

**COMMENTS FROM THE MAYOR**  
By Charles Jessup

**2018-2019 Budget, Tax Rate and Homestead Exemption**

By a unanimous Voice Vote, City Council approved the 2018-2019 Budget. This budget will decrease the total tax revenue from properties on the tax roll in the preceding year even though property values are up. This was precipitated by Council raising the

Homeowners Exemption from 13 to 20% - the maximum allowed under State Law. This will remain in effect unless changed by ordinance. Council also passed the tax rate for the City of Meadows Place. The tax rate is \$0.832 per 100 dollar evaluation of your home. This is the same rate as last year.

The itemized budget is on our website for you to review. You can be proud of our staff and your City Council who worked so hard to put this very exacting budget together.

**Parks & Rec Poised for a Record Year**

Last year our Public Works Department smashed records in internal street and sidewalk repairs. Now it looks like our Parks Department is going to set records. Word of our new Discovery & Nature Center got around and now we have 32 Field Trips to the Nature Center booked. Visitors will include Meadows Elementary, Harmony School, Sugar Creek Preschool and the Hamptons. I expect more to come when the word gets out.

In addition to field trips, we are going to see major changes under the power lines. Parks Director Colene Cabezas recently had a major meeting with Monarch Gateway, Prairie Restoration and CenterPoint Energy to discuss the timeline for the right-of-way transition under the power lines. A new Trailhead will be completed with the spraying for invasive vegetation coming next followed in early November by the 1st planting cycle of natural grasses and butterfly friendly plants. There will be a ribbon cutting for the trail. Join us, all are welcome.

# Did You Know?...

**Did You Know...** we added three new Meadows Place 'ads', or graphics, on the Sterling McCall Nissan sign at the corner of the 59 Feeder and Airport. Tom and Liz with Erickson Advertising put them together for us. They look great and will be added to the three already in rotation. What a great way to present a positive message about our little one square mile of wonderful!!!! Thank You EDC for your continued role in moving Meadows Place forward and your support as we raise the standards and awareness of our city.

**Did You Know...** Bob Dybala, was excited to give a big Thank You to the scouts of Troop 911. Lucas Leal, Christian Norris, Daniel Polhemus, and Garrett Randolph, came out to the Community Garden and helped. They planted vegetables in one of the 15' beds and mulched the new tree beds. Troop 911 assumed full responsibility for that bed. They had fun helping in the garden and so can you. Bob also thanked Charles Pfeffer, Jack Klasen, Javier Velazco, and Javier's father, Blas Velazco, who weeded the tree beds and prepped them for the new tree boxes. Looking good out there !

**Did You Know...** a longtime Meadows Place resident sent in an email about one of those great big green container bags -the kind you fill and call for pickup. It had been out a while and he wondered "if we were unable to recognize this as an issue and get it resolved" or what. Since all it takes is a phone call to have the bag picked up, and since this was the first time we had dealt with this, we weren't real sure. However, the day after his e-mail we contacted the homeowner and the next day it was gone. Glad he contacted us. Now we know to call sooner, and so should you. About 25% of our Code Enforcement cases come from resident input and we want you to help us keep our city up. Please, do not wait to contact us, even if you are not sure if it is Code Violation. The sooner you call Code Enforcement the sooner we will jump on it - and then everyone will be happier. Thank You.

**Did You Know...** Janet Piwonka and Lynn Helm started the newsletter – back before we were a city -- when we were just a MUD. They used it for Community Info, news and notifications. Just like we do today. Thank You Lynn, Thank You Janet, for starting what would become a long running resident driven tradition that helps ensure Meadows Place stays... *Your Place for Life*.

**Did You Know...** Meadows Place resident Jimmy Fenwick is leading a program to educate the public against the dangers and destruction of Human Trafficking. The GoBox Project is part of a collaborative movement that is informative, and scary. I encourage you to check it out to see how you too can help fight this horrendous problem. Thank You Jimmy for your role in this battle. Another MP resident, Beau Abdula, teaches a segment as well. Thank You gentlemen for getting involved. Great example of Meadows Place men doing great things.

**Did You Know...** Simple recycle has switched from green to bright orange bags. I didn't, but they make the clean out your closet process Simple. If anyone sees someone other than the Simple Recycle truck picking up bags, please report to MP Police. Thank you.

**Did You Know...** Meadows Place YAC started up again. This fantastic volunteer service group of high school students really make a difference in and for our City. Thank You YAC, we are glad you are back!

**Did You Know...** there is a Fort Bend School Bond Election this year. Meadows Place needs the bond to pass so there is money to fund the "new" Meadows Elementary!

**Did You Know...** is for YOU. To get something in Did You Know in 2018, drop us a note at City Hall or email: [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org).

**Did You Know...** I received another call from Dr. Charles Dupre, the FBISD Superintendent, but this time it was good news! He called to tell me that the FBISD School Board selected an architect for the rebuilding of Meadows Elementary, assuming the bond issue passes of course. They chose is Gensler Design, an integrated architecture, design, planning and consulting firm who designs a lot of "community" schools. They have a very impressive resume and, at FBISD instruction, will take measures to engage Meadows Place in the process. More details as they develop. Thank You Dr. Dupre. We appreciate your concern for Meadows Elementary and out little one square mile of wonderful.

*(Comments From The Mayor continued from page 1)*

### **Recognition Dinner**

Last month the City honored all the hard working Meadows Place committee volunteers. It was a great event and lots of fun. We invited all members of the Meadows Place Economic Development Corporation, the Planning and Zoning Commission and our Board of Adjustment. I was astounded at the strength of these boards and commissions and did a double take as I read the names and their backgrounds. We have economic advisors, business men and women, architects, engineers, commercial realtors, a Tax Assessor Collector, a big shot with UofH, a marketing specialist for a large engineering firm, and on and on. Amazing for a one square mile city. Let's take a moment and thank our neighbors who work so hard to keep Meadows Place progressing. MP Board of Adjustment members are: Chairman David Piwonka; Clyde Little; Ever Ramirez; Nelson Goolsby. Economic Development Corporation Members are: President Bob Graf ; Harry Hamilton; Terry Henley; Kurt Kopczynski; Matthew Walker and Tia Baker. EDC Advisory Council members are: Richard Ramirez; Amaya Labrador and Cameron Miller. Planning & Zoning Commissioners are: Chairman Ever Ramirez; Bryan Swinney; Sean Ulrey; Matt Oltermari and Beau Abdulla. This group is as strong as the '27 Yankees or the 2018 Houston Astros! Real Champions. Thank You all for serving so unselfishly. We are so blessed. This type of resident participation helps keep Meadows Place...**Your Place for Life!**

# **COP TALK**

By Chief Gary Stewart

## **The Meadows Place Police Department Encourages everyone to have a safe Halloween with these Safety Tips**

- Instruct your older children to TAKE FRIENDS when "Trick or Treating."
- Make sure a TRUSTED ADULT, accompanies your younger children when "Trick or Treating." Older children should travel in groups.
- Children should not enter homes without your prior permission.
- Only approach homes that are well-lit both inside and outside.
- Teach your children to NEVER approach a vehicle unless they are accompanied by you
- Make sure your children wear reflective clothing and carry a flashlight or glow stick
- Make sure your children are able to see and breathe easily when using facial masks.
- All costumes and masks should be clearly marked as flame resistant.
- Teach your children to always stay in well-lit areas, and never go into isolated areas.
- Teach your children to stay alert for any suspicious incidents and report anything unusual to you and law enforcement.
- Teach your children if anyone tries to grab them to draw attention to themselves and yelling loud as they can: "This person is trying to take me," or "This person is not my father/mother." Teach your children to make every effort to escape by walking, running, or pulling away; yelling; kicking; attracting attention; and otherwise resisting.
- Consider organizing or attending parties at home, in schools, or in community centers as a good alternative to "Trick or Treating."
- Please notify the Meadows Place Police Department immediately of any suspicious or unusual activity (281) 983-2900

## Call 811 before Every Digging Project, Large or Small

Every digging project, no matter how large or small, warrants a free call to 811. Installing a mailbox or fence, building a deck or landscaping are all examples of digging projects that should only begin a few days after making a call to 811. Calling this number connects you to your local one-call utility notification center. A representative from the center will come out and mark the approximate location of utility lines with flags or paint.

Digging without knowing the approximate location of underground utilities can result in damage to gas, electric, communications, water and sewer lines, which can lead to service disruptions, serious injuries and costly repairs.

Take the proper precaution while preparing to dig at your residence and place a free call to 811, this will put you on the right path to a successful project.

## Home & Garden Club

By Clyde Little, Publicity

A Meadows Home & Garden Club meeting is scheduled for Tuesday, October 9 at 7:00 P.M. Our guest speaker will be Carol Barrowman from Neighborhood Watch. The meeting will be at the Discovery & Nature Center at 11938 Amblewood. Light refreshments will be served. Non-members are encouraged to attend.

The annual Meadows Home & Garden Club craft show and the Monarch Madness Fall Festival event is scheduled for Saturday, October 6 beginning at 10 A.M. Our booths will be located at the Community Center and the shaded areas of McDonald Park. Bring your family and friends for wonderful handmade crafts, an exciting raffle, and delicious bake sale items. Food trucks will also be available. Proceeds from the hard work of garden club members are contributed directly to the scholarships that many of our students receive to further their education.

Your Meadows Home & Garden Club will be having some fun this Halloween! We want to find the homes with the most Halloween Spirit! Now's the time to decorate your yard in the spirit of the season. Judging will be October 21st. A winner will be awarded in each section and a fun yard sign will be displayed through November 1st. Get creative and let your holiday spirit show!
