)(3), Internal Revenue Code of 1986, and its subsequent amendments.
- (6) You may give them to a public or private post-secondary educational institution or an institution of higher education as defined by Section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

You may dispose of unexpended contributions or assets in this manner at any time during the six-year period.

EXTRA REPORTING FOR CONTRIBUTION TO CANDIDATE OR POLITICAL COMMITTEE. If you contribute unexpended contributions or assets to another candidate or political committee, you must report the contribution twice. You must include the contribution on your Annual Report and you must also report the contribution on a AS IF-SPECIFIC-PURPOSE COMMITTEE CAMPAIGN FINANCE REPORT (Form AS IF-SPAC). You must file the AS IF-SPAC report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

NOTE: If the candidate or political committee files with the Texas Ethics Commission (Commission), you will need a separate “AS IF-SPAC” filer ID to file the AS IF-SPAC report. Please contact the Commission for help in establishing an AS IF-SPAC filer ID.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT. You must file a report of the final disposition of your unexpended contributions or assets. Complete Form C/OH-UC and designate the report as an “Unexpended Contributions – Final” report by checking the “Final Disposition” box. Sec. 251.009. LEGISLATIVE CAUCUS CONTRIBUTION OR EXPENDITURE NOT CONSIDERED TO BE OFFICEHOLDER CONTRIBUTION OR EXPENDITURE. A contribution to or expenditure by a legislative caucus, as defined by Section 253.0341, is not

Sec. 252.0011. INELIGIBILITY FOR APPOINTMENT AS CAMPAIGN TREASURER.

(a) Except as provided by Subsection (b) or (c), a person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that does not file a report required by Chapter 254.

(b) The period for which a person is ineligible under Subsection (a) for appointment as a campaign treasurer ends on the date on which the political committee in connection with which the person's ineligibility arose has filed each report required by Chapter 254 that was not timely filed or has paid all fines and penalties in connection with the failure to file the report.

(c) Subsection (a) does not apply to a person if, in any semiannual reporting period prescribed by Chapter 254:

(c) Political advertising by a candidate who files a declaration of intent to comply with the limits on expenditures under Subchapter F, Chapter 253, or a specific-purpose committee for supporting such a candidate that does not contain the statement prescribed by Subsection (b) must comply with Section 255.001.

(d) Political advertising by a candidate who files a declaration of intent to exceed the limits on expenditures under Subchapter F, Chapter 253, or a specific-purpose committee for supporting such a candidate must include the following statement: "Political advertising paid for by (name of candidate or committee), (who or which) has rejected the voluntary limits of the Judicial Campaign Fairness Act."

(e) The commission shall adopt rules providing for:

(1) the minimum size of the disclosure required by this section in political advertising that appears on television or in writing; and

(2) the minimum duration of the disclosure required by this section in political advertising that appears on television or radio.

(f) A person who violates this section or a rule adopted under this section is liable for a civil penalty not to exceed:

(1) \$15,000, for a candidate for a statewide judicial office or a specific-purpose committee for supporting such a candidate;

(2) \$10,000, for a candidate for chief justice or justice, court of appeals, or a specific-purpose committee for supporting such a candidate; or

(3) \$5,000, for a candidate for any other judicial office covered by Subchapter F, Chapter 253, or a specific-purpose committee for supporting such a candidate.

(g) Section 253.176 applies to the imposition and disposition of a civil penalty under this section.

(b) It is the intent of the legislature that every candidate and political committee that subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play to encourage healthy competition and open discussion of issues and candidate qualifications and to discourage practices that cloud the issues or unfairly attack opponents.

Sec. 258.003. DELIVERY OF COPY OF CODE.

(a) When a candidate or political committee files its campaign treasurer appointment, the authority with whom the appointment is filed shall give the candidate or political committee a blank form of the Code of Fair Campaign Practices and a copy of this chapter.

(b) The authority shall inform each candidate or political committee that the candidate or committee may subscribe to and file the code with the authority and that subscription to the code is voluntary.

Sec. 258.004. TEXT OF CODE. The Code of Fair Campaign Practices reads as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free

expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

GUIDE TO A LOCAL FILING AUTHORITY'S DUTIES UNDER THE CAMPAIGN FINANCE LAW

This guide explains the responsibilities of local filing authorities (other than county filing authorities) under the Texas campaign finance law, which is set out in title 15 of the Election Code. The Texas Ethics Commission is responsible for interpreting title 15. Under title 15, the campaign finance filing authority for a political subdivision other than a county is the clerk or secretary of the political subdivision's governing body. If the political subdivision does not have a clerk or secretary, the filing authority is the presiding officer of the political subdivision's governing body. You may direct questions about title 15 to the Ethics Commission at (512) 463-5800. You should direct other questions about election law to the Secretary of State at (512) 463-5650 or (800) 252-8683.

Local filing authorities are not expected to be title 15 experts. The Ethics Commission has prepared two filing guides for local filing authorities to distribute to filers: a CAMPAIGN FINANCE GUIDE FOR LOCAL CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES and a CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES. For questions not answered in those guides or in the instructions to forms, filers should call the Ethics Commission. (If you are an elected officeholder, you need to understand your obligations as a *filer* in addition to your obligations as a filing authority.)

PART I. THE ROLE OF THE FILING AUTHORITY

WHAT IS TITLE 15 ABOUT?

The campaign finance law, title 15 of the Election Code, regulates the acceptance of, expenditure of, and reports regarding money in political campaigns by candidates, officeholders, and political committees. There are civil and criminal penalties for violations of title 15. **Title 15 has nothing to do with ballot access.** A violation of title 15 will not keep a person off the ballot nor will it invalidate an election.

WHAT ARE MY RESPONSIBILITIES UNDER THE CAMPAIGN FINANCE LAW?

Forms: You may print the various forms listed in this guide and the accompanying instructions from the Ethics Commission's website at <http://www.ethics.state.tx.us> on the Internet.

You are responsible for copying forms and making them available to filers. You may not charge filers for forms.

Filings: You are responsible for accepting documents that candidates, officeholders, and political committees file under title 15. Always remember to date-stamp a filing and to save postmarks and receipt marks on envelopes.

Code of Fair Campaign Practices: Under chapter 258 of the Election Code, which is known as the Fair Campaign Practices Act, you must provide the following documents to each candidate or political committee that files a campaign treasurer appointment with you: (1) a copy of the Fair

Campaign Practices Act and (2) a form on which the candidate or treasurer of the committee may subscribe to the Code of Fair Campaign Practices (FORM CFCP). The Ethics Commission makes these documents available. See “Forms” above. A candidate or committee treasurer may complete FORM CFCP and file it with you.

No Filing Fees: Section 251.003 of the Election Code states that you may not charge a filing fee for filings required by title 15.

Notices: You are not required to send filers notices to file.

Penalties: You have no responsibility for making sure that candidates, officeholders, or political committees file the required documents; nor do you have authority to penalize a filer for failure to submit a required filing. Filers should be aware, however, that there are penalties for violating title 15. See “Part V. Penalties” in this guide.

Public Access: Forms filed under title 15 are public records and must be made available for public inspection during regular business hours.

School Districts with a Student Enrollment of More Than 15,000 and Located Wholly or Partly in a Municipality with a Population of More Than 500,000. Beginning with campaign finance reports required to be filed on or after January 1, 2012, a school district that meets this enrollment and population criteria is required to post on the school district’s Internet website the reports filed by school board trustees, candidates for school board trustee, and specific-purpose committees that support, oppose, or assist a candidate for or member of the board of trustees in a school district. A report must be posted on the school district’s website not later than the fifth business day after the date the report is filed. Elec. Code § 254.04011.

Retention: You must keep a campaign treasurer appointment for two years *after the campaign treasurer appointment is terminated*. Also, if a candidate or committee treasurer files a form subscribing to the Code of Fair Campaign Practices, you must keep the form for the same period for which you keep the candidate’s or committee treasurer’s campaign treasurer appointment. You must keep other title 15 records for at least two years after filing. If a criminal investigation or proceeding is pending in regard to the election to which title 15 records pertain, you must keep the records until the investigation or proceeding is over. The Texas State Library and Archives Commission can provide general information about records retention and destruction. You may write the Library and Archives Commission at P.O. Box 12927, Austin, Texas 78711-2927. You may call the commission at (512) 463-5460.

Questions from Filers: You are not expected to be a title 15 expert. Filers will find answers to most of their questions either in the instructions to the forms or in the applicable Ethics Commission campaign finance guide. For further information filers may call the Ethics Commission.

WHO FILES WITH ME?

The following individuals and committees file with the filing authority for a political subdivision:

1. Candidates for and officeholders of elective offices of the political subdivision;
2. Specific-purpose committees supporting or opposing candidates for and officeholders of elective offices of the political subdivision; and
3. Specific-purpose committees supporting or opposing a measure to be submitted at an election ordered by an authority of the political subdivision. *See* “Part IV. Specific-Purpose Political Committees” in this guide.

NOTE: A specific-purpose committee that would be required to file with more than one local filing authority may instead file with the Ethics Commission.

WHAT FORMS DO I NEED TO MAKE AVAILABLE?

For most forms, there is a separate instruction guide. ***Remember:*** *always make the appropriate instruction guide available with a form!*

1. FORM CTA and FORM CTA Instruction Guide (Appointment of a Campaign Treasurer by a Candidate)

A person who takes action to gain nomination or election to a public office must file FORM CTA even if the person does not intend to accept campaign contributions or make campaign expenditures. Additionally, before a candidate may raise or spend money for his or her candidacy, the candidate must appoint a campaign treasurer by filing FORM CTA with the appropriate filing authority. For example, a candidate must file a campaign treasurer appointment before paying a filing fee.

2. FORM ACTA and FORM ACTA Instruction Guide (Amendment: Appointment of a Campaign Treasurer by a Candidate)

A candidate uses FORM ACTA to show changes in information on a campaign treasurer appointment.

3. FORM C/OH and FORM C/OH Instruction Guide (Candidate/Officeholder Campaign Finance Report)

Candidates and officeholders use FORM C/OH to file periodic reports of contributions and expenditures. A person who is both a candidate and an officeholder reports all activity on the same FORM C/OH.

4. FORM C/OH-FR and FORM C/OH Instruction Guide (C/OH Report: Designation of Final Report)

A candidate uses FORM C/OH-FR to file a final report when he or she does not intend to accept further campaign contributions or make further campaign expenditures. The Ethics Commission

makes FORM C/OH-FR available as the last page of FORM C/OH; thus the instructions for FORM C/OH-FR are included in the FORM C/OH Instruction Guide.

5. FORM C/OH-UC and FORM C/OH-UC Instruction Guide (Candidate/Officeholder Report of Unexpended Contributions)

Former candidates and officeholders use this form to report the disposition of unexpended contributions.

6. FORM STA and FORM STA Instruction Guide (Appointment of a Campaign Treasurer by a Specific-Purpose Committee)

A specific-purpose political committee uses FORM STA to appoint a campaign treasurer. Before a political committee may accept more than \$500 in political contributions or spend more than \$500 in political expenditures, the committee must appoint a campaign treasurer.

7. FORM ASTA and FORM ASTA Instruction Guide (Amendment: Appointment of a Campaign Treasurer by a Specific-Purpose Committee)

A specific-purpose political committee uses this form to show changes in information provided on a campaign treasurer appointment.

8. FORM SPAC and FORM SPAC Instruction Guide (Specific-Purpose Committee Campaign Finance Report)

The treasurer of a specific-purpose political committee uses this form to file periodic reports of contributions and expenditures.

9. FORM PAC-DR and FORM SPAC Instruction Guide (Political Committee Affidavit of Dissolution)

The treasurer of a political committee files FORM PAC-DR, along with a FORM SPAC designated as a dissolution report, to dissolve the committee. The Ethics Commission makes FORM PAC-DR available as the last page of FORM SPAC; thus the instructions for FORM PAC-DR are included in the FORM SPAC Instruction Guide.

10. FORM CFCP and copy of the Fair Campaign Practices Act

You must provide a copy of FORM CFCP and a copy of the Fair Campaign Practices Act (Election Code chapter 258) to each candidate or political committee that files a campaign treasurer appointment with you.

11. FORM PFS (Personal Financial Disclosure Statement)

Certain local officials are required to file personal financial disclosure statements with local filing authorities. See Local Gov't. Code chs. 145, 159, 335; Educ. Code § 11.064; Water Code ch. 60, subch. O.

WHY IS IT SO IMPORTANT TO PROVIDE THE INSTRUCTIONS WITH THE FORMS?

The forms consist mainly of blank spaces. The instructions explain the reporting requirements in detail.

IS THERE OTHER INFORMATION I CAN MAKE AVAILABLE TO FILERS?

The Ethics Commission makes the following guides available for filing authorities to provide to filers.

1. Campaign Finance Guide for Candidates and Officeholders Who File With Local Filing Authorities.
2. Campaign Finance Guide for Political Committees.
3. Campaign Finance Guide for Judicial Candidates and Officeholders.
4. Schedules of Filing Dates.
5. A Guide to Political Advertising: What You Need To Know.
6. A Guide To The Prohibition Against Using Political Subdivision Resources for Political Advertising.

HOW DO I KNOW THE FILING DEADLINES?

Title 15 of the Election Code prescribes the filing deadlines for candidates, officeholders, and treasurers of political committees. Filing schedules are also posted on the Ethics Commission's website at <http://www.ethics.state.tx.us> on the Internet. The filing schedules set out the filing deadlines for semiannual reports and pre-election reports for elections held on uniform election dates. Some elections ordered by a political subdivision may be held on dates other than uniform election dates. The Ethics Commission cannot know in advance the dates of all possible elections called by political subdivisions. If an election arises that is not covered on the schedule, please call the Ethics Commission for assistance in calculating the due dates for pre-election reports.

Deadline on Weekend or Holiday. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 p.m. Deadline. The deadline for filing a report is 5 p.m. on the due date.

Delivery by Mail or Other Carrier. For most reporting deadlines, a document is filed on time if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time by the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

WHY SHOULD I DATE-STAMP FILINGS AND SAVE POSTMARKS?

Reports are due by certain deadlines, and members of the public or a prosecutor may be interested in knowing whether a particular report was filed on time. A file stamp will show whether a hand-delivery was on time. For other filings, a postmark or receipt mark will show whether the filings were timely.

MAY FILERS USE COMPUTER PROGRAMS TO CREATE REPORTS?

The Ethics Commission makes available computer software for candidates and committee treasurers to use in generating reports required under title 15. Local filers may use the software to generate a report *on paper*, but must add the affidavit required to be used on reports filed on paper and must sign the affidavit. Local filers who have questions about the software should call the Ethics Commission directly.

PART II. CANDIDATES

WHAT MAKES SOMEONE A CANDIDATE?

Any action a person takes to seek nomination or election to public office makes the person a candidate for title 15 filing purposes. A candidate must file a campaign treasurer appointment even if the candidate does not intend to accept campaign contributions or make campaign expenditures. Once a person has filed a campaign treasurer appointment, he or she must file periodic reports of contributions and expenditures as a candidate. The obligation to file reports as a candidate lasts until the person files a final report.

Additionally, a person may not accept a campaign contribution or make a campaign expenditure (even from personal funds) without a campaign treasurer appointment on file.

HOW DOES A CANDIDATE APPOINT A CAMPAIGN TREASURER?

To appoint a campaign treasurer, a candidate files FORM CTA with the appropriate filing authority.

Qualifications of Campaign Treasurer. A candidate may appoint himself, a relative, a friend, or anyone else as campaign treasurer. Under a law that took effect on September 1, 2003, a person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee and has outstanding filing obligations.

Duties of a Candidate's Campaign Treasurer. A candidate's campaign treasurer has no official duties. The candidate, not the campaign treasurer, is required to sign reports. (The treasurer of a political committee is required to file reports for the committee.)

Effective Date of Appointment. If delivered by hand, a campaign treasurer appointment takes effect on the date of delivery. If delivered by mail or common carrier, a campaign treasurer appointment takes effect on the date of the postmark or receipt mark.

Transferring a Campaign Treasurer Appointment. A person who has a campaign treasurer appointment on file with you may wish to begin raising or spending money in connection with a campaign for an office that requires filing with a different filing authority. In that case, the candidate transfers his or her campaign treasurer appointment by filing a new FORM CTA with the new filing authority. The candidate must also attach a certified copy of the old campaign treasurer appointment. This procedure can affect you in two ways: (1) You may receive a FORM CTA with a certified copy of an old campaign treasurer appointment attached, or (2) you may be asked to provide a certified copy of a campaign treasurer appointment on file with you.

Candidate Who Files a Campaign Treasurer Appointment with a New Filing Authority. A candidate who has been filing with you may file a campaign treasurer appointment with a different filing authority. The candidate will need to file a certified copy of his or her political subdivision campaign treasurer appointment with the new filing authority. This ends the person's obligation to file with you *even if he or she continues to hold an office of your political subdivision.*

Example: Jane Doe, a city council member with a campaign treasurer appointment on file with the city secretary, decides to run for the state legislature. She files a campaign treasurer appointment with the Ethics Commission along with a certified copy of her city campaign treasurer appointment. She is no longer required to file title 15 reports with the city secretary. Nonetheless, she may wish to file duplicate copies of reports with the city secretary as long as she holds a city office.

Termination of a Campaign Treasurer Appointment. It is important for you to know the termination date of a campaign treasurer appointment because you must keep a campaign treasurer appointment for two years *after it is terminated.* A campaign treasurer appointment may be terminated by the candidate in three different ways: (1) the candidate files a final report; (2) the candidate appoints a new campaign treasurer; or (3) the campaign treasurer or the candidate notifies you that the appointment is terminated.

An "inactive" campaign treasurer appointment may be terminated by you if the governing body of your political subdivision adopts a process by ordinance or order allowing such termination. A candidate is inactive if the candidate: (1) has never filed or has ceased to file any required campaign finance reports, (2) has not been elected to an office which requires filing a campaign treasurer appointment with you, and (3) has not filed a final report. Before a campaign treasurer appointment may be terminated, the governing body of the political subdivision must consider the proposed termination in a regularly scheduled open meeting.

WHEN DOES A CANDIDATE HAVE TO FILE REPORTS?

Officeholder Who Files a Campaign Treasurer Appointment. An officeholder who files a campaign treasurer appointment *and who did not already have a campaign treasurer appointment on file* must file a report no later than 15 days after filing the campaign treasurer appointment. This

requirement does not apply when an officeholder simply *changes* campaign treasurers. After filing a campaign treasurer appointment and the “15-day” report, the candidate/officeholder files according to the filing schedule for candidates.

Exception. The “15-day” reporting requirement does not apply if the candidate/officeholder had no more than \$500 in contributions or expenditures during the period covered by the report.

Semiannual Reports. A candidate is required to file semiannual reports on January 15 and July 15 of each year on FORM C/OH. A person who is both a candidate and an officeholder (that is, an officeholder who has a campaign treasurer appointment on file) is not required to file two separate reports. Nor is a person required to distinguish between candidate activity and officeholder activity on the report.

No Exception. A person who has a campaign treasurer appointment on file must file semiannual reports, even for reporting periods during which there is no reportable activity and even if the person chose modified reporting.¹

Pre-Election Reports. An opposed candidate in an upcoming election must file pre-election reports. Pre-election reports are due 30 days and 8 days before an election.² A pre-election report must be *received* by the appropriate filing authority no later than the report due date.

An “opposed candidate” is a candidate who has an opponent whose name is printed on the ballot. Pre-election reports are not required if a candidate’s only opposition is a write-in candidate.³

Modified Reporting. An opposed candidate who selects “modified reporting” is not required to file pre-election reports (or runoff reports). **(The selection of modified reporting does not affect a candidate’s obligation to file semiannual reports.)** A candidate is eligible to select modified reporting if he or she does not intend to exceed \$500 in contributions or expenditures in connection with an election. (A candidate has separate \$500 thresholds for a primary, a runoff, and a general election.) A candidate selects modified reporting by signing the appropriate blank on FORM CTA or FORM ACTA.

A “modified filer” who exceeds one of the \$500 thresholds in connection with an election is subject to the regular filing requirements for opposed candidates. If a modified filer exceeds one of the thresholds before the due date for the “30-day” pre-election report, the filer is not required to give special notice; the filer is simply required to file the pre-election reports by the scheduled due dates. A modified filer who exceeds one of the thresholds after the due date for the “30-day” pre-election report must file a report within 48 hours of exceeding the threshold. If the candidate files the “48-hour” report before the due date for the “8-day” pre-election report, he or she must also file an “8-day” pre-election report by the regular due date for that report.

Many filers at the local level select modified reporting. To understand the rules that apply to modified filing, candidates should consult the Ethics Commission’s CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES.

Runoff Reports. A candidate in a runoff must file a runoff report. A runoff report is due no later than the eighth day before the runoff election and must be *received* by the appropriate filing authority no later than the report due date.

Modified Reporting. A candidate who has selected modified reporting and who remains eligible for modified reporting is not required to file a runoff report. (The selection of modified reporting does not affect a candidate's obligation to file semiannual reports.)

A candidate who has selected modified reporting has \$500 thresholds in connection with the main election and new \$500 thresholds in connection with a runoff.

Annual Reports of Unexpended Contributions. A person who files a final report is no longer a candidate for title 15 purposes. If the person has surplus funds or assets (and is not an officeholder), he or she must file annual reports of unexpended contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year on FORM C/OH-UC. The obligation to file annual reports ends when the former candidate files a report of final disposition of unexpended contributions. Final disposition must be made within six years of filing a final report or leaving office, whichever is later.

Report of Final Disposition of Unexpended Contributions. After a former candidate disposes of all surplus funds and assets, he or she must file a report of final disposition of unexpended contributions, also on FORM C/OH-UC. The former candidate may file this report at any time during the year.

WHEN MAY A CANDIDATE STOP FILING TITLE 15 REPORTS?

Filing a final report⁴ ends a person's obligation to file title 15 reports unless (1) the filer has not yet filed past-due reports, (2) the person is an officeholder, or (3) the person has surplus funds at the time of filing a final report. An officeholder may be required to file title 15 reports as an officeholder. See "Part III. Officeholders. When Does An Officeholder Have To File Reports?" in this guide. A former candidate who is not an officeholder but who has surplus campaign funds must file annual reports of contributions and expenditures. See "Part II. Candidates. Annual Reports of Unexpended Contributions" above.

PART III. OFFICEHOLDERS

This section only applies to an officeholder who does not have a campaign treasurer appointment on file. Once an officeholder files a campaign treasurer appointment, he or she becomes a candidate for purposes of the title 15 filing requirements and must comply with the title 15 requirements applicable to candidates rather than the requirements applicable to officeholders. Note that only a person who has a campaign treasurer appointment on file may accept a campaign contribution or make a campaign expenditure (even from personal funds).⁵

WHAT DOES TITLE 15 HAVE TO DO WITH OFFICEHOLDERS?

Although title 15 is commonly referred to as the *campaign* finance law, it also requires officeholders who are not candidates (in other words, who do not have a campaign treasurer appointment on file) to file reports of officeholder contributions and expenditures.

WHEN DOES AN OFFICEHOLDER HAVE TO FILE REPORTS?

Semiannual Reports. An officeholder is required to file semiannual reports of officeholder contributions and expenditures on January 15 and July 15 of each year. For this report officeholders use FORM C/OH.

Exception for Certain Local Officeholders. There is an exception to the requirement to file semiannual reports for a local officeholder (who does not have a campaign treasurer appointment on file) who did not exceed \$500 in either contributions or expenditures during the reporting period. An officeholder who has a campaign treasurer appointment on file must file semiannual reports even if there is no reportable activity during the reporting period.

Report Required after Appointment of Campaign Treasurer. An officeholder who files an appointment of campaign treasurer (and who did not already have a campaign treasurer appointment on file) must file a report of contributions and expenditures no later than 15 days after filing the appointment, using FORM C/OH. After filing the campaign treasurer appointment and the “15-day” report, the officeholder is subject to the filing requirements applicable to candidates.

Exception. The “15-day” reporting requirement does not apply if the candidate/officeholder had no more than \$500 in contributions or expenditures during the period covered by the report.

Annual Report of Unexpended Contributions. A former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office may be required to file annual reports of unexpended contributions. This requirement applies if the former officeholder retained surplus political funds or assets at the time of filing his or her last required report of contributions and expenditures. The former officeholder may not retain surplus political funds or assets for more than 6 years after leaving office.

Annual reports of unexpended contributions are due not earlier than January 1 and not later than January 15 of each year. The reports, on FORM C/OH-UC, cover the preceding calendar year. A report is due regardless of whether there is any reportable activity. The obligation to file annual reports ends when the former officeholder files a report of final disposition of unexpended contributions.

Report of Final Disposition of Unexpended Contributions. Once a former officeholder disposes of surplus funds and assets, he or she must file a report of final disposition of unexpended contributions. A former officeholder may file this report at any time during the year. For this report former officeholders use FORM C/OH-UC.

Officeholder Who Files a Campaign Treasurer Appointment with a Different Filing Authority.

An officeholder (who does not have a campaign treasurer appointment on file) may file a campaign treasurer appointment with a different filing authority. This ends the officeholder's obligation to file with you *even if he or she continues to hold an office of the political subdivision.*

PART IV. SPECIFIC-PURPOSE POLITICAL COMMITTEES

WHAT IS A POLITICAL COMMITTEE?

A political committee, commonly referred to as a "PAC," is any group that accepts political contributions or makes political expenditures. Although the term "PAC" may suggest a powerful "special interest" group, a political committee may also be a small group such as two people who get together to raise funds for an old friend who is a candidate for school board.

WHAT IS A SPECIFIC-PURPOSE POLITICAL COMMITTEE?

There are two main types of political committees: general-purpose political committees and specific-purpose political committees. In essence, a general-purpose political committee exists to support or promote a particular political point-of-view or the interests of a certain group, whereas a specific-purpose committee exists to support or oppose specific candidates, officeholders, or ballot measures. It is the filer's responsibility, not your responsibility, to determine whether a committee is a general-purpose committee or a specific-purpose committee. The Ethics Commission's Campaign Finance Guide for Political Committees explains the differences in detail.

WHAT POLITICAL COMMITTEES FILE WITH POLITICAL SUBDIVISIONS?

A specific-purpose committee files with the clerk, secretary, or presiding officer of a political subdivision other than a county if the committee supports or opposes either individual candidates or officeholders who file with the political subdivision or ballot measures on elections called by the political subdivision.⁶ All general-purpose political committees file with the Ethics Commission. It is the filer's responsibility to determine where a political committee files campaign finance reports. The Ethics Commission's Campaign Finance Guide for Political Committees will help filers make this determination.

Note for School Districts: Beginning on September 1, 2015, a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district must file all of its *campaign finance reports* with the Ethics Commission. This does not affect the filing requirements for the committee's campaign treasurer appointment.

**WHEN MUST A POLITICAL COMMITTEE FILE
A CAMPAIGN TREASURER APPOINTMENT?**

\$500 Thresholds. A specific-purpose committee must file a campaign treasurer appointment, on FORM STA, before it exceeds \$500 in either political contributions or political expenditures. Once

the committee has filed a campaign treasurer appointment, the treasurer must file periodic reports of contributions and expenditures.

Effective Date. If delivered by hand, a committee's campaign treasurer appointment takes effect on the day of delivery. If delivered by mail or common carrier, the appointment takes effect on the date of the postmark or receipt mark.

Termination of a Committee's Campaign Treasurer Appointment. It is important for you to know the termination date of a committee's campaign treasurer appointment because you must keep a campaign treasurer appointment for two years *after it is terminated*. A committee's campaign treasurer appointment may be terminated by the committee in three different ways: (1) the committee files a dissolution report; (2) the committee appoints a new campaign treasurer; or (3) you receive notification from the committee or the campaign treasurer that the appointment is terminated.

An "inactive" campaign treasurer appointment may be terminated by you if the governing body of your political subdivision adopts a process by ordinance or order allowing such termination. A political committee is inactive if the committee: (1) has never filed or has ceased to file any required campaign finance reports, and (2) has not filed a dissolution report. Before a campaign treasurer appointment may be terminated, the governing body of the political subdivision must consider the proposed termination in a regularly scheduled open meeting.

WHAT ARE THE RESPONSIBILITIES OF A COMMITTEE'S CAMPAIGN TREASURER?

The treasurer of a political committee is responsible for filing the committee's reports of contributions and expenditures. (In contrast, a candidate or officeholder, not his or her campaign treasurer, is responsible for filing candidate and officeholder reports of contributions and expenditures.)

HOW DOES A COMMITTEE CHANGE A CAMPAIGN TREASURER?

A specific-purpose committee changes treasurers by filing an amended appointment of campaign treasurer on FORM ASTA. The new appointment terminates the old appointment. The outgoing treasurer is required to file a termination report on FORM SPAC not later than 10 days after the termination. (A separate termination report is not required if the termination occurs on the last day of a reporting period and the proper report for that period is filed.)

WHAT IF A SPECIFIC-PURPOSE COMMITTEE BECOMES A GENERAL-PURPOSE COMMITTEE?

A change in political activity may mean that a political committee that has been filing with a local filing authority has become a general-purpose committee. This change will require the committee to file a new campaign treasurer appointment with the Ethics Commission. In addition to filing a new campaign treasurer appointment with the Ethics Commission, the committee is required to give notice to the local filing authority of the change in status. The committee should review the Ethics

Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES to become familiar with the contribution and expenditure limits that arise in connection with the transition.

WHEN DOES THE TREASURER OF A SPECIFIC-PURPOSE COMMITTEE HAVE TO FILE REPORTS?

Semiannual Reports. The treasurer of a specific-purpose committee is required to file semiannual reports by January 15 and July 15 of each year. The treasurer must file semiannual reports even if there is no reportable activity.

Pre-Election Reports. A specific-purpose committee supporting or opposing an opposed candidate in an upcoming election must file pre-election reports. A specific-purpose committee supporting or opposing a ballot measure must also file pre-election reports. Filers use FORM SPAC for pre-election reports, which are due 30 days and 8 days before an election.⁷ (If you are the filing authority for a school district, see the [Note under "What Political Committees File with Political Subdivisions?"](#) in this guide.) A pre-election report must be *received* by the appropriate filing authority no later than the report due date.

For purposes of filing pre-election reports, supporting or opposing a candidate or measure means accepting political contributions or making political expenditures to support or oppose the candidate or measure.

Modified Reporting. The treasurer of a specific-purpose committee that selects "modified reporting" is not required to file pre-election reports (or runoff reports). **(The selection of modified reporting does not affect the treasurer's obligation to file semiannual reports.)**

A committee may select modified reporting if the committee does not intend to exceed \$500 in contributions or expenditures in connection with an election. (A committee has separate \$500 thresholds for a primary, a runoff, and a general election.) A committee selects modified reporting by signing the appropriate blank on FORM STA or FORM ASTA.

A committee that has selected modified reporting must file pre-election reports if the committee exceeds one of the \$500 thresholds. If the committee exceeds one of the thresholds before the due date for a "30-day" pre-election report, the committee is not required to give special notice of that fact; the treasurer is simply required to file the pre-election reports by the scheduled due dates. If the committee exceeds one of the thresholds after the due date for the "30-day" pre-election report, the treasurer must file a report within 48 hours of exceeding the threshold (on FORM SPAC) and then file any pre-election or runoff reports that come due.

Runoff Reports. A specific-purpose committee that supports or opposes a candidate in a runoff election must file a runoff report on FORM SPAC. A runoff report is due no later than the 8th day before the runoff and must be *received* by the appropriate filing authority no later than the report due date.

Modified Reporting. A specific-purpose committee that has selected modified reporting and remains eligible for modified reporting is not required to file a runoff report.

A committee that has selected modified reporting has \$500 thresholds in connection with the main election and additional \$500 thresholds in connection with a runoff.

Termination Report. After the treasurer of a political committee resigns or is replaced, the outgoing treasurer is required to file a termination report on FORM SPAC not later than 10 days after the termination. (A separate termination report is not required if the termination occurs on the last day of a reporting period and the proper report for that period is filed.)

Dissolution Report. A political committee that expects to receive no further political contributions or make no further political expenditures may file a dissolution report on FORM SPAC with FORM PAC-DR attached.

The dissolution report terminates the committee's campaign treasurer appointment and relieves the campaign treasurer of the duty to file additional reports. (In this case, the dissolution report serves as the treasurer's termination report.)

PART V. PENALTIES

As a local filing authority, you have no authority to penalize filers in any way for violations of title 15. Any individual may file a criminal complaint regarding a violation of title 15 with the appropriate county or district attorney. Also, any Texas resident may file a sworn complaint with the Ethics Commission alleging a violation of title 15.

PART VI. FREQUENT QUESTIONS

If you have questions about your responsibilities as a filing authority, call the Ethics Commission. The following list contains questions that local filing authorities frequently ask.

Q. What title 15 documents should I give to a person who says he is interested in running for an office of my political subdivision?

A. In addition to information you provide about getting on the ballot, you should give the person a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES, FORM CTA and the FORM CTA Instruction Guide.

Q. What should I give to a person who files a campaign treasurer appointment?

A. The person, who is now a candidate for purposes of title 15, will need FORM C/OH and the FORM C/OH Instruction Guide and a Filing Schedule. You are required to give the person a copy of the 1997 Fair Campaign Practices Act, Chapter 258 of the Election Code, and a copy of FORM CFCP. You should also make sure that the person has a copy of the Ethics Commission's

CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES.

Q. What should I give someone who is interested in forming a political committee?

- A. A group that intends to accept political contributions or make political expenditures should get a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES, FORM STA and the FORM STA Instruction Guide. The group should read the filing guide to determine whether it is a specific-purpose or general-purpose committee.

Q. What should I give to someone who files a campaign treasurer appointment for a political committee?

- A. The treasurer of the political committee will need FORM SPAC and the FORM SPAC Instruction Guide. You are required to give the committee a copy of the 1997 Fair Campaign Practices Act, Chapter 258 of the Election Code, and a copy of FORM CFCP. The treasurer should also have a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

Q. What should I tell a write-in candidate who asks about title 15?

- A. A person who declares himself or herself to be a write-in candidate must file a campaign treasurer appointment and reports of contributions and expenditures.

Q. What do I tell a candidate who says he isn't going to file a campaign treasurer appointment because he is not going to accept campaign contributions?

- A. All candidates must file a campaign treasurer appointment even if a candidate does not intend to accept campaign contributions or make campaign expenditures. Also, the fact that a candidate doesn't accept campaign contributions does not mean that the candidate will have nothing to report. The candidate must report campaign expenditures from personal funds.

A candidate who does not plan to *spend* over \$500 or *accept* more than \$500 in *total contributions* in connection with an election should take the following steps:

1. The candidate should complete FORM CTA and sign the back for modified filing.
2. If a July 15 or January 15 deadline occurs before the election, the candidate must file a report of contributions and expenditures on FORM C/OH.
3. After the election, if the candidate does not intend to accept any further campaign contributions or make any further campaign expenditures (including payment of campaign debts), the candidate should file a report of contributions and expenditures on FORM C/OH and mark it as a Final Report in Box 9, page 1. The candidate should also complete FORM C/OH-FR and submit it along with FORM C/OH. The final report terminates the candidate's appointment of campaign treasurer and ends the person's obligation to file as a candidate. (If

the person won the election, he or she will be subject to the filing requirements applicable to officeholders.)

Q. May a candidate refuse to list the office or seat sought on a campaign treasurer appointment?

A. Yes. A person may decide to start raising money to run for office before the person decides which office to run for.

Q. What do I do if someone files a report after the filing deadline?

A. You should accept the filing.

Q. What do I do if someone files a corrected or amended filing?

A. You should accept the filing. A filer may also wish to file an Ethics Commission Affidavit of Good Faith with the amendment or correction. Filers should call the Ethics Commission if they have questions about corrected reports.

Q. What should I tell a candidate who asks about disclosures on political advertising?

A. Give the filer a copy of the Ethics Commission's GUIDE TO POLITICAL ADVERTISING: WHAT YOU NEED TO KNOW, and A GUIDE TO THE PROHIBITION AGAINST USING POLITICAL SUBDIVISION RESOURCES FOR POLITICAL ADVERTISING.

Q. May I enter into a contract to perform the title 15 functions of another entity?

A. No. An elections services contract may not change the authority with whom title 15 documents are filed.

Q. If a candidate forms a specific-purpose committee, must the candidate continue to file reports on FORM C/OH?

A. Yes. The candidate and the committee are subject to separate reporting requirements.

ENDNOTES

-
1. See also Part III: Officeholders (Certain officeholders who do not have campaign treasurer appointment on file are excepted from filing semiannual reports).
 2. An opposed candidate in a runoff election is only required to file a pre-election report 8 days before a *runoff* election; there is no "30-day" pre-election report due before a runoff.
 3. A write-in candidate must file a campaign treasurer appointment before accepting campaign contributions or making campaign expenditures. Furthermore, a person who declares himself or herself to be a write-in candidate *is* required to file pre-election reports as long as the write-in candidate has an opponent whose name appears on the ballot.

4. A person terminates a campaign treasurer appointment by filing a final report on FORM C/OH with FORM C/OH-FR attached.
5. Once an officeholder files a campaign treasurer appointment, he or she may use contributions received as an officeholder to make campaign expenditures.
6. A specific-purpose political committee that supports candidates, officeholders, or measures at the political subdivision level may file with the Ethics Commission if it also supports candidates, officeholders, or measures in a jurisdiction other than the political subdivision. For example, a specific-purpose committee that supports a particular candidate for county commissioner and a particular candidate for the city council of a city within the county has two choices of where to file campaign finance reports: (1) The committee may file both with the county election official and with the appropriate city filing authority, or (2) the committee may file with the Ethics Commission only.
7. A political committee is only required to file a report 8 days before a *runoff* election; there is no “30-day” pre-election report required before a runoff.

INTRODUCTION

This guide is a summary of reporting requirements and other regulations set out in title 15 of the Texas Election Code (chs. 251-258) and in the rules adopted by the Texas Ethics Commission. This guide applies to candidates for and officeholders in most local offices in Texas.

This guide does not apply to candidates for or officeholders of statewide elective offices, the State Legislature, seats on the State Board of Education, or multi-county district offices. Nor does it apply to candidates for or judges of statutory county courts, statutory probate courts, or district courts.

OFFICEHOLDERS

Officeholders as well as candidates are subject to regulation under title 15. An officeholder who has a campaign treasurer appointment on file with a filing authority is a “candidate” for purposes of title 15 and is subject to all the regulations applicable to candidates. An officeholder who does not have a campaign treasurer appointment on file is subject only to the regulations applicable to officeholders.

Most of the requirements discussed in this guide apply to both candidates (individuals who have a campaign treasurer appointment on file) and to officeholders who do not have a campaign treasurer appointment on file. The guide will indicate whether a particular requirement applies to individuals who have campaign treasurer appointments on file, to officeholders who do not have campaign treasurer appointments on file, or to both.

JUDICIAL CANDIDATES AND OFFICEHOLDERS

Candidates for and officeholders in most judicial offices are subject to various restrictions that do not apply to other candidates and officeholders. Those candidates and officeholders should review the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS and the POLITICAL ADVERTISING GUIDE which are available on the commission’s website.

Nonjudicial Officeholder Seeking Judicial Office. Pursuant to Ethics Advisory Opinion No. 465 (2005), a nonjudicial officeholder who becomes a judicial candidate is required to file two campaign finance reports, one reporting nonjudicial activity and the other reporting judicial activity. Alternatively, a nonjudicial officeholder who becomes a judicial candidate may select to file a single report that includes both candidate and officeholder activity if the activity is clearly and properly reported. *See* the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS for more information.

FEDERAL OFFICES

This guide does not apply to candidates for federal offices. Candidates for federal offices should contact the Federal Elections Commission. The FEC’s toll-free number is (800) 424-9530.

FILING AUTHORITIES

Title 15 requires candidates and officeholders to file various documents and reports with the appropriate filing authority.

The filing authority for a local candidate or officeholder depends on the nature of the office sought or held.

County Clerk. The county clerk (or the county elections administrator if the county has an elections administrator, or tax assessor-collector if the county's commissioners court has transferred the filing authority function to the tax assessor-collector and the county clerk and tax assessor-collector have agreed to the transfer) is the appropriate filing authority for a candidate for:

- a county office;
- a precinct office;
- a district office (except for multi-county district offices); and
- an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

Other local filing authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer.

Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for candidates for:

- Multi-county district offices. (Reminder: This guide does not apply to multi-county district offices.)
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.

POLITICAL COMMITTEES (PACS)

Often a candidate or officeholder chooses to establish a specific-purpose political committee. A political committee is subject to *separate* filing requirements. Establishing a specific-purpose political committee does not relieve a candidate or officeholder of the obligation to file as an individual. For more information about political committees, see the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

FINANCIAL DISCLOSURE STATEMENTS

Some local candidates and officeholders are required to file an annual personal financial statement in accordance with Government Code chapter 572 or Local Government Code chapter 159. This statement is not a campaign finance document, and is not addressed in this guide.

FEDERAL INCOME TAX

This pamphlet does not address the federal tax implications of campaign finance. Questions regarding federal tax law should be directed to the Internal Revenue Service.

TEXAS ETHICS COMMISSION

If you have a question about how title 15 applies to you, you may call the Ethics Commission for assistance or you may request a written advisory opinion.

The Ethics Commission has authority to impose fines for violations of title 15. If you have evidence that a person has violated title 15, you may file a sworn complaint with the Ethics Commission. The Ethics Commission's mailing address is P.O. Box 12070, Austin, Texas 78711. The phone number is (512) 463-5800. The Ethics Commission maintains a website at www.ethics.state.tx.us on the Internet.

APPOINTING A CAMPAIGN TREASURER

If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

NO CAMPAIGN CONTRIBUTIONS OR EXPENDITURES WITHOUT TREASURER APPOINTMENT ON FILE

Additionally, the law provides that you must file a campaign treasurer appointment form with the proper filing authority before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

APPOINTING TREASURER TRIGGERS REPORTING DUTIES

After a candidate has filed a form appointing a campaign treasurer, the candidate is responsible for filing periodic reports of contributions and expenditures. Filing reports is the responsibility of the candidate, not the campaign treasurer. Even if a candidate loses an election, he or she must continue filing reports until he or she files a final report. *See* “Ending Filing Obligations” in this guide. (An officeholder who files a final report, and thereby terminates his or her campaign treasurer appointment, may still be required to file semiannual reports of contributions and expenditures as an officeholder.)

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

DUTIES OF CAMPAIGN TREASURER

A candidate’s campaign treasurer has no legal duties. (**Note:** The campaign treasurer of a *political committee* is legally responsible for filing reports.)

EFFECTIVE DATE OF APPOINTMENT

A campaign treasurer appointment is effective when filed. A hand-delivered appointment takes effect on the date of delivery. A mailed appointment takes effect on the date of the postmark.

CODE OF FAIR CAMPAIGN PRACTICES

A filing authority should provide to each individual who files a campaign treasurer appointment a form containing a Code of Fair Campaign Practices. A candidate may pledge to conduct his or her campaign in accordance with the principles and practices set out in the Code by signing the form and filing it with the appropriate filing authority.

APPOINTMENT BY OFFICEHOLDER

If an officeholder files an appointment of campaign treasurer after a period in which he or she did not have a campaign treasurer appointment on file, the officeholder may have to file a report of contributions and expenditures no later than 15 days after filing the appointment of campaign treasurer. *See* “15th Day After Appointment of Campaign Treasurer by Officeholder” in this guide. An officeholder who *changes* a campaign treasurer is not required to file this report.

Note: An officeholder who has a campaign treasurer appointment on file is a candidate for purposes of title 15.

FILING FOR A PLACE ON THE BALLOT

Filing a campaign treasurer appointment and filing for a place on the ballot are two completely separate actions. The Secretary of State can provide information about filing for a place on the ballot. Call the Secretary of State at (512) 463-5650 or toll-free at (800) 252-8683.

CHANGING TREASURERS

A candidate may change campaign treasurers at any time by filing an amended appointment of campaign treasurer (FORM ACTA). Filing an appointment of a new treasurer automatically terminates the appointment of the old treasurer.

TRANSFERRING TO A DIFFERENT FILING AUTHORITY

If a candidate has a campaign treasurer appointment on file with one filing authority and wishes to accept campaign contributions or make campaign expenditures in connection with a candidacy for an office that would require reporting to a different filing authority, the candidate must file a new campaign treasurer appointment and a copy of the old campaign treasurer appointment (certified by original authority) with the second filing authority. The candidate should also provide written notice to the original filing authority that future reports will be filed with another authority. In general, funds accepted in connection with one office may be used in connection with a campaign for a different office, as long as neither of the offices is a judicial office.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

A candidate may terminate a campaign treasurer appointment by filing an amended appointment of campaign treasurer or by filing a final report.

A campaign treasurer may terminate his or her own appointment by notifying both the candidate and the filing authority in writing. The termination is effective on the date the candidate receives the notice or on the date the filing authority receives the notice, whichever is later.

DECIDING NOT TO RUN

A campaign treasurer appointment does not simply expire. An individual who has a campaign treasurer appointment on file must file reports of contributions and expenditures until he or she files a final report with the filing authority. *See* “Ending Filing Obligations” in this guide.

Things to Remember

- If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures.
- A person may not accept a campaign contribution or make a campaign expenditure unless the person has a campaign treasurer appointment on file with the proper filing authority.
- Once a person files a form appointing a campaign treasurer, the person is a candidate for disclosure filing purposes and is responsible for filing periodic reports of contributions and expenditures with the proper filing authority until the person files a “final report.”
- The candidate, not the campaign treasurer, is responsible for filing periodic reports of contributions and expenditures.
- Filing a campaign treasurer appointment does not automatically “sign you up” for a place on the ballot. The Secretary of State can provide information about getting on the ballot. Call (512) 463-5650 or (800) 252-8683.

POLITICAL CONTRIBUTIONS AND EXPENDITURES

Title 15 regulates political contributions and political expenditures. There are two types of political contributions: campaign contributions and officeholder contributions. Similarly, there are two kinds of political expenditures: campaign expenditures and officeholder expenditures.

CAMPAIGN CONTRIBUTIONS

A person makes a campaign contribution to a candidate if the person provides or promises something of value with the intent that it be used in connection with a campaign. A contribution of goods or services is an “in-kind” campaign contribution. A loan is considered to be a contribution unless it is from an incorporated financial institution that has been in business for more than a year. Candidates must report all loans made for campaign purposes, including loans that are not “contributions.”

- Donations to a candidate at a fund-raiser are campaign contributions.
- The provision of office space to a candidate is an “in-kind” campaign contribution.
- A promise to give a candidate money is a campaign contribution.
- An item donated to be auctioned at a fund-raiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution.
- A campaign volunteer is making a contribution in the form of personal services. (Contributions of personal services are sometimes not required to be reported. See “Contributions of Personal Services” in this guide.)

Note: An individual may not accept a campaign contribution without an appointment of campaign treasurer on file with the proper filing authority.

CAMPAIGN EXPENDITURES

A campaign expenditure is a payment or an agreement to make a payment in connection with a campaign for an elective office.

- Paying a filing fee in connection with an application for a place on a ballot is a campaign expenditure.
- Purchasing stationery for fund-raising letters is a campaign expenditure.
- Renting a field to hold a campaign rally is a campaign expenditure.
- Paying people to put up yard signs in connection with an election is a campaign expenditure.

Note: An individual may not make a campaign expenditure unless he or she has a campaign treasurer appointment on file with the proper filing authority.

OFFICEHOLDER CONTRIBUTIONS

The provision of or a promise to provide goods or services to an officeholder that is intended to defray expenses in connection with an officeholder's duties or activities is an officeholder contribution if the expenses are not reimbursable with public money. A contribution of goods or services is an "in-kind" officeholder contribution.

A loan from an incorporated financial institution that has been in business for more than a year is not considered a contribution, but an officeholder must report any such loans made for officeholder purposes.

An officeholder is not required to have a campaign treasurer appointment on file to accept officeholder contributions. An officeholder who does not have a campaign treasurer on file may not accept *campaign* contributions.

OFFICEHOLDER EXPENDITURES

A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities is an officeholder expenditure if the expenses are not reimbursable with public money.

An officeholder is not required to have a campaign treasurer appointment on file to make officeholder expenditures. An officeholder who does not have a campaign treasurer on file may not make *campaign* expenditures.

CAMPAIGN EXPENDITURES BY OFFICEHOLDER

An officeholder who has a campaign treasurer appointment on file may accept both campaign contributions and officeholder contributions and make both campaign expenditures and officeholder expenditures. On a report, there is no need for an officeholder who is a candidate to distinguish

between campaign contributions and officeholder contributions or between campaign expenditures and officeholder expenditures. Both campaign contributions and officeholder contributions are reported as “political contributions” and both campaign expenditures and officeholder expenditures are reported as “political expenditures.”

An officeholder who does not have a campaign treasurer on file may accept officeholder contributions and make officeholder expenditures but may not accept campaign contributions or make campaign expenditures.

PERMISSIBLE USE OF POLITICAL CONTRIBUTIONS

An officeholder may use officeholder contributions for campaign purposes if the officeholder has an appointment of campaign treasurer on file. Candidates and officeholders may not convert political contributions to personal use. *See* “Campaign Finance Restrictions” in this guide.

USE OF POLITICAL FUNDS TO RENT OR PURCHASE REAL PROPERTY

A candidate or officeholder is prohibited from using political funds to purchase real property or to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038 (a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

ACCEPTING CONTRIBUTIONS

A candidate or officeholder must report contributions that he or she has *accepted*. Receipt is different from acceptance. A decision to *accept* a contribution must be made by the end of the reporting period during which the contribution is received.

Failure to make a determination about acceptance or refusal. If a candidate or officeholder fails to make a timely determination to accept or refuse a contribution by the deadline, the contribution is considered to have been accepted.

Returning refused contributions. If a candidate or officeholder receives a political contribution but does not accept it, he or she must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. Otherwise, the contribution is considered to have been accepted.

REIMBURSEMENT FOR POLITICAL EXPENDITURES FROM PERSONAL FUNDS

If a candidate or officeholder makes political expenditures from personal funds, he or she may use political contributions to reimburse himself or herself if the expenditures are properly reported either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. In order for a candidate or officeholder to use political contributions to reimburse his or her personal funds, the political expenditure from personal funds must be properly reported on the report covering the period in which the expenditures are made. *A filed report may not be later corrected to indicate an intention to reimburse personal funds from political contributions.*

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan and reimbursements to the candidate or officeholder may not exceed the amount reported as a loan. See “Campaign Expenditures from Personal Funds” in this guide for additional information.

SEPARATE ACCOUNT REQUIRED

A candidate or officeholder must keep political contributions in one or more accounts that are separate from any other account maintained by the candidate or officeholder. (There is no requirement to keep campaign contributions in a separate account from officeholder contributions.)

INFORMATION REQUIRED ON REPORTS

CONTRIBUTIONS

A report must disclose the amount of each contribution or the value and nature of any in-kind contribution, as well as the name and address of the individual or political committee making the contribution, and the date of the contribution. (Detailed information about a contributor is not required to be reported if the contributor contributed \$50 or less during the reporting period.)

PLEDGES

Promises to transfer money, goods, services, or other things of value are contributions. If a filer accepts such a promise, he or she must report it (along with the information required for other contributions) on the reporting schedule for “pledges.” Once a pledge has been received, it is reported on the appropriate receipts schedule for the reporting period in which the pledge is received.

A pledge that is actually received in the same reporting period in which the pledge was accepted shall be reported only on the appropriate receipts schedule.

Note: A pledge is not a contribution unless it has been accepted.

Example 1: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must report the pledge on his July 15 report. Juan must also report a political contribution when the pledge is actually received. (**Note:** If Juan receives the pledge during the July semiannual reporting period then he does not report the

pledge and only reports a political contribution. Also, if he never receives the \$1,000, he does not amend his report to delete the entry for the pledge.)

Example 2: At a party, an acquaintance says to Juan, “I’d like to give you some money; call me at my office.” Juan agrees to call. At this point, Juan has accepted nothing and has nothing to report. Juan has not agreed to accept money; he has merely agreed to call.

LOANS

Loans made for campaign or officeholder purposes are reportable. A filer must report the amount of a loan, the date the loan is made, the interest rate, the maturity date, the type of collateral, and the name and address of the lender. The filer must also report the name, address, principal occupation, and employer of any guarantor and the amount guaranteed by the guarantor. (Detailed information is not required if a particular lender lent \$50 or less during a reporting period.) If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan. *See* “Campaign Expenditures from Personal Funds” in this guide for additional information. **Note:** A loan from an incorporated financial institution that has been in business for more than one year is not a contribution. Other loans are considered to be contributions. This distinction is important because of the prohibition on contributions from banks and certain other financial institutions. *See* “Campaign Finance Restrictions” in this guide. All loans are reported on the same schedule, regardless of whether they are contributions. Additionally, the forgiveness of a loan is a reportable in-kind contribution. *See* Ethics Commission Rules § 20.64.

CONTRIBUTIONS OF PERSONAL SERVICES

A political contribution consisting of an individual's personal services is not required to be reported if the individual receives no compensation *from any source* for the services.

CONTRIBUTIONS OF PERSONAL TRAVEL

A political contribution consisting of personal travel expense incurred by an individual is not required to be reported if the individual receives no reimbursement for the expense.

CONTRIBUTIONS FROM OUT-OF-STATE POLITICAL COMMITTEES

There are restrictions on contributions from out-of-state political committees. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state political committee for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state political committee for purposes of these restrictions.

Contributions over \$500 in a reporting period. Before *accepting* more than \$500 in a reporting period from an out-of-state committee, a candidate or officeholder must obtain either (1) a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$100 to the out-of-state political committee during the 12 months immediately preceding the contribution, *or* (2) a copy of the out-of-state

political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee.

This documentation must be included with the report of contributions and expenditures for the period in which the contribution was received.

Contributions of \$500 or less in a reporting period. For a contribution of \$500 or less from an out-of-state committee in a reporting period, there is no requirement to obtain documentation *before accepting* the contribution. But there is a requirement to include certain documentation with the report of the contribution. The report must include *either* (1) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee, *or* (2) the committee's name, address, and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address, and phone number of the committee's campaign treasurer.

EXPENDITURES

A filer must report any campaign expenditure (regardless of whether it is made from political contributions or from personal funds) and any political expenditure (campaign or officeholder) from political contributions (regardless of whether the expenditure is a political expenditure). A filer must also report unpaid incurred obligations. *See* "Unpaid Incurred Obligations" in this guide. If the total expenditures to a particular payee do not exceed \$100 during the reporting period, a filer may report those expenditures as part of a lump sum. Otherwise, a filer must report the date of an expenditure, the name and address of the person to whom the expenditure is made, and the purpose of the expenditure.

UNPAID INCURRED OBLIGATIONS

An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

The use of political contributions to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the appropriate disbursements schedule for the reporting period in which the payment is made.

The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

EXPENDITURES MADE BY CREDIT CARD

An expenditure made by a credit card must be reported on the Expenditures Made to Credit Card Schedule for the reporting period in which the expenditure is made. The report must identify the vendor who receives the payment from the credit card company.

The use of political contributions to make a payment to a credit card company must be reported on the appropriate disbursements schedule for the reporting period in which the payment is made and

identify the credit card company receiving the payment.

The use of personal funds to make a payment to a credit card company must be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made and identify the credit card company receiving the payment.

CAMPAIGN EXPENDITURES FROM PERSONAL FUNDS

A candidate must report all campaign expenditures, whether made from political contributions or from personal funds. In order to use political contributions to reimburse himself or herself for campaign expenditures from personal funds, the candidate must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the candidate does not indicate the intention to seek reimbursement on that report, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

OFFICEHOLDER EXPENDITURES FROM PERSONAL FUNDS

An officeholder is not required to report *officeholder expenditures* made from personal funds unless he or she intends to be reimbursed from political contributions. This rule applies regardless of whether an officeholder has an appointment of campaign treasurer on file.

In order for an officeholder to use political contributions to reimburse an officeholder expenditure from personal funds, the officeholder must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the officeholder does not indicate the intention to seek reimbursement, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

DIRECT EXPENDITURES

A direct campaign expenditure is “a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure.” As a practical matter, a direct campaign expenditure is an expenditure to support a candidate incurred without the candidate’s prior consent or approval.

If a candidate or officeholder makes a direct campaign expenditure to support *another* candidate or officeholder, the expenditure must be included on the reporting schedule for political expenditures, and the report must indicate that the expenditure was a direct campaign expenditure.

SUPPORTING POLITICAL COMMITTEES

A political committee that accepts political contributions or makes political contributions on behalf of a candidate or officeholder is required to give the candidate or officeholder notice of that fact. The candidate or officeholder must report the receipt of such a notice on the report covering the period in which he or she receives the notice.

PAYMENTS TO A BUSINESS OF THE CANDIDATE OR OFFICEHOLDER

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; *or* a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. *See generally* Ethics Advisory Opinion No. 35 (1992).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. *See* “Use of Political Funds to Rent or Purchase Real Property” in this guide.

INTEREST EARNED AND OTHER CREDITS/GAINS/REFUNDS

For reports due on or after September 28, 2011, a candidate or officeholder is required to disclose information regarding the following types of activity from political contributions:

- any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution or an asset purchased with a political contribution, the amount of which exceeds \$100;
- any proceeds of the sale of an asset purchased with a political contribution, the amount of which exceeds \$100; and

- any other gain from a political contribution, the amount of which exceeds \$100.

A candidate or officeholder must use Schedule K to report such information. Although you are not required to do so, you may also report any credit/gain/refund or interest that does not exceed \$100 in the period on this schedule. (Previously, this was an optional schedule because a candidate or officeholder was not required to report this information.) A candidate or officeholder may not use interest and other income from political contributions for personal purposes. Political expenditures made from such income must be reported on the expenditures schedule.

PURCHASE OF INVESTMENTS

A candidate or officeholder must report any investment purchased with a political contribution, the amount of which exceeds \$100. This information must be disclosed on Schedule F3 of the campaign finance report.

TOTAL POLITICAL CONTRIBUTIONS MAINTAINED

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period. The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer. 1 T.A.C. § 20.50.

The total amount of political contributions maintained does NOT include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

TIME OF ACCEPTING CONTRIBUTION

A filer must report the date he or she *accepts* a political contribution. The date of receipt may be different from the date of acceptance. See “Accepting Contributions” in this guide.

TIME OF MAKING EXPENDITURE

For reporting purposes, an expenditure is made when the amount of the expenditure is readily determinable. An expenditure that is not paid during the reporting period in which the obligation to pay is incurred must be reported on the reporting schedule for “Unpaid Incurred Obligations,” and then reported again on the appropriate expenditure schedule when payment is actually made. If a filer cannot determine the amount of an expenditure until a periodic bill, the date of the expenditure is the date the bill is received.

Credit Card Expenditures. For purposes of 30 day and 8 day pre-election reports, the date of an expenditure made by a credit card is the date of the purchase, not the date of the credit card bill. For purposes of other reports, the date of an expenditure made by a credit card is the date of receipt of the credit card statement that includes the expenditure. For additional information regarding how to report expenditures made by credit card, *see* “Expenditures Made by Credit Card” in this guide.

PREPARING REPORTS

FORMS

Reporting forms are available at <http://www.ethics.state.tx.us> on the Internet. An individual who is both a candidate and an officeholder files one report for each reporting period and is not required to distinguish between campaign activity and officeholder activity.

SIGNATURE REQUIRED

The candidate or officeholder, not the campaign treasurer, must sign reports.

FILING DEADLINES

The next section of this guide explains the types of reports candidates and officeholders are required to file. Annual filing schedules are available at <http://www.ethics.state.tx.us> on the Internet.

Note: Deadlines for filing reports for special elections or runoff elections will not be listed on the filing schedule. Call the Ethics Commission for specific information in these cases.

PERIODS COVERED BY REPORTS

Each report covers activity during a specific time period. Generally, a report begins where the last report ended. For a candidate’s first report, the beginning date will be the date the campaign treasurer appointment was filed. For an officeholder who is appointed to an elective office and who did not have a campaign treasurer appointment on file at the time of the appointment, the beginning date for the first report will be the date the officeholder took office. Generally, there should not be gaps between the periods covered or overlapping time periods. See “Reports” below for information about filing deadlines and periods covered by reports.

DEADLINE ON WEEKEND OR HOLIDAY

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 P.M. DEADLINE

The deadline for filing a report is 5 p.m. on the due date.

DELIVERY BY MAIL OR OTHER CARRIER

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

RETENTION OF RECORDS USED FOR REPORTS

A filer must keep records of all information used to prepare a report of contributions and expenditures, including, for example, receipts or ledgers of contributions and expenditures. A filer must maintain the records for two years after the deadline for the report.

REPORTS

SEMIANNUAL REPORTS

Generally, candidates and officeholders are required to file reports of contributions and expenditures by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. These reports must be filed even if there is no activity to report for the period covered.

However, there is an exception to this requirement for officeholders who file with a local filing authority, do not have a campaign treasurer appointment on file, and do not accept more than \$500 in officeholder contributions or make more than \$500 in officeholder expenditures during the period covered by the report.

REPORTS DUE 30 DAYS AND 8 DAYS BEFORE AN ELECTION

An *opposed* candidate in an upcoming election must file reports of contributions and expenditures 30 days and 8 days before the election. Each of these pre-election reports must be *received* by the appropriate filing authority no later than the report due date. (A person who has elected modified reporting and who remains eligible for modified reporting is not required to file these reports. See “Modified Reporting” in this guide.)

An opposed candidate is a candidate who has an opponent whose name is printed on the ballot. If a candidate’s only opposition is a write-in candidate, that candidate is considered unopposed for filing purposes. (**Note:** A write-in candidate who accepts political contributions or makes political expenditures is subject to the reporting requirements discussed in this guide.)

The report that is due 30 days before the election covers the period that begins on the first day after the period covered by the last required report and ends the 40th day before the election. If this is a filer’s first required report, the period covered by the report begins on the day the filer filed a campaign treasurer appointment.

The report that is due 8 days before the election covers the period that begins on the first day after the period covered by the last required report and ends on the 10th day before the election.

REPORT DUE 8 DAYS BEFORE A RUNOFF ELECTION

A candidate in a runoff must file a report 8 days before the runoff election. A runoff report must be *received* by the appropriate filing authority no later than the report due date. (A candidate who has elected modified reporting and who remains eligible for modified reporting is not required to file this report. See “Modified Reporting” below.)

This report covers a period that begins either the first day after the period covered by the last required report or the day the filer filed a campaign treasurer appointment (if this is the filer’s first report of contributions and expenditures). The period covered by the runoff report ends the 10th day before the runoff election.

MODIFIED REPORTING

On the campaign treasurer appointment form, there is an option to choose modified reporting for the next election cycle. Modified reporting excuses an opposed candidate from filing reports 30 days and 8 days before an election and 8 days before a runoff. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either \$500 in contributions or \$500 in expenditures (excluding filing fees) in connection with an election.

If an opposed candidate selects modified reporting but exceeds a threshold before the 30th day before the election, the candidate must file reports 30 days and 8 days before the election.

If an opposed candidate selects modified reporting but exceeds the \$500 threshold for contributions or expenditures after the 30th day before the election, the filer must file a report within 48 hours of exceeding the threshold. (The filer must meet this deadline even if it falls on a weekend or a holiday.) At that point, the filer is no longer eligible for modified reporting and must file according to the regular filing schedule.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the \$500 thresholds). A candidate must submit an amended campaign treasurer appointment (FORM ACTA) to select modified reporting for a different election cycle.

“15TH DAY AFTER APPOINTMENT OF CAMPAIGN TREASURER BY AN OFFICEHOLDER” REPORT

An officeholder must file a report after filing a campaign treasurer appointment. (A report is not required after a *change* in campaign treasurers.) This report of contributions and expenditures is due no later than 15 days after the campaign treasurer appointment was filed. The report must cover the period that begins the day after the period covered by the last required report. The period ends on the day before the campaign treasurer appointment was filed. (**Note:** A person who is *appointed* to elective office may not have filed any previous reports. In that case, the beginning date for the report due 15 days after the campaign treasurer appointment is the date the officeholder took office.) The report is not required if the officeholder did not accept more than \$500 in contributions or make more than \$500 in expenditures by the end of the reporting period.

FINAL REPORT

See “Ending Filing Obligations” below.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

See “Ending Filing Obligations” below.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT

See “Ending Filing Obligations” below.

Things to Remember

- An officeholder must file semiannual reports for any period during which he or she is an officeholder. (There is an exception to this rule for officeholders who do not have a campaign treasurer appointment on file and who do not accept more than \$500 in political contributions or make more than \$500 in political expenditures during the period covered by the report.)
- An opposed candidate in an election must file reports of contributions and expenditures 30 days and 8 days before the election, unless the candidate has selected (and remains eligible for) modified reporting. An opposed candidate who has not selected modified reporting must also file a report 8 days before a runoff election. A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date.
- An unopposed candidate is not required to file reports 30 days before an election or 8 days before an election but is required to file semiannual reports.
- A candidate who selects modified reporting must file semiannual reports.
- A filer who selects modified reporting for one election cycle will be required to file on the regular reporting schedule for the next election cycle unless the filer submits an amended campaign treasurer appointment selecting modified reporting for the next election cycle.

ENDING FILING OBLIGATIONS

FINAL REPORT

If a filer expects to accept no further political contributions and to make no further political expenditures and if the filer expects to take no further action to get elected to a public office, the filer may file a final report. Filing a final report terminates a filer’s campaign treasurer appointment and relieves the filer from any additional filing obligations *as a candidate*. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with chapter 572 of the Government Code or chapter 159 of the Local

Government Code.) If the filer is an officeholder, the filer will still be subject to the filing requirements applicable to officeholders. A filer who is not an officeholder at the time of filing a final report *and* who has surplus political funds or assets will be required to file annual reports of unexpended contributions and a report of final disposition of unexpended contributions. See “Annual Report of Unexpended Contributions” and “Report of Final Disposition of Unexpended Contributions” below.

A filer who intends to continue accepting contributions to pay campaign debts should *not* terminate his or her campaign treasurer appointment. An individual must have a campaign treasurer appointment on file to accept contributions to offset campaign debts or to pay campaign debts.

Terminating a campaign treasurer appointment does not relieve a filer of responsibility for any delinquent reports or outstanding civil penalties.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

The following individuals must file annual reports of unexpended contributions:

- a former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office and who retained any of the following after filing his or her last report: political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.
- a former candidate (a person who previously had a campaign treasurer appointment on file) who was not an officeholder at the time of filing a final report and who retained any of the following at the time of filing a final report: political contributions, interest or other income from political contributions, or assets purchased with political contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year. An annual report (FORM C/OH-UC) must contain the following information: (1) information about expenditures from or disposition of surplus funds or assets; (2) the amount of interest or other income earned on surplus funds during the previous year; and (3) the total amount of surplus funds and assets at the end of the previous year.

The obligation to file annual reports ends when the former candidate or officeholder files a report of final disposition of unexpended contributions.

REPORT OF FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS

A former candidate or former officeholder who has disposed of all surplus funds and assets must file a report of final disposition of unexpended contributions. This report may be filed as soon as all funds have been disposed of.

A former candidate or former officeholder has six years from the date of filing a final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a report of unexpended contributions is 30 days after the end of that six-year period.

At the end of the six-year period, a former candidate or officeholder *must* dispose of surplus assets or funds in one of the following ways:

- The former candidate or officeholder may give them to the political party with which he or she was affiliated when last on the ballot;
- The former candidate or officeholder may contribute them to a candidate or a political committee. (This triggers a requirement to file a report of the contribution.);
- The former candidate or officeholder may give them to the comptroller for deposit in the state treasury to be used to finance primary elections;
- The former candidate or officeholder may give them to one or more contributors, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which the former candidate or officeholder accepted political contributions;
- The former candidate or officeholder may give them to certain charitable organizations; or
- The former candidate or officeholder may give them to a public or private post-secondary educational institution or an institution of higher education as defined by section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

Things to Remember

- Anyone who has an appointment of campaign treasurer on file must file periodic reports of campaign contributions and expenditures.
- An individual who expects no further reportable activity in connection with his or her candidacy, files a final report and thereby terminates his or her campaign treasurer appointment. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with chapter 572 of the Government Code or chapter 159 of the Local Government Code.)
- An officeholder may be required to file semiannual reports even if he or she does not have a campaign treasurer appointment on file. A local officeholder who has not accepted more than \$500 in contributions or made more than \$500 in expenditures in a semiannual period since terminating his or her campaign treasurer appointment is not required to file a semiannual report for that period.

PENALTIES FOR REPORTING VIOLATIONS

Any citizen may file a criminal complaint with the district attorney, a civil complaint with the Ethics Commission, or a civil action against a candidate or officeholder for violations of title 15. Any penalty stemming from such complaints would be assessed against *the candidate or officeholder*, not the campaign treasurer.

CAMPAIGN FINANCE RESTRICTIONS

Chapter 253 of the Election Code contains a number of restrictions regarding the acceptance and use of political contributions, including the following:

1. An individual may not accept a campaign contribution or make a campaign expenditure (including a campaign expenditure from personal funds) without a campaign treasurer appointment on file. Elec. Code § 253.031. An officeholder may accept officeholder contributions and make officeholder expenditures regardless of whether he or she has a campaign treasurer appointment on file.
2. Political contributions from labor organizations and from most corporations are prohibited. Elec. Code § 253.091, *et seq.* Partnerships that include one or more corporate partners are subject to the prohibition.
3. Certain documentation must be obtained in order to accept contributions from an out-of-state political committee. Elec. Code § 253.032. *See* “Contributions From Out-of-State Political Committees” in this guide.
4. Cash contributions of more than \$100 in the aggregate from one contributor in a reporting period are prohibited. (Here “cash” means coins and currency, not checks.) Elec. Code § 253.033.
5. The use of political contributions to purchase real property is prohibited. There is also a restriction on the use of political funds to rent or purchase real property from a person related to the candidate or officeholder within the second degree of consanguinity or affinity or from a business in which the candidate or officeholder or such a relative has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038.
6. Texas law does not allow anonymous contributions. Also, reports must disclose the actual source of a contribution, not an intermediary. Elec. Code § 253.001.
7. Personal use of political contributions is prohibited. Elec. Code § 253.035.
8. A candidate or officeholder may not use political contributions to pay for personal services rendered by the candidate or officeholder or by the spouse, or dependent children of the candidate or officeholder. There are also restrictions of a candidate’s or officeholder’s use of political contributions to make payments to a business in which the candidate or officeholder holds a participating interest of more than 10 percent, a position on the governing body of the business, or a position as an officer of the business. *See* Ethics Advisory Opinion No. 35 (1992) (regarding the combined effect of this prohibition and the prohibition on corporate contributions). Elec. Code § 253.041.

There are restrictions on the use of political contributions to reimburse political expenditures from personal funds. *See* “Reimbursement for Political Expenditures from Personal Funds,” in this guide.

9. A candidate, officeholder, or political committee may not accept political contributions in the Capitol or in the Capitol Extension. Effective September 1, 2009, a candidate, officeholder, or political committee also may not accept political contributions in a courthouse. “Courthouse” means any building owned by the state, a county, or a municipality, or an office or part of a building leased to the state, a county, or a municipality, in which a justice or judge sits to conduct court proceedings. Elec. Code § 253.039.

10. Federal law generally prohibits the acceptance of contributions from foreign sources. Contact the Federal Election Commission for more detailed information.

POLITICAL ADVERTISING

What You Need To Know

The Texas Election Law requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under Chapter 255 of the Election Code, which is distinct from political reporting requirements under Chapter 254 of the Election Code.

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is A Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wisconsin Right to Life, Inc.*, 127 S.Ct. 2652 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should The Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising does not include written text.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions To The Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute; and
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)

V. What Should I Do If I Discover That My Political Advertising Does Not Contain A Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The Fair Campaign Practices Act sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Rule For Judicial Candidates, Officeholders, and Committees.

Candidates for the Supreme Court, Court of Criminal Appeals, courts of appeals, district courts, statutory county courts (county courts-at-law), and statutory probate courts are required to file a form declaring their intent to either comply with or exceed the voluntary expenditure limits of the Judicial Campaign Fairness Act. A candidate who has declared an intent to comply with the expenditure limits, as well as a specific-purpose committee supporting such a candidate, may

state the following in political advertising:

Political advertising paid for by (name of candidate or committee) in compliance with the voluntary limits of the Judicial Campaign Fairness Act.

If a candidate declares an intent to exceed the expenditure limits, however, both the candidate and any specific-purpose committee supporting the candidate must include in their political advertising the following statement:

Political advertising paid for by (name of candidate or committee), (who or which) has rejected the voluntary limits of the Judicial Campaign Fairness Act.

ROAD SIGNS

I. When Is The “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should The “Right-Of-Way” Notice Say?

Section 255.007 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have To Have The “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs And How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government and with the Texas Department of Transportation at (512) 416-2901.

MISREPRESENTATION

I. Are There Restrictions On The Contents Of Political Advertising?

Political advertising and campaign communications may not misrepresent a person's identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. "Campaign communication" is a broader term than "political advertising."

A "campaign communication" means "a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure."

II. Misrepresentation Of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word "for" to clarify that you don't hold that office.** The word "for" must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

III. Misrepresentation Of Identity Or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use Of State Seal.

Only officeholders may use the state seal in political advertising.

If the complainant is unable to provide a specific date for the violation, the complaint must disclose a specific period of time during which the alleged violation may have occurred.

(d) A report filed electronically is not late if:

- (1) the commission's office is closed on the deadline and the report is filed by midnight, Central Time Zone, on the next regular business day, excluding a legal holiday, when the commission's office is open; or*
- (2) the commission cannot accept reports on the deadline because the agency filing system is not accessible or the agency network is inoperable, and the report is filed by midnight, Central Time Zone, on the next regular business day, excluding a legal holiday, that the commission is able to accept reports.*

§ 18.9. Corrected/Amended Reports.

(a) A filer may correct/amend a report filed with the commission or a local filing authority at any time.

(b) A corrected/amended report must clearly identify how the corrected/amended report is different from the report being corrected/amended.

(c) A filer who files a corrected/amended report must submit an affidavit identifying the information that was corrected/amended.

(d) A corrected/amended report is not subject to a late fine if filed in accordance with section 571.0771 or section 305.033(f) of the Government Code or section 254.0405 of the Election Code, as applicable.

(e) Except as provided by subsections (b) and (c), this section does not apply to a corrected/amended report filed under Section 571.069, Government Code, or a corrected/amended report filed in response to a sworn complaint.

§ 18.13. Fine for a Late Report.

(a) Except as provided by subsection (b) or (c) of this section, the fine is \$500 for:

- (1) a late report required to be filed with the commission under Election Code chapter 254 or 257, Government Code chapter 302, Government Code chapter 305, or Government Code chapter 572; or

(2) a late report filed with the commission under Local Government Code chapter 159, subchapter C.

(b) The fine for a report due eight days before an election is \$500 for the first day the report is late and \$100 for each day thereafter that the report is late, up to a maximum fine of \$10,000.

(c) The fine for the first semiannual report under Section 254.063, 254.123, or 254.153, Election Code, that is required to be filed by a candidate or political committee following the primary or general election is \$500 for the first day the report is late and \$100 for each day thereafter that the report is late, up to a maximum fine of \$10,000.

(d) A fine assessed under this chapter is in addition to any other sanction assessed under other law.

§ 18.15. Additional Fine.

In addition to any other fine assessed under this chapter, the commission may vote to impose a fine against a filer whose report is more than 30 days late or who has not paid an assessed fine within 10 days after receiving the commission notice of lateness, subject to the statutory limit.

§ 18.17. Report Must be Filed.

The payment of a civil or criminal fine for failure to file a report, or for filing a report late, does not satisfy a filer's obligation to file the report. Late fines continue to accrue until the report is filed.

§ 18.19. Affidavit of Timely Filing.

A filer who has been notified by the commission that a report is late but who filed the report on or before the deadline may submit an affidavit to the executive director swearing that the report was timely filed.

§ 18.21. Jurisdiction to Consider Waiver Request.

A filer must file a complete report before the executive director or commission will consider a request to waive or reduce a fine assessed for failure to file a timely report.

§ 18.23. Administrative Waiver of Fine.

(a) A filer may request the executive director to waive a late fine by submitting an affidavit to the executive director that states facts that establish that:

(1) the report was filed late because of an unforeseen serious medical emergency or condition or a death that involved the filer, a family member or relative of the filer, a member of the filer's household, or a person whose usual job duties include preparation of the report;

(2) the report was filed late as a result of verifiable severe weather at the filer's location that prevented the filer from filing the report by the applicable deadline and the report was filed within a reasonable time after the deadline;

(3) the report was filed late because the filer was a first responder, as defined in § 6.1 of this title (relating to Definitions), deployed to an emergency situation at the time of the filing deadline or a member of the military deployed on active duty at the time of the filing deadline and the report was filed within a reasonable time after the deadline;

(4) the filer of the personal financial disclosure report is not an elected official, a candidate for election, or a salaried public servant, and the late report:

(A) was the first personal financial disclosure report filed late by the filer under Government Code chapter 572; and

(B) was filed no later than 30 days after the individual was notified that the report appeared to be late;

(5) the filer of the personal financial disclosure report was an unopposed candidate in a primary election, and the late report:

(A) was the first personal financial disclosure report filed late by the filer under Government Code chapter 572; and

(B) was filed before the primary election.

(6) the filer of the campaign finance report:

(A) had filed all previous reports by the applicable deadline;

(B) had no contributions, expenditures, or loans to report; and

(C) filed the report no later than 30 days after the filer was notified that the report appeared to be late;

(7) the filer reasonably relied on incorrect information given to the filer by the agency; or

(8) other administrative error by the agency.

(b) If, in the executive director's discretion, the affidavit establishes grounds for a waiver under this section, the executive director shall waive the fine.

§ 18.24. General Guidelines for Other Administrative Waiver or Reduction of Fine.

(a) A filer who does not qualify for a waiver under section 18.23 of this title (relating to Administrative Waiver of Fine) may request the executive director to waive a late fine by submitting an affidavit to the executive director. The executive director may waive or reduce the late fine if the filer meets the criteria and the late report meets the qualifications under the

guidelines set out in sections 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) and 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title.

(b) For purposes of determining a waiver or reduction of a late fine under sections 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) and 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title, a late report will be classified by report type, as follows:

(1) Any report that is not a critical report as defined under subsection (b)(2) will be classified as Report Type I and considered under section 18.25 of this title (relating to Administrative Waiver or Reduction of Fine: Report Type I).

(2) A critical report will be classified as Report Type II and considered under section 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II). A "critical report" is:

(A) a campaign finance pre-election report due 30 days before an election;

(B) a campaign finance pre-election report due 8 days before an election;

(C) a runoff report;

(D) a daily special pre-election report required under Section 254.038 or 254.039, Election Code;

(E) a semiannual report subject to the higher statutory fine under Section 254.042, Election Code; or

(F) a personal financial statement required under Section 572.027, Government Code, if the filer is a candidate with an opponent on the ballot in a primary election.

(c) For purposes of determining a waiver or reduction of a late fine under sections 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) and 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title, a filer requesting a waiver or reduction of a late fine will be categorized by filer type, as follows:

(A) statewide office;

(B) legislative office;

(C) district judge;

(d) For purposes of a reduction of a late fine under sections 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) and 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title, the following explanations will be accepted as showing good cause:

(1) The report was filed no more than one day late.

(2) The report was filed within seven days of receipt of a late notice.

(3) The report was not a critical report and was prepared and placed in the mail on time but not postmarked by the deadline.

(4) The filer had technical difficulties after regular business hours, but the report was filed on the next business day that the commission's technical support staff was at work.

(5) The filer's address changed and the filer did not receive notice of the filing deadline.

(6) There are no funds in the filer's campaign or officeholder account and the filer is unemployed.

(7) A first-time filer that is required to file campaign finance reports with a county filing authority and personal financial statements with the commission, who mistakenly files the personal financial statement with the county on the filing deadline and then correctly files with the commission within seven days of realizing the mistake.

(e) For purposes of a reduction of a late fine under sections 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) and 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title, the following explanations will not be accepted as showing good cause:

(1) The filer did not know the report was due.

(2) The filer forgot or the person assigned by the filer to prepare the report forgot.

(3) The campaign was very time-consuming.

(6) The filer was a candidate who lost an election and did not know to terminate his or her campaign treasurer appointment and file a final report.

(7) The filer left his or her position and did not know he or she was still required to file a report.

(f) A late fine that is reduced under section 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) or 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title will revert to the full amount originally assessed if the reduced fine is not paid within thirty (30) calendar days from the date of the letter informing the filer of the reduction.

(g) A filer may appeal a determination made under section 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) or 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title by submitting a request in writing to the commission.

(1) The request for appeal should state the filer's reasons for requesting an appeal, provide any additional information needed to support the request, and state whether the filer would like the opportunity to appear before the commission and offer testimony regarding the appeal.

(2) After hearing a request for appeal, the commission may affirm the determination made under section 18.25 (relating to Administrative Waiver or Reduction of Fine: Report Type I) or 18.26 (relating to Administrative Waiver or Reduction of Fine: Report Type II) of this title or make a new determination based on facts presented in the appeal.

§ 18.25. Administrative Waiver or Reduction of Fine: Report Type I.

(a) The executive director shall apply the guidelines set out in this section to a late report classified as Report Type I under section 18.24(b) of this title.

CHAPTER 20. REPORTING POLITICAL CONTRIBUTIONS AND EXPENDITURES

Subchapter A. GENERAL RULES

§ 20.1. Definitions.

The following words and terms, when used in Title 15 of the Election Code, in this chapter, Chapter 22 of this title (relating to Restrictions on Contributions and Expenditures), and Chapter 24 of this title (relating to Restrictions on Contributions and Expenditures Applicable to Corporations and Labor Organizations), shall have the following meanings, unless the context clearly indicates otherwise.

- (1) Campaign communication--The term does not include a communication made by e-mail.
- (2) Campaign treasurer--Either the individual appointed by a candidate to be the campaign treasurer, or the individual responsible for filing campaign finance reports of a political committee under Texas law or the law of any other state.
- (3) Contribution--The term does not include a transfer for consideration of any thing of value pursuant to a contract that reflects the usual and normal business practice of the vendor.
- (4) Corporation--The term does not include professional corporations or professional associations.
- (5) Direct campaign expenditure--A campaign expenditure that does not constitute a contribution by the person making the expenditure. A campaign expenditure is not a contribution from the person making the expenditure if:
 - (A) it is made without the prior consent or approval of the candidate or officeholder on whose behalf the expenditure was made; or
 - (B) it is made in connection with a measure, but is not a political contribution to a political committee supporting or opposing the measure.
- (6) Election cycle--A single election and any related primary or runoff election.
- (7) Identified measure--A question or proposal submitted in an election for an expression of the voters' will and includes the circulation and submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will.
- (8) In-kind contribution--A contribution of goods, services, or any other thing of value, except money, and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make such a contribution. The term does not include a direct campaign expenditure.

(9) Non-political expenditure--An expenditure from political contributions that is not an officeholder expenditure or a campaign expenditure.

(10) Opposed candidate--A candidate who has an opponent whose name is to appear on the ballot. The name of a write-in candidate does not appear on the ballot.

(11) Out-of-state political committee--A political committee that makes political expenditures outside Texas and in the 12 months immediately preceding the making of a political expenditure by the committee inside Texas (other than an expenditure made in connection with a campaign for a federal office or made for a federal officeholder), makes 80% or more of the committee's total political expenditures in any combination of elections outside this state and federal offices not voted on in this state. Section 20.13 of this title (relating to Out-of-State Committees) explains the practical application of this definition.

(12) Pledge--A contribution in the form of an unfulfilled promise or unfulfilled agreement, whether enforceable or not, to provide a specified amount of money or specific goods or services. The term does not include a contribution actually made in the form of a check.

(13) Political advertising:

(A) A communication that supports or opposes a political party, a public officer, a measure, or a candidate for nomination or election to a public office or office of a political party, and:

(i) is published in a newspaper, magazine, or other periodical in return for consideration;

(ii) is broadcast by radio or television in return for consideration;

(iii) appears in a pamphlet, circular, flier, billboard, or other sign, bumper sticker, or similar form of written communication; or

(iv) appears on an Internet website.

(B) The term does not include an individual communication made by e-mail but does include mass e-mails involving an expenditure of funds beyond the basic cost of hardware messaging software and bandwidth.

(14) Political committee--Two or more persons that have as a principal purpose accepting political contributions or making political expenditures to support or oppose candidates, officeholders, or measures. The term does not include a group composed exclusively of two or more individual filers or political committees required to file reports under Election Code, Title 15 (concerning Regulating Political Funds and Campaigns), who make reportable expenditures for a joint activity such as a fundraiser or an advertisement.

(15) Political subdivision--A county, city, or school district or any other governmental entity that:

- (A) embraces a geographic area with a defined boundary;
- (B) exists for the purpose of discharging functions of government; and
- (C) possesses authority for subordinate self-government through officers selected by it.

(16) Report--Any document required to be filed by this title, including an appointment of campaign treasurer, any type of report of contributions and expenditures, and any notice.

(17) Special pre-election report--A shorthand term for a report filed in accordance with the requirements of §§ 20.221, 20.333, or 20.435 of this title (relating to Special Pre-Election Report by Certain Candidates; Special Pre-Election Report by Certain Specific-Purpose Committees; Special Pre-Election Reports by Certain General-Purpose Committees) and §§ 254.038 and 254.039 of the Election Code (relating to Special Report Near Election by Certain Candidates and Political Committees and Special Report Near Election By Certain General-Purpose Committees).

(18) Specific-purpose committee--A political committee that does not meet the definition of general-purpose committee and that has among its principal purposes:

- (A) supporting or opposing one or more:
 - (i) candidates, all of whom are identified and are seeking offices that are known; or
 - (ii) measures, all of which are identified;
- (B) assisting one or more officeholders, all of whom are identified; or
- (C) supporting or opposing only one candidate who is unidentified or who is seeking an office that is unknown.

(19) Unidentified measure--A question or proposal that is intended to be submitted in an election for an expression of the voters' will and that is not yet legally required to be submitted in an election, except that the term does not include the circulation or submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will. The circulation or submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will is considered to be an identified measure.

(20) Principal purpose--A group has as a principal purpose of accepting political contributions or making political expenditures, including direct campaign expenditures, when that activity is an important or a main function of the group.

- (A) A group may have more than one principal purpose.

(B) A group has as a principal purpose accepting political contributions if the proportion of the political contributions to the total contributions to the group is more than 25 percent within a calendar year. A contributor intends to make a political contribution if the solicitations that prompted the contribution or the statements made by the contributor about the contribution would lead to no other reasonable conclusion than that the contribution was intended to be a political contribution.

(C) The group may maintain specific evidence of contributions related only to political contributions or only to nonpolitical contributions. For example, the group may ask the contributor to make an indication when the contribution is made that the contribution is only a nonpolitical contribution.

(D) A group has as a principal purpose making political expenditures, including direct expenditures, if the group expends more than 25 percent of its annual expenses to make political expenditures within a calendar year. The following shall be included for purposes of calculating the threshold:

(i) the amount of money paid in compensation and benefits to the group's employees for work related to making political expenditures;

(ii) the amount of money spent on political expenditures; and

(iii) the amount of money attributable to the proportional share of administrative expenses related to political expenditures. The proportional share of administrative expenses is calculated by comparing the political expenditures in clause (ii) with nonpolitical expenditures. (For example, if the group sends three mailings a year and each costs \$10,000, if the first two are issue based newsletters and the third is a direct advocacy sample ballot, and there were no other outside expenditures, then the proportion of the administrative expenses attributable to political expenditures would be 33%.) Administrative expenses include:

(I) fees for services to non-employees;

(II) advertising and promotion;

(III) office expenses;

(IV) information technology;

(V) occupancy;

(VI) travel expenses;

(VII) interest; and

(VIII) insurance.

(E) The group may maintain specific evidence of administrative expenses related only to political expenditures or only to nonpolitical expenditures. Specifically identified administrative expenses shall not be included in the proportion established by subparagraph (D)(iii) but allocated by the actual amount of the expense.

(F) In this section, the term "political expenditures" includes direct campaign expenditures.

(21) In connection with a campaign:

(A) An expenditure is made in connection with a campaign for an elective office if it is:

(i) made for a communication that expressly advocates the election or defeat of a clearly identified candidate by:

(I) using such words as "vote for," "elect," "support," "vote against," "defeat," "reject," "cast your ballot for," or "Smith for city council;" or

(II) using such phrases as "elect the incumbent" or "reject the challenger," or such phrases as "vote pro-life" or "vote pro-choice" accompanied by a listing of candidates described as "pro-life" or "pro-choice;"

(ii) made for a communication broadcast by radio, television, cable, or satellite or distributed by print or electronic media, including any print publication, mailing, Internet website, electronic mail, or automated phone bank, that:

(I) refers to a clearly identified candidate;

(II) is distributed within 30 days before a contested election for the office sought by the candidate;

(III) targets a mass audience or group in the geographical area the candidate seeks to represent; and

(IV) includes words, whether displayed, written, or spoken; images of the candidate or candidate's opponent; or sounds of the voice of the candidate or candidate's opponent that, without consideration of the intent of the person making the communication, are susceptible of no other reasonable interpretation than to urge the election or defeat of the candidate;

(iii) made by a candidate or political committee to support or oppose a candidate; or

(iv) a campaign contribution to:

(I) a candidate; or

(II) a group that, at the time of the contribution, already qualifies as a political committee.

(B) An expenditure is made in connection with a campaign on a measure if it is:

(i) made for a communication that expressly advocates the passage or defeat of a clearly identified measure by using such words as “vote for,” “support,” “vote against,” “defeat,” “reject,” or “cast your ballot for;”

(ii) made for a communication broadcast by radio, television, cable, or satellite or distributed by print or electronic media, including any print publication, mailing, Internet website, electronic mail, or automated phone bank, that:

(I) refers to a clearly identified measure;

(II) is distributed within 30 days before the election in which the measure is to appear on the ballot;

(III) targets a mass audience or group in the geographical area in which the measure is to appear on the ballot; and

(IV) includes words, whether displayed, written, or spoken, that, without consideration of the intent of the person making the communication, are susceptible of no other reasonable interpretation than to urge the passage or defeat of the measure;

(iii) made by a political committee to support or oppose a measure; or

(iv) a campaign contribution to a group that, at the time of the contribution, already qualifies as a political committee.

(C) Any cost incurred for covering or carrying a news story, commentary, or editorial by a broadcasting station or cable television operator, Internet website, or newspaper, magazine, or other periodical publication, including an Internet or other electronic publication, is not a campaign expenditure if the cost for the news story, commentary, or editorial is not paid for by, and the medium is not owned or controlled by, a candidate or political committee.

(D) For purposes of this section:

(i) a candidate is clearly identified by a communication that includes the candidate's name, office sought, office held, likeness, photograph, or other apparent and unambiguous reference; and

(ii) a measure is clearly identified by a communication that includes the measure's name or ballot designation (such as "Proposition 1"), purposes, election date, or other apparent and unambiguous reference.

(22) Discount--The provision of any goods or services without charge or at a charge which is less than fair market value. A discount is an in-kind political contribution unless the terms of the transaction reflect the usual and normal practice of the industry and are typical of the terms that are offered to political and non-political persons alike, or unless the discount is given solely in order to comply with section 253.041 of the Election Code. The value of an in-kind contribution in the form of a discount is the difference between the fair market value of the goods or services at the time of the contribution and the amount charged.

(23) School district--For purposes of section 254.130 of the Election Code and sections 20.3 (relating to Reports Filed with the Commission), 20.7 (relating to Reports Filed with Other Local Filing Authority), and 20.315 (relating to Termination of Campaign Treasurer Appointment) of this title, the term includes a junior college district or community college district.

The determination is made as follows.

(1) Before making the expenditure (other than an expenditure in connection with a campaign for a federal office or an expenditure for a federal officeholder), the committee must calculate its total political expenditures made during the 12 months immediately preceding the date of the planned expenditure. This total does not include the planned political expenditure triggering the calculation requirement.

(2) If 80% or more of the total political expenditures are in connection with elections not voted on in Texas, the committee is an out-of-state committee.

(d) Sections 20.29 (relating to Information About Out-of-State Committees) and 22.7 (relating to Contribution from Out-of-State Committee) of this title contain other provisions regarding requirements applicable to recipients of contributions from out-of-state political committees.

(e) An out-of-state political committee planning an expenditure in connection with a campaign for federal office voted on in Texas is not required to make the determination required under subsection (c) of this section. However, an expenditure in connection with a campaign for federal office voted on in Texas must be included in the calculation set out in subsection (c) of this section for an out-of-state committee making an expenditure in connection with a non-federal campaign voted on in Texas.

(c) If the commission is twice unable to notify a person of a deadline at an electronic mail address provided under subsection (a) or (b) of this section, the commission is not required to make any further attempts to notify the person of that deadline or any future deadlines until the person has notified the commission of the person's current electronic mail address.

(c) For purposes of subsection (a) of this section and Section 252.0131, Election Code, a political committee becomes “inactive” if the political committee files a campaign treasurer appointment with the commission and more than one year has lapsed since the campaign treasurer of the political committee has filed any required campaign finance reports with the commission.

Subchapter B. GENERAL REPORTING RULES

§ 20.50. Total Political Contributions Maintained.

(a) For purposes of Election Code §§ 254.031(a)(8) and 254.0611(a)(1), the total amount of political contributions maintained in one or more accounts includes the following:

(c) For purposes of Election Code §254.031(a-1), the difference between the total amount of political contributions maintained that is disclosed in a report and the correct amount is a de minimis error if the difference does not exceed:

- (1) \$250; or
- (2) the lesser of 10% of the amount disclosed or \$2,500.

§ 20.51. Value of In-Kind Contribution.

(a) For reporting purposes, the value of an in-kind contribution is the fair market value.

(b) If an in-kind contribution is sold at a political fundraiser, the total amount received for the item at the fundraiser must be reported. This reporting requirement is in addition to the requirement that the fair market value of the in-kind contribution be reported.

(c) If political advertising supporting or opposing two or more candidates is an in-kind contribution, each person benefiting from the contribution shall report the amount determined by dividing the full value of the political advertising by the number of persons benefited by the political advertising.

§ 20.52. Description of In-Kind Contribution for Travel.

The description of an in-kind contribution for travel outside of the state of Texas must provide the following:

§ 20.54. Reporting a Pledge of a Contribution.

- (a) The date of a pledge of a contribution is the date the pledge was accepted, regardless of when the pledge is actually received.
- (b) Except as provided by subsection (c), a pledge of a contribution shall be reported on the appropriate pledge schedule for the reporting period in which the pledge was accepted and shall be reported on the appropriate receipts schedule for the reporting period in which the pledge is received.
- (c) A pledge of a contribution that is actually received in the reporting period in which the pledge was accepted shall be reported on the contribution schedule or the loan schedule, as applicable, and in accordance with subsection (a).
- (d) The effective date of this rule is January 1, 2015.

§ 20.55. Time of Accepting Contribution.

- (a) A candidate, office holder, or political committee shall make a determination to accept or refuse a political contribution not later than the end of the reporting period during which the contribution is received, except as provided by subsection (e) of this section.
- (b) A determination to refuse a political contribution is a distinct act from returning a political contribution and may occur at a different time.
- (c) If a determination to accept or refuse a political contribution is not made before the end of the reporting period during which the contribution is received, the contribution is considered to have been accepted on the last day of that reporting period.

(d) A political contribution that is received but not accepted shall be returned to the contributor not later than the 30th day after the deadline for filing a report for the reporting period during which the contribution is received. A contribution not returned within that time is considered to be accepted.

(e) A determination to accept or refuse a political contribution received during a special legislative session shall be made not later than the third day after the date the contribution is received.

§ 20.56. Expenditures to Vendors.

(a) A political expenditure made by a vendor for a candidate, officeholder, political committee, or other filer, with the intent to seek reimbursement from the filer, shall be reported by the filer in accordance with this chapter as though the filer made the expenditure directly.

(b) A vendor of a candidate, officeholder, or specific-purpose committee may not, in providing goods or services for the candidate, officeholder, or committee, make an expenditure that, if made by the candidate, officeholder, or committee, would be prohibited by Sections 253.035, 253.038, or 253.041, Election Code.

(c) A candidate, officeholder, or specific-purpose committee may not use political contributions to pay or reimburse a vendor for an expenditure that, if made by the candidate, officeholder, or committee, would be prohibited by Sections 253.035, 253.038, or 253.041, Election Code.

§ 20.57. Time of Making Expenditure.

(a) The date of a political expenditure is the date the amount is readily determinable by the person making the expenditure, except as provided by subsection (b) of this section.

(b) If under normal business practices, the amount of an expenditure is not known or readily ascertainable until receipt of a periodic bill, the date of the expenditure is the date the bill is received. Examples of expenditures to which this subsection is applicable are expenditures for use of electricity or for long-distance telephone calls.

(c) A political expenditure by credit card made during the period covered by a report required to be filed under Section 254.064(b) or (c), 254.124(b) or (c), or 254.154(b) or (c) of the Election Code, must be included in the report for the period during which the charge was made, not in the report for the period during which the statement from the credit card company was received.

(d) A political expenditure by credit card made during a period not covered by a report listed under subsection (c) of this section, must be included in the report for the period during which:

(1) the charge was made; or

(2) the person receives the credit card statement that includes the expenditure.

§ 20.58. Disclosure of Political Expenditure.

(a) An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

(c) The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

(d) The effective date of this rule is January 1, 2015.

§ 20.59. Reporting Expenditure by Credit Card.

(a) A report of an expenditure charged to a credit card must be disclosed on the Expenditures Made to Credit Card Schedule and identify the vendor who receives payment from the credit card company.

(b) A report of a payment to a credit card company must be disclosed on the appropriate disbursements schedule and identify the credit card company receiving the payment.

§ 20.60. Reporting Political Expenditures for Processing Fees.

(a) Multiple political expenditures made to a single payee during a reporting period for fees to process political contributions may be itemized as a single expenditure, in an amount equal to the combined total amount of the expenditures, if all the expenditures are made to a single payee for the same purpose.

(b) The purpose of an expenditure reported under subsection (a) of this section must include the dates of the first and last of the multiple expenditures made to a single payee during the reporting period.

(c) For reporting purposes, the date of an expenditure reported under subsection (a) of this section is the date of the first expenditure made to the payee during the reporting period, as provided by §20.57 (Time of Making Expenditure) of this title.

§ 20.61. Purpose of Expenditure.

(a) For reporting required under Section 254.031 of the Election Code, the purpose of an expenditure means:

(1) A description of the category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

- (A) advertising expense;
- (B) accounting/banking;
- (C) consulting expense;
- (D) contributions/donations made by candidate/officeholder/political committee;
- (E) event expense;
- (F) fees;
- (G) food/beverage expense;
- (H) gifts/awards/memorials expense;
- (I) legal services;
- (J) loan repayment/reimbursement;
- (K) office overhead/rental expense;
- (L) polling expense;
- (M) printing expense;
- (N) salaries/wages/contract labor;
- (O) solicitation/fundraising expense;
- (P) transportation equipment and related expense;
- (Q) travel in district;
- (R) travel out of district;
- (S) other political expenditures; and

(2) A brief statement or description of the candidate, officeholder, or political committee activity that is conducted by making the expenditure and an additional indication if the expenditure is an officeholder expenditure for living in Austin, Texas. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(3) For purposes of this section, “consulting” means advice and strategy. “Consulting” does not include providing other goods or services, including without limitation media production, voter contact, or political advertising.

(b) An expenditure other than a reimbursement to a person, including a vendor, for more than one type of good or service must be reported by the filer as separate expenditures for each type of good or service provided by the person in accordance with this rule.

(c) The description of a political expenditure for travel outside of the state of Texas must provide the following:

(1) The name of the person or persons traveling on whose behalf the expenditure was made;

(2) The means of transportation;

(3) The name of the departure city or the name of each departure location;

(4) The name of the destination city or the name of each destination location;

(5) The dates on which the travel occurred; and

(6) The campaign or officeholder purpose of the travel, including the name of a conference, seminar, or other event.

(d) Except as provided by subsection (e) of this section, this rule applies to expenditures made on or after July 1, 2010.

(e) The requirement to include an additional indication if an expenditure is an officeholder expenditure for living in Austin, Texas, applies to an expenditure made on or after July 1, 2014.

(f) Comments:

The purpose of an expenditure must include both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate, officeholder, or political committee activity that is conducted by making the expenditure. A description of an expenditure that merely states the item or service purchased is not adequate because doing so does not allow a person reading the report to know the allowable activity for which an expenditure was made.

The following is a list of examples that describe how the purpose of an expenditure may be reported under section 20.61. This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting the purpose of an expenditure under this rule. However, it is not, and is not intended to be, an exhaustive or an exclusive list of how a filer may permissibly report the purpose of an expenditure under this rule. The rule does not require the candidate or officeholder to identify by name or affiliation an individual or group with whom the candidate or officeholder meets.

(1) Example: Candidate X is seeking the office of State Representative, District 2000. She purchases an airline ticket from ABC Airlines to attend a campaign rally within District 2000. The acceptable category for this expenditure is “travel in district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign rally. An acceptable brief statement is “airline ticket to attend campaign event.”

(2) Example: Candidate X purchases an airline ticket to attend a campaign event outside of District 2000 but within Texas, the acceptable category is “travel out of district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign event. An acceptable brief statement is “airline ticket to attend campaign or officeholder event.”

(3) Example: Candidate X purchases an airline ticket to attend an officeholder related seminar outside of Texas. The acceptable method for the purpose of this expenditure is by selecting the “travel out of district” category and completing the “Schedule T” (used to report travel outside of Texas).

(4) Example: Candidate X contracts with an individual to do various campaign related tasks such as work on a campaign phone bank, sign distribution, and staffing the office. The acceptable category is “salaries/wages/contract labor.” The candidate activity that is accomplished by making the expenditure is to compensate an individual working on the campaign. An acceptable brief statement is “contract labor for campaign services.”

(5) Example: Officeholder X is seeking re-election and makes an expenditure to purchase a vehicle to use for campaign purposes and permissible officeholder purposes. The acceptable category is “transportation equipment and related expenses” and an acceptable brief description is “purchase of campaign/officeholder vehicle.”

(6) Example: Candidate X makes an expenditure to repair a flat tire on a campaign vehicle purchased with political funds. The acceptable category is “transportation equipment and related expenses” and an acceptable brief description is “campaign vehicle repairs.”

(7) Example: Officeholder X purchases flowers for a constituent. The acceptable category is “gifts/awards/memorials expense” and an acceptable brief description is “flowers for constituent.”

(8) Example: Political Committee XYZ makes a political contribution to Candidate X. The acceptable category is “contributions/donations made by candidate/officeholder/political committee” and an acceptable brief description is “campaign contribution.”

(9) Example: Candidate X makes an expenditure for a filing fee to get his name on the ballot. The acceptable category is “fees” and an acceptable brief description is “candidate filing fee.”

(10) Example: Officeholder X makes an expenditure to attend a seminar related to performing a duty or engaging in an activity in connection with the office. The

acceptable category is “fees” and an acceptable brief description is “attend officeholder seminar.”

(11) Example: Candidate X makes an expenditure for political advertising to be broadcast by radio. The acceptable category is “advertising expense” and an acceptable brief description is “political advertising.” Similarly, Candidate X makes an expenditure for political advertising to appear in a newspaper. The acceptable category is “advertising expense” and an acceptable brief description is “political advertising.”

(12) Example: Officeholder X makes expenditures for printing and postage to mail a letter to all of her constituents, thanking them for their participation during the legislative session. § 20.62. Reporting Staff Reimbursement.

(a) Political expenditures made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with the intent to seek reimbursement from the officeholder, candidate, or political committee that in the aggregate do not exceed \$5,000 during the reporting period may be reported as follows IF the reimbursement occurs during the same reporting period that the initial expenditure was made:

(1) the amount of political expenditures that in the aggregate exceed \$100 and that are made during the reporting period, the full name and address of the persons to whom the expenditures are made and the dates and purposes of the expenditures; and

(2) included with the total amount or a specific listing of the political expenditures of \$100 or less made during the reporting period.

(b) Except as provided by subsection (a) of this section, a political expenditure made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with the intent to seek reimbursement from the officeholder, candidate, or political committee must be reported as follows:

(1) the aggregate amount of the expenditures made by the staff member as of the last day of the reporting period is reported as a loan to the officeholder, candidate, or political committee;

(2) the expenditure made by the staff member is reported as a political expenditure by the officeholder, candidate, or political committee; and

(3) the reimbursement to the staff member to repay the loan is reported as a political expenditure by the officeholder, candidate, or political committee.

(c) The \$100 threshold set out in subsection (a) of this section applies to an expenditure required to be disclosed on a report due on or after September 28, 2011.

§ 20.63. Reporting the Use and Reimbursement of Personal Funds.

(a) A candidate is required to report a campaign expenditure from his or her personal funds.

(b) An officeholder is not required to report an officeholder expenditure from his or her personal funds unless he or she intends to be reimbursed from political contributions.

(c) A candidate or officeholder must report a political expenditure from his or her personal funds using one of the following methods:

(1) As a political expenditure made from personal funds reported on the political expenditure made from personal funds schedule;

(2) As a loan without depositing the personal funds in an account in which political contributions are held. The amount reported as a loan may not exceed the total amount actually spent in the reporting period. A political expenditure made from these funds must also be reported as a political expenditure made from political funds, not as made from personal funds; or

(3) If the candidate or officeholder deposits personal funds in an account in which political contributions are held, he or she must report that amount as a loan with an indication that personal funds were deposited in that account. A political expenditure made from an account in which political contributions are maintained must be reported as a political expenditure made from political funds, not as made from personal funds.

(d) A candidate or officeholder who makes political expenditures from his or her personal funds may reimburse those personal funds from political contributions only if:

(1) the expenditures were fully reported using one of the methods in subsection (c) of this section on the report covering the period during which the expenditures were made; and

(2) if the method in subsection (c)(1) of this section was used, the report disclosing the expenditures indicates that the expenditures are subject to reimbursement.

(e) A candidate's or officeholder's failure to comply with subsection (d) of this section may not be cured by filing a corrected report after the report deadline has passed.

(f) A candidate or officeholder who has complied with subsection (d) of this section and whose personal funds have been reimbursed from political contributions must report the amount of the reimbursement as a political expenditure in the report covering the period during which the reimbursement was made.

(g) Section 22.21 of this title (relating to Additional Restrictions on Reimbursement of Personal Funds and Payments on Certain Loans) set limits on the amount of political expenditures from personal funds that a statewide officeholder may reimburse from political contributions.

§ 20.64. Reporting the Forgiveness of a Loan or Settlement of a Debt.

(a) The forgiveness of a loan to a candidate, officeholder, or political committee is a reportable in-kind political contribution unless the loan does not constitute a contribution under Section 251.001(2) of the Election Code, and the forgiveness of the loan was made in the due course of business.

(b) The settlement of a debt owed by a candidate, officeholder, or political committee is a reportable in-kind political contribution unless the creditor is a commercial vendor that has treated the settlement in a commercially reasonable manner that reflects the usual and normal practice of the industry, and is typical of the terms the commercial vendor offers to political and non-political persons alike.

§ 20.65. Reporting No Activity.

(a) As a general rule, a candidate or officeholder must file a report required by Subchapter C of this chapter (relating to Reporting Requirements for a Candidate) or Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File) even if there has been no reportable activity during the period covered by the report.

(b) This general rule does not apply to:

(1) special pre-election reports;

(2) special session reports; or

(3) a local officeholder who does not have a campaign treasurer appointment on file and who does not accept more than \$500 in political contributions or make more than \$500 in political expenditures during the reporting period.

§ 20.66. Discounts.

(a) A discount to a candidate, officeholder, or political committee is an in-kind political contribution unless the terms of the transaction reflect the usual and normal practice of the industry and are typical of the terms that are offered to political and non-political persons alike, or unless the discount is given solely in order to comply with section 253.041 of the Election Code.

(b) The value of an in-kind contribution in the form of a discount is the difference between the fair market value of the goods or services at the time of the contribution and the amount charged.

§ 20.67. Reporting after the Death or Incapacity of a Filer.

(a) The responsibility to file reports required by this title survives the death or incapacity of a candidate or officeholder.

(b) The legal representative or the estate of a candidate or officeholder who has died, or the legal representative of a candidate who is incapacitated, shall file any reports due under Subchapter C of this chapter (relating to Reporting Requirements for a Candidate) or Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File).

(b) The original appointment terminates on the filing of the copy with the appropriate authority or on the 10th day after the date the decision to seek a different office is made, whichever is earlier.

§ 20.207. Termination of Campaign Treasurer Appointment.

(a) A candidate may terminate a campaign treasurer appointment by:

- (1) filing a campaign treasurer appointment for a successor campaign treasurer; or

(b) A person may terminate his or her own status as campaign treasurer by immediately notifying both the appointing authority and the filing authority in writing.

(c) If a person terminates his or her own status as campaign treasurer, the termination is effective on the date the candidate receives the notice or on the date the filing authority actually receives the notice, whichever is later.

Subchapter F: REPORTING REQUIREMENT FOR A GENERAL-PURPOSE COMMITTEE

§ 20.401. Thresholds for Appointment of Campaign Treasurer by a General-Purpose Committee.

(a) A general-purpose committee may not accept political contributions exceeding \$500 and may not make or authorize political expenditures exceeding \$500 without filing a campaign treasurer appointment with the commission.

(b) Unless the committee's campaign treasurer appointment was filed not later than the 30th day before the appropriate election day, a general-purpose committee may not knowingly make or authorize campaign contributions or campaign expenditures exceeding \$500 to support or oppose a candidate in a primary or general election for the following:

- (1) a statewide office;
- (2) a seat in the state legislature;
- (3) a seat on the State Board of Education;
- (4) a multi-county district office; or
- (5) a judicial district office filled by voters of only one county.

(c) A general-purpose committee may not make or authorize political expenditures totaling more than \$500 unless the committee has:

- (1) filed its campaign treasurer appointment not later than the 60th day before the date the expenditure is made that causes the total expenditures to exceed \$500; and
- (2) received contributions from at least 10 persons.

(d) Subsection (c) of this section does not apply to a general-purpose committee that accepts contributions from a multi-candidate political committee (as defined by the Federal Election Campaign Act) that is registered with the Federal Election Commission, provided that the

general-purpose committee is in compliance with § 22.7 of this title (relating to Contribution from Out-of-State Committee).

§ 20.403. Reporting Requirements for Certain General-Purpose Committees.

(a) A general-purpose committee that is established by a political party's county executive committee is subject to Subchapter I of this chapter (relating to Rules Applicable to a Political Party's County Executive Committee). Subchapter I of this chapter prevails over this subchapter in the case of conflict.

(b) A general-purpose committee that is the principal political committee of a political party is subject to Subchapter G of this chapter (relating to Rules Applicable to a Principal Political Committee of a Political Party). Subchapter G of this chapter prevails over this subchapter in the case of conflict.

(c) A general-purpose committee that supports or opposes a candidate for state chair of a political party is subject to Subchapter K of this chapter (relating to Reports by Political Committees Supporting or Opposing a Candidate for State Chair of a Political Party). Subchapter K of this chapter prevails over this subchapter in the case of conflict.

§ 20.405. Campaign Treasurer Appointment for a General-Purpose Political Committee.

(a) A general-purpose committee may appoint a campaign treasurer at any time before exceeding the thresholds described in § 20.401(a) of this title (relating to Thresholds for Appointment of Campaign Treasurer by a General-Purpose Committee).

(b) After a general-purpose committee appoints a campaign treasurer, the campaign treasurer must comply with all the requirements of this subchapter, even if the committee has not yet exceeded \$500 in political contributions or expenditures.

(c) With the exception of the campaign treasurer appointment, the individual named as a committee's campaign treasurer is legally responsible for filing all reports of the general-purpose committee, including a report following the termination of his or her appointment as campaign treasurer.

§ 20.407. Appointing an Assistant Campaign Treasurer.

(a) A general-purpose committee may appoint an assistant campaign treasurer by written appointment filed with the commission.

(b) The assistant campaign treasurer has the same authority as the campaign treasurer. However, if the campaign treasurer appointment is terminated, the assistant campaign treasurer no longer has authority to act as the campaign treasurer.

(c) The campaign treasurer, not the assistant campaign treasurer, is liable for any penalties assessed by the commission for late reports or incomplete reports or for failure to file a report.

(d) Section 20.415 of this title (relating to Termination of Campaign Treasurer Appointment) and § 20.417 of this title (relating to Termination Report) apply to the appointment and removal of an assistant campaign treasurer.

§ 20.409. Name of General-Purpose Committee.

(a) The name of a general-purpose committee must include the full name of each corporation, labor organization, or other association or legal entity other than an individual that directly establishes, administers, or controls the general-purpose committee.

(b) A corporation, labor organization, or other association or legal entity that “directly establishes, administers, or controls” a general-purpose committee is one that has:

(1) the authority to actively participate in determining to whom the general-purpose committee makes political contributions or for what purposes the general-purpose committee makes political expenditures; or

(2) the authority to designate a person to a position of authority with the general-purpose committee, including that of an officer or director of the general-purpose committee.

(c) The name of an entity used in the name of a general-purpose committee may be a commonly recognized acronym by which the entity is known.

(d) The name of a general-purpose committee may not be the same as or deceptively similar to the name of any other general-purpose committee that has an active campaign treasurer appointment on file with the commission. The commission shall determine whether the name of a general-purpose political committee is in violation of this prohibition and shall immediately notify the campaign treasurer of the offending political committee of that determination. In determining whether the name of a general-purpose committee is the same as or deceptively similar to the name of any other general-purpose committee, the commission may be guided by Texas Administrative Code, Title 1, Part 4, Chapter 79. The campaign treasurer of the political committee must file a name change with the commission not later than the 14th day after the date of notification.

(e) For purposes of subsection (d) of this section, a general-purpose committee does not have an active campaign treasurer appointment on file with the commission if the committee files a dissolution report under § 254.159, Election Code, or the campaign treasurer appointment for the committee is terminated and more than one year has lapsed since the committee has filed another campaign treasurer appointment with the commission.

§ 20.411. Contents of General-Purpose Committee Campaign Treasurer Appointment.

A campaign treasurer appointment for a general-purpose committee shall include the following information:

(b) A committee's campaign treasurer may resign by immediately notifying both the appointing authority and the filing authority in writing.

(c) If the campaign treasurer resigns or otherwise leaves the position, the termination is effective on the date the committee actually receives the notice or on the date the filing authority actually receives the notice, whichever is later. Section 20.23 of this title (relating to Timeliness of Action by Mail) does not apply to this subsection.

(d) For purposes of the termination report required by § 20.417 of this title (relating to Termination Report), a campaign treasurer's resignation is effective on the date the treasurer resigns, as provided by subsection (b) of this section. Section 20.23 of this title (relating to Timeliness of Action by Mail) applies to this subsection.

(e) A termination of a general-purpose committee's campaign treasurer appointment and the filing of the termination report by themselves do not dissolve the general-purpose committee. A general-purpose committee can be dissolved only by filing a dissolution report with the commission.

§ 20.417. Termination Report.

(a) If the campaign treasurer appointment of a general-purpose committee is terminated, the campaign treasurer whose appointment was terminated shall file a termination report that contains the information listed in § 20.433 of this title (relating to Contents of General-Purpose Committee Sworn Report of Contributions and Expenditures), except as provided by § 20.434 of this title (relating to Alternate Reporting Requirements for Certain General-Purpose Committees).

(c) A termination report covers a period that begins on either the day after the period covered by the last report of contributions and expenditures required to be filed under this subchapter (other than a special pre-election report) or the day the campaign treasurer appointment was filed (if the committee has not yet filed a report of contributions and expenditures). (b) The campaign treasurer of a general-purpose committee that changes its operation and becomes a specific-purpose committee shall deliver written notice of the change in status to the commission.

(c) The notice shall identify the filing authority with whom future filings by the committee are expected to be made.

(d) The notice required by this section is due not later than the next deadline for filing a report under this subchapter that:

(1) occurs after the change in status; and

(2) would be applicable to the committee if it were still a general-purpose committee.
