# City of Meadows PLACE

MARCH 2010

## COMMENTS FROM THE MAYOR By Charles Jessup

### Public Hearing

You are invited to a Public Hearing which will be held at 7:00 on Mar. 23rd at City Hall. We are seeking public opinion about the possibility of amending our Zoning ordinances to address Tattoo and Body Piercing Studios within the City limits of Meadows Place. Our current zoning ordinance does not prohibit these establishments. Mayor and Council feel it prudent to pursue discussions on this topic

and invite anyone with an opinion to join them at this Public Hearing. Both Council and the Planning and Zoning Board are anxious to hear public input before taking any action but Council will be 'calling' the Public Hearing at the Council Meeting on Feb.23rd. Join us.

### On The Ballot

On the ballot in the May 8th election will be a proposal to convert our Economic Development Corporation (EDC) from a type 4A to a type 4B. The Meadows Place Economic Development Corporation was established to examine the various ways in which commercially zoned property within the City could be made more attractive for business development. The goal of the EDC is to attract financially secure businesses which could add to the City's property tax base, generate sales tax revenue, and have a value-added benefit to the residents. Due to legislative changes, the 4B option is more...

'small town' friendly and allows broader use of the funds for our city's economic development and improvement. Our EDC is operated by a five member Board which is chaired by Mayor Pro Tem Terry Henley. Among other things, it has been active in securing our third water well and sound walls. Important items to be sure. Now we need to make some long range plans and believe the 4B option is worthy of consideration. To learn more about our EDC, go to the City website, look under Public Information and you will see a bullet for Economic Development. If you have any questions, please feel free to contact City Hall. Working together we can make sure Meadows Place will always be...Your Place for Life.

### Progress Report

I wanted to update everyone on the West Airport – Kirkwood reconstruction project. We are completing the Engineering Selection process for the West Airport portion of the project. By the time this is published the process may be complete and a firm selected. We received applications from 33 firms. This is a huge number for such a small job. Big for us – but small overall. I would like to thank Steve Gardner, Jason Vaughn and Dan McGraw for serving on the selection committee. This was a LONG and complicated process. Once the selection is awarded and plans are being made for West Airport, we will turn our attention to the Kirkwood portion of the project. It is our hope to bid both portions together to take advantage of construction cost savings. We will have a more complete update next month so be sure to check your Newsletter. We will also be posting news on the website.

# Did You Know?...

**Did You Know**....that the Mayor and Councilman Rick Staigle attended a Transit and Transportation meeting chaired by Congressman Al Green? The topic of discussion was the future of Commuter Rail along the 90A corridor. It was quite interesting and very intense. There were representatives there from Congressman Olson's office, Dora Oliva's office as well as the Mayors or representatives from Stafford, Missouri City, Richmond, Rosenberg and Sugar Land. Both Ft. Bend and Harris County were also represented as Metro was queried as to why they have not begun work on the 90 A Corridor when the voters approved it back in 2003. Your Mayor was one of just a few who was permitted to participate and question the Metro rail representatives.

Councilman Staigle was called upon several times for input due to his transportation expertise. We are fortunate to have someone with his professional capabilities on Council.

**Did You Know**....Public Works Director Dan McGraw has been the city's Flood Plain Administrator since 2002? FEMA recently completed new flood plain maps for Fort Bend County. We currently have a preliminary set that will be adopted in around six months. Visit the city website, click Government then Public Works and then click on Flood Plain Management and here you will find more information.

**Did You Know**....that Steve Court ran the 26.2 mile Chevron Marathon for the first time this year? His time 4 hours and 47 minutes. He was glad to finish and his family "was very,very proud of him". Thank You Gloria for the info. Make sure he joins the next 5K Fun Run we have here in Meadows Place.

**Did You Know**....Public Works and Geno from the Parks Department recently added a drain system to the majors baseball

field, tilled up the infield, and laid some new grass in areas where grass was needed? A lot of effort has been put into the fields this year by both the city and the baseball organization to get them ready for the upcoming season. It won't be long until they fire up the scoreboard and the ump hollers – PLAY BALL !!!

**Did You Know**....your neighbor Maureen Roberts contacted Did You Know to make us aware that her son Dustin has just graduated from Basic Training in Ft. Jackson, S.C. and is now in Fort Huachuca Arizona taking Advance Individual Training for Military Intelligence? He hopes to be assigned to a unit going to Afghanistan. Maureen, don't forget to get his plaque for the Meadows Place Wall of Heroes! Oh, and be sure and Thank him for everyone here in Meadows Place.

**Did You Know**....that Meadows Place resident Louis Bradberry is on his way back from Vancouver where he was part of the electronic security team for the 2010 Winter Olympics? WOW! I bet he has some stories to tell. Anyone else jealous?

**Did You Know**....that staff is always trying to update the website and keep it fresh? We get many compliments about our website but without an in-house webmaster it can be a challenge. That is why we need you to go to the site on a regular basis. Check out the links, the Lost Pets and all the data that the Department Heads put up there for you. There is a lot of information there but we want you to drop us a line or an e-mail if you have any ideas that would make it a better site for you and help keep Meadows Place ... *Your Place for Life*.

If you have something you want to share with us, please contact Did You Know – by dropping us a note at City Hall or just send us an e-mail at : [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org)

### March is MAILBOX MONTH!

By Kathi Sutton

Shortly before I began working in our city, Tracey Spiller held our first annual mailbox month. Tracey was impressed with the results, and I was as well. Let's get this decade kicked off right by rising to the challenge once again...

Mailboxes are constructed to last only about 10 years (depending on materials used). The United States Postal Service states that it is the individual homeowner's responsibility to maintain and replace worn or damaged mailboxes. If it's been quite awhile since you've replaced yours then take an objective look at it. Remember that your mailbox is oftentimes the "first impression" to the house that you've made a home.

#### HOW TO PARTICIPATE:

Through the month of March; mail, place in utility billing box, or email (code-enforcement@cityofmeadowsplace.org) a before and after picture of your newly rejuvenated or replaced mailbox to City Hall. Each participant will receive \$5 discount off their water bill!

Some mailboxes will only need updating and maintenance; paint, rust removal, up-righting post; adding address numbers...), while others may need replacing. Hardware stores sell replacement kits at reasonable prices, and with reasonable effort you can have a fresh new look.

#### CURBSIDE MAILBOX STANDARDS:

- The bottom of the mailbox should be located between 41 – 45 inches (vertical height) from the surface of the street.
- The name and address on your mailbox should be at least 1 inch high.
- The front of your mailbox door should be located 6 – 8 inches from the front face of the curb.

Contact our local post office directly if you are considering moving the location of your mailbox.

Thank you in advance and I'm excited to see what improvements are made. For information on Code Enforcement, please check us out on our website: [www.cityofmeadowsplace.org](http://www.cityofmeadowsplace.org)

The Meadows Place Police Department is in the process of implementing the Nixle Municipal Wire for information, notification and Alerts for and about the City of Meadows Place. The service allows the police department to disseminate important or critical information in a timely fashion about events and activities taking place within the city.

The service does require registration, a process which consists of name, email, area of interest, alerts types of interest and how you would like to receive the notifications. You may visit Nixle.com for further information and registration, which includes an instructional video also. The process allows one to enter information about the types of information desired. You may register for different areas such as Meadows Place and Stafford. The message may be received via email or cell phone (as a text which may incur a charge from your carrier)

Nixle's Municipal Wire is the first standardized, secure, and certified communication platform for local police departments, municipalities, and their agencies to communicate important, neighborhood-level information to the residents of their communities. Nixle's Municipal Wire is available at no cost to agencies or police departments, and uses the same compelling model as social applications, such as Twitter and Facebook, while adding the security that is critical to ensure information received by users is Trusted and Accurate.

Residents receive all information immediately by text message, email and web.

As always, please visit our website at [www.cityofmeadowsplace.org](http://www.cityofmeadowsplace.org) for more helpful information.

## Meet the Council

Heidi Case

The Meadows Place City Council appointed longtime city resident Heidi S. Case Alderwoman to fill the remaining term of former Alderman Charles Jessup, who was named Mayor in November 2007. Case, whose term will expire in May, has lived in the City of Meadows Place for 20 years.

According to Case, "Serving on the council is an honor, allowing me to give back to the town that gave my family and me a safe, stable and happy place to live and grow up."

A member of the Meadows Place Park Board that helped develop the City's comprehensive parks plan, she has served on the Meadows PTO Board for three years and as a pre-school teacher at St. Philip's Day School in Houston for the past ten years. Previous corporate experience includes seven years with Employers Mutual Companies where she handled auto, property, personal liability and worker's compensation claims.

Case grew up in El Paso and graduated from Texas A&M with a BS in agricultural economics. She is married to Paul G. Case and has three children. Her eldest son has just finished a four year hitch in the Marines and is going to school at Houston Community College. Case's daughter will graduate from Texas A & M this Spring and her youngest son is working and going to school as San Jacinto Junior College.

## Taking Care of Business

**Our Business Neighbors are a very important part of the City. Many do more for us than we ever know. This column is dedicated to those businesses.**

You have to love Small Town business - Pro-Clips owner Mary Jehan is a proud sponsor of our Meadows Marlins swim team. The local businesses who do this deserve both our thanks and support.

Over at the Tresor Hair Salon, owner Kim Ha often picks up her elderly clients from Meadows Senior Village and takes them to her salon.

Both are great corporate neighbors !

Keep your eyes open for coupons from Meadows Place businesses and restaurants. Using them promotes stability and income for the City and says "Thanks" for all their contributions.

**2010**

As the sun rose on Memorial Day, Flag Day, Independence Day, and Labor Day 2009, the streets of Meadows Place took on a bold new patriotic look. Over one hundred fifty residents are subscribers to Troop 1115's Flag Service. Some of our streets woke up to see that more than half of the homes presented a prominent Red, White and Blue, high quality flag, proudly flying from a tall straight flag pole which was securely and uniformly placed just off the curb in front of each subscriber's home.

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Troop 1115 and for expressing the patriotic spirit on the holidays when we honor America.

To those who have not yet subscribed, we extend this invitation and ask for your support. **(NOTE: Flags approved by the City of Meadows Place)**

Troop 1115 will proudly post an American Flag in front of your residence on each of the following national holidays: Memorial Day, Flag Day, Independence Day, and Labor Day. (On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day).

For subscribers, a flag holder (PVC pipe) will be placed underground in your front yard, approximately 18 inches back from the curb. On the morning of the four national holidays listed above, Troop 1115 will post an American Flag approximately three by five feet in size on a metal flagpole approximately 10 feet high. Troop 1115 will then return in the evening to retire the flag and flagpole and store it until the next holiday.

**Note: The flags and flagpoles are the property of Troop 1115. You are purchasing a subscription service and NOT the flag or flagpole itself.**

If you have any questions, please call David Ball, Flag Fundraiser Chairman for BSA Troop 1115, at (281)983-0838 or (281)635-2607.

The subscription cost is \$25.00 per calendar year, paid in advance. To subscribe, please complete the following information and return this form with your \$25.00 donation to:

## Message from the Pool Manager

*By Kristina Hickle, Pool Manager*

Grab your bathing suits, goggles and sunscreen because the summer season is right around the corner! I just wanted to remind everyone of a few pool policies to ensure we all have a fun and safe summer.

- Please remember if you do not have a pool card, you cannot get into the pool. Access cards can be purchased at city hall, M-F 9:00a.m.-4:00 p.m. for \$10 each. Also, with every one pool card, you are allowed THREE guests, no exceptions. Only two pool cards are permitted per family.

- Remember to reapply sunscreen at least every 2 hours or so. It is important to protect your skin. Ask a lifeguard for sunscreen if you forgot yours at home. We don't want to see any more sunburned kiddos at the pool!

- The lifeguards are in charge at all times. Failure to obey the lifeguards can result in suspension from the pool.

- Appropriate swim wear is required. If you are concerned about you or your child's skin being too exposed to the sun, rash guards are permitted to be worn over the bathing suit.

- NEW POLICY! Children ages 8 and under MUST be accompanied by an adult or guardian. If your child is 8 or younger he or she cannot come to the pool by themselves.

Don't forget to check out the fun summer and pool activities in the Parks and Recreation section of the newsletter. If you have any further questions, please contact Parks and Recreation at 281-983-2935. Thanks, and I look forward to seeing everyone at the pool this summer!

# Bag it, don't blow it.

Next time you are taking care of your yard, remember: It's important for all of us to make it a point to keep our storm drains clean and clear. You see, they're meant to carry rain water away and to help water flow easily away from your home during a heavy rainfall. The water that runs into and through the storm drain system is not treated. It goes straight to our waterways, and ultimately to Galveston Bay.

Don't blow it - bag or compost your leaves or grass clippings. And please, don't put anything - garbage, motor oil, paint, doggy doo or what-have-you - down the storm drain. Because it could wind up as "ewww" on you.
