

Field Trip Inquiry

Meadows Place Discovery and Nature Center
11938 Amblerwood, Meadows Place, TX 77477

The City of Meadows Place offers field trips through our Discovery and Nature Center. We Provide science experiments designed around your school's curriculum. We offer hands-on experiences for each student to help them better understand the lesson.

We also offer a self-guided experience. Your group can freely interact with static displays, experience our turtle and goat enclosures close up, explore the early pioneer village and climb a 3-story treehouse. We have indoor and outdoor activities as well as 14 animal ambassadors to get to know.

- We require a 2-week notice to book a trip and we can accommodate up to 40 children at one time.
- \$2 per child / \$5 per adult. We require 1 adult per 10 children.
- Field trips are designed to last 1- 2 ½ hours depending on which you choose.
- Picnic tables are available if your students will be eating their lunch on site.
