thus constituting a quorum.

Council discussed the 2008-2009 budget in general noting that to date the Public Works and Police budgets are up 2.4 to 4% in general.

Discussing the Parks Department budget for next fiscal year, Mayor Jessup noted salaries were up due to the scheduled 3% increase as well as the required increase due to the minimum wage going up. The computer line item is \$4,000. Park maintenance includes removal of some trees in McDonald Park to allow for the grass to grow. A large savings in pool chemicals will be realized if we convert from a pool chemically treated with chlorine to a salt water pool. Parks Directors requested funds to send our life guards to a competition next summer. The various parks events were also discussed.

Council then discussed some of the suggestions to improve our city as submitted by residents.

There being no further business to consider, Councilmember Kulhanek made a motion, seconded by Councilmember Wilkens to adjourn the meeting. With unanimous approval, the meeting was adjourned at 8:25 p.m.
