

**COMMENTS FROM THE MAYOR**  
By Charles Jessup

**Mayor's Time Capsule Letter**

Did you know Meadows Place Resident and Boy Scout Adam Kantarjian collected items for a Meadows Place Time Capsule for his Eagle Scout Project? The Time Capsule was buried in front of City Hall on May 15, 2021 to be opened in 31 years. Below is a letter from Mayor Jessup to the Mayor of 2052.

*Dear Future Mayor and Meadows Place Residents,*

My name is Charles Jessup and it has truly been my honor to serve as Mayor of The City of Meadows Place. – One Square Mile of Wonderful!

While serving as Mayor we have gone through a record drought, a flood of near Biblical proportions an economic upheaval and almost lost our school, yet Meadows Place, through the strength of its residents, City Council and staff have met the issues head-on and come out stronger and better than ever. The new Meadows Elementary is witness to that – well, its new now.

We are currently living in an extremely challenging and extraordinary time as we face the continuing coronavirus pandemic. For over a year our City has been living with fear, uncertainty, and isolation. We have seen hundreds of cases of COVID-19 right here in Meadows Place and the threat of infection lingers still.

Despite these trying times, this pandemic has also demonstrated, once again, Meadows Place's amazing strength. I'm forever thankful for the willingness of our community to support their friends and neighbors as well as our local businesses.

A few years ago, the city celebrated Meadows Place 25th anniversary with a huge community party – one of the things we do well in Meadows Place. As part of our celebration, we looked back into our own history, memories, and creation of Meadows Place. It showed we were a much different Meadows Place than the one we know today. In fact, even our name was different, we were 'The Meadows', a name which is still sometimes used in 2021.

*(Continued on page 2)*

**WELCOME  
Alderman Mertins!**

After Alderman Isbell resigned in March, Council asked the residents of Meadows Place interested in serving on Council to submit brief bios/resumes for review. Council received information from 8 residents, which they narrowed down to four. After interviewing these four applicants Council agreed to appoint David Mertins to the unexpired term of Alderman Place 1 until the election in May 2022. At the May 25th Council meeting David Mertins was sworn in as Alderman Place 1.

David and his wife, Linda, have been residents of Meadows Place since 1985. Over the years they have volunteered in Meadows Elementary PTO, Meadows Place Marlin's Swim Team, and Boy Scout Pack 301. David looks forward to serving the city in his new role as Alderman Place 1.

## *Mayors Time Capsule Letter (Continued from page 1)*

Our city started operating in the original Meadows Mud building and then moved into the back of the Deauville Mall. In early 90's we moved into our new City Hall and Police Station at One Troyan Drive, which is named after our first mayor, Sue Troyan. Our population was 4,990 at that time and we were pretty much built out. An influx of young families puts us over 5,000.

Police Chief Gary Stewart says he is extremely proud that Meadows Place continues to be one of the safest places in Texas to live. The Chief strongly believes there is nothing more important than working together as a community to ensure that we maintain a safe environment in which families can grow, businesses can prosper, and visitors can enjoy. Community policing is truly at work here.

Meadows Place continued to pull itself up by the bootstraps and ran a very lean organization, a trait which currently continues. The city sold some property to CVS which allowed us to build a Fire Station which is now manned 24/7 365. Not bad for a little one square mile city. After modernizing the old MUD building to use as a training center, we were able to show Fort Bend EMS the benefits of staging in Meadows Place so we turned the facility over to EMS and they now house personnel and equipment there. Then, in 2019 we added an Emergency Operations and Training Center. Mayor, I hope that is still the case when you read this letter because Meadows

Place enjoys the fastest Police, Fire and EMS response times in Fort Bend County –plus a Level 1 Fire Rating.

Our residents feel safe here. That's why kids walk and ride their bikes to school and people walk our parks at all times of day.

Our Parks expanded our trail systems and in 2011 we built an award-winning lake that utilizes reclaimed water and serves as a recreational center and water storage for city irrigation. It dramatically changed the ecosystem in the city. This was followed by a new all-inclusive park, a Discovery and Nature Center next to the pool and - we are working with the County to expand our trail system and put a bridge over the bayou for kids to access the Center from the school.

As part of a mobility bond project, in 2019 we tore out a crumbling section of Kirkwood and replaced it with

the four roundabouts and the linear park that beautifies the city today. These types of amenities were aimed at attracting young professionals to our city with hopes that property values would increase, and upscale businesses would follow. Businesses like Aldi and Starbucks, which were here in 2021 and I hope they are going strong for you today.

It is the mission of the Public Works Department to provide a secure and reliable infrastructure for all members of the community while continuing to find innovative ways to improve the delivery of services- and our residents trust us to do that.

To ensure our community's values are reflected in future decision making, the City is in the midst of developing a Home Rule Charter which is being created by an outstanding Charter Commission. I hope it goes to election in 2021 and passes. It will protect the city and clarify our path for the future. I hope you are operating under their charter as you read this.

We heard from the community that they want us to preserve existing neighborhoods; focus on making getting around town more manageable; and be intentional in managing growth. We are working hard to accomplish this. Oh, we have a GREAT City Council and a fantastic staff. I wish the same for you, Mayor.

I hope that 31 years from now when this Time Capsule is opened that our heartfelt efforts of today have helped to shape the Meadows Place you now know – a community that is still resilient to challenges; honors our family friendly history and continues to be One Square Mile of Wonderful.

Our vision is simply stated is this: Meadows Place thrives as a welcoming community creating a sustainable legacy for future generations that honors its history and passion for the natural environment and one that will always be...  
***Your Place for Life.***

Warmest wishes for a bright future,

*Charles Jessup, Mayor*

## Happy Father's Day & Flag Day

I would like to Congratulate **Mr. & Mrs. Evenhouse** on Kenzie Court for all the transforming work done to their home and property. This upholds Meadows Place as a beautiful place to live and *Your Place for Life*.

Did you Know, that having your address numbers on your home, both sides of your mailbox, or on the curb are of the utmost importance? In the case of an emergency this will help Fire/ EMS / Police Departments locate your home quicker when seconds count. To bring it home, we have an Ordinance that requires each house in the Meadows Place to display address numbers. This law specifies the size and font type for the numbers that are required to be displayed.

Ordinance is IPMC[F]304.3 - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches (102 mm) in height with a minimum stroke width of 0.5 inch (12.7 mm). Now you know!

Below are the top 5 items that needed attention the most between April 22, 2021 and May 18, 2021. If you have any questions about a Notice of Violation, please let me know before the due date listed. I am always here to help you.

## Mowing the Yard and Watering

Rod Hainey  
Public Works Director

As the memories of the frozen plants fade away and we now turn our focus to the summer heat and watering the new grass and plants. There are certain things that the homeowner can do save water and conserve the resource.

1. Water lawns in the early morning.
2. Fix leaky faucets and hoses they waste water and money.
3. Plan water cycles according to each type of plant or grass.
4. Watering in the heat of the day can waste up to 65% of the water.
5. Water the grass not the streets and sidewalk.
6. Set timers to complete the cycle before 4.00 am. This timing will avoid the peak demand for other household uses.
7. Use a broom to clear away debris, instead of using the hose.

8. Also, the use of the broom will help prevent the stormwater pollution.

Mow only when necessary, set the mower to the highest setting during the warm season. Longer grass keeps the soil cool, minimizing evaporation and conserving water. Leave clippings on the lawn, will supply organic matter and supply one third of your fertilizer needs. Even as the temperatures rise, watering too frequently can be a big mistake. Water no more than 1 inch per week and only when it is needed. Frequent watering of the lawn will encourage shallow root pattern and the lawns will burn if not continually watered. Irrigation is only needed when rain is scarce. If rain is in the forecast, let mother nature do the job.

**Water is Life.**

*Every living creature needs it to survive.  
Water less, save more.*

## MEADOWS PLACE RESIDENTS OBSERVE JUNETEENTH HOLIDAY

### What is Juneteenth?

Juneteenth – a blending of the words June and nineteenth – is the oldest known US celebration of the end of American legal slavery. Originating in Galveston, Texas in 1865, it is an official state holiday in 47 states. *Learn more at [www.juneteenth.com](http://www.juneteenth.com)*

### Why are MP neighbors acknowledging and sharing this information in the newsletter?

Juneteenth became an official Texas state holiday in 1980. Across America, people of all races and religions are joining hands to acknowledge a period in our history that shaped and continues to influence our society today. The City of Meadows Place is ethnically diverse and so we come together as neighbors to help bring awareness and show support.

*This space has been sponsored by the Meadows Place Blue Community*

### What do we celebrate that day?

We celebrate freedom and progress for all Americans that day, but especially center the emancipation of enslaved Americans. Americans from all backgrounds benefit from the end of slavery, the labor, leadership and innovation of African Americans, and the fight for civil rights for all.

### HOW CAN YOU PARTICIPATE IN JUNETEENTH OBSERVANCE AT MEADOWS PLACE?

Celebrate Juneteenth in your homes or with family and church. As MP neighbors, we can show each other that we are a city of kindness and decency who values all of our neighbors. **You are welcome to place a Juneteenth yard sign in your front yard during the month of June!** To have a free Juneteenth yard sign delivered to you, please text Danielle at (713) 614-6738.
