

COMMENTS FROM THE MAYOR By Charles Jessup

Kirkwood Project Out For Bid

With the engineering complete, the landscaping design done and the bid packet compiled, The City of Meadows Place posted a bid notice requesting construction proposals be submitted for evaluation, and hopefully, selection of a construction contractor for the Kirkwood reconstruction project.

On August 22nd, Copies of Plans, Specifications and Contract Documents were made available with the sealed bids due on the 19th of September. There is a process to bidding a project like this that includes meetings, forms and bid bonds. Then more meetings and evaluations to make sure the bids are complete. Should a contractor be selected, Council will look at the final numbers and discuss payment options. Fortunately Meadows Place is in a strong financial position. HDR did the engineering with Asukura Robinson doing the landscape design and planning. They worked well together to get us ready to bid. Rick Staigle, a professional traffic engineer by trade, has been invaluable in this process. In addition to spending long hours working with HDR, Asukura Robinson and CenterPoint Energy, Rick has served as our liaison with the Fort Bend County which is fortuitous since this is part of a Fort Bend County Mobility Bond Project. We will keep you posted as we progress but one thing to know is that once construction starts, it is going to be a mess, but it will be more than worth it when it is finished.

2018-2019 Tax Rate Hearings

Prior to setting the 2018-2019 Tax Rate, from which the budget will be set, the public gets an opportunity to see where the rate is set and why, to ask questions and make comments. City Staff and Council have worked hard preparing and hope you are pleased with the result. The first Public Hearing date for the proposed tax rate was August 28th at the regular Council Meeting. The next is September 18th at 6:30 p.m. in the Council Chambers. Join us, all are welcome.

- Sept. 28 Holiday** - Fort Bend County Fair Day

Did You Know?...

Did You Know... some folks new to the city are not clear on a few issues.

Let's see if this helps. Yes, Meadows Place is a self-contained one square mile city that is incorporated with the State of Texas. Yes, you put Meadows Place on your packages AND your driver's license. Yes, We offer 24 hour a day response in Police, Fire and EMS – all located right here in our city. We have our own water and sewer plants and work on them 24/7 if we need to. We contract out complete trash and recycling but our Public Works department looks after us in many many areas. We have our own Utility, Permits, Code Enforcement and Courts departments. Later this year fall we will have a Get to Know Meadows Place get together. Keep your eyes open and join us. It will be fun. Until then, call City Hall or the Mayor if you have any questions. 281-983-2945.

Did You Know... Sept. 28th is Fort Bend County Fair Day- It starts off with the famous Fort Bend County Fair Parade which leaves the Courthouse in Richmond at 9:00 and goes down Hwy. 90 to Rosenberg. The 200 entries include floats, bands, horses and kids from all over the county. It's amazing, then on to the fair. On Opening Day, school kids to grade 12 – get in FREE! That's right free. You can go ride the rides, eat and go check out all the exhibits and animals. While you're there, look for the kids in FFA from Meadows Place, and remember, if you eat, you are involved in farming. Go support the Fair. Check the Fair website for schedules and daily discounts .

Did You Know... Meadows Place held a Leggo Camp at the Community Center last month..... and it was GREAT! Lots of future builders, architects and scientists in the bunch.....

Did You Know... We used City Hall maintenance funds to change out the lights in the Council Chambers/Courtroom. This cut the electrical usage in half. The new LED bulbs produce less heat and last longer. We believe continual improvement is

the key to making sure Meadows Place is...*Your Place for Life*.

Did You Know... almost a year after we began our FEMA reimbursement efforts for money we spent during Harvey, we were awarded almost all we asked for- \$47,696.11. Though everyone participated, Captain Jack Ashton and Anna-Maria Weston shouldered the load most of the time. Thank You to this super staff who came through for the residents of the City of Meadows Place once again.

Did You Know... our Meadows Place students, like Tanner Cabezas who is playing football for Dulles Middle School, are involved in extracurricular activities. We have Kids in FFA, band, theatre, robotics and more. Please drop us a line and let us know what is going on so we can post it here in Meadows Place Did You Know.

Did You Know... school activities are underway, and the Meadows PTO is looking for some great volunteers? Interested? Contact Kathryn Brown ptomeadowselementary@gmail.com. Find out how you can get involved to support the awesome students and teachers at Meadows Elementary.

Did You Know... Chris Stafford, Sr. Director, Real Estate & Facilities for Vroom/Texas Direct Auto, has hired a custom pool company to rework the water features at the Texas Auto Dog Park. He is excited about the ideas they have to get it, and keep it, in great shape. Let them know what you think.

Did You Know... the Meadows Place Summer Camps for Kids were a huge success. We were hitting our 20 camper limit and people have asked to be on the list for next summer. Arts, Crafts, Critters and Climbing kept the kids busy. Oh so did the cooking lessons, fishing and kayaking. A great program offering from our great parks department!

Did You Know... is for YOU. To get something in Did You Know in 2018, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... Meadows Place was ranked the **8th Best Suburb** in the Greater Houston Area. A data mining company rated the 27 best suburban areas and Meadows Place came in #8! Criteria include: Population; Unemployment Rate; Median Home Price and Median Income. Safety and Amenities played a big role as did Affordability and Education. They said Meadows Place is rated "for good reason", stating "crime is far below average and most residents are gainfully employed. Even the cost of living is reasonable". What they don't know, is how hard we work to be a wonderful community with a vision of the future. We will be climbing up that list!

(Comments From The Mayor continued from page 1)

Helping with Water Issues

One afternoon at 4:00 we had a large main break and the water was gushing. A resident quickly called it in and we had the water turned off in a matter of minutes. The line was repaired and back on by 8:00. p.m. By calling it in, the resident not only got the process moving but saved the city a lot of money. We pay Surface Water Fees just like you do and when the water is flowing the City is paying those subsidence fees. Big ones. When a water main breaks like that, we can lose a lot of water so Thank You to the resident who called in so promptly. It helps everyone. To report a sewer or water problem after hours (before 7:am and after 4:pm) call USW Service at 832-756-2143. During business hours (9am – 4pm) you can call city hall at 281-983-2950. The number is always on the back of the newsletter and on the website. Thank You. This type of resident participation helps keep Meadows Place...**Your Place for Life!**

COP TALK

By Chief Gary Stewart

Neighborhood Watch Program

The Neighborhood Watch Program hosted by the Meadows Place Police Department is a crime prevention program that teaches citizens techniques to reduce the risk of being a victim at home or in public. This is accomplished by teaching the community how to recognize and report suspicious activity. We continue developing the community in safety awareness by offering Situational Awareness training, designed to help recognize potential threats and offering safe alternatives. But the Offerings do not stop there, we offer CRASE training (Civilian Response to Active Shooter Events). We want everyone to be prepared for these unfortunate events occurring today.

Implementation of a Neighborhood Watch has resulted in substantial reductions of crimes and community awareness. Neighborhood Watch works because people want to assume a more active role in making their community safe. Residents within a neighborhood know who belongs there and who doesn't and what activity is suspicious. Citizens will work with, instead of relying on, law enforcement to combat crime in their community.

The Meadows Place Police Department always welcomes new ideas and topics! Please join us on Thursday, September 20th, 2018, at 7pm. We meet at the Meadows Place Police Department Training center located at 11975 W. Airport Blvd. Bring friends and neighbors! Light Refreshments will be served.

This will be a great Kick-Off to National Night Out in October 2nd, 2018

Did you know...Storm Drain Management, Mosquitos and Water Meters

Hello everyone, here is another issue of Did you know? This segment will be related to storm drain management, mosquitos, and water meters. We hope you find this information provided to be informative and useful. Please visit the City's website at www.cityofmeadowsplace.org where you can find more information about the City of Meadows Place and current city news.

Here we go...

- Did you know that the City has contracted with Cypress Creek Pest Control to spray the City for mosquitos? Currently, our spray days are Thursday evenings.
- Did you know that only female mosquitos blood feed? Strange but true...
- Did you know that mosquitos can cause heartworm disease in dogs? Be sure to have your dog vaccinated or treated for heartworms...
- Did you know that West Nile Virus is a virus transferred from birds to humans by mosquitos? Mosquitos are a vector for the virus.
- Did you know that the City of Meadows Place must have a permit from the State of Texas for storm water discharge? It's true, the City has a Stormwater Management Plan that is regulated by the State of Texas.
- Did you know that only rain water is allowed in our storm drains? It's true!
- Did you know that swimming pool water is not supposed to be drained into our storm drains? Pool water contains chlorine, which could be hazardous to aquatic life in our bayous.
- Did you know that lawn clippings are not supposed to be blown or sweep into city storm drains? It's a violation of our stormwater management plan.
- Did you know that a water meter is a device that measures how much water you use? It is like your gas or electricity meter and it is read in/per thousand gallons.
- Did you know that a water meter slows down with age? The meter cannot arbitrarily run faster than it was designed to run, the mechanical parts are not capable of "speeding up" or registering a higher reading. Thus, a water meter will never read in favor of the city.
- Did you know that tampering with a water meter is against the law? It's true and we have a sensitive meter reading system that indicates to us when a meter has been tampered with.

I hope everyone has had a good summer. It's hot outside so take precautions with the heat and mosquitos!

Water Meters

On July 24th, 2018, City Council approved Ordinance No. 2018-16 amending section 51.99 of Chapter 51 of the City of Meadows Place Code of Ordinance regulating penalties for provisions applicable to water and sewer for tampering with, or rendering our water meters unusable, raising the penalty to \$500.00 to cover costs.

This means if we receive an alert for a possible "Tampered" Meter and find your meter has cut wires, damage, etc. you will be given a citation and fined up to \$500.00. This just covers the cost of replacement. Call Utilities for help.

Congratulations and thank you and all the residents who take pride in their home sites and put forth the effort and expense to beautify their landscapes. It is appreciated by your neighbors and by the city as a whole.

Our 2018-2019 program year begins on Tuesday, September 11, at the new Discovery & Nature Center at 11938 Amblerwood, next to the pool. Meetings begin at 7:00 PM. This first meeting will be a greet-and-meet affair, where new members will be introduced and visitors welcomed. Our President, Joe DeBruyn, will review the club's theme, objectives, and community projects. Light refreshments will be served. We will have many items as door prizes. To be eligible you must be a paid member. Dues are \$25 for a single membership and \$35 for a family membership and may be paid at the door on arrival.

Please note that the 2018 "Fall Market & Monarch Festival" previously known as the "Meadows Home & Garden Craft Sale" has been scheduled for October 6. Details will follow.
