

Your Place for Life

City of Meadows PLACE

JUNE 2024

COMMENTS FROM THE MAYOR

By Audrey St. Germain

I am deeply honored to address you for the first time as Mayor of Meadows Place. With great humility and a sense of responsibility, I step into this role with a firm commitment to serve each and every one of you to the best of my abilities.

As we embark on this journey together, I recognize the challenges that lie ahead and the opportunities for positive change that await us. I am eager to collaborate with community leaders, local businesses, and residents like you to shape a future that reflects our shared values and aspirations. Your input, ideas, and feedback will be instrumental in guiding our path forward.

Let us embrace this new chapter with optimism and a spirit of unity. Together, we will build a stronger community where every voice is heard, and every individual can thrive. Thank you for entrusting me with the privilege of serving as your mayor. I am committed to working tirelessly on behalf of our city and its residents.

Mayor Jessup, on behalf of the entire community, I want to take a moment to express our deepest gratitude for your many years of dedicated service and unwavering commitment to our city. Throughout your tenure as mayor, you have demonstrated exceptional leadership and compassion for our citizens. As you embark on this new chapter in your life, please know that your contributions have not gone unnoticed or unappreciated. You have left an enduring legacy, and your impact will be felt for years to come. Thank you for your years of service, leadership, and heart for our city.

Very Sincerely,

Audrey St. Germain

June 7 Summer Kick Off - 6:00 p.m.

June 21 Barefoot Friday - 8:30 p.m.

June 25 Regular Council Meeting - 6:30 p.m.

Fort Bend ISD

June 17 Regular Board Meeting - 6:00 p.m.

Did You Know?...

Did You Know... Our Youth Action Council (YAC) raised more than two thousand dollars for their fundraiser with Make-A-Wish Texas Gulf Coast and Louisiana. The money they raised will help send a local young woman battling lymphoma to Disney World. Thank you to everyone who donated and congratulations to YAC for a job well done!

Did You Know... The Houston area received a lot of rain last month but thankfully, the rain stayed away long enough for National Day of Prayer. Thank you to everyone who attended, and a special thank you to the speakers and to Sugar Grove Church of Christ, Sugar Land Methodist Church, and Vessel Houston for putting it all together.

Did You Know... our animals at the Discovery & Nature Center receive routine vet check-ups just like your pets at home. They recently all received a clean bill of health from Dr. Roset of ABC Animal and Bird Clinic. Dr. Roset gave each one a thorough check-up, and some even had their nails trimmed. Thanks Dr. Roset for taking care of our smallest residents!

Did You Know... Meadows Place Pony League is in full swing. The league is only possible thanks to volunteers who coach teams, prep fields, work concessions, and many other things. One mom was caught coaching while she carried her baby in front of her. Kelly McClurkin Granado showed what it really means to give back to her community. She deserves coach of the year and mom of the year! Someone get her a cape! You can find the picture on the Meadows Place Pony League Facebook and the City Facebook page.

Did You Know... Meadows Elementary School recently celebrated 50 years.

Hundreds of former and current teachers, students, parents, and staff gathered to share stories and remember times past. It was clear what Meadows Elementary has meant to so many for half a century and why it is the heartbeat of our wonderful city. Here's to 50 more wonderful years!

Did You Know... Alderman Mertins recently had to call USW. Thankfully, his water and sewer were not the problem, he found some ducklings trapped in the storm drain near his house. USW responded and removed the grate. Alderman Mertins was then able to rescue 6 ducklings and return them to their mom. If you ever need USW for water, sewer, or a grate removed, give them a call: 832-756-2143.

Did You Know... Our Finance Director, Anna-Maria Weston presents a budget report to Council every quarter? If you cannot make it to the Council meeting to see the presentation yourself, you can always view the most recent report on the City website under the Finance section.

Did You Know... along with a new Mayor, three Alderman were sworn in on May 14th. David Mertins, Tia Baker, and Rick Staigle will each continue their dedicated service with another two-year term on our City Council. This will be David Mertins' second full term, Tia Baker's third full term and Rick Staigle's ninth full term. Thank you, David, Tia, and Rick for your commitment and service to our City.

Did You Know... that if you have something you want to share with us, please contact Did You Know – by dropping us a note at City Hall or just send us an e-mail at: mayor@cityofmeadowsplace.org

THANK YOU MAYOR JESSUP!

City of
Meadows 
PLACE

WELCOME MAYOR ST. GERMAIN!

Meadows Police Department

*Police Chief
Gary Stewart*

Hurricane Season is Almost Here

Hurricane Season is upon us. The Meadows Place Police Department wants to remind everyone about all of the services available to our community in times of pending severe weather events and disasters. We encourage our residents to be proactive and prepare for the hurricane season by making the appropriate preparations for your family and pets. Remember, "It's better to look ahead and prepare than to look back and regret." Below is a list of resources available. We hope everyone will take full advantage of these valuable resources.

CodeRed allows a user to sign-up for important notifications about the City of Meadows Place. This includes notifications about emergency services and evacuations prior to and during pending emergency events. To sign up for emergency notifications through CodeRed, please visit our City website and click on the CodeRed link:

<http://cityofmeadowsplace.org/departments/police/codered/>

If you are a Texan who lives in an evacuation zone and you require special assistance to evacuate during a storm

– including the elderly, people with disabilities, or those who simply will need a ride – call 2-1-1 to register for a ride.

<https://www.211texas.org/>

Hurricane Preparedness: The Office of the Governor's website offers information on preparing for the storm, building an emergency kit, developing an emergency plan, and tracking the storm.

<http://governor.state.tx.us/hurricane/>

The American Society for the Prevention of Cruelty to Animals (ASPCA) offers information about Disaster Preparedness for pets:

<http://www.aspca.org/pet-care/disaster-preparedness/>

American Red Cross:

<http://www.redcross.org/tx/houston>

National Weather Service:

<http://www.nws.noaa.gov/os/water/tadd/>

**The Meadows Place Police Department is available
24 hours a day, seven days a week
(281) 983-2900**

Rod Hainey
Public Works Director

Controlling Mosquitos Around Your Home

The City of Meadows Place currently sprays mosquitoes on a weekly basis. With the dry weather and almost complete lack of rain, the standing water has not been a major issue. When we return to a wet weather rain cycle, please be vigilant about removing standing water in your yard.

Mosquitoes range from being a nuisance to carriers of diseases such as malaria, West Nile Zika, and more. There are many ways to get rid of mosquitos, but they are not all equally effective. Personal chemical repellents include DEET, but most people would rather use a natural repellent with the use of essential oil sprays.

In the yard you can use yellow lights, burn Citronella candles, use a Thermacell, use Cedar mulch in the flower beds, consider a bug Zapper, keep your yard trim, and tidy, (Mosquitos love long grass and rest in dark, humid places). Set mosquito traps, eliminate standing water, attract natural predators like purple martins, swallows, and migratory songbirds to name a few.

Consider natural plant deterrents, the following flora can

help keep the pers away. Lavender, Marigolds, Citronella, Catnip, Garlic, Peppermint, Rosemary, Geraniums, and sage.

By eliminating the resting places around the yard and keeping the grass trimmed is half of the battle. Killing them on the ground can be accomplished with the use of a spray application of herbicide that can be readily purchased at the local hardware store, this will interrupt the growth cycle of the pests.

Mosquitos lay a hundred eggs at a time so populations of this pest can get out of control quickly. When eliminating mosquitos, it is key to use multiple methods, since not all approaches kill mosquitos at every stage of the life cycle. The City will continue to spray mosquito control until the cooler weather is upon us. When the nighttime temperatures are below 70 degrees, these pests start to go dormant. High winds also affect the spraying for mosquitos.

If your mosquito problem is too serious to tackle on your own, hire a professional pest control company to banish the bloodsuckers.

As your new Code Enforcement Official with the City of Meadows Place, my goal is to work day in and day out with you, the citizen's of Meadows Place. However I will need your assistance in keeping Meadows Place "Your Place for Life!"

Please remember that there are some simple and impactful things we all can do to help keep our city attractive not just for our visitors, but most especially for ourselves:

- 1. Sec. 130.07(B)** –It is unlawful for anyone to maintain trees, shrubs or other vegetative material upon a public street and/or public right-of-way less than the minimum clearance measured from the pavement to the lowest limb, branch or part thereof extending over the sidewalk and over the public street/pavement (Sidewalk: not less than 10 feet and Public Street: not less than 16 feet). Please remember to keep trees cut and trimmed.
- 2. Sec. 91.039(A)** –It shall be unlawful for any person who shall own or occupy any lot or lots in the City to allow weeds/or grass to grow on the lot or lots to a height of more than nine (9) inches. At all times, please remember to keep lawns cut and trimmed.

- 3. Sec. 150.66** – Replacement of dead, dying or diseased landscaping materials. In the event the building official determines that any required vegetative landscaping material has died, is dying or is so badly diseased that the same cannot be saved or otherwise rehabilitated, the building official may direct the property owner being in control of the street yard to replace the dead, dying or diseased vegetative materials with like or similar replacement materials. Please make sure to maintain trees and landscaping.

Thank you in advance for your patience, understanding and cooperation.

Angie Hernandez, Code Enforcement Official
