

COMMENTS FROM THE MAYOR
By Mark McGrath

Hurricane Season

A resident recently asked me about the City's hurricane preparedness. Since we entered hurricane season on June 1, it seems timely to address this question.

The City is a participant of Fort Bend County's emergency management plan. As such, we will rely on the County for detailed information and recommendations if a storm approaches. If necessary, the City will activate the Community Center as its emergency operations center (EOC). Our police department will operate the EOC. We have on hand materials and supplies to enable the operation of the EOC for several days, even if we experience lack of power and/or high water.

Our public works department is in charge of securing City facilities prior to the arrival of a storm. This includes boarding up the windows at City Hall, the Community Center, the Community Center Annex and other City buildings. In addition, public works will work to ensure storm drains are clear and remove obstructions in our drainage ditches if a storm is on the way.

As stated on the County's website, "Fort Bend County has been designated by the State of Texas as a "Pass-through" County. This means that coastal communities who are designated as "Evacuation" counties will pass through Fort Bend County along designated evacuation routes to designated "Shelter" counties." Fort Bend County will **not** provide shelter facilities in the event of a hurricane. For more information, please check out the County's website at <http://www.co.fort-bend.tx.us> and look for the link to the emergency management page.

Hurricane Preparedness

Did You Know!!!!!!

DID YOU KNOW....that the " Meet the Chief " shindig at the Community Center went real well? Chief Baker met a lot folks and heard a lot of Meadows Place history. Both the Mayor and the Chief got to shake a lot of hands and everyone thought the get together was a great idea. Welcome Aboard Chief!

DID YOU KNOW....that Meadows Elementary students Christina Garcia, Torre Puckett and Peter Jalbert were selected to participate in the Lone Star Leadership Academy up in Dallas? This is a big deal for these kids. The competition is tough. They have to meet stringent academic requirements, demonstrate leadership ability, be involved in community activities and receive a teacher recommendation. These future leaders will participate in leadership exercises, learn what it means to be a Texan and make new friends from all over the State. Wow, what a way to spend the summer! Congratulations all!!!!

If that is not enough, Meadows Elementary is loading up with more great teachers. Fifth Grade science teacher, Kerry Fujiwara, was one of only six first year educators to be selected by FBISD as "Rookie of the Year". She said the first year was "an incredible experience" and is "excited about next year". We are so lucky to have such a great school right in the middle of our City. Congratulations to "Ms. Fuji" and all the other teachers and staff for another great year!

DID YOU KNOW....Brad & Candy Gibson are Grandparents? Their daughter Melissa, who was the pool manager a few years back, had a "beautiful baby girl" named Jacqueline. Candy thinks, "Having a grandbaby is the most wonderful thing in the world". She will not get any disagreement from Meadows Place Parks Director Terry Modeland whose daughter Tiffani Scott gave her a new grandbaby too. Jaxson Ray is his name and I am sure Terry will tell you he is the best-looking boy ever born. (I bet both will show you pictures if you ask them)

DID YOU KNOW....that you can legally dispose of latex paint products IF – and it is an important IF – IF they are all dried out. There can be NO liquid content. If you do not want to pop the top and wait, you can take your paint to the Ft. Bend County recycle center down in Rosenberg. Either way is OK, and will prevent ugly spills on our streets.

DID YOU KNOW....that several people have asked about honoring the young men and women from Meadows Place that are serving in the military and protecting our wonderful way of life. Well, Sharon Kitchen asked the Mayor if there wasn't something we could do. The Mayor said, "Yes, there is!" We are now putting the final touches on the process for the future "Hall of Heroes" in our Community Center. Sharon has volunteered to act as liaison for the program. Keep tuned, as we will keep you posted on the progress of this program.

DID YOU KNOW....that our neighbor Joanna Jones wanted to remind us that this weather is conducive to ticks and that we need to check our pets – and our kids – for these pesky little pests. We should use repellent as well to help keep them off. Thanks for the reminder Joanna. With all the rain, you can bet the mosquitoes will be out too so check our website for the City of Meadows Place Mosquito Management Plan to see how to minimize mosquitoes in your yard. You can find it at: www.cityofmeadowsplace.org

DID YOU KNOW....that Allison Pylant was accepted to The High School of Performing and Visual Arts? Her parents Kat and Lee Pylant know how tough that school is to get into and are very proud of her. We all congratulate Allison!

We also need to congratulate Tom Krouskop, who received the Silver Antelope Award from the Boy Scouts of America at their annual national meeting in Atlanta. The award is given for distinguished service to youth. Tom was one of only 38 Scouters nationwide to receive the award this year. Wow! Meadows Place is lucky to have lots of dedicated volunteers!

Have to mention this. **DID YOU KNOW....**the St. Louis Cardinals drafted Brian Cartie from Meadows Place? Maybe we will see him at Minute Maid someday! Way to go Brian.

Finally, **DID YOU KNOW....**we have a new Meadow Place brochure and Welcome Packet? These are part of the citywide marketing program and will be used to welcome folks as they move in and by realtors as they pick our new neighbors. It is really nice and captures the essence of the City. When you get a chance, go by City Hall and look at one. You will be proud of it.

If you have a question, comment or news we can use – please drop a note by City Hall or E-mail us at: alderman1@cityofmeadowsplace.org Thanks and hope to see you at a City Council meeting real soon.

MEADOWS COMMUNITY IMPROVEMENT ASSOCIATION

By Janet Kulhanek

Summer is here! Many of our neighbors have been working to improve the overall appearance and curb appeal of their homes and this is evident as we drive through the neighborhood. It is refreshing to see well-kept homes and yards. We hope that this will encourage others to join in.

Some areas still needing attention:

- ❖ Overgrown trees and shrubs
- ❖ Overgrown weeds
- ❖ Infrequent mowing/edging
- ❖ Accumulation of dirt, debris, mold and or mildew on fascia boards and siding
- ❖ Trash cans are left on the street after pickup for days and or left in site of the passing public

The Meadows Community Improvement Association works with your City leaders with the following issues:

- ❖ Approval of all exterior painting; even if repainting the same color
- ❖ Approval of roof colors at City Hall
- ❖ Approval of all exterior siding
- ❖ Stumps level with the ground so grass can grow over the area
- ❖ Rotten wood and peeling paint
- ❖ AC units in windows visible from the street
- ❖ Approval of all exterior changes to a home
- ❖ Other areas that could be deemed a "nuisance" to the neighborhood

House numbers should be visible on all homes. This is important if emergency personnel need to come to your home. A reminder for all residents to make an effort to make sure that their residence has visible numbers on the house or mailbox and on the curb.
