

COMMENTS FROM THE MAYOR

By Charles Jessup

Meadows Elementary

Meadows Elementary is now a memory. The wonderful school itself is gone. Torn down. Kaput. It is hard to believe that “*The Heartbeat of our Community*” is no more. Like many in the City, I have mixed emotions. The place that helped my children learn how to learn and taught them to love learning is now only there in my mind. It is kind of sad, yet I am beyond

excited as I wait in anticipation of walking into the ‘New’ Meadows Elementary. To monitor the progress of the build, click the Meadows Elementary ‘button’ on our website. We will have time lapse photos going up almost every day during the week. Should be fun.

Bricks

The City did manage to save some 250-300 Meadows Elementary School bricks. These bricks will be given away at the October 5th at the Monarch Madness festival on a First Come- First Serve basis. One brick per family please. What a great memento for those of us whose lives were so wonderfully impacted by all the tremendous teachers, principals and staff that were Meadows Elementary. See you at there!

Court of Record

At the August City Council Meeting passed Ordinance No. 2019-22 amending Chapter 34 of the City of Meadows Place Code of Ordinances, established a municipal court of record. A court of record is a trial court or appellate court in which a record of the proceedings is captured and preserved, for the possibility of appeal. This is a step up for the Meadows Place Municipal Court and gives us more authority in areas that will benefit Meadows Place, especially when it comes to issuing warrants that will help the City deal with problem houses. Prior to the passage of this ordinance we had to have our City Attorney – Randle Law Office – make the warrant request to the District Court which was VERY time consuming, if they could even get heard. This will help us expedite these issues and make sure Meadows Place is providing the highest, and quickest, level of service possible. Thank You Council. Improvements like this and make sure Meadows Place continues to be...*Your Place for Life*.

Fort Bend ISD

- Sept. 2** Holiday - Labor Day
- Sept. 23** Regular Board Meeting - 6:00 p.m.
- Sept. 27** Holiday - Fort Bend County Fair Day

Did You Know?...

Did You Know... Meadows Place is a beehive of activity this month. In addition to Kirkwood, Meadows Elementary and the new Inclusive Park at Pender, Erik Tschanz, our Public Works Director has some major repairs and renovations going on, including repairs at the EMS building on Kirkwood. Having EMS stationed in Meadows Place is such a blessing that keeping that facility in tiptop shape is something we make sure we do. Fire Station too. To have Police, Fire and EMS located in Meadows Place is just one more thing that makes Meadows Place, *Your Place for Life!*

Did You Know... Thanks to a tip by EDC Director Amaya Labrador, my wife Elaine and I went down to Galveston for the AIA (American Institute of Architects) sponsored Sandcastle Contest. It was neat - 50 different teams were given themes and an area to build in. Some were better technically, some were better creatively, but all were great. Whales, Krakens, Astronauts, Sand Castles and more enhanced the beachfront! Very impressive, Certainly a lot better than I can do. Thank You, Amaya.

Did You Know... Meadows Place received the Government Treasurers' Organization of Texas Certification of Investment Policy award. The purpose of this program is to provide assistance in developing investment policies suitable for public funds that fully comply with the Texas Public Funds Investment Act (PFIA). Only 30 cities received an award this year! This is the third such award for Meadows Place. Thank You Anna-Maria Weston for all your hard work and for maintaining such a high standard.

Did You Know... I was So Proud of Meadows Place Police Department for their support of 6 yr. old "Chief Abigail", a young lady who is battling with cancer. In addition to making a video of support, Chief Stewart had a decal, of a llama, put on the back of our police cars. Llamas are Abigail's favorite animals. I encourage everyone to go to the

official Meadows Place Facebook Page and watch this very touching video of our wonderful officers supporting and encouraging "Chief Abigail". Thank You Chief Stewart and Meadows Place PD.

Did You Know... Ken and Estella Smith played a huge role in the latest Dulles Dolls and Band Booster Club auction and fundraiser. These Meadows Place residents were joined by Jimmy Fenwick, another Meadows Place resident active in our community. These three are GREAT examples of Servant Leaders. All are involved in other areas around the city. Ken has recently joined the EDC Advisory Council and will be influential in making important decisions about the future of our fair city. Thank You – for ALL you do.

Did You Know... Public Works Director Erik Tschanz had a company named Texas Hydrant Services conduct an audit on our 139 Fire Hydrants. This audit was completed on July 24th and a preliminary report presented to Erik on the 25th. We found some that would not open because the cap was stuck or it had rusted flange bolts, etc. We marked those hydrants, notified Fire Chief DiCamillo and put this project as our #1 priority. Thank You, Eric for looking after us and testing our hydrants.

Did You Know... Sharon Leal reminded us that when you change addresses, you need to change your driver's license AND Voter Registration. Sharon is a VDR (Volunteer Deputy Registrar) and can help you register you to vote. She is available every Monday. Sharon is President of the Community Garden and would love to see you out there too.

Did You Know... There was a group of 50 young students from New Zealand at the Skeeters game. A few of them got to hear all about Meadows Place.

Did You Know... is for YOU. To get something in Did You Know in 2018, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... The city just spent around \$25, 000 because someone dumped some 4x4's and 2x4's down a manhole that led to the Waste Water Treatment Plant. They lumber got caught in the impellers of two of our pumps. In addition to broken blades on the impellers, a main pump shaft was bent which caused excessive vibration leading to additional problems. Somebody, a neighbor or their contractor whose laziness not only cost us (you) a lot of money and put us on standby as we had to prepare for further catastrophic pump failure. Not a good situation. Dumping materials down our manholes is not allowed. It is a crime. Now you know why. Please report this type of activity to PD immediately. Thank you.

(Comments From The Mayor continued from page 1)

Budget and Tax Rate Hearing

Meadows Place had a Public Hearing regarding the proposed Tax Rate last month and will have another on September 10th; 6:30 at City Hall. Council is proposing an increase in tax rate with the bulk of the increase going for two (2) full time and one part time police officer. Included is a significant increase in city controlled dispatch, which is a huge step in helping keep Meadows Place Police officers on the street protecting us. If approved, the city tax bill will go up about \$ 26.75 over last year on a house valued at \$225K.

National Night Out

Also at the August Council Meeting, a Proclamation was read declaring Tuesday, October 1st, National Night Out in Meadows Place. National Night Out is a great opportunity for citizens and law enforcement to partner up against crime. We invite you to attend the event, meet your neighbors and commit to helping law enforcement reduce crime in your community. National Night Out is designed to Heighten crime and drug prevention awareness, generate support and participation in crime efforts, strengthen neighborhood spirit and police community relations and let criminals know that neighborhoods are organized and fighting back! Call the PD to get your party on the Council and Cop Drop By list.

MEADOWS PLACE COMMUNITY GARDEN

Joining things is FUN!!!

There are many reasons to join a community garden; learn a new skill • teach your kids where food comes from • save money • help the environment • have a reason to get outside regularly and share with others. These reasons - and many more - fuel the people who grow food at the community garden.

**Come and have fun...
Every 2nd & 4th Sat @ 9am.**
You to can help our Community Garden Grow!

COP TALK

By Chief Gary Stewart

Workplace Crime Prevention

When you go to work, don't leave your crime prevention sense at home. Almost any crime that can happen at home or in your neighborhood can happen in the workplace. You can minimize your chances of becoming a victim of crime if you know what situations to avoid and what preventive actions to take.

- Never leave valuables unattended and unsecured.
- Keep your purse, wallet, keys, and other valuable items with you at all times, or lock them in a drawer or closet.
- Always lock your office and any unoccupied room, even when leaving for only a moment.
- Check the identity of any strangers who are in your office. Offer your assistance and ask them who they are visiting and if you can help them find that person. If they make you uncomfortable, inform your supervisor or Security Office (this may include the local police) of your suspicions.
- Always let someone know where you'll be, whether you're coming in late, working late, going to the mailroom, going out to lunch, or going to a meeting.
- If you bring personal items to work such as a coffee cup, a radio, or a calculator, mark them with your name or initials.
- If you find weapons, drugs, or other illegal items, do not handle them. Contact your supervisor and the Police; let them know what and where you found suspicious item.
- Be discreet. Don't advertise your social life and vacation plans or those of your coworkers to people visiting or calling.
- Be cautious in restrooms. Attackers can hide in stalls and corners.
- If you're working late, create a buddy system for walking to the parking lot.

The Meadows Place Police Department always strive to insure the Safety and Well being of the Community.
Remember, ***If you see Something-Say Something.***

281-983-2900

Fats, Oil and Grease

By Erik Tschanz

The fats, oil and grease (FOG) found in food such as meat, cooking oil, shortening, sauces and dairy products are major concerns for our sewer system. When you put cooking leftovers like grease, oil and food scraps down the drain, it sticks to the sides of your pipes. This clogs your pipes and causes back-ups resulting in an expensive visit from the plumber. Please take precautions to keep your pipes grease free.

How to Clean Dishes to Protect Your Pipes:

- Remove oil and grease from all dishes and pans before washing. Once grease or cooking oil has cooled, pour into covered collection containers. Wipe out the remainder using a paper towel. Never pour oil or grease down the drain.
- The garbage disposal does not destroy grease, it only makes it smaller. If you have accumulated grease in your pipes, putting food scraps down the drain can clog your pipes faster. Scrape food scraps from dishes into a trash can to avoid using your garbage disposal.

- Cover kitchen sink drains with catch baskets (strainers) and empty into the trash can as needed.
- Avoid using the garbage disposal and hot water. If grease does go down the drain, follow it with cold water.

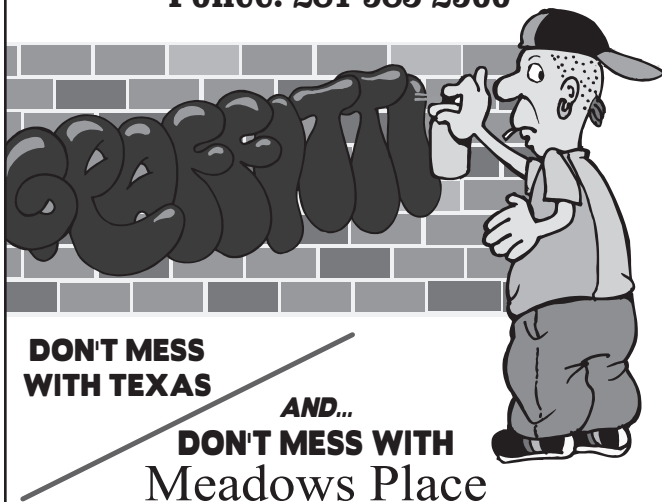

If you are experiencing sewer issues please call USW at 832-980-0809, and a service tech will come out to determine if it's a private issue or a city issue.

Stafford, TX 77477

Meadows Place is providing respite for Monarch butterflies enroute to Mexico during their annual migration thanks to the efforts of city officials, CenterPoint, Monarch Gateway and several nonprofit groups.

The city is the first permitted prairie restoration site in power line right of way, according to Barbara Keller-Willy, executive director and founder of Monarch Gateway and president of the Native Prairies Association of Texas.

As a Monarch Host City, Meadows Place is converting 13 acres of ROW to a pollinators' habitat, including milkweed on which Monarchs lay their eggs and caterpillars feed upon before they form a chrysalis.

Representatives of Wildlife Habitat Federation have treated the land for invasive plants and have seeded it with native plants to create a habitat for pollinators. But it's more than that. "It will bring back what we used to have - the animals and plants that existed at one time," said Jim Willis, president of Wildlife Habitat Federation.

The prairie land will provide many opportunities for education. Meadows Elementary will use it as a subject source for creative writing, science studies of habitat and life cycle, and in math they will use days of growth and development to create charts and math problems.

Texas ATM students and professors are currently involved in research and development of a low combustibile seed mix as well as future data collection from the site. This site will also provide teaching clinics about monarchs, prairies, plant life and pollination.

A grand opening will be scheduled at the new trailhead located directly behind the fieldhouse in McGrath Park on October 5, during the Monarch Madness Festival at 10:00am.

BRICKS

Bricks from the Meadows Elementary building will be available to the first 250 households that would like one. The City of Meadows Place will make the bricks available on October 5 during the Monarch Madness Festival. The bricks are free and we recommend 1 per household so that all that would like a piece of history may have one.

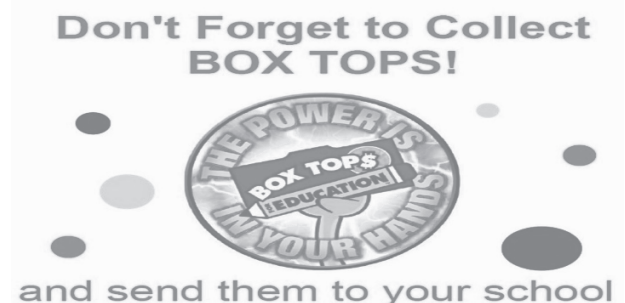

10/5 Sat., 11:00am distribution @ McGrath Park on Brighton

.....

MEADOWS ELEMENTARY EVENTS

Sept 3- Spirit Night at Chik Fila
Sept 6- Grandparents Day at school
Sept 10- Open House 5-6:30pm
Sept 17- Spirit Night at Lopez
Sept 19- PTO Meeting (all are welcome)

For spirit nights, make sure you tell the cashier when you check out; a portion of your bill gets donated to Meadows PTO to help cover school expenses.

We will continue to accept Clipped Box Tops until they expire so keep sending them to your school!

More good news: you can 'double dip' during the packaging transition by clipping the physical Box Tops AND scanning your receipt with those participating items.

Street Light Repair

When calling or emailing about a street
light outage, you will need to get the pole
number. You may request an email
notification so Center Point can
keep you apprised of the status
of the repair request.
