

New Playground January 2007

The Parks and Recreation Department along with Fort Bend Independent School District's "Extended Day Program" is excited to show off your Bond Money at work. The new playground equipment you see behind the Elementary School is the result of a partnership initiated by the Parks Department with Fort Bend School District. Because of this joint project, a bond was awarded to the City Of Meadows Place for parks improvements. This play structure was donated to the campus on behalf of "Extended Day, a before and after school program with FBISD". In addition to the play structure, this phase of parks improvements will include an outdoor classroom, butterfly and bird watching educational stations, granite trail expansion, replacement of benches and additional BBQ grills in the park.

In three years, three consecutive grant applications have been submitted and awarded to City of Meadows Place each being a \$100,000 project with \$50,000 awarded from Texas Parks and Wildlife Department. This phase III partnership enabled the City to complete these improvements with only 5% of the total cost of this phase coming from the city budget.

Special Thanks go out to Texas Parks and Wildlife www.tpwd.state.tx.us along with efforts from our Parks and Recreation Department, patience from Meadows Elementary School Students and Staff and the donation from "FBISD Extended Day Program".

DID YOU KNOW??????

Did You Know...that Sgt. Larry Eissler was selected "Officer of The Year" for 2006 by the greater Houston 100 Club?

This is quite an honor and reflective of his hard work and dedication on our behalf. In Larry's case, he put his life on the line for us. Thank You Sgt. Eissler – and Congratulations!!!

Did You Know...that the new playground equipment that just went up at Meadows Elementary was part of a very unique and collaborative effort initiated (and pushed through) by our Parks Department? It was not easy to pull together as it included the State of Texas Parks and Wildlife Department, Fort Bend ISD, Fort Bend ISD Extended Day Program, Meadows Elementary and the City of Meadows Place. We are very proud of our parks department leaders, Monya Keenen and Terry Modeland for the great job they did. We also need to mention the support we got from Fort Bend ISD Extended Day Program Coordinator Michelle Amos and Principle Irma Cobos for their help and support as well. Our kids will enjoy their efforts for years to come and – just as important to Mom and Dad - the cost was shared and didn't all come from the City coffers. Great job ladies! Check out the picture on the front page, it says it all. Speaking of not coming out of City coffers, our Police Department has just received a grant of \$25,000 for mobile video equipment. This equipment will be going on our police cars. We need to thank Jerry Brownlee who has assisted the City in finding and writing this grant request. He does this on a part time basis for the City and has been instrumental in securing previous grants for the Police Department. Thanks a lot Jerry.

Did You Know...Meadows Place Baseball has begun? What a great league and great place for our kids to play and neighbors get to know one another. It is wonderful to see moms and dads rooting for kids on the other team because they all know one another, go to school together, etc. Very Hometown. Very nice. Not all of our ballplayers go on to be stars but many do. This year McNeese State is favored in the Southland Conference and one of the keys to their success is third baseman Bryan Cartie. Another former MP baseball player is Kyle Colligan who won awards as a freshman at A&M and is pounding the competition just like he did when he played here in Meadows Place. Both boys played at Dulles. Batter Up!

Did You Know...the City offers FREE Home Crime Prevention Inspections? Well, we do. Why? It helps our PD protect us and makes our homes less attractive to the bad guys. You learn a lot of do's & don'ts including things like "Light is a Police Officers friend", how to best use a motion detector, what to do about bushes and everything in between. If you want to take part in this outstanding program, you will need to set an appointment with our Crime Prevention Officer. To schedule your appointment, call the PD between 9 & 4 at 281-983-2900. This is a GREAT deal. If you pass, you might even get "some consideration" from your insurance company. Just another benefit of living in Meadows Place!

Did You Know...that our Public Works department has been working with the Mayor & Council to provide them with incredible detailed data regarding traffic on our streets? Public Works Director Dan McGraw runs the studies for us. We are looking at things such as traffic volume, speeds, heaviest traffic times/volumes, gap times and types of vehicles. This information is all computerized and will be stored and analyzed for future use. Fortunately, one of our Councilmen, Rick Staigle, is an expert in this field and can really help the City put this data to good use. Those who attended City Council meeting last month heard all about it. What are YOU missing by not attending? Come on. Join us. Our meetings are fun, informative and there for YOU.

Did You Know...is designed to increase communications and is available to all residents of Meadows Place. If you have a question, comment or news we can use – please drop a note by City Hall or

E-mail us at: alderman1@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

HOME & GARDEN CLUB

By Lillian Abbott. Publicity

There was no regular business meeting on February 13th as the Club members enjoyed their annual "Dinner Out" night. The event was held at Gringo's Seafood Restaurant. The next regular meeting will be held Tuesday, March 13 at 7:30 at the Meadows Community Center. The program is "Getting your yard ready for Spring", with Charles Griswell, Landscaper, as speaker. All meetings are open to the public and if you are interested in becoming a member, attend one of our meetings and check us out. There are many interesting programs and events scheduled.

The Club will be traveling to Brookwood Gardens near Brookshire for lunch on Saturday, March 17. Reservations must be made in advance. Should you be interested in joining the Club for lunch, please contact Margaret Sandlin by Wednesday, March 14th at 281-933-8034

CITY ORDINANCES / CODE ENFORCEMENT

By Tracey Spiller

There has been an increase of calls concerning vehicles parked in the street. Whenever possible please park vehicles in the garage or in the driveway. Keep in mind that emergency vehicles need to have clear passage and vehicles parked in the street create a driving hazard for other drivers. We also need to remember that our children do not always think before they run between parked cars and into the street to retrieve a ball and that they are more visible on bicycles when the streets are clear.

The City is also receiving a number of calls and complaints of dogs not being restrained on a leash. The City of Meadows Place does have a leash law and failure to comply can result in a citation being issued. Although your dog may seem friendly, it is very scary for someone who is walking to have a dog charge at him or her. Remember, as a pet owner it is your responsibility to keep our community safe by always having your dog on a leash.
