

Water Off Notice

Dorrance Lane Construction

Statewide Services has been selected as the general contractor to complete the Dorrance Lane construction project between Kirkwood Road and Oxford Street. Water services will be shut off for approximately 6 hours for construction activities. The City apologizes for this inconvenience and appreciates your patience and tolerance throughout the construction project.

Water will be turned off on:

Wednesday, December 7, 2022 from 9:00 am to 2:00 pm.

If you have any questions or concerns, see below for the construction project team's contact numbers.

City of Meadows Place: 281-983-2950
