

Driveway and Sidewalks

Dorrance Lane Construction

Statewide Services has been selected as the general contractor to complete the Dorrance Lane construction project between Kirkwood Road and Oxford Glen.

Starting on Monday, January 23, 2023, the Contractor will be constructing driveways and sidewalks from 11519 to 11507 Dorrance Lane. Both lanes of Dorrance Lane will be open so affected residents can park on the road on the opposite side of the street so the Contractor can have access to work on the driveways and sidewalks.

We apologize in advance for this inconvenience and we appreciate your patience throughout this roadway improvement project.

If you have any questions or concerns, see below for the construction project team's contact numbers.
