# City of Meadows PLACE

APRIL 2015

## COMMENTS FROM THE MAYOR By Charles Jessup

### *Is your home easily located*

Meadows Place, we have a problem – a problem we need to correct by the first of June. The issue is that many of our homes are not easily located by police, fire, package delivery services, realtors or visitors because the address is not properly displayed. The significance of this issue became more apparent to me as I inspected the city as part of my research for EMS options. This is an important issue and one which needs to be addressed. At one time or another all our homes had the addresses properly displayed but with time some have faded, been removed or painted over. Besides not looking good, this problem can be easily resolved. For \$10 to \$15 we can get someone to professionally paint our addresses on our curbs in reflective paint, and handle the transaction completely online. Or, you can go to hardware stores and buy the numbers and put them up yourself. It doesn't matter as long as they meet the code requirements. Code Enforcement has granted us a two month grace period of non-enforcement on this violation and will be happy to refer you to one of several companies which can assist you or answer your question on residential address requirements. It's time to spruce up those addresses and make it easier for the good guys to find us, which can be tough if our homes are not marked. As a bonus, making it better for our first responders will help keep Meadows Place... *Your Place for Life!*

### *For those who missed the message*

Online Utility Billing. Last month Meadows Place implemented our new Online Utility Billing & Payment Program. All you have to do is go to the city website to set up your account, where you will find several options to choose from. A good number of us have already set up our accounts and all seems to be working well. Even though I am at City Hall almost every day, I just had to pay my utility bill online to see if it worked for me. It did, and I am sure it will work for you too. You asked for it- you got it. Another example of Meadows Place listening to you and moving forward to fulfill those wishes.

# Did You Know?...

**Did You Know...** The Meadows Home and Garden Club is looking forward to this year's Spring Home and Garden Tour on Saturday, April 25th? This is a fantastic event which takes place IN our city, FOR our city. Tickets are available through the Garden Club and only cost \$10.00 The proceeds go toward a scholarship fund awarded exclusively to Meadows Place students. For ten dollars you can help a student go to college and get a million dollars' worth of ideas. I hope to see you there!

**Did You Know...** Captain Jack Ashton gave a great program on Gun Safety in the Home at the last Neighborhood Watch meeting? These types of programs are why more and more people are attending these monthly meetings. He also told everyone we need to be sure and lock our vehicles and put away any valuables when we come home and said that if you hear or see anything that doesn't look right or suspicious activities, please contact the police immediately at 281-983-2900. You are NOT bothering the PD when you call.

They want all of our eyes to help maintain the safety of our city. Hope you join Neighborhood Watch.

**Did You Know...** that one of my greatest delights as Mayor is that I get to do fun, community oriented things like throwing out the first pitch at opening day of Meadows Place Pony Baseball? Parks Director Monya Keenen was supposed to throw out the first pitch but I was asked to stand in. I wish she would have been there, because I bounced it in to 12 yr. old Brayton Cardwell. Thankfully, he made it look easy and handled it with no problem. His dad, Travis, is a coach and board member and serve as an example of Meadows Place families who help make Meadows Place, *Your Place for Life!*

**Did You Know...** that Cub Scout Pack 301 had their pack flag flying atop the Battleship Texas? This was part of the great experience as

the pack spent the night on the U.S.S. Texas as part of the Battleship Texas Overnight Education Program. What a great experience as these boys learned a lot about this historic battleship which participated in major campaigns in both World War I and II. I am as proud of them for taking part in this program as they were to see their flag fly.

**Did You Know...** we have had people ask what the pickup times are at the new mailbox up by the Fire Station? That's simple - they are same as before, M-F 3:15 pm. No weekend pick-up.

**Did You Know...** we are going have a new entry sign on Dorrance soon- thanks to TDA? It will be a great new addition to our city.

**Did You Know...** Larry Ewing was reading that the cost of Tax Return Preparation has increased significantly this year due to the new medical requirements (ACA)? He wanted us to know about AARP's no cost tax preparation. Tax preparers are all volunteers and are certified by the IRS. Located at most FT. Bend Libraries the service is not limited to seniors. There are some limitations but not many. Call the local library for days and time.

**Did You Know...** thanks to Jayne Pride, we now know her husband Ken had a band called Aggressor back in the 80's & 90's? They recently found out one of his 1992 recordings, "Any Means Necessary" somehow became huge with metal collectors around the world and is referred to as "a hyper rare metal masterpiece". They can't believe how it is selling on e-bay! Thanks Jayne, this is just the right type of fun info for Did You Know.

Do YOU have something for **Did You Know?** Drop a note at City Hall for or email: [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org). Thank You. Meadows Place... *Your Place for Life!*

**Did You Know...** The Meadows Place Community Garden is "on a roll"? They are now a "Nonprofit Corporation" and have a great Facebook page. The Board of Directors are: Tom Altman, Svetlana Braikovich, Shelley Brough, Robert "Bob" Dybala, Johanna Garcia, Cindy Poe, and Jack Shaw. (These are the folks that have been meeting since last year to establish a community garden for us. To show you how much they believe in what they are doing, they let the Meadows Elementary 5th graders, under the guidance of their Science teacher, Ms. Odom, plant a variety of vegetables in the very first bed to be planted. A great start to a great program for Meadows Place. I also want to give a Big shout out to Joseph French, Public Works staff for all his hard work in making this garden come to life.

*(Comments From The Mayor continued from page 1)*

### **Bond Debt Reduction**

The city recently met with city financial advisor for bond indebtedness, Joe Morrow, Senior Vice President of FirstSouthWest, a leading underwriter and financial advisor to municipalities across the nation and the underwriter for the City of Meadows Place.

Timing can be everything and because our 2005 bonds become callable later this month, Mr. Morrow suggested the timing is right to do something about reducing our debt, lowering our debt service reserves and....save the city some money on interest payments as well. This very positive action was taken by your Council last month and strengthens Meadows Place financial position even more. Thank You Joe Morrow and Anna-Maria Weston for all the preparatory work you did to make this possible.

### **Election Cancelled**

Since neither Kelle Mills nor Terry Henley drew an opponent, city elections were cancelled and the money saved. Congratulations Terry and Kelle.

**Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.**

Suya Hut is moving....but because they love it here, they are staying in Meadows Place! They are getting a larger space in the Kirkwood Center and will be moving later this month. Suya is a spicy shish kebab like item to be enjoyed as a delicacy.

***Thank You For Staying  
Suya Hut***

***Meadows Place has some really great businesses. Be sure to utilize them. They need, and deserve, our support.***

*By Chief Gary Stewart*

## **Skimming**

According to the Bureau of Justice Statistics, over 16,500,000 people fell victim to some form of identity theft in 2012 resulting in billions of dollars of losses and a mountain of stress and anxiety. One of the fastest growing segments of identity theft involves thieves obtaining credit card and ATM card account numbers and PIN numbers by way of skimming devices.

A skimmer is a device that can fit over the card slot of an ATM machine, a gas station credit card slot and other credit card processing machines found in restaurants and other retail locations. While the devices can sometimes be bulky, they are designed to blend into existing apparatus and can go easily undetected by unsuspecting customers. The devices read the magnetic strip of the card being used and capture the account data.

At ATM machines and gas stations, these devices are typically used in concert with a pinhole camera or keypad overlay device, either of which can secure the victim's PIN number. The thief simply retrieves the devices at a later time and use the data to manufacture a duplicate bank card for future ATM cash withdrawals against the victim's account.

Unfortunately, identity theft is a rising trend that affects all of us. Consider these tips when conducting ATM and credit card transaction so that you can reduce your odds of becoming a victim of a skimmer device:

1. When using a bank ATM machine, inspect the face thoroughly before inserting your card. Look for anything bulky around the card insert area. Check above you and side to side for anything that might resemble a small camera. If something looks suspicious, it probably is.
2. Inspect gas pump credit card inserts in the same manner.
3. If possible, use ATM machines located within the bank branch.
4. Avoid using portable ATM machines in bars and restaurants. These are easy targets for thieves because they are often located out of sight and lack the built in surveillance systems on the bank owned machines.
5. Enroll in a credit protection plan with a credit reporting agency such as Equifax or TransUnion
6. Avoid, if possible, allowing your credit card out of your sight while making a purchase

*If you suspect a skimmer is being used please contact the Meadows Place Police Department; or if you have any questions.*

### Welcome Spring!

Spring is in bloom, and by the look of our yards (mine included), the weeds really thrived this winter! (Especially with the rain and the back and forth of warm then cold then warm again!)

If you are facing a weed dilemma in your yard, check with your local nursery. Sun, good drainage and lawn aeration will encourage your grass to develop strong roots. Apply a thin blanket of compost over the lawn in the spring. Apply a slow-release or organic fertilizer after the lawn has greened and begun to grow. Water as needed, early in the day so that the grass blades dry quickly. Mow your grass at 3 inches, and leave the clippings as they will break down naturally and replenish the soils nutrients. Be sure that when you mow you are mindful to remove all of the clippings from the sidewalk and street.

Spring also traditionally means "Spring Cleaning". Now is a great time to get to some projects before the summer heat sets in.

Pressure wash, fix broken fence pickets, clean up the flowerbeds, and perform general maintenance (wash windows, treat active rust spots, and replace rotten fascia or siding...).

Pick up and put away any items that have been left out on the driveway, porch and yard. Touch up paint the outside of your home. (Approved color palette available at City Hall.) Install 4" address numbers on the exterior of your home.

I also wish to offer a heartfelt Thank You to those citizens that have already begun the process of revitalizing their homes and OUR CITY!

### Storm Water Management Program "Only Rain Down The Drain"

The City of Meadows Place Storm Water Management Program (SWMP) is currently being reviewed by the Texas Commission on Environmental Quality (TCEQ). Anyone that would like more information regarding the City's SWMP should visit the City of Meadows Place website. The SWMP includes best management practices focused on preventing and reducing the discharge of pollutants. Below are helpful way homeowners can reduce pollutants in local waterways.

- Remove yard waste from streets, sidewalks, and driveways.
- Do not dispose of grass near or into storm drain (encourage yard vendors not to do so.)
- Blow or sweep grass clippings or tree leaves into the yard where they can help provide additional nutrients to the lawn.
- Use grass clippings or leaves as compost to fertilize the lawn and protect landscape plants from extreme weather.

**Help us keep our storm drains clean!**

## 2015 BOY SCOUT FLAGS OVER MEADOWS PLACE

Holiday flag placement in your yard on:

***Memorial Day > Flag Day > Independence Day > Labor Day***

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Boy Scouts and for expressing the patriotic spirit on the holidays when we honor America. If you had any difficulty with your flag subscription last year, please contact Rick Staigle. To those who have not yet subscribed, we extend this invitation and ask for your support.

Troop 731 will proudly post an American Flag in front of your residence on each of the following national holidays:

- **Memorial Day**
- **Flag Day**
- **Independence Day**
- **Labor Day**

(On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day). Boy Scout Troop 731 flag placement occurs early morning and flag retirement early evening. **Note: The flags and flagpoles are the property of Troop 731. You are purchasing a subscription service and NOT the flag or flagpole itself.**

---

The subscription cost is \$25.00 per calendar year, paid in advance. To subscribe, please complete the following information and return this form with your \$25.00 donation to:

"Fair Prices, Quality Work"

• Please have your furnace checked for proper operation by a licensed H.V.A.C. professional before turning them on! \*\* A very small price to pay for you and your loved ones safety.

### PREVENTIVE MAINTENANCE TIP ~ FYI:

Have the duct work checked in your homes attic space for air leaks. If your home is 25-30 years old the typical "flex duct" originally installed by builders can deteriorate & literally "fall apart" due to constant heat & humidity of attic conditions in our area. This can hit you hard in the "pocketbook" (i.e. very comfortable attic space!!). Not to mention your system has to work harder to comfortably heat & cool your home. Having your duct work checked can be easily scheduled during your annual fall furnace inspection. **Call Now** before you make the switch to heat.

## Home & Garden Club

By Rose Melancon, Publicity

### Will you receive an award this month?

The Meadows Home & Garden Club is preparing to give **two awards** to Meadows Place residents!

First, the Scholarship Awards committee is looking forward to reviewing candidate applications they receive by the deadline date of April 30, 2015. We wish everyone good luck and a successful future. Download an application and find out more information at meadowshomegardenclub.com.

Second, the Yard of the Month judges will be selecting a yard in each Meadows Place section on **the last weekend of March** for the April award. If you need ideas or inspiration for your yard visit our web site. Guidelines for selection are:

1. Overall Landscaping: variety and symmetry
2. Lawns: condition and manicure
3. Shrubs: condition, quality and suitability
4. Trees: condition, quality and trim
5. Annuals and Accessories: seasonal color, harmony (no artificial plants or flowers)

Our next meeting is Tuesday, April 14th at 7:00pm at the Community Center. Come join us as Texas A & M Agrilife Extension speaker discusses the benefits of composting.

**Wanted:** Remodeled homes or landscaped yards for the Spring Home & Garden Club Tour on April 25th. Contact Meadows Home & Garden Club President, Bob Dybala, at 713-213-6166 or meadowshomegardenclub@gmail.com. This is a private tour open only to Meadows Place residents. Proceeds for this event benefit the Scholarship Awards.

Advance tickets for the Spring Home & Garden Tour will be available from club members at \$10.00 per person. On the day of the Tour, tickets will be \$15.00 and available at each house on the Tour.

## Aquatic News

### The pool will be open soon!

The pool will be open soon! Here are a few pool policies to ensure we all have a fun and safe summer.

- Lifeguards are in charge at all times. Failure to obey lifeguards will result in suspension from the pool.
- Children ages 8 and under MUST be accompanied by an adult or guardian. If your child is 8 or younger, he or she cannot come to the pool by themselves.
- Pool wrist bands can be purchased for this summer at the pool beginning May 16th, Opening Day.
- Wristbands are \$5 per band; one band required for each family member.
- Appropriate swim wear is required; rash guards are permitted to be worn over the swim suit.
- The first Barefoot N' Friday is May 15th!

Summer 2015 is going to be full of fun activities, events and classes for all ages! Look in the Newsletter for more information.
