**COMMENTS FROM THE MAYOR**  
By Charles Jessup

***Kirkwood Renovation and  
Beautification Project Public  
Meeting***

You are invited to a Public Meeting which is being held at City Hall on October 15th. The purpose of this Public Meeting is to review the findings of the Houston-Galveston Area Council (HGAC) South

Kirkwood Road Traffic Study which was presented to City Council at the September Council meeting. This \$50,000 study, funded, controlled and conducted by HGAC, did a comparison of several different traffic and renovation options for the Meadows Place portion of Kirkwood that was included in the Fort Bend County Mobility Bond project. Amongst others, there will be experts from HGAC and HDR Engineering to answer your questions regarding costs, safety, traffic flow, esthetics, environmental impact and anything else you want to ask them. This is an Open Format, go through at your own pace meeting with several stations located throughout the Council Chambers. This is designed to let you personally visit with, and ask questions directly to, the many different experts and engineers that will be there.

This report, which is now posted on our website, states -“As part of this study, traffic data was collected, warrant analysis was conducted and existing and proposed conditions were analyzed...” Much of the data analyzed in this report takes traffic expertise to understand, that is why HGAC Director of Transportation Alan Clark so kindly agreed to have experts at this Public Meeting to decipher and make clear the data in the report and answer your questions.

Save the Date – October 15th, at City Hall. This meeting is open to all residents and will run from 6:30 until 8:00 pm.

# Did You Know?...

**Did You Know...** Channel 39 visited Meadows Place in search for answers to the problem of door-to-door solicitors and peddlers? In a recent news report by the Channel 39 News Team, Meadows Place was used as an example of a city dealing effectively and efficiently with peddlers and door-to-door solicitors. The City of Meadows Place, according to this amusing but serious investigative piece, "Doesn't Mess Around" when it comes to dealing with this problematic and potentially dangerous issue. The report illustrated how Meadows Place uses strategic ordinances to protect its residents from unwanted visitors. Basic message - Call our PD if you see people going door to door. To watch this very positive news report, check our website or Facebook page.

**Did You Know...** The City of Meadows Place is proud to announce the promotion of Anna-Maria Weston to Meadows Place Financial Director? Anna-Maria has worked hard to streamline several processes that save the city money, works with our auditors, and prepares tax reports for the Mayor and Council. Anna Maria was instrumental in having Meadows Place receive a Certificate of Distinction by The Government Treasurers Organization of Texas. She is a real asset for our city. (Pun intended).

**Did You Know...** That Taekwondo instructor Jenny Pless received a Hall of Fame Award? Jenny works hard to be a part of and give back to our community. Congratulations, Jenny!

**Did You Know...** former Mayor Mark McGrath has been selected as an alternate member of the Meadows Place Planning & Zoning Commission? With the big push for commercial development and increased property values, his skills and experience should serve the city well in the future. Thank You, and welcome back!

**Did You Know...** Judge Beverly McMinn has been serving our city for 25 years? Beverly does double duty with Meadows Place. Ms. McMinn serves as the official Court Clerk and the Associate Judge. She says the main function of our Municipal Court is to see that everyone who has business with the City of Meadows Place is treated with courtesy, respect and justice and works hard to make sure that happens every day. She also assists in every other administrative function in the city to make sure Meadows Place stays.... Your Place for Life!

**Did You Know...** That Tuesday night is Spirit Night at Lopez for Meadows Elementary School? To show your spirit and financial support for Meadows Elementary, just go to Lopez, have fun with your family, enjoy a great meal and then tell them you are there for Meadows Elementary. They will set aside a little for the PTO and you will be helping while having a great time. Hope to see you there on Tuesday! Thank You, Lopez.

**Did You Know...** Connie and Donald Houglund had some very nice things to say to your City Council at the Public Hearing on the 2015-2016 City of Meadows Place budget and tax rate? Thank you both for attending and for your kind words.

**Did You Know...** that Meadows Elementary Librarian Shelly Puckett was recently selected the Fort Bend Civil Servant of the Week? Like many others, Shelly has been at Meadows Elementary for years and has made sure the library meets the needs of the kids while meeting the demands of modern technology. She loves the school, her job, and "her" kids. Congratulations Shelly!

If you have a fun event or someone did something special, drop us a note or email: [mayor@cityofmeadowsplace.org](mailto:mayor@cityofmeadowsplace.org). Thank You Meadows Place... *Your Place for Life!*

## Did You Know...

Meadows Place has a new Parks and Recreation Director?

# WELCOME COLENE CABEZAS!

*(Comments From The Mayor continued from page 1)*

This is a great, self-paced format, which allows you to talk to, visit with and ask questions of the experts and engineers one-on-one, or, if you choose, you can fill out one of the Question and Comments cards, drop it in the box, and the City will make sure you have an answer, by an expert, in ten days or less. All Question and Comments cards received will be taken into account and will be part of the final analysis, report conclusion and ultimately, part of the preferred recommendation. You asked for it, you got it – a chance to see what was being studied, a chance to ask questions, and a chance to add your thoughts and feelings to the process. Hope to see you there.

### ***Meadows Place Facebook Page***

Many Meadows Place residents asked that we, as a city, embrace social media such as Facebook as a means of getting information out and providing an opportunity to get an official response to questions of interest at the moment. Well, there is now an official 'City of Meadows Place' Facebook page. Some 300 of you have "Liked" our page and that is great, but we need many more to be most effective. We will not overload you but will send out important information, dates, and fun, informative postings like the Channel 39 report on Meadows Place. Monitoring the site will enable us to respond to community questions in a timely manner, so go to City of Meadows Place on Facebook, 'Like' us and 'Share' our page with your Meadows Place 'Friends'. Thank You.

### *Taking Care of Business*

**Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.**

There are many business and commercial development opportunities in Meadows Place. Our Economic Development Corporation (EDC) is working hard to get them. Check out their new and improved webpage on the city website. Thanks

### **Meadows Place EDC**

*Meadows Place has some really great businesses. Let's all support them. They need, and deserve, our support.*

## **The Meadows Place Police Department Encourages Everyone to Have a Safe Halloween with These Safety Tips**

- Instruct your older children to TAKE FRIENDS when "Trick or Treating."
- Make sure a TRUSTED ADULT, accompanies your younger children when "Trick or Treating." Older children should travel in groups.
- Children should not enter homes without your prior permission.
- Only approach homes that are well-lit both inside and outside.
- Teach your children to NEVER approach a vehicle unless they are accompanied by you
- Make sure your children wear reflective clothing and carry a flashlight or glow stick
- Make sure your children are able to see and breathe easily when using facial masks.
- All costumes and masks should be clearly marked as flame resistant.
- Teach your children to always stay in well-lit areas, and never go into isolated areas.
- Teach your children to stay alert for any suspicious incidents and report anything unusual to you and law enforcement.
- Teach your children if anyone tries to grab them to draw attention to themselves and yelling loud as they can: "This person is trying to take me," or "This person is not my father/mother." Teach your children to make every effort to escape by walking, running, or pulling away; yelling; kicking; attracting attention; and otherwise resisting.
- Consider organizing or attending parties at home, in schools, or in community centers as a good alternative to "Trick or Treating."
- Please notify the Meadows Place Police Department immediately of any suspicious or unusual activity

### Violations

October is Fire Prevention month, so please take a minute to check your smoke detectors and change the batteries.

One of the more frequent questions has been, "Are chickens allowed in Meadows Place?" The answer is NO. Our original deed restrictions precluded all livestock to include poultry. Ordinance 1995-2B authorized the City to continue to enforce deed restrictions.

Last month I mentioned the issue with loose dogs. Case in point: I found a dog loose by the elementary school. While in the process of restraining the dog for ID, I was bitten on the hand for my troubles. This caused the dog to be quarantined for mandatory 10 days, fees for the quarantine, and the issuance of a "running at large" citation. The total fees that the dog's owner will be responsible for...a minimum of \$2,000.00

We did pretty well on updating the addresses on our homes/mailboxes. However, there are still a few of us that have not taken the time to correct their issues. They will be receiving a citation shortly that may cost up to \$2,000.00!

Speaking of citations...I am not required to post a warning first. I try to do that as a courtesy. Yet in some instances, it is necessary to issue citations right away. So please put your trash cans away, cut your grass, and clean the outside of your home.

### Top Hits from September:

Violation:	Warn/Cit	Comply:
Grass/weeds	15/1	14
Trees/Shrubs	8/1	7
Trailer/Car/Boat	8	8
Trash Cans/Debris	18/1	17
General Nuisance	60/1	59
<b>Totals</b>	<b>109/4</b>	<b>105</b>

Please remember, I can't see everything. If you don't let me know what is happening and what is important to you, I can't make it a priority.

The City of Meadows Place has contracted with Triple C Services to paint the City's 154 fire hydrants. Triple C Services has painted hydrants for other municipalities such as West University Place, City of Bellaire, City of Webster, and WCID #2. The project should begin

in mid-October and last about three weeks depending on the weather. Triple C services will need access to the city fire hydrants, so be sure to park away from fire hydrants during this period. Triple C Services will only work on weekends if there has been inclement weather that has occurred during the week. If you have any questions regarding this project please call the Public Works Department at 281-983-2961.

The City of Meadows Place was recently awarded the "Certificate of Distinction" from the Government Treasurer's Organization of Texas (GTOT).

Members of the Review Committee congratulated the City for its commitment to maintain a comprehensive written investment policy that met specific criteria.

City Secretary Janice Moore and Financial Director Anna-Maria Weston spent 12+ months developing an investment policy that would meet the requirements of the Public Funds Investment Act and the standards for prudent public investing established by the (GTOT).

The City is one (1) out of 24 in the State of Texas to receive this recognition. Another reason why "Meadows Place is **Your Place for Life!**"

 *Texas Municipal League's Second Annual Leadership Academy*

Congratulations are in order for City Secretary Janice Moore and Parks & Recreation Assistant Monica Parsons. Ms. Moore and Ms. Parsons have taken part in the Texas Municipal League’s second annual Leadership Academy. This Leadership Academy is a two-course, six-day program, designed to enhance the leadership skills of officials who serve our Texas cities. The Leadership Academy features an impressive faculty of university professors, thought leaders, and governing officials who teach participants to critique their own decisions and actions, and develop the competencies needed to excel in their leadership roles. Ms. Moore and Ms. Parsons took their first course on Personal Leadership Effectiveness July 29-31 and took their second course on Ethical and Collaborative Leadership August 26-28. Their enrollment and participation in these courses helped them:

- Measure leadership competencies, and identify actions to improve effectiveness
- Examine themselves, and identify why they are leading
- Explore the principles and characteristics of ethical leadership
- Learn to build trust and community
- Improve team-building and communication skills
- Practice negotiation and conflict resolution for strategic influence

Most importantly, City of Meadows Place will benefit from the education and experience that they have gained.

"Proudly Servicing Homes in Your Area for 28 Years!"

## CASUAL AIR, INC.

"Fair Prices, Quality Work"

\* Please have your furnace checked for proper operation by a licensed H.V.A.C. professional before turning them on! \*\* A very small price to pay for you and your loved ones safety.

### PREVENTIVE MAINTENANCE TIP ~ FYI:

Have the duct work checked in your homes attic space for air leaks. If your home is 25-30 years old the typical "flex duct" originally installed by builders can deteriorate & literally "fall apart" due to constant heat & humidity of attic conditions in our area. This can hit you hard in the "pocketbook" (i.e. very comfortable attic space!!). Not to mention your system has to work harder to comfortably heat & cool your home. Having your duct work checked can be easily scheduled during your annual fall furnace inspection. **Call Now** before you make the switch to heat.
