

COMMENTS FROM THE MAYOR By Charles Jessup

Giving Thanks

October saw lots of activates taking place in Meadows Place. Some are visible and apparent, like the progress taking place in our new Nature Center. Others, like the upgrades in the electrical system at the Waste Water Treatment Plant take place behind the scenes. Both take place with one thing in mind, make Meadows Place better. Make it the best place in the world

to live. This was the philosophy of the leaders like Mayor Sue Troyan who helped create a city where there had been none. It continued to be the driving force of Mayors Jim McDonald and Mark McGrath and the people helping and supporting them. Making Meadows Place a better place today than it was yesterday continues to be the driving force in our city. You can see it everywhere you look. People care about our city, work hard and are willing to step up, step out and contribute. As we go into the Holiday Season, let us give thanks for all that we have. Let us be thankful for this wonderful country, the great State of Texas, for all the people who made this city such a great place to live, and Thank You for helping to make Meadows Place... *Your Place for Life*.

Administrative Changes at City Hall

Thanks to our hard working staff, Meadows Place is finally about to change banks. In August I wrote that The City of Meadows Place had published a Request For Application (RFA) hoping to hear back from some new financial institutions. Thankfully we did, but I was surprised to learn how difficult it was to change banks. There is a lot red tape and detail to be worked out before a city can seek a new financial institution. Financial Director Anna-Maria Weston worked very hard with our City Secretary, Courtney Rutherford, to present multiple proposals to your City Council. Last month Council approved the Mayor and City Secretary to enter into to an agreement with a new bank. This should be completed this month. Transferring all the funds is one thing, but making sure all the accounts and all payroll functions are transferred properly will be a major undertaking for our little city. I am confident that the staff is more than ready to take on this task. This transition will let us move forward with other plans to streamline operations and save the city quite a bit of money every year. As with all things, it will be worth the effort.

Did You Know?...

Did You Know... Did you know Meadows Place resident Tia Baker, a marketing coordinator for LJA Engineering, is going through the Fort Bend Leadership Forum. This program offers creative learning opportunities and increased knowledge of our County, its people and its future as it brings together leaders across the county. This ten-month program takes commitment and personal sacrifice but everyone who perseveres says it is worth it. This is confirmed by Alderman Rick Staigle who went through it a few years ago. Congratulations Tia.

Did You Know... Meadows Place is going to move the day our courts meet from Wednesdays to Thursdays. This change should take place next month and came after much discussion with our staff, Court Clerk, Judge and Prosecutor in an attempt better serve our residents and visitors. This includes the folks who have to come to court and our jurors so please pay attention to your court dates. Thank You

Did You Know... Kali Shaw is still winning awards in the Sooner Athletic Conference. An outstanding volleyball player, from Meadows Place, Kali was named Conference Hitter of the Week! She was also named The National Christian College Athletic Association Student Athlete of the week! Very impressive. Two incredible honors for Ms. Shaw who makes Meadows Place parents Jack and Cyndi Shaw very proud. Us too! Congratulations, Kali.

Did You Know... that the Monarch Butterfly became the Texas state insect by a 1995 resolution of the State Legislature. To learn more about butterflies, check out the great butterfly section of the Meadows Place Home and Garden Club Website. You can find it under the 'Links' section of the city website and look at the great

video of the Monarch Madness Festival on the official City of Meadows Place Facebook page.

Did You Know... Meadows Place YAC continues to contribute hours and hour of service to our city. You will see them throughout our city, weeding gardens, volunteering at our events, doing beach cleanup, and volunteering at our Pumpkin Patch. These high school kids are making a difference in our city. Thank You YAC! You are one reason why Meadows Place will continue to be Your Place for Life!

Did You Know... that Chief Stewart wants to remind us to call the PD the minute we see anything that looks out of place or suspicious. Call first, blog second. 281-983-2900.

Did You Know... 'Pie Bake Off' was a huge hit in Monarch Madness. Mmmm

Did You Know... that right after James Coney Island was awarded the Meadows Place EDC Business of the Month, they posted it on the front page of their corporate website. Congratulations JCI and Thank You Meadows Place EDC for your efforts to thank and recognize our business partners.

Did You Know... that there is right at 15 miles of streets in Meadows Place.

Did You Know... that as part of her ongoing training, Parks Director Colene Cabezas went to the Texas Master Naturalist Conference in Corpus Christi. Colene was excited about the new ideas she learned but was thrilled to hear people from all across this great State of ours all talking about Meadows Place and our Monarch Madness Festival. Not bad for a little one square mile city is it...

Did You Know... To get something in Did You Know, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... Meadows Elementary is encouraging family members and the community to get involved as a volunteer at Meadows Elementary. Volunteering enriches lives and shows support for the students, the teachers and the community. Opportunities include a wide range of time commitments and duties - like ramp duty, reading stories, monitors at lunch, assisting in the library, helping with class parties, and many more. You do need to complete a quick background check through FBISD to become a volunteer on campus. Parents & grandparents, you really should complete the process so you can attend special events with your students. For more information, please contact the school or call me.

CJ Stevens Meadows Elementary VIPS Coordinator (PTO) 281-627-3800

We would love to see even more involvement from our Meadows Place community.

(Comments From The Mayor continued from page 1)

Changes in Utility Bill

You will notice two primary changes in your utility bill. First, due to rising costs, our base rates for both our Water and Sewer bills have gone up a dollar per month. This still does not cover costs or the increase in Subsidence District Fees so Council will be evaluating rates early next year. We have also moved to a more accurate meter reading system this month. Basically we changed the bill to reflect more closely our actual usage and eliminated the 'rounding' that was used back when the water bills were read and inputted by hand. It will make our utility bills easier to read, track, and figure out.

Changes in Contact Information

From time to time the city has needed to reach out to a resident to alert them to something, like a broken water pipe inside the house. This used to be easy. We knew your number and could call you. Times have changed and many don't even have a "land line". Still, the city may still want to touch base with you.. Please let us know if your phone number has changed. Just call City Hall. It is voluntary of course, but helpful. Also, please sign up for CodeRed Emergency Notification System. It's easy. Thank You.

Meadows Place Economic Development Corporation BUSINESS\$ OF THE MONTH

James Coney Island, aka, JCI

JCI has been a part of our city for a long, long time, is a favorite of many Meadows Place residents and a great place for those passing by on the I-69 feeder. You may have seen their food truck up at the TDA Dog Park or elsewhere in the area. Thank You James Coney Island.

*Left to right: Mayor Charles Jessup, John Selman - Manager;
Matt Walker - EDC Director; Tommy Durowaiye - General Manager;
Kurt Kopczynski - EDC Director*

***Please support James Coney Island
and all Meadows Place businesses***

***This award is presented to those business
partners who contribute to, and support
the City of Meadows Place.***

COP TALK

By Chief Gary Stewart

Solicitors and Peddlers City Ordinance

The Meadows Place Police Department receives many calls in reference to person(s) going door to door for various reasons (soliciting/peddling). The City of Meadows Place has an ordinance regulating this type of activity. The following is a brief summary of the ordinance. Permits are issued by the City of Meadows Place permits division at City Hall. Permits are issued on a case by case basis not to exceed a three month period. Questions about permits should be directed to the Permits Division at city hall. For concerns about a solicitor/peddler, contact the police department.

Soliciting/peddling in the city limits of Meadows Place is allowed under certain circumstances. A permit issued by the City of Meadows Place is required in most cases; noncommercial is an exception to the rule. Each solicitor/peddler is to have in their possession and ready to display when requested a City of Meadows Place issued permit to solicit/peddle. Solicitors/peddlers, who have a valid permit are allowed to operate from one-half hour after sun rise to one half-hour before sunset.

Some examples of Solicitors/Peddlers:

- Someone knocking on the door selling for Comcast, AT&T, or other sales.
- Mobile vendors such as a food or ice cream truck in the neighborhood

In closing, the property owner has the right to specify "No Solicitation", posted on the front of their premise. This makes it a violation for any person to enter upon the premise may be soliciting or peddling. Please contact the Meadows Place Police Department if you see someone who may be a solicitor or other suspicious person in the neighborhood.

Infrastructure Update

By Danny Segundo

The City of Meadows Place has completed another fiscal budget year, as many of you know the City's budget begins on October 1st and ends September 30th, of every year.

I wanted to take this opportunity to give the community a report on what the Public Works Department accomplished in the budget year of 2016 – 17. First, I would like to thank Mayor Jessup IV, and our City Council for their continued support of our department, without their support these projects could not have been completed.

In January 2016 City Council approved and Interlocal Agreement between the City of Meadows place and Fort Bend County that enabled the city to place an asphalt overlay on Dorrance Ln. The cost of the overlay project was \$34,666.02. Per the agreement the City only paid for the cost of the asphalt. Fort Bend County absorbed the cost of equipment and labor.

Public Works address 30 water ponding sites last fiscal year at a total cost last year of \$31,941.48. Water ponding issues will continue to be addressed and are a top priority for our department. We are currently in Phase 3 of this program with a Phase 4 soon to follow.

There were 9 handicap ramps installed to allow for better access to sidewalks in our community. The cost for handicap ramp installation was \$26,000. Storm drainage inlet repairs were also on our repair list and we repaired 10 drainage inlets at a cost of \$22,675.00

Our department spent over \$78,000 in repairs its wastewater treatment plant. Major repairs included a sludge pump overhaul, installation of new recycle non-potable water piping, lift pump repairs, and motor rebuilds. All the repairs were to essential equipment that are needed to treat our wastewater.

Water Plant repairs included a booster pump motor repair at water plant #2 on Dorrance Ln., and we painted our water tank and buildings at water plant #3 on W. Airport. Water plant repairs cost were \$67,703.

As you can see we've had a busy year and our department is constantly looking for ways to improve our infrastructure while operating within the framework of our budget. Our department will continue to identify areas of the City that need improvement. Streets, water plants, wastewater treatment, and building maintenance are essential and require yearly monitoring. We will do our best to continue to improve our infrastructure and look forward to seeing more improvements in the future.

Home & Garden Club

By Bob Dybala, Publicity

A big thank you to all who made the October 7th Monarch Madness and our Fall Craft Show an educational, social, and financial success. We thank first of all Colene Cabezas, the Parks and Recreation Director, who organized the Monarch Madness events and Joe DeBruyn, the Chairperson of the Club's Ways and Means Committee and our 3rd Vice-President, who organized the Fall Craft Show. We are grateful to the Club members who donated all the baked goods and almost all of the raffle prizes. Thanks go to the vendors who also donated raffle prizes and whose fees made up almost half of the funds we raised for our Scholarship Fund. Finally, we thank all the residents of Meadows Place and neighbors who came out to this great event.

A Home & Garden Club meeting is scheduled for Tuesday November 14 at 7:00 pm. The speaker will be Deborah Birge, and the topic will be "Growing Fruit Trees in Ft. Bend County". The meeting will be at the Community Center. Refreshments will be served after the program, followed by our business meeting. If you have an interest in planting a fruit tree, be sure to mark your calendar and join us! Non-members are encouraged to attend.
