

COMMENTS FROM THE MAYOR
By Charles Jessup

Holiday Season

The Holiday season is upon us! What used to be separate holidays has grown into a seamless, joyous holiday season punctuated by specific holidays of Thanksgiving, Hanukkah, Christmas, Kwanza, New Year's Eve and more. This season holds both cultural and religious significance for many people and is full of traditions.

These traditions incorporate family, food, decorations, events and rituals that are passed down from generation to generation. For many Americans, the Christmas season is also an occasion to give to others through charities and volunteer work.

Seasonal entertainment is another big part of holiday traditions, especially here in Meadows Place. Parades and games on TV, galas, light shows, Christmas lights and decorations and of course, Christmas Memories in Meadows Place. During this holiday season, please be safe, watch out for the kids, don't leave anything in your cars and above all else let's all keep an eye out for one another. This season can be stressful so let the Peace and Joy of the season be on our hearts and let this holiday season show why Meadows Place is... ***Your Place for Life!***

Here to Serve

As the year comes to a close, I am proud to say that the City Council, Meadows Place PD and all the staff that serve our one square mile of wonderful are doing an even better job than they were at the beginning of the year. We have rearranged staffing to keep City Hall open longer for you. We have 24 hour service from our PD, Public Works and Utilities groups as well as the Fire and EMS services. Meadows Place invests heavily in training and departmental cross training to better serve you. So, do not hesitate to call City Hall if you have any questions, concerns or want to report something - whether it be a water leak, a potential crime, a question on a utility bill or a Parks program. Our City Administrator, Nick Haby, says everyone at City Hall is better prepared than ever and encourages everyone to understand staff are eager to serve and are looking forward to your calls, questions and emails. Remember, they are here to serve you and can get the answers to all your questions, big or small.

Did You Know?...

Did You Know... We had 50 Families visit our Pumpkin Patch up at the Discovery Center. It was a great backdrop for photos and a wonderful opportunity to go thru the Nature Center, meet all the animals and enjoy all the stimulating play areas at the center... PLUS, they got to go home with a pumpkin! Thanks again to Krystin, Colene and all the folks who pitched in to make this such a wonderful event and make Meadows Place... *Your Place for Life*.

Did You Know... Chief Stewart works out the details of City events like Christmas Memories and Fall Festival with all the Dept. Heads involved to learn things like Contact Info; Food truck and Pop Up locations, band and stage areas, access impediments, etc. It is a very comprehensive and professional plan that goes on behind the scenes so our programs and events can be as safe as possible and operate smoothly for our enjoyment. Thank You, Chief.

Did You Know... Angie Hernandez wants to remind everyone to be sure to renew your Rental Property permit and your Annual Alarm permit. She also wants to remind us we need to pull a permit on a project before the project is started. She sometimes has to deal with homeowner horror stories and half built projects just because a contractor didn't do their job and pull a permit. The homeowner is still responsible so don't let that happen to you...pull a permit.

Did You Know... Thanks to Cameron Miller, we (the City) now have our own 'Stickers'! The kind for Instagram, not the kind you put on a folder or a kid. For those who know what I am talking about, go check them out on our Instagram page then go have fun using our brand new Meadows Place 'Stickers'.

Did You Know... We have a lot going on in our little city right now. In addition to the Dorrance Project, work continues up at Cabo Bob's with a target date to open before the end of the year. Angie in Permits heard from Michael with O'Reilly's that they may want a Temp. Certificate of Occupancy for final touches before opening. We are moving closer to issuing a building permit for our new Jiffy Lube and they are making preparations to ready the restaurant at the front of the city to show some prospects soon. It looks like we will have some new businesses to make our lives a little more convenient in 2023. Should be a Happy New Year.

Did You Know... Lideana Laboy, the Director of Transportation Engineering for Transend Engineers has been working with Alderman Rick Staigle and Colene Cabezas to finalize the design of the Discovery Center Bridge portion of the Meadows Place Trail project. This is a slow moving project due to having to coordinate with CenterPoint Energy, Fort Bend County and the City of Stafford. Thanks to Rick and Colene for doing lots of the heavy lifting. There is no date to start but we hope to have it done sometime in 2023. It is going to be great.

Did You Know... don't be afraid to ask a question on the City Facebook page. You can also use the Ask a Question button on the website. Or just call 281-983-2950. M-F 8:30-4:30.

Did You Know... Meadows Place Councilman David Mertins is being considered for a position on the TML Region 14 Health Board of Trustees. David is catching the eye of those in the know at this prestigious Statewide organization, Congratulations, and Thank You, David.

Did You Know... is for YOU! Drop us a note or email: mayor@cityofmeadowsplace.org.

Did You Know... Modernizing Communication Tools

Last month, Cameron Miller and the Mayor held a follow-up meeting with Eric Mulder and Gary Remy of Bizopia and concluded that after more than five years it was time for an upgrade in our website and website technology. Gary and Eric took Cameron's questions, comments and site requirements and came up with a proposal for a new website which would, among other things:

1. Be an improvement for users on mobile devices
 2. Have newer technology to allow additional, more efficient internal editing
 3. Remove the 'Dead' pages
 4. Reinstall the EDC page into the City website
- Other goals also include less duplication and be more user friendly. This project should be done around the end of March and is another example of staff maintaining the high standards expected in Meadows Place.

Elections

Our election process is amazing. It provides for a peaceful transition of power that occurs on a regular basis. While we may not like those folks on “the other side” we can still like the people who vote for them. This mid-term was an example of that in which people of every State had a say in what our government priorities will be and those who voted have provided us with the government we deserve. Those who stayed home missed their opportunity but we will all have a chance to make changes once again. Peacefully. I am proud to participate in our electoral process and am very proud to say I have heard nothing but good things about the Meadows Place polling location. People from across Fort Bend County use our facility and leave with a good impression of our voting process and our city. Thanks to City Secretary Courtney Rutherford, Joe DeBruyn and all

the election personnel and volunteers who make voting such a pleasant process here in Meadows Place.

Modernizing our Ordinances

As we mentioned in last month’s newsletter, your City Council spent quite a bit of time discussing whether or not to update our Code of Ordinance regarding driveways and driveway upkeep. Well, Council unanimously passed Ordinance No. 2022-56 amending City of Meadows Place Code of Ordinances Chapter 150.02 regarding driveways. The main change will be rental homes whose driveways do not meet City standards will have one year to replace or repair them. This will not put a sudden burden on the landlord yet will help protect the property values of the homes in question and the homes around them. Good job Council

Holiday Scams

*Police Chief
Gary Stewart*

The Meadows Place Police Department reminds everyone there are SCAMS specific to the Holiday Season. Most are variations on everyday fraud, “wrapped” up to match Holiday trends. Not surprisingly, they often center on shopping, especially online. As we shop for

Santa’s specials, we may be lured to bogus websites designed to capture credit card information or steal other information used for “Identity Theft.”

PRO TIP: If it sounds too good to be true, it probably is!

During this time of year, the Holiday Season, a time of giving and sharing, we become susceptible to those who would prey upon our Christmas Spirit of giving. We at the Meadows Place Police Department want to extend our seasons greetings by making you aware of some of the traps to avoid:

1. Don’t click suspicious links or attachments in emails, websites, or social media. Phishing scams and similar crimes get you to click on links and give up personal information like your name, password, and bank account number.
2. Avoid paying for items with pre-paid gift cards. In these scams, a seller will ask you to send them a gift card number and PIN. Instead of using that gift card for your payment, the scammer will steal the funds, and you’ll never receive your item.

1. Delivery scams: As holiday packages crisscross the country, scammers send out phishing emails and texts disguised as UPS, FedEx, or U.S. Postal Service notifications about incoming or missed deliveries. Links lead to phony sign-in pages asking for personal information or sites infested with malware.
2. Travel scams: Some criminals send scam emails and texts offering promotions such as free flights to get you to share credit card information or click on links that download malware. Also, be wary of the many spoofed websites pretending to be legitimate hotels, airlines, and other travel-related businesses.
3. **Taking Action:** We hope you’ll enjoy the holidays without the stress of dealing with fraud. But if you’re a victim, here’s what to do:

- Report the crime to the Meadows Place Police Department at 281-983-2900
- Alert your banks and credit institutions
- Texas Attorney General’s Office (<https://txoag.secure.force.com/CPDOnlineForm/>)
- File a complaint with the FBI (<https://www.ic3.gov/>)

***The Meadows Place Police Department
wishes everyone a Merry Christmas
and Happy New Year.
(281) 983-2900***

Rod Hainey
Public Works Director

Winter in the South, Meadows Place Style

Winter in this area is not your traditional Snow and Ice but more of a raining and cooler temperatures season. During the summer we irrigate on a regular basis and usually follow schedule of three to four times a week. This ensures that we have adequate watering during the hottest part of the year. As the temperature drops the need for a high level of watering is eliminated. Therefore, the sprinkler system controller and settings should be reviewed and modified to accommodate the change in temperature. Reset the frequency to once a week or turn the system off until the weather warms up. And or the grass starts to green up and grow again. The benefits are not over watering and drowning your plants but also will save on the water bill. This is a great water conservation plan.

For those that have a real Christmas tree, Public Works will again be recycling the trees and hauling them to Surfside to be part of the sand dune stabilization program. See the Flyer on

the first page of the newsletter for the details.

Last month the discussion revolved around being prepared. Dealing with pets, potential frozen pipes, plant protection and Furnace service. Hopefully these items have been addressed but there is still time since the colder weather has not hit the area yet. But colder weather will be in the weather forecast.

Better to be prepared and prevent any inconvenience the cooler weather will cause.

Remember to check on the elderly and those who may have functional needs, or access needs, to make sure that they have sufficient warmth to get them through the cold weather. Also, if you, or someone you know, uses space heaters or a fireplace, make sure there is at least 3 feet of empty space around them while they are being operated. Chimneys should be cleaned at least once a year if the fireplace is utilized frequently.

If you do experience a broken water pipe or need assistance in turning your water off, please call USW at 832-756-2143. This is a 24-hour service call number.

Brought to you by Meadows Home & Garden Club

Hello Neighbors, Our next yard of the month judging will be for Christmas. Our Santa's Helpers will be out on December 17th and 18th. Don't forget to turn your holiday lights on as they will be out in the evening to get the full effect of your decorations. Best of luck to everyone!

We'll be at Christmas Memories selling Hot Chocolate and Cookies. Come on out and support the club with your purchases. A portion of the proceeds will go towards helping a local family. Our club will be donating to a family here in Meadows Place for the Christmas Holiday season.

This has been a long standing tradition and we are happy that the success of our Fall Bake sale and Raffle gave us the opportunity to do the same for Thanksgiving. So THANKS to everyone who stopped by our booths.

Our next General meeting will be on January 10th, 7pm, at the Discovery Center. Our presentation will be on "House Plants for Fun, Flavor, & Fragrance". All of our club meetings are open to the public. Please come by for some light refreshments and a great presentation.

Club membership is open to anyone 18 years of age and over. Individual membership fee is \$25 and the Family fee is \$35.
