

Oxford Glen Intersection Closure

Dorrance Lane Construction

Statewide Services has been selected as the general contractor to complete the Dorrance Lane construction project between Kirkwood Road and Oxford Glen.

Starting on Monday, January 23, 2023, the Oxford Glen intersection at Dorrance Lane will be closed completely for reconstruction of the entire intersection and all through traffic must be detoured to Scottsdale Drive and Brighton Lane. Both lanes of Dorrance Lane will be open to local traffic only for two-way traffic. However, those entering at Kirkwood must exit at Kirkwood. Those entering at Bloomington must exit at Bloomington.

We apologize in advance for this inconvenience and we appreciate your patience throughout this roadway improvement project.

If you have any questions or concerns, see below for the construction project team's contact numbers.
