

**COMMENTS FROM THE MAYOR**  
By Charles Jessup

**Short Term Rentals Addressed**

The use of homes being used as Short Term Rentals (STR) is on the increase. Two common names are Air B&B and VRBO. We have a couple in Meadows Place. Now, this is not necessarily a bad thing, if, and this is a big if, IF the owners and their tenants behave themselves. Council was concerned about parking and noise complaints and wanted to make sure we had the ability to deal with it should we receive these types

of complaints. We do now.

Our existing Rental Registration ordinance was replaced with new, more specific STR language. In a nutshell, it clearly states that it is unlawful to rent or provide a Short Term Rental in an unlicensed single family dwelling in Meadows Place. It also states the annual rental license may be revoked if there are two or more citations issued for parking, noise, or nuisance in a rolling 12 month period. That means if we revoke their license, they may NOT rent the property. Period. If revoked, it will be up to Council to determine whether or not to issue a new license.

Our Police Chief, Code Enforcement and legal team were active in the discussions as were Council who had been working on this issue for months. I am proud of how Meadows Place staff and elected officials approached this issue and feel we now have the ability to regulate STR's.

**Dorrance Project**

The Dorrance Project has begun. The City posted a two minute video for you on our Website and Facebook page. It should answer basic questions but if you do have a question about this project please call City Hall or use the 'Ask a Question' button on the website. This phase of the project is scheduled to be finished in November.

**Meadows Place Bayou**

On June 9th, Jennifer Runyon with the U.S. Board on Geographic Names let us know that they had approved a proposal to officially name the waterways in our city Meadows Place Bayou!!

(Continued on page 3)

**HAPPY  
INDEPENDENCE DAY**

Hurricane Season is here. Make sure you and your family are prepared.

**CITY CALENDAR**

**Meadows Place**

- July 4** City Hall closed for Independence Day
- July 14** EDC Meeting - 6:30 p.m.
- July 26** Regular Council Meeting - 6:30 p.m.

**Fort Bend ISD**

- July 25** Regular Board Meeting - 6:00 p.m.

# Did You Know?...

**Did You Know...** Joshua Iglinsky provided 10 bat houses to the city as part of his Eagle Scout project. The bat houses are now installed around the city. Houses 4 and 5 are located at the lake, near the workout equipment. Hopefully these houses will be used by Mexican Free-tailed and Brown Bats in our area. Hunting their prey using echolocation, the bats eat moths, beetles, dragonflies, flies, wasps and even a few mosquitos. They are also great pollinators, playing a major role in pollinating and spreading seeds for many fruit trees. Thank You very much Joshua. Your efforts helped keep Meadows Place... *Your Place for Life.*

**Did You Know...** the new scoreboard has just been installed up at the ball field. Can't wait to see those runs being racked up on it. Speaking of runs and baseball, Pinto All-Star team played their final game while the 8U All-Stars had some post season play as well. Great season by parents, players, coaches and fans of Meadows Place PONY Baseball. Enjoy your new scoreboard!!!

**Did You Know...** Meadows Place Recreation Coordinator, Frank Burch, couldn't wait to post a picture of a huge bass caught by Lucas Kerr while on an outing to our lake as part of our Summer Camp Program. Lucas, who is going into 5th grade at Meadows Elementary, was pretty happy about it. Lots of kids caught a lot of fish, but nothing else close to whopper Lucas caught. There is pictorial evidence of both the bass and the cane pole used on the City Facebook page. Wow! It was a great day for our kids in Summer Camp and a really great day for Lucas. Congratulations Lucas!!

**Did You Know...** The Mayor and his wife Elaine have had a lot going on lately. In the last month they got to welcome grandbabies #8 and 9 into the world and got to watch their son Mark speak as one of four military panelists brought together by the American Red Cross to train

policy professionals, government officials, and academics around the world on the fundamental Principles of International Humanitarian Law during conflict. The fun part was they pulled examples from the movie Top Gun. It was both entertaining and educational.

**Did You Know...** longtime residents Jack and Cindy Shaw can't believe they don't have anyone at Dulles HS now that daughter Taryn has graduated. There has been a Shaw there since 2007 when son Connor played baseball there. Maria, Kali and Taryn were all volleyball players and continue to play. Jack is a coach and told me he was at tournament that had 214 courts under one roof! A lot of Meadows Place memories for the Shaw family who has helped make Meadows Place... *Your Place for Life.*

**Did You Know...** we are starting to get quite a few visitors attending our Animal Encounter program on Thursday afternoons at the Nature Center. You can meet and play with animals and enjoy all the neat activities at the Center. It's only \$2.00, unless you have a membership, then there is no charge. Come see our new Caiman, pet and play with the goats, guinea pigs and bunnies and see how big our tortoises have gotten. Thursdays at 4 pm at the Nature Center. Fun for parents too!

**Did You Know...** Council Members Tia Baker and Rick Staigle work hard to make sure we have flags flying proudly in the city. Tia puts up half the flags on Flag Day and Memorial Day and Rick helps coordinate and takes contributions. Servants that truly do go the extra mile. Thank you both.

**Did You Know...** Victoria Muldowney was awarded the first annual Oak Story Realty Scholarship. Congrats Victoria.

**Did You Know...** is for YOU! Drop us a note or email: [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org).

## Did You Know... Dorrance Construction

By the time you get this Newsletter, we will have started construction on Dorrance from S.Kirkwood through the Oxford Glen intersection toward the freeway. This is phase one of a multi-phase, multi-year construction plan to redo Dorrance Lane the entire length of the City. This segment should be completed by November and if the new budget allows, we will move onto the next segment, which will take it down to the Dog Park. The road construction itself will start once the water lines under the roads are replaced. One lane will always remain open. It will be a mess but worth it in the end. We will use the Website, the Marquee by the pool, FaceBook and CodeRed for updates. Thank You in advance for your patience.

## Comments From The Mayor (Continued from page 1)

This little bit of fun is thanks to MP resident Richard A. Ramirez who, on his own, reached out to the Board to see if we could get our Bayou named. They said yes, so Richard let the City know and got us to finish filling out the forms. None of us had ever heard of the U.S. Board on Geographic Names so we were all very pleased, and a bit surprised to now have our Bayous named. They will start showing up on official maps soon. It is that type of initiative that we see throughout our city on an ongoing basis. Thank You Richard !!

### **Hurricane Season**

Hurricane Season is upon us. Please, sign up for CodeRed and start preparing now and laying in supplies now. Thank You.

### **Catalytic Converters**

Since crimes associated with the theft of catalytic converters continue to skyrocket, The City of Meadows Place decided to get more proactive. At the last Council meeting, we passed an ordinance which makes it very difficult to sell, or even possess, a catalytic converter within our city limits.

Catalytic converters are stolen because they are easy to steal and they're everywhere. Police Chief Gary Stewart explained that these thefts take almost no time, require minimal skill, are of great value and easy to sell. This makes them a target for these lazy jerks. Our ordinance gives the police a new tool to use in combating this crime and once the word gets out, it WILL act as a deterrent. Thank You Chief, and thank you Council for trying to protect us and make life more miserable for the crooks.

## Meadows Police Department

Police Chief  
Gary Stewart

### **Meadows Place Police Department's Vacation Crime Prevention Tips**

Summer is upon us; it is a great time for family trips and vacations. Being on vacation can lead to crime victimization if appropriate crime prevention measures are not followed. Most families do not think about being victimized while on vacation because of all the excitement of going on vacation. The following crime prevention tips are designed to allow the vacationer to enjoy a safe and secure trip and to return to a secure residence.

#### **Before Leaving...Secure Your Residence**

- Make sure all the locks on the doors and windows function properly and use them.
- Make sure your residence looks lived in and not empty.
- Leave the shades and blinds on doors and windows in a position that you would normally have them.
- Ask several neighbors to keep an eye on your residence while you are away. Leave your vacation address and telephone number with the neighbors so you can be reached in an emergency.
- Make sure your smoke and burglar alarms are functioning properly and armed.
- Arrange for a neighbor to pick up your deliveries: mail, newspaper, and any other packages.
- Arrange for someone to maintain your yard so your home appears occupied.
- Have someone place your garbage cans at the curb for normal pickup and put them away after the pickup has been made.
- Make sure you have timers for lights, television, or radios so they turn on and off at the appropriate times.
- Turn the ringer on the telephone down low or off. A possible intruder will not be alerted to your absence by a ringing telephone. If you can, forward your calls to your cellular phone or a trusted individual.
- Leave a normal message on your answering machine; do not announce your absence on the answering machine.

- Ask a neighbor to park in your driveway while you are gone so it will appear that someone is home. If you leave your car at home, park as you normally would.
- Consider taking valuables that you cannot live without to a safety deposit box.
- Contact Meadows Place Police Department for a vacation watch.

#### **On The Road**

- Try not to carry large amounts of cash; use traveler's checks. If you must carry large sums of money do not openly display it.
- Do not carry more credit cards than you will need. Keep a list of all traveler's check numbers and credit card numbers in a safe place. Have telephone numbers to call if either are lost or stolen.
- Never advertise your plans to strangers; this includes travel routes and the amount of cash you are carrying.
- Do not stop for hitchhikers or stranded motorists. If you want to help, call for assistance for them.
- If you suspect that someone is following you, drive to the nearest well-populated place and call 911 or use your cellular phone for emergency assistance.
- Do not leave any tickets (airline, train, bus) in open view. They are as valuable as cash.
- Males are advised to carry wallets in an inside pocket or the front pocket of their pants. Females should carry their purses under their arm with a firm grasp.

#### **Car Security**

- Always lock your vehicle after entering or leaving it.
- Park in well-lighted areas.
- Check the backseat before entering your vehicle.
- Always place valuables out of sight, preferably in the trunk. Do not leave wallets, checkbooks, or purses in your vehicle.
- Try not to advertise that you are a tourist.

**The Meadows Place Police Department is available**

**24 hours a day, seven days a week**

**(281) 983-2900**

**IF WORKING WITHOUT A PERMIT  
A STOP WORK ORDER  
WILL BE ISSUED**

**Important:** Scheduling work for your home? Call the Permit Dept. at 281-983-2932 to verify if a permit is required. Work that begins without a required permit, will receive a STOP WORK ORDER and work will not be able to continue until the permit is obtained and posted.

Permit Required Ordinance 150.01 - R104.2

**The most complaints:** I received the most complaints last month on Junked Vehicles.

**Your help is needed:** Make sure your vehicles have current registration, they do not sit for more than 30 days without moving, fix flats, and store your project vehicles out of public view. Help keep Meadows Place *Your Place for Life*.

During May 19, 2022, thru June 27, 2022, there were a total of **150** violations and **392** inspections completed. The following are the top **5** items that needed the most attention during this period.

Cases	
New Cases to Court	15
Overall Total New Cases	93
Overall Cases Closed	116
Animals Impounded by Fort Bend County Animal Services:	3
Frequent Violations	Notices Issued
Bandit Sign - Prohibited Sign (D) (signs in city right of way pulled by Code Enforcement)	57
Grass/Weeds in excess of 9"	17
Tree Obstructions/Clearances	8
Rubbish/trash/debris	7
Special Off-Street Parking Regulations (Trailers/RVs/Boats)	7

If you have questions about a Notice of Violation, please let me know before the due date listed. *I am here to help you.*

Jennifer Cabello, Code Enforcement Official  
Office: 281-983-2938  
code-enforcement@cityofmeadowsplace.org

Rod Hainey  
Public Works Director

**In the News,  
Water quality issues**

**R**ecently, in the News there was a notice directed at the residents of a neighboring community – **Possible Water Quality issues related to taste and odor.**

What does this mean? And why? Who does this effect and most importantly, how does this effect the City of Meadows Place residents?

The good news is that Meadows Place will not have any issues related to this notice, the notice has been directed to consumers that are using Surface Water sources and we are still on Ground water source.

Ground Water is pumped from the Aquifer below ground, from a depth of 800 – 1000 feet. This water is high in mineral content and in general is free of any harmful contaminates. On an annual basis the source water in Meadows Place, is tested and the results are compiled in the Consumer Confidence report (CCR). This report can be found on the City Web site and updated version is posted annually. The list of tests includes Lead, Copper, Arsenic, Fluoride, Radioactive and Volatile organic compounds, and Chlorine residual levels in the water (The CCR shows the complete list). We are happy to report that NONE of the tested contaminates exceeded the Maximum Contaminate Level set by the TCEQ (EPA). Water is **Natures solvent** and will dissolve a small amount of anything that it meets, so as the water moves through the ground it will pick up a little bit of everything. Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of contaminants. The presence of contaminates does not necessarily indicate that water poses a health risk.

To answer the original question about Taste and Odor issues in the drinking water, we need to recognize there are two different sources of drinking water, Ground water and Surface water. In the past most all the Public Water Supply came from Ground Water. And today to address declining water tables (Throughout Fort Bend, Harris, and Montgomery County) and subsidence issues, the source is changing to Surface water. The major difference in the two sources is how the drinking water is disinfected. Ground water uses free chlorine and Surface water uses Total chlorine. When the two different sources are mixed, there is a chemical interaction that results in taste and odor issues. Most of which can be related back to the high mineral scaling of the old pipes, the new mixture will cause a de-scaling of the minerals within the drinking water system. The water is still safe to drink it will just have a high concentration of the minerals than normal.

**Meadows Place has Ground Water as it's only source and there are no plans to make any changes to our drinking water source.**

We have three operational water wells, and we can meet our high summertime demand with two well with a spare.

***Water is Life.***

Every living creature needs it to survive.  
Water less, save more. Choose to conserve!
