

COMMENTS FROM THE MAYOR By Charles Jessup

Holiday Wishes

December is a month that encompasses the Christian and Jewish celebrations of Christmas and Hanukkah but includes spiritually significant days for many other faiths as well. Meadows Place festivities include our Christmas Memories celebration in the park on December 8th, the Home Holiday

Decorating Contest and the drop box at for the Marine Corps Toys for Tots toy drive. We hope you will join in as Meadows Place welcomes the Joy and Peace of all and wishes everyone the very best in this holiday season.

Annual Audit

Meadows Place is required by law to conduct an annual audit to examine the general purpose financial statements of all governmental, proprietary and fiduciary funds of the city. Fancy words meaning we must have a professional, external auditor collect and confirm the figures, make sure we are following proper protocols, obeying the law and being fiscally responsible with the funds of the City of Meadows Place. Openness and transparency also play a big role. Thanks to our hard working staff, Meadows Place has just completed the in-house phase of our audit. Finance Director, Anna-Maria Weston manages and oversees the budgetary and audit processes. She worked with our auditors, McCall Gibson Swedlund Barfoot, Certified Public Accountants, who spent most of a week at City Hall going over the numbers and gathering data. They are now compiling that data into a completed audit for the Council and ultimately the public to review. The 2016 audit showed Meadows Place financial position to be outstanding and there is no reason to expect anything less for 2017. Meadows Place takes its fiscal very seriously and all audits are posted online for you to see.

Did You Know?...

Did You Know... Meghan Townsell, 2017 Dulles High Graduate and daughter of Chris Townsell & Jennifer Townsell just graduated Navy Boot Camp in Great Lakes, Illinois? She is now stationed in Pensacola, Florida where she is training in Aviation Support. Jennifer is one really proud momma. As a reminder, Meadows Place has a Wall of Heroes to honor all the men and women from Meadows Place that are serving in the military. If you are interested contact Isela here at City Hall and she can give you the particulars. Thank You for your service Meghan. You are the type of young leader that makes Meadows Place shine.

Did You Know... you can join us on Dec. 7th for the 3rd annual Meadows Place Trout Release up in the park? Fourth & Fifth Grade Students from Meadows Elementary will get to hear from Texas Parks & Wildlife Rangers as they release live Rainbow Trout into our lake. Bring your fishing pole because you can catch and keep up to 5 trout a day. There will be fishermen there waiting for them and last year there was an osprey that showed them how it was done. Join us, it is a lot of fun.

Did You Know... we have yet another published author in Meadows Place? Our latest author is Shirley Isbell, wife of Alderman John Isbell who has written a book about her mother. Shirley, a former Council member herself, honored her mother, Mrs. Anna Lucarello Foulz, who has led a life worth writing about. "Spanning over a century, Anna's book, Two Steps Forward, A Memoir, recounts the inspiring story of this vivacious, loved and lauded spicy bombshell". An adventurous volunteer all her life, Mrs. Foulz is a columnist for the Ocean Pines Independent and at age 90, has lived a life worthy of reading about. For more info, go to twostepsforwardmemoir.com. Congratulations Shirley.

Did You Know... 13 of our YAC kids went camping in Sam Houston State Park? Had

great weather and there was a meteor shower. After the kayak races and fishing contest, they had a Park Ranger give them an explanation and history of the constellations and saw shooting stars all night long. On top of that, while Jordan Archer was "snipe hunting", she managed to call some sort of critter that both surprised and entertained everyone. Couldn't see much but the eyes, could have been a small owl, or maybe even a snipe! Anyway, Parks Director Colene Cabezas said they had so much fun that no one wanted to leave. More great YAC events coming up.

Speaking of YAC - **Did You Know...** they are having a hayride fundraiser for the inclusive playground and will be holding a sing a song hayride around the city (see page 6)? Besides being a for great cause, it should be a lot of fun so go on by, sip some cocoa and sing songs. Things like this are a reason why Meadows Place continues to be...*Your Place for Life!*

Did You Know... our parks see a lot of different groups using it? Last month one of our local Scout Troops spent a weekend camping out by the lake. They will had 8 families pitch tents on the back field and just had a blast. The park they had planned to use had been flooded out and Meadows Place was glad to work with them.

Did You Know... Our First Line of Defense is Our Neighbors working with our wonderful Police Department. Both were working together at last month's Neighborhood Watch meeting in our new training center. Several attendees, including Joe DeBruyn and Mr. Mike got to try out the interactive training system. It was fun to watch and obvious our police train more than they did. Thank You Chief Stewart, Cindy Barrowman and everyone who turned out for the meeting.

Did You Know... To get something in Did You Know, drop us a note at City Hall or email: mayor@cityofmeadowsplace.org.

Did You Know... Meadows Place Public Works Director Danny Segundo is on the Houston-Galveston Area Council Committee on Solid Waste Management. The Solid Waste Management Committee is appointed by the Board of Directors of the Houston-Galveston Area Council to assist and advise elected officials in their decision-making responsibilities by making recommendations on issues related to solid waste management in the Gulf Coast Planning Region. This is not something everyone is invited to, much less participate on and is not to be taken lightly. They will be hearing from several jurisdictions and will be making some very difficult recommendations. I am proud to have someone from Meadows Place involved and making such an impact. Congratulations, Danny.

Meadows Place Economic Development Corporation (EDC)

Meadows Place EDC recently held its meeting and took a tour of our new Training and Emergency Operations Center – the one that served us so well during Harvey. EDC members were quite impressed with the building, its layout and its functionality. This important facility was funded by the EDC and was one of many things the EDC did for our city last year. By the end of the year they will also have a new layout for the EDC webpage which will increase communications and outreach and is designed to help draw new businesses to Meadows Place. Thanks to EDC President Bob Graf and all the EDC members who worked so hard for us. We are excited to see what you will do in 2017. Thank You for helping to make Meadows Place... **Your Place for Life.**

Interesting Call from Kristen Tassin

I recently received a call from FBISD President Kristin Tassin. Mrs. Tassin wanted to ask me some questions about “the new inclusive playground for Meadows Place”. She heard about it from Mr. Alan Helfman who wanted to make sure everyone was aware of it. She was not, so I arranged a meeting between Mrs. Tassin, Parks Director Colene Cabezas and myself. Mrs. Tassin was very impressed that our little city was working on such a big, much needed project. It will still take a while but we should all be proud that Meadows Place and our Meadows Place YAC are getting outside recognition for this outstanding project.

Kirkwood Traffic Counts

As part of the Kirkwood Reconstruction and Renovation Project, the city ran a computerized traffic count on Kirkwood. This study took place over a 72 hour period with all four lanes being tested simultaneously. The counters were set on Kirkwood between the church driveway and Brook Meadows and showed an average of 12,195 vehicles per day with the inside lanes carrying a slightly higher number each way. These numbers are low for a major artery, have been constant for years and confirmed the numbers used for the project projections are accurate.

Public Works

By Danny Segundo

Call 811 before Every Digging Project, Large or Small

Every digging project, no matter how large or small, warrants a free call to 811. Installing a mailbox or fence, building a deck or landscaping are all examples of digging projects that should only begin a few days after making a call to 811. Calling this number connects you to your local one-call utility notification center. A representative from the center will come out and mark the approximate location of utility lines with flags or paint.

Digging without knowing the approximate location of underground utilities can result in damage to gas, electric, communications, water and sewer lines, which can lead to service disruptions, serious injuries and costly repairs.

Take the proper precaution while preparing to dig at your residence and place a free call to 811, this will put you on the right path to a successful project.

COP TALK

By Chief Gary Stewart

This Holiday Season: Be Aware and Be Safe

The Meadows Place Police Department reminds everyone: Thieves are shopping for the holidays too; they are looking for opportunities to strike and take advantage for the Holiday Season.

Now more than ever is the time to be conscious of your surroundings and protective of your wares. Whether you are traveling out of town, just out for the evening, or shopping by yourself or with children, below are a few precautions to help make your holidays a safer one.

If you are traveling:

- Put an automatic timer on your lights
- Ask a neighbor to check up on your home
- Don't forget to have your mail and newspaper delivery stopped
- Contact Meadows Place Police Department and request a House Watch

If you are out of the house:

- Turn on lights and music or the TV so it looks as if someone is home
- Be sure that your doors and windows are locked
- Don't display your gifts where they can be seen from the outside
- If you plan to have packages delivered to your home, make sure you are home to accept them. If not, ask a neighbor or have the package be held at the nearest holding facility

If you are shopping:

- Stay alert and be aware of what's going on around you
- Be sure to lock your car, close windows, and hide shopping bags and gifts in the trunk
- Avoid carrying large amounts of cash; pay with a credit card whenever possible
- Don't overburden yourself with packages
- Deter pickpockets and purse-snatchers. Carry a purse close to your body in the front. If you are carrying a wallet, place it in an inside coat or front pants pocket
- If shopping with kids, have a plan in case you get separated. For the older children, have a central meeting spot designated. For the younger children teach them to go to a store clerk or security guard if you get separated. Be sure they know your name (not just mommy and daddy), cell phone number, and their address. Go over the dangers of strangers with them so they know who not to talk to or follow
- Check receipts to see whether your full credit card number appears. If a receipt has your full number on it, take a pen and thoroughly scratch it out
- Double check that you have your credit cards and check book after you pay for your items

By following these tips, you may reduce your stress during the Holiday Season

wishes all a Merry Christmas
and Happy New Year.***

Home & Garden Club

By Clyde Little, Publicity

Judging for this year's "Most Festive Holiday Decoration" in each of the six sections of Meadows Place will take place on Sunday, December 17th. We are looking for yards that will attract your attention enough to encourage spending time there to enjoy the lights and/or decorations. Ideally, the decorations will reflect the spirit of Christmas and enhance the basic landscape and architectural style of the house.

Thanks go to the residents who supported the Fall Craft Show/Raffle/Bake Sale, which together took in \$1,237 that will go toward our scholarship fund. Also, thanks to the vendors, whose fees brought in \$1,130 -- making a total of \$2,367 for this fund.

There is no regular meeting in December. The next scheduled meeting is January 9th, featuring Bob Patterson of Southwest Fertilizer, who will speak about "Weed Prevention." All residents are welcome to attend.

May everyone have a joyful and peaceful Christmas Season and a Happy New Year!
