

**COMMENTS FROM THE MAYOR**

*By Mark McGrath*

RESIDENT SURVEY

The City is developing a marketing and public relations campaign to promote our community and quality of life. First, however, I feel it is important to find out what our residents think about a variety of issues. The medium we have selected for this is a resident survey. It is my hope that this survey will indicate why people choose to live in our City and how they view the City and the services provided. After analyzing the survey results, a marketing and public relations program will be designed to reflect the City's strengths as you see them. The survey will be mailed in the June and July issues of this newsletter. Surveys will also be available on the City's website, at City Hall and at upcoming City events. The results will be tabulated in August and September. I urge you to participate in the survey process. Your input is critical, not only for the marketing and public relations campaign, but also for the City services

provided on a daily basis. If you have any questions or comments, please contact me or members of City Council. I look forward to hearing from you.

REGISTERED SEX OFFENDER ORDINANCE

At its April meeting, City Council discussed a potential ordinance limiting the distance registered sex offenders could live in relation to places where children congregate such as schools, parks and day care facilities. Based on this discussion, I will present an ordinance for Council's consideration at its May 23rd meeting. Thanks to police Captain Gary Stewart and Councilmember Charlie Jessup for their research and recommendations on this issue.

If you have an opinion on this issue, feel free to come to the May 23rd meeting to express it or contact me or members of City Council

RETIRING COUNCIL MEMBERS

Council members David Piwonka and Joe McCann will be ending their service on City Council effective with the May 23rd meeting. David and Joe served 21 years and 12 years, respectively. David is one of the Founding Fathers of this City. Although not on the original Council, he joined shortly thereafter. He has provided a depth of institutional knowledge and perspective that has been invaluable.

Joe has been instrumental in the City's recent building boom. He has assisted on the monument signs, the wrought iron fencing on West Airport and in McDonald Park, the McDonald Park sign, and most recently, the new marquee sign next to the Community Center.

David and Joe's dedication to this City is obvious by their length of service. In addition, they have provided wise counsel throughout their tenure. I have thoroughly enjoyed working with them and their presence will be missed.

Although we will all miss David and Joe, please welcome incoming Council members Dave Wilkens and Charles Kulhanek. Both are moving up from the City's Planning and Zoning Commission. In addition, Charles has served as the City's webmaster on a volunteer basis for the last few years. I look forward to their contributions on City Council.

## DID YOU KNOW??????

*Did you know....* There is a School Board election on May 13th? These elections will have a direct impact on your taxes and your property values, not to mention the education of our children. The decisions and direction of the Board will affect Ft. Bend County and Meadows Place for years to come. So even if you do not have children in the district please vote. Meadows Place has a great reputation as an involved community so please vote.

Speaking of involved, *Did you know...* outgoing Alderman David Piwonka has been very involved in our City? As a matter of fact, he was one of those folks whose involvement actually created our City back in 1983. A year later he ran for election and has served on Council ever since. We will certainly miss his historical knowledge and expertise. Alderman Joe McCann is stepping down also. Joe has been a very 'hands on' kind of guy and played a major role in, among many other things, the creation of the new park "look", the lighting, fencing and entrance signs. Thank You both for your years of service and dedication to the development of the City of Meadows Place.

*Did you know....* Meadows Place participated in the recent Ft. Bend County Disaster Preparedness Exercise? This was a comprehensive "day after" storm and disaster drill, which served as a dry run for the real thing. Meadows Place Police Sergeant Larry Eissler served as an evaluator, grading and recording the responses and coordination of the various departments. He documented and watched to make sure the proper equipment was being deployed to the right place. His input and feedback helped shape the way the responders will be able to contact and interface with one another. Sgt. Eissler "was duly impressed" with the drill and said "the equipment is astounding" and was "very glad" Meadows Place participated in the exercise.

*Did you know....* Meadows Elementary participated in the 2006 Blue Ribbon Competition sponsored by the Sugar Land Exchange Club? They won an honorable mention prize for their display to help bring awareness to April being Child Abuse Prevention month. Noble kids working for a noble cause!

In more Meadows Elementary news, Did you know... Karly Wilkins, a fifth grader who is the Student Council President and a Straight A student, recently competed in the MA National Dance Competition in San Antonio against 30 other invited competitors? Karly won first place and is now the 4th - 6th grade National Dance Champion. Congratulations Karly!!!!

*Did you know ...* Hayley Dippon (Captain), Katie Blatzer (Co-Captain) and Katie Madsen (Co-Captain) will lead next year's Dulles High School Dance/Drill Team (DOLLS)? These three Meadows Place residents have danced together for 10 years now. They began long ago as Majestics in our very own Rec Center.... Leaders all. Congratulations to all three girls!!!!

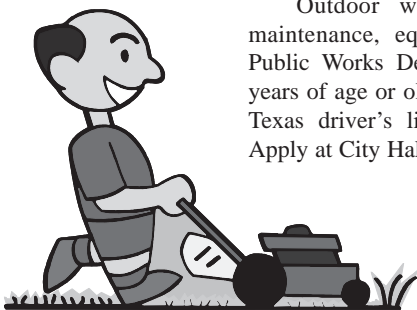

*Did you know...* Meadows Place has a new Urgent Care Center? It is in the Oasis Center on Kirkwood. They handle illnesses, minor injuries, sports physicals and the like. They have the latest technology and equipment. Physicians Assistant Mike Dome said "Basically, if you don't have to take an ambulance we can probably handle it". Drop by and they will take you on a tour.

You need to know there is a lot going on at City Hall right now. At the next City Council Meeting, there may be discussions on future development, or a possible Sex Offender Ordinance and you could even get to see your new Council members installed. Even if you do not want to "get involved", you really should come to this meeting. Hope to see you there!

If you have news to share in Did You Know, please drop a note at City Hall or E-mail us at :  
alderman1@cityofmeadowsplace.org Thanks.

### CITY ORDINANCES / CODE ENFORCEMENT

By Tracey Spiller

I want to take this opportunity to thank all of you who work hard to maintain your property. As I drive the City, I see residents working in the yard and doing needed repairs to their homes. I have lived in the City of Meadows Place for seven years and one of the many things I value in our little city is the pride we take in our community. For those who need to put a little TLC into their properties, remember Code Enforcement is a top priority in order to maintain the quality appearance of the City of Meadows Place. So as the weather continues to be nice take the time to make needed repairs. ♡

## HOME & GARDEN CLUB

By Sandy Montross. Publicity

Margaret Sandlin was unanimously re-elected President of the Meadows Home & Garden Club. Serving with her for the 2006-2007 year will be Teresa Bryant, First Vice- President; Myra McMillan, Second Vice-President; Lillian Abbott, Third Vice-President; Betty Landers Fourth Vice-President; Priscilla Scheaffer, Secretary; and Zella Little, Treasurer. Installation of officers will be held at the May 9th dinner meeting at 7:00 pm at The Lasagna House on Eldridge Road.

At the May 2nd Board Meeting, Board members will review the applications received from eligible Meadows Place residents for this year's Scholarship Award. The winner will be announced at the Installation Dinner, and the Scholarship Award will be presented at the May Meadows Place City Council Meeting at City Hall.

The program for this last regular meeting of the season was presented by Paula Furtwangler of the Houston Area Plumeria Society on "All About Growing Plumerias". Paula has been collecting and growing plumerias for 25 years after receiving her first plant as a gift brought back to her from Hawaii. Plumerias are the flowers used in making leis and are preferred over the use of orchards because of their varied fragrances ranging from sweet floral scents through citrus and even spicy scents.

Yard of the Month winners for May will be announced in the June Newsletter. Judging will take place on the last weekend of the month, continuing through the last weekend in July.

Gardening tip for May - apply granular fertilizer to crepe myrtles. Spray with insecticide soap to control white flies and black sooty mold. Happy Springtime and good gardening.

## ANNUAL HEAVY TRASH COLLECTION

It is that time of year again for our Annual Heavy Trash Collection and our collection company, Republic Waste, is ready to assist us in this effort on Saturday, May 20. Please see the guidelines listed below:

The following items **WILL NOT** be collected:

- No tires, batteries, or automotive parts.
- No hazardous chemicals. If you have old paint cans they will need to be boxed and labeled "PAINT" so they are not mixed with the regular trash. The problem with paint lies in the liquid solvents within. Paint that has dried is no problem and can be taken with the trash. You may accomplish this by leaving the lid off until solidification, or by using cat litter or oil absorbent.
- No concrete or bricks
- No tree stumps or tree trunks bigger than 6" in diameter.
