

COMMENTS FROM THE MAYOR

By Charles Jessup

Welcome Councilman Kopczynski...

May 4th saw a significant change in the Meadows Place. Voters turned out – at over double the average turnout for the County – and elected Kurt Kopczynski, pronounced Cop Chin Ski to Council. Kurt has been very active in our community, serving on our Economic Development Corporation, our Community Development Program and

represents Meadows Place at the Chamber of Commerce. Kurt is replacing Terry Henley, who served on Council for 32 years. Thank You Terry, Thank You Kurt and Thank You to all who voted. You are great examples of why Meadows Place continues to be... *Your Place for Life*.

Code Red

CodeRed is the name of our citywide notification system-not the type of call it generates. CodeRed is a fully redundant platform that delivers thousands of messages at a time and delivers both Emergency and General Information notifications. You may sign up for one or both of types of messages. You can tell which type of notification by the phone number. The Emergency Notification # is 866-419-5000. General Information # is: 855-969-4636.

General Information could be a reminder to go vote, a notice of a public hearing or a meeting. It could be anything. Emergency calls are urgent and should be answered right away. This is a voluntary program but I urge everyone to sign up for both. Find out how on our website.

TNR -Trap Neuter and Return

Last year Fort Bend County began a TNR program for cats. Since the City of Meadows Place uses Fort Bend Animal Control, it means we have joined hundreds of other communities around the nation provide lifesaving Trap-Neuter-Return (TNR) programs for community cats. Basically you trap a cat, call the County for pickup and they will neuter the cat, vaccinate it of rabies, clip its ear, called Ear Tipping, and return the cat to the area from which it was picked up.

Did You Know?...

Did You Know... It is the One Year Anniversary of the opening of the Meadows Place Discovery and Nature Center? Wow, what a first year. Hundreds of kids attended the Summer Camps, parents loved the Drop and Shops, over 30 student Field Trips were taken to the Nature Center, most walked over from Meadows Elementary. Add the classes like yoga, bingo, dominos and field trips to Castles and The Painted Churches and you have a VERY successful first year. Thank You Council for approving the plan, and a special Thank You to our Parks Director and her staff who continue to make Meadows Place... *Your Place for Life*.

Did You Know... Anne Green sent me an e mail about a hurt duck she spotted on a walk in the Park. She called Colene about it. Anne said she answered "With kindness as well as professionalism, she helped determine the best course of action." What a nice complement for our Parks Director.

Did You Know... Meadows Place residents are not charged for Notary Public services if they come to City Hall. Hours are 9 to 4 M-F

Did You Know... that a crested caracara was spotted on a light post on Hoggard. Seemed to be enjoying its freshly caught lunch as the feathers were flying. A few weeks ago a bald eagle was photographed up in the high lines and there have also been reports of an osprey being spotted in the area. Those are three primary raptors that have graced our great little city. Let us know what other fun critters you have spotted.

Did You Know... Jimmy Fenwick is one proud papa. He is very proud of all his children, his son Colby gave him a special reason for celebrating. Colby received the Dulles Middle School 2018-2019 Outstanding 8th Grader award! Wow. Congratulations Colby!

Meadows Place saw many award winners, including Tanner Cabezas who took home a couple of medals as well. Meadows Place students are always out front and doing amazing things. Have a great summer.

Did You Know... Public Works Director Erik Tschanz and the Mayor took a class on Disaster Management down in Richmond. The County Judge, other Mayors, constables, etc. took part as well. Training enhances the professionalism of those who serve you is a big part of keeping our staff and police officers prepared.

Did You Know... Mellissa Sanchez, the Librarian at Meadows Elementary, was wondering what she was going to do with the Planet Earth cart that was donated to the school once she had to move out. It is a great resource with lots of books, games, and activities that the kids love. After a visit to the Discovery and Nature Center, she thought this might be the perfect place for the Mustangs to visit "their" cart until the new Meadows Elementary finally opens its doors.

Did You Know... Mary, one of our crossing guards works for the Astros and is one of the people who runs the earphones to the ump on a replay. Our other guard, Anna, just got her citizenship and her passport. She is so excited. Now she can vote and travel without worry. We have the greatest crossing guards in the world! It won't be the same with no kiddos walking to school in the morning.

Did You Know... DeAnna Hernandez and the TLU Softball team won the NCAA Division III National Softball Championship! DeAnna was also recognized as the top student-athlete at the championship. Way to go!!

Did You Know... is for YOU. To get something in Did You Know in 2018, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... Driveway Improvement Plan

A number of years back, the City of Meadows Place passed an ordinance as part of a Residential Driveways Improvement Plan. The primary purpose of this ordinance and this plan is, over time, to improve residential driveways throughout the City of Meadows Place. This will not only improve safety but improve our property values. This important plan continues to be very effective in preventing deterioration of driveways and properties in our city. If you have any questions, Ask a Question on the website, ask Code Enforcement or go to the website and look up Chapter 150: Buildings - Section 302.3 Sidewalks and Driveways. This sets the parameters for enforcement, which generally takes place at time of rental or sale.

(Comments From The Mayor continued from page 1)

The Ear Tipping is done while the cat is under anesthesia and is a sign to other cat trappers/caretakers that a cat has already been spayed or neutered. This is a long range program designed to naturally lessen the population of community cats, which can do a lot of damage and eat a lot of songbirds. The city has two Have-a-Heart traps which we will let residents use free of charge as long as they are returned or you can use one of yours or the County's. For more information Google Fort Bend County Animal Services or call them at (281) 342-1512.

State of Meadows Place

The Fort Bend Chamber of Commerce invited us to make a presentation about our City. It was a total success. We had a large turnout and got a great response. Chamber President Keri Schmidt thanked us "for giving an update on the community changes that have increased the overall economy, Eco-friendly environment, safety, education, property values, community involvement, and overall Quality of Life for the citizens of Meadows Place". I was joined by Aldermen Rick Staigle, Mayor Pro-Tem John Isbell and EDC members Bob Graf, Tia Baker and Kurt Kopczynski. Thank you to HDR Engineering who sponsored the event and Avenida Brazil who catered it.

COP TALK

By Chief Gary Stewart

Fireworks Prohibited in the City of Meadows Place

In an effort to maintain a desirable and peaceful community, the City of Meadows place has banned the discharge of fireworks within the city limits. As we approach the Fourth of July the Meadows Place Police Department hopes everyone has a great holiday and to remind all; Fireworks are not allowed in the City of Meadows Place (at any time), violators are subject to be cited and incurring up to a \$500 fine.

City of Meadows Place City Ordinance:

§ 130.35 FIREWORKS.

(A) Definitions. For the purpose of this section, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

FIREWORKS. The term shall include **FIREWORKS**, firecrackers, rockets, sparklers, torpedoes, Roman candles, fire balloons and all other substances or any combination whatsoever designed or intended to produce a noise or effects of fireworks or pyrotechnics, whether or not herein specifically designated and defined.

SET OFF. This term shall include setting off, firing, igniting, discharging or in any other manner setting into action, and shall also include the causing of any of such things to happen.

(B) Prohibitions. It shall be unlawful to manufacture, store, sell, possess or set off fireworks within the city

PENALITY. Any person who violates or causes, allows or permits another to violated any provision of § 130.35 shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$500. Each occurrence of any violation of § 130.35 shall constitute a separate offense. Each day on which any such violation of § 130.35 occurs shall constitute a separate offense.

If you observe a Fireworks violation, please contact the Meadows Place Police Department 281-983-2900. If calling after hours, ask for a Meadows Place Police Department officer.

Did you know?

By Erik Tschanz

I enjoy the Mayor's did you know segment of our newsletter. I'm always asked good questions by our residents related to our City. The topics range from which streets are we going to repair next, to how much water to we recycle to our lake every year, or how many gallons does our wastewater treatment plant use in a day. Well, this keeps me on my toes and I would like to share with you some of the questions I receive but.... in a "Did you know?" format. So, here we go...

- Did you know that Hurricane Season will be upon us very soon! I encourage everyone to talk to your insurance agent regarding flood insurance. Don't wait!
- Did you know that grease poured down your kitchen sink will harden in your sanitary sewer lines and may cause your sewer to back up? It's happened.
- Did you know that once utility repairs are made (main breaks, sidewalk repairs) to an area, the new grass placed around the repair will be the responsibility of the homeowner to water? It's true.
- Did you know that CenterPoint, Comcast, AT&T, and other utility providers can go on your property and make upgrades without telling the City what they're doing? It's true, however we do require a permit to work in the right of way.
- Did you know the City's Eye on Water Web Site is available for everyone to see their daily water usage? It's true, however you do have to sign up.
- Did you know that our City treats and recycles over 8 million gallons of treatment plant effluent to the lake? Very proud of our facility!
- Did you know that our City offers an additional recycling option on Friday's with Simple Recycling? It's true. Total pounds diverted from Meadows Place waste stream – 6,779 last year.
- Did you know that yard waste can weigh no more than 50 lbs? Branches must be in piles greater than 3' x 3' x 3', tied or bundled and no longer than 4'. Don't get caught braking the rules! Code enforcement may knock on your door...
- Did you know that the County will only spray for mosquitoes for two reasons, a positive mosquito pool for any disease is found, or trapping data shows a large increase in the amount of mosquitoes captured. The County does have a trap in Meadows Place. Take your mosquito repellent with you if you go outside!
- Did you know that the week of May 20th – 24th was National Public Works Week? We did!

I also wanted to take this opportunity to say thank you to all the residents that have reached out to our department over the years. In some cases, we may not be able to assist everyone, there are some things we just can't do. However, we really do care about helping our residents as much as possible. Thanks for your support and patience!

Code Enforcement

CATS, CATS AND MORE CATS!

We have been getting more calls regarding feral, or community cats, roaming around the City and congregating in greater numbers. Some of these would just pass by but if they find food and water they will likely stick around.

PLEASE, PLEASE, PLEASE DO NOT FEED FERAL CATS! Not only are you exposing yourselves to rabies and other diseases that these cats may have, but you are also encouraging these cats to stick around and become a nuisance for your neighbors, or worse, pose a health and safety hazard for them.

If you trap a cat or secure a dog, you can call Fort Bend County Animal Services at (281) 342-1512 and have the animal picked up free of charge or you can call one of the many non-profit animal organizations to see if they can foster them for adoption.

Did you know that animal defecation on properties other than your own is a violation of City Code of Ordinance - **§90.03(A)-(B)** and punishable by citation from MPPD or charges filed against you in municipal court?

We have received multiple complaints from property owners regarding animal feces in their front yards and properties. *Please be a good neighbor and pick up after your beloved pet(s). That is just part of your responsibility as a pet owner. Thanks.*

Keep in mind:

- You need to submit a permit application with the City **BEFORE** you start replacing your roof.

- You may also need a permit **BEFORE** replacing/repairing your fence, depending on the scope of work.
 - Failure to submit proper permits before working **may result in citation and/or charges filed against you in Municipal Court.** When in doubt or unsure if you need a permit or not, please call Permits Department at (281) 983-2932 for assistance.
- Please remember to keep trees cut and trimmed. **§130.07(B)** - It is unlawful for anyone to maintain trees, shrubs or other vegetative material upon a public street and/or public right-of-way less than the minimum clearance measured from the pavement to the lowest limb, branch or part thereof extending over the sidewalk and over the public street/pavement (**Sidewalk: not less than 10 feet and Public Street: not less than 16 feet**).
 - Put our trash out only on trash days or **not more than 18 hours before** the next scheduled trash pickup. **This includes lawn clippings, so be sure to tell your Lawn Contractor! - §130.09(A).**
