City of
Meadows PLACE 

MAY 2013

COMMENTS FROM THE MAYOR
By Charles Jessup

2013 City Election Scheduled

May 11, 2013 is Election Day in Meadows Place. Early voting times are on the website. I urge everyone to participate in our political process; it is our right and our responsibility.

Situs Addresses - Finally, Meadows Place is in Meadows Place!

In a major breakthrough, the City of Meadows Place, working diligently with the Fort Bend Central Appraisal District (CAD), has managed to change the situs addresses of Meadows Place homes from Stafford to Meadows Place. This will pay huge dividends for us in the future. Situs is a legal term stemming from a Latin word that simply means location, or site, of property. Our homes now show a situs, or location, in Meadows Place. It has been very difficult to promote our city, or get businesses to move into it, when it is listed as part of another city. Hopefully we have that corrected now. Just in case, please check your tax records to make sure the address on YOUR home has been corrected. If not, then please contact the CAD and request a change. The other address, which, unless you have had it changed, is the CAD mailing address of record, and probably still reads Stafford. It is a simple process to change the mailing address but it must be requested by the homeowner. I hope each of you will take the few minutes to change it. It is a very simple process, all you have to do is fax your request, along with your address and signature, to the CAD, fax # is 281-762-9666. If you do not have a fax, please feel free to bring your request to City Hall and we will fax it for you. Then, your home and your mailing address will be in Meadows Place. Finally.

Symposium

More big news. The City of Meadows Place has been asked to speak before the nation's largest Water Reuse Symposium this fall. For over a year now, visitors from all over the country have come to see for themselves the who, what, how and what it took, for a small city, with such limited resources, to put together a full system water reclamation project like ours.

Did You Know?...

Did You Know... May 2nd is the National Day of Prayer? Since 1952 Americans from various religious backgrounds gather in prayer for the United States. Meadows Place is one of the many cities in Ft. Bend County that participates in this historic practice whose beginnings can be traced back to George Washington. Please feel free to join in Tuesday, May 2nd, at 10:00 a.m. Tim Shoulders and other volunteers from Sugar Grove Church of Christ will set up chairs in the grove of trees behind Meadows Place City Hall. Hope to see you there.

Did You Know... People are still talking about the first Meadows Place Concert at the Lake? What a great event it turned out to be. Lawn chairs, kids running around having fun, neighbors catching up with friends they hadn't seen in a while and... the Revolving Doors - a fantastic Rock, Country, Rhythm and Blues band with a great playlist. Several of our neighbors got excited while watching because the band has a Meadows Place connection. On the keyboard was Bryan Bilocura, who is the music minister at a local church and lives in Meadows Place. Other band members include Mark Lee (our CenterPoint land rep), Chris Klein, Charlie Lillja, Scott Krueger, Justin Becker, and Julian Voller. Thanks for all the good comments about our Concert at the Lake. Events like this play a role in keeping Meadows Place a great place to live. Thanks Monya!

Did You Know... while at the concert, a resident who moved to Meadows Place about a year ago, told me how pleased and impressed he was at all the steps we have taken to separate ourselves from Houston/Harris County? He said if we continue, it will really increase the value of his property. As we shared thoughts on the matter, one idea he really liked was selectively replacing our standard light poles with a decorative one, similar to the decorative poles in the park only street pole size. What do you think? Send me an e-mail if you think I should look into this with CenterPoint.

Did You Know... the information was a bit overwhelming at a recent hearing on water tables and subsidence? For years, the Ft. Bend Subsidence

District and the United States Geological Survey have gathered and compiled data from hundreds of wells around the county. I learned there are parts of Ft. Bend County where the level of the land has dropped over six feet in the past twenty years. Though our ground may shift and move, Meadows Place is not one of those areas - and thanks to the Subsidence Reduction measures we, and the cities around us have taken, we never will. They plotted the change in the water levels before and after the subsidence measures were taken and it was amazing. The land will not return to previous levels but the water tables have, and that will stabilize the region. Including Meadows Place. Whew...

Did You Know... School Board Members Dave Rosenthal and Jim Rice came to Meadows Place last month to discuss the changes we might expect from the new Superintendent, Charles Dupree? We also discussed funding changes and what it might mean to Meadows Place. Having a strong relationship with FBISD is very important to our city and "our" school.

Did You Know... a photo of Dakota Mills pitching Dulles to victory over Kempner, which put them in to playoffs, was featured in the Chronicle? Congratulations to the Dulles Vikings baseball team but especially to Dakota and all the players from Meadows Place for a great year. From baseball to Brahms, the boys and girls of Meadows Place have the opportunity to engage in unlimited activities which make life more meaningful - and help makes Meadows Place...*Your Place for Life!*

Did You Know... Old Town Meadows is coming soon to Meadows Elementary? Come one, come all on Friday, May 3rd, 2013 from 6:00-9:00 pm for the Greatest Carnival of Earth! Join us for fun, food, games, live and silent auctions. Meadows PTO would like to thank all of the sponsors, especially Texas Direct Auto.

Did You Know... Is just for YOU - and counts on you for input? Please let us know what is going on and Drop a note at City Hall for or email: mayor@cityofmeadowsplace.org. Thank You!

Did You Know... The band called "Scottsdale Drive" won the battle of the bands competition at the Amped Music Showcase on Saturday, April 13, 2013? The competition was held at the PARC on Eldridge Drive and included four other bands, all of which were very talented. There was a great turnout for the AMPED event and for their debut performance, Scottsdale Drive came out on top by putting on a great show and winning the most votes.

The members of Scottsdale Drive are: Christina The Voice Garcia, Alex Huffman, Keegan Huffman, Justin Nguyen, Michele Pless and Michael Soo. Christina, Alex, Keegan and Michele are all Meadows Place residents. Their manager, Anthony Ontiveros is also a Meadows Place resident. Talent of all types abounds in Meadows Place.

(Comments From The Mayor continued from page 1)

Our lake/water reclamation project has been featured in two of the nation's more prestigious water and wastewater publications which I am sure added to the reasons Meadows Place was chosen to participate. The abstract we submitted is titled *No Community Is Too Small To Realize Great Benefits from Water Reuse* and was co-authored by myself and Ben Gould of Ashbrook Simon-Hartley with whom we worked to develop the filtration system we needed.

This September, I will meet Public Works Director Dan McGraw in Denver, Colorado at the 28th annual Water Reuse Symposium whose mission it is to "advance the beneficial and efficient uses of high-quality, locally produced, sustainable water sources for the betterment of society and the environment through advocacy, education and outreach, research, and membership". Meadows Place is proud to be part of that mission and will try to help other small cities as they look toward their futures as it regards to water reuse and reclamation and hopefully help them move forward with their own projects. Meadows Place has a very professional PowerPoint presentation which should represent Meadows Place well. I could not be more proud of our little city, and I know you are too.

Homeowner Water Conservation Efforts

As water becomes more and more regulated, and expensive, I believe it will be necessary to have as many options as we can, both as individual homeowners and as a city. I have scheduled a meeting with the water conservation experts with the Fort Bend County Agricultural Extension Agency and will be working with them to provide us with information and possibly come to the city to conduct an educational presentation for the residents of Meadows Place. Please check the newsletter for more on this as it develops. Working hard to better serve you and make sure Meadows Place is... *Your Place for Life!*

Taking Care of Business

Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.

Meadows Place is fortunate to have corporate business partners that work with us. One of those partners is

Sterling McCall Nissan

Among other things, Sterling McCall supplies loaner and field vehicles to our Police Department, and has a special Meadows Place oil change price for our police cruisers. Thank You, Sterling McCall

Personal Safety Tips

Tips for Staying Safe While at City Parks

Thieves also target city parks. These tips can help your family have a safe and enjoyable park visit in all city parks:

- Only use the parks during posted hours
- Obey all posted warnings and signs
- Do not allow children to play unsupervised
- Do not carry a purse or valuable items. Secure items out of sight before you arrive at the park
- Avoid walking alone
- Carry a cell phone
- Be aware of your surroundings at all times

Tips for Staying Safe While Traveling Home

- Frequently check your rear-view mirror to see if you are being followed. If you are being followed, do not drive home. Instead drive to the nearest police station, fire station, or other place of safety
- If you believe you are being followed but are unsure, make three consecutive left hand or right hand turns. If you are still being followed, do not drive home
- Remember, it is important to know where you are so police officers can respond if needed. Know your direction of travel
- If you have a cellular phone, call 9-1-1. Try to get a good description of the vehicle that is following you including the vehicle's make, color, and license plate number if possible
- Do not try to be a hero. Don't take any action that would jeopardize your own safety

**Honoring Our Public Servants.
Connecting Citizens with Their Government.**

May 5-11, 2013

Celebrated the first week of May since 1985, Public Service Recognition Week (PSRW) is time set aside to honor the men and women who serve our nation as federal, state, county and local government employees and ensure that our government is the best in the world.

Throughout the country, mayors, governors, agency leaders, communities and public service organizations participate in PSRW by issuing proclamations; hosting award ceremonies and special tribute events; and delivering messages about the value of public service.
